Water Carnival Opens as Rain Greeted Crowd

MSC Alumni Come Back for Reunion

Register Today for Big Weekend

More than 1,000 alumni will return to the campus this weekend for MSC's annual Alumni day.

Alumni will register today. Tomorrow's schedule includes dinners, sports and social events.

Included in the events scheduled for the alumni to attend are the Water Carnival tonight or tomorrow night...

Pres. John A. Hannah will welcome the class of 1901 into Patmarch club at a luncheon tomorrow noon.

The class of 1926 will celebrate its silver anniversary at a luncheon tomorrow.

The class of 1895 will hold its annual banquet at 6:30 p.m. tonight.

During the commencement ceremonies Sunday afternoon, Distinguished Service Awards will be given to five outstanding alumni.

The Free Citizen's Responsibility to the World Community will be the topic of Nelson A. Rockefeller's commencement address.

In addition to serving on this board, Rockefeller is president of the International Association for Economic and Social Development.

The five alumni to receive distinguished service awards are Major Albert Sobey, 90, retired president of General Motors...

The new members filled posts vacated by the newly chosen president and speaker of the Student government as well as those for which there was no candidate in the general election.

New congressmen are Hal Hegeson, Phillips Hall, Bud Lewis Snyder Hall, Lavonne Packer and Bob Forman, Lansing, and Walter Diebhart, trailer village.

President Gaylord Sheets made two executive appointments which were ratified by the congress.

A motion was carried that the secretary's seat be declared vacant and that a new member be appointed to fill her post.

The issue of the North Atlantic treaty and American bases in Europe is the big stumbling block in bringing the Big Four together.

Jessup said it was clear that Russia's main reason for suggesting the conference was to disrupt these western defense measures just as they are beginning to take solid form.

Jessup said Russia could bring up this disputed subject at the proposed Washington conference, but that to put it specifically on the agenda might commit the three western powers to discuss modifications or even cancellation of the Atlantic treaty.

Wolverines may be picked up Saturday afternoon for two hours after commencement.

Approximately 600 copies have not been picked up according to Roberta Porterfield, business manager.

Disregarding the showers last night the Sigma Chi float joined with the other entries to present the first performance of this year's Water carnival.

Show Slated Tonight in Spite of Rain

By CONNIE COURTEAU

Thirty floats sailed down the Red Cedar last night in a drizzling rain at the first showing of the 1951 Water carnival.

Float continuity showed a concentration on national and world problems hitherto unused in the annual water show.

Approximately 400 visitors attended the two-hour program.

Simple construction, unconventional design, and good continuity marked most of the floats.

Audience approval was high for Sigma Chi's "You Can't Take It With You" and "Love Guides the Scheme, Women Guide the Plot."

Lighting difficulties and poor script reading were the only imperfections in the presentation.

Winners will be announced after the final program.

The carnival program will continue as scheduled in spite of a forecast for unsettled weather today.

The second performance of the carnival will begin tonight at 9 during intermission 1952 members of Excalibur will be tapped.

Tomorrow's program includes a land parade and annual water sports contests.

Preliminaries for log rolling and men's and mixed canoe racing will be held Saturday at 3 p.m.

Finals in the sports contests will take place during intermission of Saturday's carnival.

The land parade, scheduled for 10:30 a.m. Saturday, will feature 18 floats presented by campus organizations depicting their activities.

Spartan Guard and the Officer's drill team will compete in a drill competition after the parade.

All students planning to do their student teaching on the secondary level during the winter quarter 1952 are asked to file their applications in room 201 Morrill Hall before June 18.

Graduation Draws Near for 3,753

Graduation time for MSC's second largest graduating class draws near as 3,753 seniors wait to receive their degrees Sunday.

The J-Hop is scheduled for Feb. 8 and 9.

Juniors will pick the orchestra which will play at the 1952 J-Hop during fall registration.

Juniors will choose one from five top bands in the area at that time.

J-Hop committees will be made up of students, who volunteer when voting for the band of their choice.

The junior class will also name representatives for the Career carnival.

Injured were Rosemary Corcoran, Saginaw junior, who suffered a broken collar bone and Robert Van Scharrk, Brooklyn, N.Y. junior, who received minor cuts.

