

COLLEGE DEFERMENT PLAN CRITICIZED BY STATE SENATE

Truman Policy Sets Up Class Distinction, Senator Charges

By JIM SMALLEGAN

The state senate passed a resolution yesterday criticizing President Truman for issuing a sweeping order that will enable college students to be deferred from the draft by passing special aptitude tests.

Deferments Endorsed By Hannah

President States Program 'Sound'

Editor's Note: The following statement by President John A. Hannah was written as part of a nation-wide roundup by The Associated Press of comment on reaction to the college draft "deferment test" plan. At the time the Michigan state senate was adopting its resolution on the deferment plan, The Associated Press released this statement to The Michigan State News for publication.

"I do not see how anyone who understands the plan to defer college students from military service temporarily can quarrel with the objective, which is to give the nation the benefit of more adequately trained manpower. Such criticisms as I have heard seem to be based on the mistaken notion that somehow college men are to be treated better than those who do not or cannot go to college. Actually, no one is seeking or would advocate preferential treatment for men of college caliber; they will have to perform their two years of military service the same as those who are not deferred. The obligation to serve and the length of service remain the same for everyone; the only difference is that the college man will have to give his service later when it will be more valuable to the nation.

The resolution has been sent to the house of representatives and if passed will be transmitted to Mr. Truman and selective service officials in Washington.

The resolution has no legal effect, however, and is just a statement of policy.

Misused Power

Senator Frank Andrews (R-Hillman) who introduced the resolution said, "I think Mr. Truman has misused his power to the point that he has caused a class distinction."

"I am not in favor of drafting all college students, but I do think that deferments should be limited to those students studying technical work," Andrews said.

Against Passage

A strong argument against passage of the resolution came from Senator Blomdy (D-Detroit). "I think the President should be commended for having the foresight to continue educating the students in our colleges," Blomdy said.

Senator Charles T. Prescott (R-Prescott) also voted for the resolution, stated, "I do not believe that the human can be measured to the point where certain students can be justifiably deferred by a mechanical test. I believe intelligence and leadership, which is essential to the education of our country, cannot be measured by an aptitude test."

Announcement Deadline Saturday

The deadline for ordering senior commencement announcements is Saturday noon, Bob Klein, senior class president, said yesterday.

Announcements can be ordered at the Union book store and are priced at 35 cents for paper, and 50 cents apiece for leather programs.

Caps and gowns for Senior Swainston and commencement should be ordered at the book store now, Klein said.

MSC Boxers Take NCAA Lead

State Scores Five Victories On First Day

Slugging It Out

Four MSC boxers scored victories before 1,039 fans at Jenison fieldhouse in yesterday's preliminaries of the annual NCAA tournament.

Two wins by Jack Black and one each by Carl Hank, Amos Clark Spieser and Leon Hamilton gave the Spartans the team lead. They have five points going into tonight's semifinal round. The first bout will start at 7:30.

There were two sessions yesterday. Pearce Lane was eliminated in the afternoon bout. Black won a unanimous decision over California's Bill Smith and then came back to beat Norman Walker during the evening session.

Spieser Wins

Spieser, State's popular 175-pounder, punched out an overwhelming decision over outclassed George Peltus of California university.

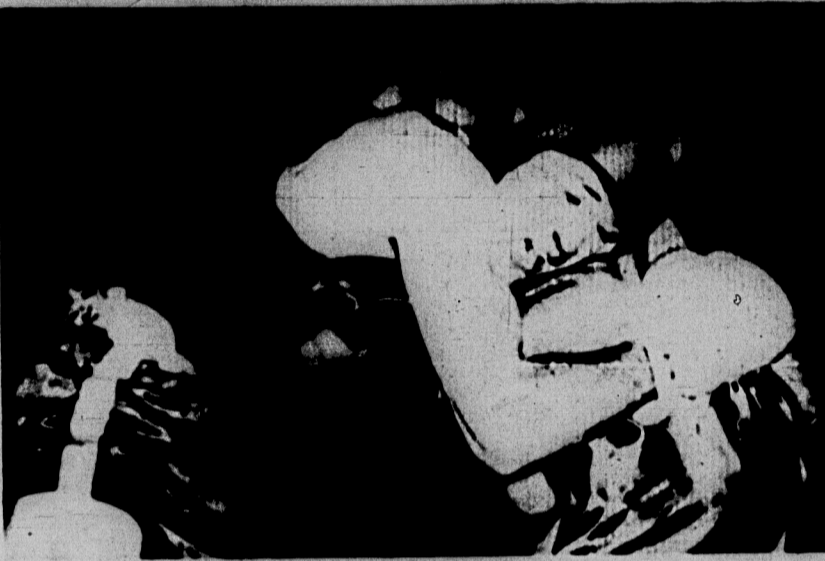

Amos gained a semifinal berth by measuring Gordon Sifton of Gonzaga. The Spartan captain poured it on fast and heavy to repeat his dual meet victory in the 125-pound bout.

