## Feminine Dick Tracys Take Social Service Slant on Job

By ROSEMARY CORCORAN

MSC's 12 coed police administration majors are getting a new slant on Dick Tracy work. Along with the study of custody, jails, contraband and other criminology, the ladies receive social service subjects in place of ROTC.

"Most of us plan to enter work with law enforcement agencies," Daisy Kim, Honors senior and first coed to enroll in the course, said. "It isn't true that we're guns. Pistol shooting is part of our training in Alpha Phi Sigma, police administration honors."

Four coeds are members of the honor society, which is a requirement for graduation. They are: Kathryn Egan, Laura Moore, and Elizabeth Smith, all sophomores, and Elizabeth Smith, a senior. They are all members of the department's field club in Southern Michigan prison at Jackson. "I plan to get my masters degree at the University of Washington and become a police officer in a large city," Egan said.

Norma Stewart, Delta Psi sophomore, stressed the need for women in law enforcement work. "We take a lot of law enforcement subjects which help us understand and be sympathetic toward delinquents. A little thing like a long walk in the rain, and helping them, she said.

Most of the coed members of the honor society were little girls of their mothers. They were kidding when they said they were serious about their work and that they would be in the market.

Swallow, said she had a hard time and some of the girls have weak legs and walk with difficulty.

# ... WHO MADE JOBS FOR THOUSANDS THROUGH FREE ENTERPRISE

THE UNEVENTFUL EARLY YEARS IN THE LIFE OF CHARLES R. HOOK GAVE NO SUGGESTION OF WHAT HE WAS TO ACHIEVE IN THE INDUSTRIAL WORLD AT AN AGE WHEN MOST YOUNG MEN ARE JUST STARTING TO SHAPE A CAREER.

CHARLES R. HOOK WAS BORN IN CINCINNATI, O., JULY 12, 1880. THE PANIC OF 1893 WIPED OUT HIS FATHER'S PROSPEROUS CARRIAGE MAKING BUSINESS. THE FAMILY WAS BROKEN UP, THE CHILDREN LIVING WITH RELATIVES. CHARLES WORKED HIS WAY THROUGH HIGH SCHOOL BY DOING ODD JOBS. ONE WAS SELLING TICKETS TO THE CINCINNATI ZOO ON EXCURSION TRAINS.

UPON LEAVING HIGH SCHOOL, AT 18, YOUNG HOOK STRUCK OUT FOR HIMSELF. HIS FIRST JOB WAS AS OFFICE BOY WITH A SMALL STEEL PLANT IN CINCINNATI. HIS "SALARY" WAS \$2 A WEEK.

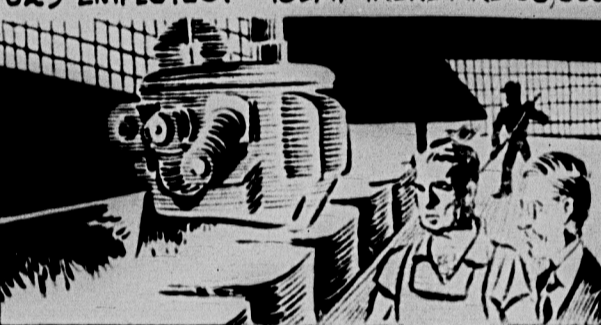

HIS ALERTNESS IMPRESSED HIS EMPLOYERS, AND HE WAS ON THE WAY TO PROMOTION WHEN THE PLANT WAS PURCHASED BY A LARGE TIN PLATE COMPANY.

REALIZING THE VALUE OF PRACTICAL KNOWLEDGE OF THE INDUSTRY AS A STEP TOWARD BIGGER THINGS, HOOK ASKED FOR A TRANSFER TO THE PLANT AS A LABORER.