Seven MSC students were riding in the car at the time of the accident.

Max Corcoran said their car swung out to pass a car on the way to Windsor when another car started to pass theirs.

The second car struck the car in which she was riding.

Both cars skidded more than 175 feet from the point of the accident and were almost completely wrecked.

The final count Thursday in an unofficial survey showed there were 84 traffic deaths throughout the nation from 6 p.m. Tuesday to Wednesday midnight.

There also were 32 drownings and 18 other accidental deaths from miscellaneous causes for a total of 134.

The previous lowest postwar traffic toll for a one-day holiday was 93 for New Year's day in 1948.

Challenges Deadlock

Big Three Invites USSR to Washington Meeting

PARIS.—(AP)—The western Big Three yesterday invited Russia to a foreign ministers' conference in Washington July 23 to discuss tensions which are threatening world peace.

The invitation was a challenge to the Soviets to end the 13 weeks of quibbling in which the Big Four deputy foreign ministers have been deadlocked here on what subjects their chiefs should discuss at such a meeting—a conference originally suggested by Russia.

In identical notes to the Kremlin, Britain, France and the United States asked Russia to choose one of three suggested agenda for the foreign ministers' meeting.

Agreement has been reached on most of the items to be discussed, but Russia insists none of the agenda is acceptable unless the North Atlantic pact and American bases in Europe are included.

U.S. Deputy Philip Jessup, who was chairman of yesterday's meeting, read the text of the 600-word American note to Soviet Delegate Andrei Gromyko at the opening of the sixty-fourth meeting of the deputy foreign ministers.

The notes, addressed to Soviet Foreign Minister Andrei Vishinsky, also were handed to the Kremlin by the British, French and American embassies in Moscow.

Jessup said the notes were not an ultimatum and did not indicate a rupture in the talks which began here March 5.

A motion was carried that the secretary's seat be declared vacant and that a new member be appointed to fill her post.

The new Red Cedar road on south campus between the Written and Spoken English building and the Engineering Drawing building is open to traffic, according to Milton Baron, professor of landscape architecture.

Safety Record Set by Memorial Day Motorists: 87 Die

American motorists set a postwar record for safety Memorial day.

The final count Thursday in an unofficial survey showed there were 84 traffic deaths throughout the nation from 6 p.m. Tuesday to Wednesday midnight.

There also were 32 drownings and 18 other accidental deaths from miscellaneous causes for a total of 134.

The previous lowest postwar traffic toll for a one-day holiday was 93 for New Year's day in 1948.

Alumni News to Broadcast over Summer

The 'Alumni News' program will continue its weekly Sunday afternoon broadcasts over WKAR this summer.

John M. Goff, assistant director of alumni relations, said today.

One of the summer features of the program will be an on-the-spot coverage of the ROTC six weeks' summer program at Fort Knox, Ky.

The usual interviews of alumni and musical selections by the MSC band, orchestra, glee club and chorus will be included in the summer programs.

Ten other radio stations carry the program to all areas of the state. They are: Traverse City, WTCM, Petoskey, WBHM, Gaylord, WATC, Cadillac, WATL, Alpena, WATZ, and Mt. Clemens, WMLN-FM at 1:15 p.m. on Saturday, Escanaba, WDRC at 8 p.m. Saturday, Ironwood, WJMS at 5:45 p.m. Saturday, and Bad Axe, WLEW at 7 p.m. Tuesday.

Other stations will be added this summer and fall.

Student Teachers

All students planning to do their student teaching on the secondary level during the winter quarter 1952 are asked to file their applications in room 201 Morrill Hall before June 18.

Red Cedar Road Open to Traffic

The new Red Cedar road on south campus between the Written and Spoken English building and the Engineering Drawing building is open to traffic, according to Milton Baron, professor of landscape architecture.

Pick-ups Lag on '51 Wolverine Sales

Persons who have ordered yearbooks and have not picked up their copies are urged to get them at the Wolverine office on the third floor of the Union in the near future.

Wolverines may be picked up Saturday afternoon for two hours after commencement.

