## Police Find Child's Body in River

Discovery Ends Intensive Search

By BILL SMITH  
One of Lansing's largest man-hunts ended yesterday afternoon when a police boat discovered the body of three-year-old Linda Klugman in the Grand River.

The little girl's body was found fully clothed about three blocks from the bridge where Sheila and her cousin Barry Stone, also 3, were last seen according to Capt. Charles Stragler of the Lansing police.

Barry's body was found about a mile and a half from the bridge last Wednesday.

Stragler said that Corporal Harold Lindley, 22, conducted a search for the body, picked up yesterday. Lindley reported last week that Barry had died of natural drowning.

The two children were reported missing April 3 after they had wandered away from home with the family dog. The dog returned to the house, leading to the belief that they had drowned.

## Students Break College Record in Blood Drive

Red Cross Gets 192 Pints in First Day of Collections

By MARY LOU FOJGER  
MSC students broke the unofficial record of college blood donors throughout the country yesterday.

The 192 pints of blood collected on campus by the Red Cross Monday topped the college record of 150 pints given in a single day at the University of Wisconsin last year.

This statement was made yesterday by Mrs. Howard W. Lauerer, Red Cross blood procurement chairman of Michigan.

Alpha Phi Omega, national service fraternity and sponsor of the drive, set a quota of 200 pints of blood from MSC students. This quota would be topped by at least 150 pints, according to Drive Chairman Cliff Burdette.

A total of 294 students appeared yesterday to give blood.

Alpha Phi Omega, national service fraternity and sponsor of the drive, set a quota of 200 pints of blood from MSC students. This quota would be topped by at least 150 pints, according to Drive Chairman Cliff Burdette.

Spot announcements of the drive's progress were made periodically over the Union loud speaker system. Station WJLM also broadcast news of the drive unit set up.

The blood unit is set up in the ping pong room, fourth floor Union. It is staffed by about 20 Red Cross workers. The unit will be open today from 9:30 to 11:30 a.m. and from 12:30 to 5:15 p.m.

All students who wish to give blood today or Wednesday are asked to make an appointment at the unit.

Donors are requested not to eat foods containing fat within two hours of their donation. Such foods include milk, nuts, and fatty meats.

Each blood donor will receive a certificate worth 1,000 votes in the "Union Man on Campus" contest. Those who are not able to give blood while the unit is on campus may donate at the center in Lansing any time before May 11 and receive credit for the UMCA contest.

### Drake Relay Record Smashers

Members of the Michigan State four mile relay team that broke the Drake relay record are left to right, Jim Keplford, Mickey Walter, Don Makielski and Capt. Warren Druetler. Druetler paced the team with a 6:15.8 anchor mile.

## Relay Honors Fall to Spartans

**By ALEN LAGGIN**

In 1949 Coach Karl Schladehman took his national champion track squad to the famed Drake relay and promptly walked off with everything but the opposition's pants as they took most of the honors.

Last Friday, Schladehman again returned to Des Moines, Ia., with a crew that wasn't figured to place in any of the top events. All eyes were on the four-mile relay event which brought together two of the mightiest distance combinations in the country.

The Wolverines with "unbeatable" Don McEwen were to have a private intercollegiate clash with the Pacific coast's best distance relay team with Bill Parnell, champion miler of the British empire running in the anchor slot.

**Smash 12-Year Record**

After the smoke cleared, an incoming State quartet not only finished in first place but smashed the existing record that stood put for 12 years.

Squadster Jim Keplford ran the starting mile for State and came home five yards ahead of the pack with a fast 4:22 performance. Mickey Walter then kept the relay squad in the thick of

the running by bringing in the baton slightly behind the fast-stepping Wolverine and Cougar runners with a 4:25 race.

Don Makielski, who was only a sophomore when the State team last competed in the annual classic, then put the Spartans ahead to stay.

He toured the course in a circle-blazing time of 4:16 and give the fans their first indication of the upset at hand. Michigan State's anchor man, Capt. Warren Druetler had a 15-yard lead when he took off.

**"Druetler" Increases Gap**

Druetler increased the gap between himself and his pursuers to 25 yards when he broke the tape with a 4:15.8 run.