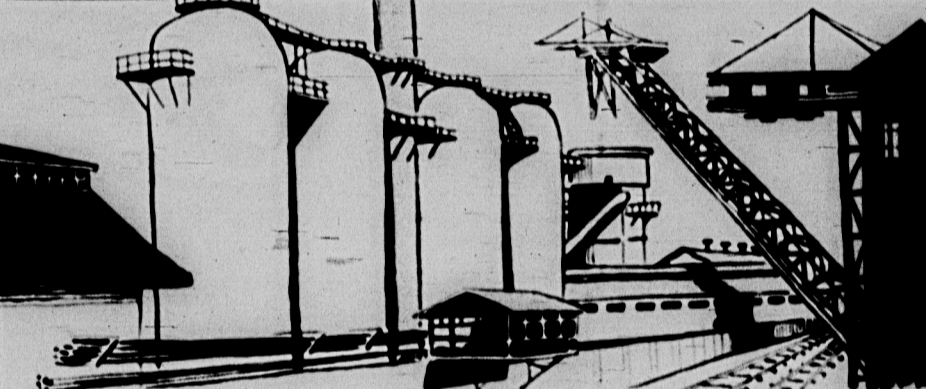

ONE OF THE "TRICKS OF THE TRADE" WAS "ROLLER TURNING" GRINDING TO THE EXACT CONTOUR THE ROLLS BETWEEN WHICH BARS OF STEEL ARE ROLLED INTO PLATES. IT WAS A CLOSELY GUARDED SECRET IN THOSE DAYS, BUT YOUNG HOOK WON THE FRIENDSHIP OF THE EXPERTS, AND WAS TAUGHT THE FINE POINTS OF THE OPERATION. IT WAS A TYPICAL EXAMPLE OF HOOK PERSONALITY.

DECIDING TO CHANGE EMPLOYERS, IN 1902, WHEN ONLY 22 YEARS OF AGE, HE JOINED THE ARMCO STEEL CORP. (THEN KNOWN AS THE AMERICAN ROLLING MILL CO.) AT MIDDLETON, O. AS NIGHT SUPERINTENDENT, A JOB CALLING FOR KNOWLEDGE OF EVERY ANGLE OF PRODUCTION. THERE WERE 325 EMPLOYEES. TODAY THERE ARE 30,000.

FROM THE OUTSET MR. HOOK'S FACILITY FOR GETTING ALONG PEACABLY WITH HIS ASSOCIATES WAS AN OUTSTANDING CHARACTERISTIC THAT BROUGHT VALUABLE RETURNS. THIS QUALITY, HIS TECHNICAL ABILITY AND PRODUCTIVE POWER LED TO STEADY AND RAPID ADVANCEMENT, UNTIL IN JANUARY, 1930, HE WAS MADE PRESIDENT OF THE ARMCO STEEL CORP. HE WAS ELECTED CHAIRMAN OF THE BOARD IN 1948.

UNDER MR. HOOK'S RESPECTIVE ASSIGNMENTS FROM NIGHT SUPERINTENDENT TO CHAIRMAN OF THE BOARD THE ARMCO STEEL CORP. HAS BECOME OUTSTANDING IN ITS FIELD, ITS FRIENDLY RELATIONS WITH EMPLOYEES ATTRACTING NATIONAL ATTENTION.

ALWAYS DEEPLY CONCERNED WITH THE WELFARE OF HIS EMPLOYEES AND THEIR FAMILIES, AND THE COMMUNITY IN GENERAL, HE HAS GIVEN GENEROUSLY OF TIME AND MONEY TO PROVIDING ADVANTAGES FOR THE YOUNGER GENERATION THROUGH THE BOY SCOUTS AND OTHER YOUTH MOVEMENTS.

IN 1941, IMMEDIATELY AFTER THE OUTBREAK OF WAR, PRESIDENT ROOSEVELT APPOINTED HOOK A MEMBER OF THE LABOR INDUSTRY CONFERENCE IN WASHINGTON. FROM THIS GREW THE NATIONAL WAR LABOR BOARD. HE ALSO SERVED THE GOVERNMENT IN MANY OTHER IMPORTANT CAPACITIES, BOTH AT HOME AND ABROAD. HE SERVED AS PRESIDENT OF THE NATIONAL ASSOCIATION OF MANUFACTURERS IN 1938.