Approximately 600 copies have not been picked up according to Roberta Porterfield, business manager.

Scholastic Honorary Conducts Initiation

Initiation ceremonies for Phi Kappa Phi, national scholastic honorary were held in the Union last night.

The honorary also honored four MSC sophomores who had highest point average last year as freshmen, and the standing junior who had highest grades as a sophomore.

Initiation was held at the banquet held at the Phi Kappa Phi chapter.

The honorary usually comprises from 20 to 30 members of the senior class.

Dr. Huggert said a year about six per cent of the senior class was chosen for membership in the honorary.

MSC President John A. Hannah was off campus and could not be contacted for an opinion in regard to MSC's rule.

Tom King, dean of students, and James H. Denison, administrative assistant, had no comment upon the matter.

According to Sheets the MSC anti-discriminatory measure differs from the U to M bill. Sheets said the U to M bill lops off organizations with discriminatory constitutions after 1956.

MSC's rule sets October 1956 as a deadline also, but it contains a clause which would extend recognition if an organization can prove that it has made an honest effort to have such clauses taken out at national conventions.

Crash Injures MSC Students

Two MSC students were injured Wednesday night in an automobile collision near Windsor, Ont.

Injured were Rosemary Corcoran, Saginaw junior, who suffered a broken collar bone and Robert Van Scharrk, Brooklyn, N.Y. junior, who received minor cuts.

Seven MSC students were riding in the car at the time of the accident.

Max Corcoran said their car swung out to pass a car on the way to Windsor when another car started to pass theirs.

The second car struck the car in which she was riding.

Both cars skidded more than 175 feet from the point of the accident and were almost completely wrecked.

Price-cutting War Rages in New York

NEW YORK.—(AP)—Big New York stores battled penny-for-penny in a price-cutting war yesterday.

Prices tumbled so fast that in many cases sales personnel had to check the latest quotation before each sale.

Housewares departments especially were crisscrossed with customers. It was "Christmas and more," one hurried floor official said.

In Macy's basement, areas were roped off and patrons were herded into waiting lines to buy appliances.

Here are some reductions from Monday's prices that drew crowds today.

Competitors who assert that "nobody undersells us" met or undercut the new prices, and the scramble was on. As fast as prices in one store were reported to others, new cuts were put in effect.

NEWS IN BRIEF

Oil Companies Rebuff Williams' Plea

LANSING.—(AP)—Oil company representatives yesterday heard sternly and rebuffed political Governor Williams' plea that they absorb the new one-and-a-half-cent gasoline tax, effective at midnight last night.

UMT Bill Delayed by Objection

WASHINGTON.—(AP)—A last-minute objection yesterday caused an overnight delay in senate action on the draft-universal military training compromise.

Gas Truck Crashes into Office

OMAHA.—(AP)—A runaway gasoline transport truck crashed into a cereal plant here yesterday and exploded in flames as terrified office workers ran for their lives.

Psychiatrist Resigns at Vassar

POUGHKEEPSIE.—(AP)—A well-known psychiatrist has resigned his post at Vassar college, charging the famed girls' college is dominated too much by women.

CUSTOMERS CALL IT CHRISTMAS

Jazz Combo Slated for Concert Today

Wilson and his combo have been slated by the class of '52 to give a pre-final jazz recital today.

The concert is slated for 2 this afternoon on the Union terrace.

Because of rain, the concert will be held in the Union grill, Chris Huggert, Lansing junior, and Truman of the event, said.

Students said the class felt students needed relaxation before finals, so the jazz recital was arranged.

# College Life Scenes Highlight Dance

"MSC Shadows" theme will highlight the annual Alumni-Commencement dance in the Union ballroom tomorrow night from 9 to 12, Ann Wilbur, dance chairman announced. The informal affair will bring to a close the senior class activities sponsored during the year.

Replica of Beaumont tower with sketches of scenes from the last years of college life will make the decorations scheme. Tickets for the dance are on sale at the Union ticket desk and will be available at the door, Miss Wilbur said. Johnny Edwards and his orchestra have been engaged to provide music for the evening.