The other team point was garnered by Hamilton as the State 165-pounder took a unanimous decision from Dave Milligan, LSU Wagonlander Eliminated.

The sixth Spartan entry, 135-pounder Ed Wagonlander, was eliminated by Washington State's Jack Nelson.

Of the three 1950 national champions entered in this year's tournament, Fly Thomas, Grangola, was the only one in action last night. He beat Bobby Colfax. Thomas took his crown in the 150-pound division last year and is currently fighting at 165.

Low 'N Inside

By ALEX LAGGIS
Night Sports Editor

To those skeptics that were afraid the Spartans' play would not measure up to the Big Ten's rugged standards once MSC was admitted into the conference, here are a few statistics to show they were all wet.

Although the Spartans have yet to win a title, the Big Ten's "baby member" is at the head of the pack in conference standings after the completion of seven sports.

Alloting ten points for every first, nine for second, eight for third and so on down the line, State athletics have racked up a top score of 61 points.

Coach Karl Schlademan's cross country squad put MSC off to a good start with a second in the first sport in which the Spartans were eligible to compete.

The gymnastic squad under Coach George Szypula and Coach Charles McCaffree's swim team also came in with runner-up finishes. State got the rest of their points on thirds by the track, hockey, and wrestling teams, a fifth by the fencing team and a seventh by the cage squad.

★ ★ ★ ★

Illinois came second with 59 markers, mostly gathered by firsts in track, gymnastics, fencing, and basketball. They faltered in the other sports however, finishing last in swimming, fourth in wrestling, and sixth in cross country.

In sports in which not all of the conference members fielded teams, the non-competing squads divided up the remaining points equally.

Ohio State, with victories in swimming and wrestling, placed third with 55 3/7 points.

The Wolverines of Michigan, with a first in hockey and a pair of seconds, copped fourth place with 42 1/2 points. Wisconsin edged Purdue out for fifth place with 38 3/7 tallies with the Boilermakers taking sixth place honors with 37 13/14 points.

The rest of the positions were occupied by Iowa, Minnesota, Indiana and Northwestern in that order.

★ ★ ★ ★

In regular season play, Michigan State won 29 games, lost 22 and tied two the past two terms against Big Ten foes. Although the basketball and hockey teams had reverse records of 5-9 and 0-6 respectively, the other sports had winning seasons against loop foes to more than make up for the loss.

So, all in all, the Spartans proved they are capable of facing the competition the Big Ten has to offer and with tennis, golf, track and baseball championships coming up, State's first year of loop competition looms as a very successful one.

Magi, Ciolek, Blanchard Cinch Starting Positions

By STAN KURZMAN

With only a week of practice remaining before the opening baseball game, Coach John Kobs still is in the dark as to his opening lineup.

But three players who are almost certain to get the nod at game time next Friday

against the Boilermakers of Purdue, are center fielder Capt. Vince Magi, first baseman Bob Ciolek and third baseman Dick Blanchard.

Magi Tops in Homers
Magi, a six-foot senior, had one of his best seasons last year as he compiled a .348 batting average. He pounded out 32 hits including seven home runs, which was tops for the Spartans.

Besides his hitting ability, Magi, who throws and bats right-handed, also is rated as one of the better collegiate fielders in the nation. His throwing arm ranks with the best.

Blanchard Back at Third
Blanchard, like Magi, played the full season for State last year. The lithe junior belted the ball at a .327 clip as he scored 28 runs, second in team scoring.

His strong and accurate throwing arm is one of the reasons that he is rated as a defensive stand-out. Blanchard started slow in the south this year, batting only .262. But Kobs seems certain that by next week his sharp batting eye will return.

Impressive on Tour
Ciolek, another junior, took over first base in the middle of

Oosterbaan Halts Wolverine Drills

ANN ARBOR — (AP) — Coach Bennie Oosterbaan dismissed his football squad for spring vacations here yesterday after a three-hour workout in spring-like weather.

Oosterbaan said the squad would resume work for five consecutive weeks starting April 16.