ALTHOUGH HE NEVER ATTENDED COLLEGE AS A YOUTH, NO LESS THAN FIVE UNIVERSITIES AND COLLEGES HAVE CONFERRED DEGREES UPON HIM FOR HIS DISTINGUISHED SERVICE IN INDUSTRIAL AND CIVIC FIELDS.

COPYRIGHT 1950 BY E. AND I. GELLER

WHEN, IN 1949, MORE THAN 1,000 CITIZENS STAGED A BANQUET IN HONOR OF CHARLES R. HE WAS PRESENTED WITH TWO VOLUMES CONTAINING NAMES OF MORE THAN 15,000 GRATEFUL AND ADMIRING MIDDLETOWN RESIDENTS.

MR. HOOK, WHO UNDER OUR AMERICAN SYSTEM OF FREE ENTERPRISE ASSISTED SO MATERIALLY IN DEVELOPING ONE OF THE NATION'S GREATEST INDUSTRIES HAS A SIMPLE SOUND FORMULA FOR HARMONIOUS INDUSTRIAL RELATIONS THAT HE HAS GIVEN PRACTICAL DEMONSTRATION IN THE CORPORATION HE HEADS. # Kobs Continues with Line-Up that Overpowered Wayne Nine

With the opening day victory under their belts the Michigan State baseball team today travels to South Bend to meet the Fighting Irish of Notre Dame.

Spartan Coach John Kobs is taking a 19-man squad in hopes of a victory over the sophomore-studded Irish team.

Included in the list of players making the trip are seven pitchers. According to Kobs there is a possibility that any one of these seven could be his starting hurler. He indicated that there is a good chance that sophomore Gus Carlson may start. Carlson, no relation to pitcher Bob Carlson who won the Spartan opener against Wayne, has been looking very good in practice sessions. Because of his play with the MSC hockey team Carlson got off to a late start.

Starting Line-up  
The starting lineup for State will probably be the same as that which started against Wayne university.

Capt. Vince Magi, Herb Schroeter and Darrell Lantier will be in the outfield.

Don Coles at first, Jack Hoffmaster, second, Joe Rivich, shortstop, and Dick Blanchard, third, are the probable starters in the

# Newell Sends Cagers into Spring Drill

By JIM LEAVENGOD

Following a six week layoff Michigan State's basketball team went back to work Monday for a four weeks spring practice session.

The drills will consist mainly of scrimmages. On the 23rd, out 10 are returning members from the team which concluded the past season with a 10 win, 11 lost record.

A fine crop of freshmen comprise the remainder of the team. From the frosh, the squad has gained added height in 6'6" Hugh McMaisters, 6'4" Paul Hinson, and 6'3" Denzel Hartman. Lack of height was one of the handicaps of last season's team, and although Coach Phil Newell did not have the number of the boys as he would like to have, the new additions will be of great help.

The starting line-up of the team last season was not having any great outside shots. The Newell hopes to have a return for this in forward, Kelly Sneyd, Bob Cunningham, and Dave Thompson, and center, Al Schaller, and Byron Avon. All indicated in the winter practice that they could hit on long shots.

The freshmen are especially expected to give the spunky, but plenty of inside and outside shooting. These are making the varsity will be pitcher, even though they have been in the gym since they started next year along with the incoming frosh.

The Spartan attack will be basically the same as last season, but speeded up. With another year's experience Coach Newell expects his player to be a more working unit. Their responsibility to defensive and offensive should become habit for

## NETMEN TO FACE BRONCO SQUAD AT HOME TODAY

Fresh with a 9-0 white-washing over Wayne Monday afternoon, the Spartan net squad will try to make it two straight today at 3 on the MSC courts with Western Michigan's Broncos furnishing the opposition. The courts are south of Macklin stadium.

In Monday's impressive debut, the Spartans won all six and three doubles matches in their initial tilt under their new coach, Tom Martin.

Capt. Len Brose, Dave Mills, John Sahrtian, Dick Rieger and the brother duo of Keith and Ken Kimble are the probable starters in singles competition for State.

Coach Martin will probably keep the same doubles combinations as he used in the opener with Brose and Sahrtian forming the number one team, Mills and Keith Kimble the second, and Ken Kimble and Doug Carley the third.