## Home Ec Majors

All home economics majors plan to attend Michigan State College during the summer. They should see their enrollment officers, Miss Jeanette Lee, assistant to the dean of home economics, said. Appointments should be made as soon as possible, Miss Lee added.

## Coed Delegate to Convention Appointed

Marilyn Dressel, Ann Arbor junior and chairman of the related art majors group, will be the official Home Economics club delegate to the 42nd annual American Home Economics Association convention, Jeanette Lee, assistant to the dean of home economics, announced.

The convention will be held in Cleveland, Ohio, June 26 through 29. Other Home Economics club members and staff are also expected to attend.

"Our Responsibility for Freedom" is the focus of the convention. Dr. Arthur S. Adams, president of the American Council on Education, and Mrs. Edith S. Sampson, alternate U.S. representative to the general assembly of the U.N., are the speakers for the first general session. Discussion groups to exchange ideas on Home Economics clubs are also scheduled.

The college clubs department will start their activities with a "How do you do?" party. Other social events for the convention include an ox roast, sightseeing tours, and a program.

# Diet Studies Conducted

## Coeds Served As Subjects

Results of a diet study on weight control, conducted by the foods and nutrition department were filmed yesterday and today, said Dr. Dena Cederquist, associate professor of foods and nutrition.

"Since January 1951, 17 Michigan State College women served as subjects for the study. Their meals were served in the apartment on the third floor of the Home Economics building. Diets were planned by the nutrition staff.

"We are promoting a safe and practical way of losing weight," said Dr. Dena Cederquist, associate professor of foods and nutrition. Adequacy, satiety, cost and adaptability to a family diet are some of the factors considered.

Subjects in the study said results of the study are evident in the fit of their clothing and their appearance.

"It really builds up will power," said one coed. "It doesn't bother me anymore to go without foods such as rich pastries that I thought I had to have."

In addition to the weight losses, they saw that the study had educational value for them. They were exposed to foods which some of them had never eaten.

One subject disclosed that a difficulty in attempting to continue with the diet during vacations, was that fond mothers want to cook "all of the things her daughter used to like." When the subjects are away from campus, they kept an account of their food intake or followed the diet while at home.

The educational film of the study is being prepared by the Jam Handy organization. It will include pictures of the food and subjects during the course of the study. The film will be released next fall and will be available for use by medical schools, hospitals and other educational institutions.

"The study has been very successful," according to Dr. Cederquist. Five of the subjects are down to their ideal weight and the other six are losing weight consistently.

## Social Circuit

Recent pinnings include: Jane Fuller, Muskegon freshman, to Robert Arson, Delta Sigma Phi senior from Muskegon; Kathleen Case, Watervliet junior, to Roger Bohl, Alpha Chi Sigma senior from Saginaw; Dorothy Vickers, Delta Delta Delta junior from East Lansing, to Dwayne Peltin, Alpha Gamma Rho junior from Grand Blanc; Elizabeth Norton, Kappa Alpha Theta freshman from St. Joseph, to Hugh Grigerelli, Phi Kappa Sigma junior from St. Joseph; and Susanne Spencer, Delta Zeta freshman from Melvindale, to Brooke Bennett, Sigma Nu freshman from Pontiac.

Janice Lloyd, Grand Rapids sophomore, was recently married to Robert Mahaney, Delta Upsilon junior from Owosso.

Recent engagements include: Betty Buchholz, Delta Zeta senior from Wyandotte, to Leo Blazek, MSC graduate; Delores Levi, Kappa Alpha Theta sophomore from Saginaw, to Richard Bauer, Sigma Nu sophomore from Oshkosh, Wis., and Carolyn Kautz, Detroit senior, to James Ballard, Farmhouse junior from Onondaga.

Two recent Delta Zeta pinnings are: Ruth Rawlins, Detroit senior, to Louis Ives, Delta Chi junior from Detroit; and Bonny Lou Harris, Bay City freshman, to Jerome MacKenzie, Phi Delta Theta junior from St. Clair Shores.