The Michigan coach said he had hardly begun to familiarize himself with the 117 candidates that put in four days of opening drills this week.

Tigers Head North Face Chicks Today

MEMPHIS, Tex. — (AP) — The Detroit Tigers, who had a bit of luck against major league opposition in Florida yesterday that they could sharpen up their attack against minor leaguers.

They'll tee off against the Memphis Chicks here today in the opener of a three-game weekend series with the Southern association team.

Two games with Louisville of the American association and two with Birmingham of the Sally league will complete the Tigers' roving before they return to Briggs stadium to open their American league campaign against Cleveland April 17.

Red Rolfe's pitching staff was giving him a lot of sleepless nights, while the Tigers' lack of hitting also made him a bit jittery.

NATIONAL ARROW WEEK
celebrating Arrow's 100 Years
of style leadership

1851
1951

Campus life has certainly changed these past 100 years. Back in 1851 there were only 160 colleges in the entire country. Today, there are 1,819. No Rose Bowl season in those days. No football season as a matter of fact. Open surreys were standard equipment of college Romans — there wasn't a cream-colored convertible on the landscape. It was then, a century ago, that Arrow started manufacturing their famous collars... and in a few years they were setting campus styles. That's one thing that hasn't changed. Arrow is still style leader on America's campuses. College men everywhere know that the Arrow label always stands for smart styles, fine fabrics, meticulous tailoring... the superior quality that reflects good taste.

State, 135-pound defending champion, drew a bye.

Another top bout in the light heavyweight class was Bill Mc-Moore's win over Charles Spann of South Carolina. Also at 175-pounds, Jack Dyer of LSU downed Jim Melnerney of Army. McInerney had beaten George Kar-talian of Syracuse in the after-noon.

At 145-pounds, Danny Orsak of LSU gained a split decision in his slugfest with John Albarano of Penn State.

Another split decision came in a 155-pound battle when Bill Miller of Syracuse downed Paul Oliver, of Maryland. Miller scored heav-

Frank Gross of Penn State received a unanimous decision over Jim Reilly of Gonzaga at 135-pounds.

Minnesota's Joe Mackey won yesterday afternoon over Vern Johnson of San Jose, but lost when he attempted to win his second bout of the day. Emmett Gurney of South Carolina out-scored the Gopher.

Another Gopher, Neil Oshun, repelled the second try of Mickey Demos, 125-pounder of Miami, to gain a point for Minnesota. In the afternoon Demos beat Don Spiers of Army.

In the 125-pound bracket, Frank Echevarria of Idaho got the win over Sam Marino of Penn State.

In the afternoon preliminaries, Pearce Lane, Michigan State 135-pounder lost out in his bout with Carroll Sternberg of Wisconsin. The Spartan had previously beaten Sternberg in a dual meet between the Badgers and State last Saturday.

At 125-pounds, Don Camp of San Jose punched out a unani-

mous decision over Syracuse's Jim Huba.

South Carolina's Charles Davis decided Fiddy Garver of Idaho State in the 135-pound class.

Pat Sreenan of Wisconsin won a solid decision over previously undefeated Don Soderberg of Superior State at 145-pounds. Sreenan showed a staggering left.

In another top bout of the afternoon, 155-pound Len Walker of Idaho, national champ the past

two years, moved into tonight's semi-finals by beating Gordon Peresich of LSU. Peresich floored Walker early in the second round but Walker came back to knock Peresich down in the same round and gain an impressive win.

In a split decision, Jim Palmito of Syracuse got the nod over Ed Williams of Minnesota. The deciding factor in this 165-pound clash was Palmito's aggressiveness.

The other afternoon 165-pound battle saw smooth boxing Nick Diez of San Jose, decision Lou Koszarek of Penn State.

Larry Meyer of Idaho won out over Gene Enyart of Michigan Tech at 175 pounds and heavy-weight George Fuller of Maryland decided Evans Howell of LSU in the final bout of the afternoon.

Late Sports Wire...

SAVANNAH, Ga.—(P)—Boston's American league Red Sox found Savannah pitching to their liking yesterday, hammering it for five home runs in the course of thumping the local Sally leaguers 15-0.

JACKSONVILLE, Fla.—(P)—Brooklyn and the Philadelphia Phils played extra innings for the third straight game yesterday before another overflow crowd of 7,973, an all-time record for this city. Rookie Rocky Bridges won the game for the Brooks, 3-4 with a single scoring Peewee Reese in the tenth inning.