# MSC Wrestlers Name Honorary Captains

Michigan State's first individual Big Ten wrestling titlist, Gene Gibbons and George Bender, have been elected honorary captains of this year's squad by their teammates.

The two were undefeated in dual meet competition, and were chiefly responsible for the Spartan's six won, three lost dual meet record, and their third place finish in the conference championships.

Gibbons, a senior from Cleveland, O., took the Big Ten 177-pound crown, and then went on to win the NCAA 167-pound title. Gene's record won him the Walter Jacobs award for the second straight year. This award is presented to the Spartan wrestler who scores the most points during the season.

All winners of this award to date have been national champs during their collegiate careers. Previous winners include Lee Merrill, '40, '41; Merle Jennings, '42, '43; Gale Mikles, '45, '46, '47, and '48; Bob Maldegan, '49; and Gibbons in '50.

Bender is a senior from Lake-wood, O. He took a fourth place in the NAAU championships at 157-pounds, after winning the Big Ten 167-pound title.

Coach Martin will probably keep the same doubles combinations as he used in the opener with Brose and Sahrtian forming the number one team, Mills and Keith Kimble the second, and Ken Kimble and Doug Carley the third.

## The link is strong

The telephone forms an important link in our program of defense. It speeds the urgent, vital calls of government, industry, The armed forces and civil defense. And the link it forms is strong. Since the end of World War II, Over thirteen million new telephones Have been added to the Bell System. Billions of dollars have been spent For new equipment of all kinds. The quality and scope of service Have constantly improved. It's a good thing The telephone has grown — It is now better equipped. For the big job of defense.

(Continued From Page 1)  
 no dance at all," Vernon declared.  
 "Action taken," fall term has nothing to do with the present action of the council," he declared, speaking of the debts left from the January dance.  
**Constitution Submitted**  
 The unapproved constitution under which the council has been operating since fall term has been submitted to Bill Richardson, director of the organizations bureau of Student Council.  
 Previously it was given to Bob Bombouts, council president, according to Vernon. Bombouts, however, has no authority to approve the constitution.

### Burma Shave—Korean Style

Some GI was remembering those shaving cream signs back home, put up these on poles along a highway in Korea. A military policeman patrolling the road scratches his head as he reads the series. In order they are: "Disagree with Harry... If you want to get back... If you don't think it's true... Ask poor ole Mac!"

### 80 Suits Needed

## Alumni Office Seeking Tuxedos for Glee Club

Drag out the old tux from the attic or closet. Any size, any shape, it is wanted by the alumni office.  
 This was the plea issued in the recent alumni newsletter sent out to club presidents all over the country.

Eighty tuxedos are wanted by the alumni office to furnish the MSC Glee club with a permanent wardrobe for use in their formal performances.

**Formal Performances**  
 Since many of their programs are formal, the boys have had to rent tuxes.  
 The alumni office and the fund office began this project because the college was unable to purchase tuxedos for the club.

**Several Offers**  
 Already several persons have promised to send in tuxes and a

cleaning establishment has offered to sell twenty tuxes it has on hand.  
 The alumni office hopes to have the 80 tuxedos by fall. At that time they will be turned over to the Glee club who will store and catalogue them.

### Bureau Lists Camp Positions

Approximately 400 summer openings for camp counselors are listed by the placement bureau in Morrill hall. These jobs will be filled by undergraduate and graduate students in the education department, according to the placement bureau.

The Jewel Food stores and the A&P stores are looking for student help in stores this summer, some located in resort areas.

Men and women students are needed in the air corps P-X at Gayling this summer.

The government and private industry are looking for statisticians and engineers.

### State Alumni Pins Sold at Bookstore

Label pins with a white "S" on a green background are now available in the Union bookstore or the alumni office for graduating seniors or alumni, according to Starr Keesler, director of alumni relations.

These pins once were given to all graduates but this practice was discontinued when the student body increased. The pins have been almost non-existent since 1944.

### Foreign Student Advisors to Meet

National Association of Foreign Student Advisors will hold their convention at MSC next April. The convention will be held in Kellogg Continuing Education center.