Parnell finished second for Washington State with a 4:16 race and McEwen took third for Michigan with a close 4:16.8 showing.

**Best Spartan Team**

State's time knocked eight and four-tenths seconds off the Drake record of 17:29.6 established by the Oklahoma Aggies in 1939.

Coach Schladehman termed the relay team the best four mile quartet ever to don the Green and White colors.

The performance also set a new Michigan State varsity outdoor record, eclipsing the old one by 11.1 seconds. Druetler also figured in setting the old mark in

1949 with Jack Dianetti and Tom Irmen. The old record was 17:32.3.

**Also Ran Two-Mile**

This same combination formed a two-mile relay and finished fifth. Washington State won the event in a record-breaking stilt. Bob Carey, MSC's shot-putter, also put the Green and White in the limelight with a second place performance.

Just one week previously, Carey set a new State outdoor record for the shot at Indiana with a 51.54" heave.

## Gridders Lengthen Scrimmage Sessions

By GEORGE WEEKS

With only two weeks remaining before the annual Green and White inter-squad game May 12, the MSC gridders are bearing down on game length scrimmages and heavy contact work.

Already the armchair grid experts are tabbing the Spartans as a possible undefeated powerhouse for 1951. If such a thing happened it would be the first time since 1913.

Commenting on the recent spurge of optimism that predicts an undefeated season next fall for Michigan State, Coach Biggie Munn declared, "Of all the great teams that played football last year none of them won them all."

"Why, some schools lost as many as three or four games and still were supposed to be great," he added with a chuckle.

**Competition Keen**

With fighting going on for all positions no one player is standing above the others so far in drills.

"Never before have I seen such competition for the annual spring outstanding player award," Munn pointed out.

"During the two hour scrimmage Saturday the entire defensive and several offensive players turned in standard performances. Sparking the defensive line were Jack Morgan and Dick Kuh, while Jim Ellis and Art Ingram reeled off 80 and 60-yard punt returns as they continued to battle for the safety slot.

liant pass snagging. The brother of Capt. Bob Carey caught one of Al Dorow's passes in the end zone for one of the few touchdowns that the offensive squad was able to tally against the top defensive platoon.

Other performers leading the attack were Mary McFadden and Frank Kapral in the forward wall and Evan Slonec in the fullback slot.

Tackle Don Coleman sat out the scrimmage with a sore hip, but will be ready to go today.

Al "Red" Schoendienst, ace second sacker for the St. Louis Cardinals, came to the Redbirds as a shortstop.

## Golfers Meet U. of D. Today

Today, according to Coach Ben VanAlstyne, the Spartan golf team will play what will perhaps be their toughest match of the year. Traveling to Red Run Country club, in Detroit, the Spartans meet the very strong University of Detroit team.

The U. of D. team has played about eight matches this year, said Coach VanAlstyne. They have won all of them. MSC has played and won three matches. U. of D.'s team this year consists of about the same players as last season, VanAlstyne said. During 1950 the two teams split, Detroit winning on their home course.

Last Saturday, the MSC team, shooting their best scores of the year, topped the Broncos of Western Michigan, 37-2. This was the second time this season that the two teams had met. The first match, played a week ago at Kalamazoo, was also won by MSC, 35-4.

Into the second week of spring basketball practice, Pete Newell has divided his squad into four teams for training purposes. The Blues, composed of Gordie Stauffer, Thomson, Bob Cline, Deneal Hartman and Keith Kimble, are leading the three victories and Newell has been pleased with their showing in the scrimmages. Although still lacking in hitting, they are hitting much faster, he says.

## Illini Win Union Boards' Big Ten Bowling Tourney

The University of Illinois ran off with top honors in the Union Boards' Big Ten bowling tournament Saturday on the MSC alleys.

The team representing MSC had trouble in getting started and finished a dismal sixth in the seven-team field.

Illinois won the team championship by compiling a 2,843 series for a 174 pin advantage over second place Wisconsin, who had a total of 2,670. Michigan finished third with 2,669 pins.