Recent Delta Sigma Phi pinnings are: Shirley Cadwell, Detroit freshman, to Robert Cox, Newark, Ohio, freshman; Louise Rush, Sigma Kappa sophomore from Wyandotte, to James Leonard, Grand Rapids senior; Joan Hawker of Grand Rapids to James List, Grand Rapids junior; Mary Alice Burrows, Birmingham sophomore, to Marvin Slagh, Holland junior; Beverly Martin, of Grosse Pointe to Ford Slater, Grosse Pointe.

Pointe freshman: Joanne Williams of Milwaukee State Teachers college to John Roy, Lansing junior; and Carolyn Porter of Detroit to William Wier, Detroit, junior.

Recent Alpha Gamma Rho pinnings include: Marilyn Marshall, Dearborn sophomore, to Frederick Addy, Boston, Mass., sophomore; and Janis Neel, Kappa Alpha Theta sophomore from Western Springs, Ill., to Robert Scott, East Lansing junior.

Chi-Omegas recently engaged are: Kathleen Carlin, Hollins, Va., senior, to Philip Kinabeth, MSC graduate; Dorothy Roth, Hillsdale senior, to James Angeles of Grosse Pointe; Martha Thompson, Canton, Canada, senior, to Everett Grandelius, Delta Tau Delta senior from Muskegon Heights.

THE STORY OF AN ... WHO MADE JOBS FOR THOUSANDS THROUGH FREE ENTERPRISE

A NEATLY KEPT COTTAGE IN BELFAST, IRELAND, WAS THE BIRTHPLACE OF JOHN HOLMES, WHOSE ADVENT ON MAY 25, 1891, WAS QUICKLY FOLLOWED BY A TRAGEDY THAT THREATENED TO WRECK A HAPPY HOME... HIS FATHER DIED WHEN JOHN WAS FIVE WEEKS OLD...

... DETERMINED TO KEEP THE FAMILY TOGETHER AT ANY COST, JOHN'S MOTHER ESTABLISHED A MILLINERY AND DRESSMAKING BUSINESS THAT KEPT THE PROVERBIAL WOLF A SAFE DISTANCE FROM THE FAMILY DOOR.

... WHEN JOHN WAS SIX HIS MOTHER BROUGHT HIM TO AMERICA WITH HIS OLDER BROTHER, SO THAT SHE COULD MARRY A FORMER RESIDENT OF BELFAST, WHO WAS WITH SWIFT & CO., CHICAGO.

... WHEN HE WAS 15, AN AGE AT WHICH MOST BOYS ARE UNDECIDED WHAT TO DO, YOUNG HOLMES FOUND HIS FIRST EMPLOYMENT WITH SWIFT AND COMPANY AS A MESSENGER, EARNING \$6.00 A WEEK...

... JOHN ENTERED UPON HIS DUTIES AS MESSENGER WITH SUCH ENERGY AND THOROUGHNESS THAT HIS STEPFATHER TOLD AN ASSOCIATE: "SOME DAY THAT BOY WILL BE PRESIDENT OF SWIFT AND COMPANY."

... YOUNG HOLMES' ABILITY WAS NOT LONG IN WINNING RECOGNITION AND REWARD... JOHN'S TRANSFER FROM MESSENGER TO A TIMEKEEPER EVENTUALLY FOUND HIM ASSISTANT CHIEF OF THAT IMPORTANT DEPARTMENT

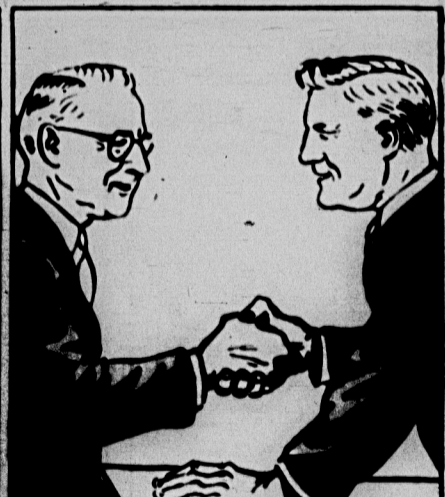

... WHILE EACH ADVANCEMENT NATURALLY PLEASED JOHN, HE WAS NOT CONTENT TO COAST ALONG... THERE WERE BIGGER THINGS AHEAD FOR ONE WILLING TO GO AFTER THEM... HIS EVENINGS WERE SPENT IN NIGHT CLASSROOMS AND STUDYING AT HOME...