NEW ORLEANS.—(P)—Fire destroyed part of the stands at Pelican stadium here yesterday and the Chicago Cubs-Pittsburgh Pirates exhibition game was called at the end of the sixth inning. The Cubs were leading 2-1 when the game was called.

State to Host Prep Coaches

Michigan State will play host to more than 250 high school track coaches Saturday when thinned members from all over Michigan invade the campus for the annual track and field clinic sponsored by the High School Athletic association.

Working with Spartan head track coach, Karl Schlademan, on the clinic staff will be Elmer Swanson from Michigan, Lyle Bennett from Central Michigan, George Marshall from Michigan State Normal, Clayton Maus from Western Michigan and Dave Holmes from Wayne.

Michigan State's track squad will go through exhibition races for the prep coaches in the afternoon.

Montreal Rallies To Topple Detroit

DETROIT — (P) — The under-dog Montreal Canadiens literally got up from the floor last night to topple the favored Detroit Red Wings, 5 to 2, and move within one game of the Stanley cup hockey finals.

Montreal scored all its goals after Detroit, defending Stanley cup champions, had taken a 2-0 lead and now lead in the best of seven semi-final series, three games to two.

Crowd Sees Movies, Gets Information

By CONNIE COURTEAU

MSC students crowded the Auditorium yesterday to view 47 displays during the final day of Career carnival.

Students collected information in pamphlet form, watched movies, and got the latest information on job opportunities from representatives primed to give expert advice.

The 47-booth display doubled the size of last year's senior carnival. The large number of undergraduates attending marked the widening scope of the two-day informative program.

Government Informs
Information on careers in government service held student interest throughout both afternoon and evening display program.

Coming to the campus for the first time were representatives of the FBI, U.S. state department, foreign affairs branch, and Michigan state government agencies.

Requirements Given
Students learned both specific job possibilities, and educational requirements. Many indicated new ideas for careers after talking with visiting representatives, according to Orland Scheuner, carnival director.

Crowds flocked to the American Airlines booth, while men watched the fluid catalytic cracker, Universal Oil Products' contribution to the Michigan Oil Industries information booth.

Workers Listed
The enlarged carnival program was supervised by Orland Scheuner, student director; Maryalce McFall, executive secretary; and John Scheuter and Tom Dutch of the placement bureau as faculty advisors.

Chairmen of the carnival were Don Nellis, coordinator; Bob Newell, staging; Shirley Whetter, program; Bob Scott, promotion; Don Hoover and Harley Burr, publications; and Lois McKinley, luncheon.

Theater to Open

The Lansing Drive-In theater, 5097 South Cedar street, will open the summer season tonight. Gates will open at 6:30 p.m. for the 7:15 and 9:30 p.m. showings of a double feature, according to Pearce Parkhurst, managing director.

This does not seem like equality of sacrifice — and isn't. And a war is still going on in Korea and our people are being asked for sacrifices for a continuing defense program that necessarily may run a long time.

Blame for our situation must be shared by many, including the White House. It would seem to be time for straight thinking and straight talking, for the crisis still is with us, if not actually accentuated by recent developments here as well as elsewhere. Booths, Acts Featured in Annual Fete

Students will have a chance to become acquainted with foreign countries and their representatives on campus at the International festival April 20.

Sponsored by the International center, the seventh annual festival will be held in the Auditorium starting at 8 p.m.

Booths set up along the sides of the Aud will be a new feature of the fete this year, Prof. John Winburne, director of the festival, said. Each nationality group will have a table displaying posters, travel information and other exhibits for students interested in finding out more about the various countries.

Entertainment will be presented also. A number of variety acts by members of the International club will begin at 8 p.m. and the booths will open afterwards.

Foreign students participating in the variety program include Rogue Vargas, bull whip expert from Peru, assisted by Richard Erhart of Austria; a Hawaiian group singing and dancing; Sania Hamady, from Lebanon, who will do an Assyrian dance, and Magdalena Castillo, Spanish dancer.

The Rio de la Plata is the estuary formed by the Parana and Uruguay Rivers.

Go Lucky!

LUCKIES TASTE BETTER THAN ANY OTHER CIGARETTE!

Only fine tobacco — can give you the rich taste that makes a cigarette completely enjoyable. And Lucky Strike means fine tobacco. So if you're not happy with your present brand (and a 38-city survey shows that millions are not), switch to Luckies. You'll find that Luckies taste better than any other cigarette. Be Happy — Go Lucky today!