Rumbert Wins for Illini

In singles competition, George Rumbert of Illinois led the field with a series of 640. Dick Kurlin of Wisconsin trailed with a 590, while Chuck Barnhart of Michigan and Leonard Frankowski of Illinois finished in a tie for third with 567.

The Illini skippers completed their sweep as Frankowski and Mike Gramus continued to take the group's title with a total of 1,140.

Minnesota Knapser Duo

The Minnesota pair of Bob Nelson and Jack Allen were runners-up with 1,117 and the Michigan duo of Ted Pearce and Barnhart were third with a series of 1,094.

Teams from Indiana and Ohio also competed in the tourney.

## Time Will Tell

By HERMAN GRAULICH  
State News Sports Editor

It's too early to judge but it looks as though there may be a gray hair among Big Ten tennis coaches this year returning from the south the Spartans have won. The scores have been identical to those of last year and Minnesota were the latest victims of the Big Ten tennis squad. The beginning of the conference season on May 24 is still a long way off.

The Spartans capped another home over the weekend. The Spartans go to Warren Drazdler, Jim Krifars, Walter and Don Makielski. The Spartans will play the annual Drake relay carnival.

It was in its infancy. That's the only way to describe the new bowling tournament. The most held-out, Michigan was only the third one. No one knows how many will grow. If enthusiasm of the players and the fans will certainly prosper.

Cleveland Indians may not win the American league but they're sure trying. The Tribe's Lou Brierley is the season's biggest trade. Lack of dependable second basemen in Cleveland's biggest worry. The Tribe's biggest answer part of that problem.

It's hard to say who got the best of the deal. The Tribe's hard-hitting outfielders in Gas Zernial and Dave Dilbeck help. Pitcher Sam Zoldak and catcher Ray Marano also obtained. Their question marks.

They got Orestes Minoso and Paul Lehner in exchange for Zernial. Minoso could prove to be the plum player-outfielder hit .329 in the Pacific coast league and was batting .461 at the time of the trade. Time

## Spartan Tennis Team Blanks Big Ten Foes

By NICK VISTA

The Spartan tennis team made their Western conference debut last weekend a smashing success as they easily raked up 9-0 wins over Wisconsin and Minnesota.

Spartan ace Len Brose, at number one singles, got the team off on the right foot at Madison on Friday by beating Jim DeLoyle of the Badgers, 6-1, 6-2.

In the closest match of the day, Dave Mills of MSC defeated Ken Owen, 7-5, 3-6, 8-6. John Sabritah followed with a 6-1, 6-0 win over Don Negenbank of Wisconsin.

# UN Forces Stop Reds Near Seoul

## Chinese Avoid Contact with Allied Tanks

TOKYO — (AP) — The Chinese Communists swarmed down close on Seoul yesterday and chewed at Allied flanks east of that old Korean capital, but the withering fire of United Nations artillery shattered their hopes for a decisive May day victory.

The Communists concentrated heavily north and northeast of the city for the second wave of the big offensive which they began April 22.

One tongue of the Red tide lapped within three miles of the Han river at a point 16 miles or less east of Seoul.

The tight 30-mile Allied defense perimeter held, however.

AP Correspondent John Randolph reported that Chinese forces closest to Seoul yesterday, seemed to shrink back a little, avoiding contact whenever possible with aggressive Allied tank-infantry patrols.

High Allied officers did not regard this as any sign of a Chinese change of heart, Randolph said. They put it down simply to the Reds backing away from Seoul's devastating artillery barrage.

Three Columns — Three Allied tank columns probed northward from Seoul yesterday in a tank supported infantrymen fought light skirmishes with the Reds before retiring safely to UN perimeter lines. One force reported 1,000 Communists killed by artillery fire.

They brought back 11 ragged and hungry prisoners.

Radio Says — The Communist radio at Pyongyang said last night the Red forces were five to six miles north of Seoul.

There was no Allied confirmation of this enemy report.

Randolph concluded the Reds definitely would not be able to celebrate the May 1 labor festival—a red letter day for world Communists—by marching past the gilded dome of Seoul's battered capitol.

Allied Soldiers — The only battles in Seoul today were Allied soldiers moving to the front and big trucks hauling ammunition for the never quiet guns.

Massed artillery pounded Red troops in the hills north of Seoul at the rate of almost 2,000 shells an hour. On Sunday alone a total of 45,709 projectiles were fired into the Red positions.

The U.S. heavy cruiser Toledo and other Allied warships added to this barrage with off-shore bombardments from the west coast north of Incheon.

Warplanes Fly — Allied warplanes flew 816 sorties Monday, dropping jellied gasoline firebombs on the Reds and spraying them with rockets and machinegun bullets.

Despite this concentrated fire, the Chinese kept moving. Their heaviest activity was in the west, but there also were reports of increased buildups facing the center of the Allied line and to the east.

## Students Hear Taylor Speak

Fifty-two students met Saturday when the Student Leadership Training program held its second meeting. Presiding was Lawrence Taylor, assistant professor of the continuing education department. Taylor introduced methods of obtaining group participation.

After refreshments were served in the grill, the group was divided into smaller groups and members of the Student council explained the operation of the Lanston amendment.

Saturday's meeting was the last one for the term, but the program has scheduled several meetings for next fall term.

## Union Meeting Hears Speech by Sponberg

Harold Sponberg, assistant director of the MSC placement bureau, told delegates at the union convention dinner Friday night that the student union program has as its mission the development of students who will voluntarily undertake responsibilities.

Titled "The Streamlined Student," Sponberg's speech dealt with the fact that the college student of today has to meet the demands of a complex society. He further emphasized that a person has to be trained in more than the area dealing with subject material.

He went on to say that any student program in a union has three criteria: 1. the program should serve as a companion to scholarship; 2. as a climate for leadership; 3 and it should help to promote a career in citizenship.

Sponberg's opinion of the convention was "that it provides great opportunity for student fellowship and an exchange of ideas and development of a better program on their respective campuses. The convention was a melting pot of ideas," he added.

## Vogeler Leaves London for US After Red Jail

LONDON — (AP) — Robert A. Vogeler, whisked from behind the iron curtain with state department secrecy, took off with his family tonight on the last leg of a home-bound flight to the United States.

The 39-year-old American businessman was still jittery from the 17-month ordeal which ended Saturday with his release from a prison in Red Hungary and his return to his home in Vienna.

Fearful of Communist vengeance in that city in the middle of the Soviet zone, of Austria, Vogeler was secretly hustled to Tulln airport outside Vienna today in the automobile of the U.S. high commissioner, Walter J. Donnelly, and put aboard a Pan American airplane.

He was protected during the 35-mile drive by the blue and white-starred diplomatic flag of the commissioner.

The airliner landed briefly at Munich and Frankfurt, Germany, where it was closely guarded by U.S. military police with submachineguns.

## Constitution

(Continued From Page 2) weakest financial backing of any school in the Western conference. Our assessment plan has been unqualifiedly accepted as the best method of student support by two recent student government conventions. We wish to be absolutely independent of the college financially.

I can honestly say the heart of student government lies in a sound and stable fiscal program. We ask you to support both the constitution and the amendment to the nth degree. We are counting on your support so we can help you.

## Republicans Say 'Injustice' MacArthur to Testify in Closed Door Hearing

WASHINGTON — (AP) — Democratic senators rode down Republican protests yesterday and decreed a closed-door hearing for Gen. Douglas MacArthur. Republicans immediately raised a cry of "terrible injustice."

MacArthur will testify Thursday about his dismissal as far eastern commander and the host of foreign policy questions his ouster raised.

The senate armed services and foreign relations committees, set for a joint investigation with MacArthur as the first witness, voted 14 to 9 today to bar the public from the hearings.

Only one Republican, Tobey of New Hampshire, voted with the Democrats.

And the senate chamber echoed hours later with GOP protests against what Senator Brewster (R-Me.) called "star-chamber" proceedings.

Chairman Russell (D-Ga.) of the armed services committee, who will preside at the hearings, said closed-door hearings were necessary to prevent military secrets from leaking out.

The investigators voted to open the doors to press and public, after all, if MacArthur should ask