... IT WAS SELDOM A MATTER OF "EASY STAGES" WITH THE BOY FROM BELFAST INTENT ON MAKING GOOD... ENTERING THE PORK BRANCH OF THE BUSINESS AT THE AGE OF 22, HE WAS DIVISION SUPERINTENDENT IN CHARGE OF PORK OPERATIONS...

... WORLD WAR I PUT THE HOLMES CAPABILITIES TO A SUPREME TEST... AS ASSISTANT TO VICE-PRESIDENT G.F. SWIFT HE HAD CHARGE OF FILLING WAR CONTRACTS FOR FOODSTUFFS, WHEN HE WAS 37 YEARS OLD, HE WAS APPOINTED VICE PRESIDENT.

ON NOVEMBER 18, 1931 MR HOLMES WAS ELECTED TO THE PRESIDENCY OF SWIFT & COMPANY... THUS, AT 46, HE FULFILLED THE PREDICTION MADE BY HIS STEPFATHER REGARDING THE MESSENGER BOY OF 15, LESS THAN A THIRD OF A CENTURY EARLIER...

"ADDING YEARS TO YOUR LIFE, AND LIFE TO YOUR YEARS" MIGHT WELL SERVE AS A SLOGAN FOR THE MAN WHOSE UNFAILING INTEREST IN RESEARCH AND NUTRITION EDUCATION PLAYED AN IMPORTANT PART IN THE SUCCESS OF THE COMPANY HE HEADS...

"THE AVERAGE MAN WHO STANDS OUT IN CHARACTER AND ACHIEVEMENT IS THE ONE WHO HAD A GOOD HOME - NO MATTER HOW POOR IT MAY HAVE BEEN - AND LOVING PARENTS... IS THE TRIBUTE PAID TO OTHERS BY THE MAN WHO EXEMPLIFIES WHAT IS POSSIBLE THROUGH TEAMWORK AND THE OPPORTUNITIES AFFORDED BY THE AMERICAN SYSTEM OF FREE ENTERPRISE... TO THIS MIGHT WELL BE ADDED THE OBSERVATION OF G.F. SWIFT: 'THE SECRET OF ALL GREAT UNDERTAKINGS IS HARD WORK AND SELF-RELIANCE... GIVEN THESE TWO QUALITIES AND A RESIDENCE IN THE UNITED STATES OF AMERICA, A YOUNG MAN HAS NOTHING ELSE TO ASK FOR.'"

### RESISTANCE STIFFENS ALONG ENTIRE FRONT

## Weather Aids Reds to Stop UN

### Lied Troops Altered North Parallel

OKYO — (AP) — Fiercely fighting Communists, aided by some of the worst weather of the Korean war, yesterday back United Nations forces at the sensitive Red assembly line in North Korea. The Red resistance was stiff along the line. At some points the Communists counter-attacked and forced UN troops to limited withdrawals.

Artillery fire defending the Red bases at Chorwon, Kumwha, 17 and 29 miles north of the parallel, was heavier in field dispatches as one of the heaviest barrages of war.

Eighth army staff officer in a tank-infantry force slog through knee-deep mud to Yangju on the eastern end of the Hwachon reservoir. But once pulled back to its own lines after coming under heavy fire in the town. Allied troops took Hwachon town Sunday and won control over the dam.

Reports from the ragged front fighting were mixed by poor communication with frontline correspondents and censors were reported heavily on all dispatches.

Every effort of the allies to keep the mountainous center peninsula have been limited except for isolated up to three miles.

Lines were clearing by mid-day supply and fighter planes back to work.

Artillery barrages said the artillery barrage was hurried against units driving on the major bases of Chorwon and Kumwha, 17 and 29 miles north of the 38th parallel.

By last reports the allies about 10 miles south of the parallel and 12 south of Kumwha.

About 600 shells were pumped into allied positions on the central front in 75 minutes. It was small by UN army standards, but the big Red barrage since the Chinese began their first spring April 22.

Troops slithered over sod hills and mired roads toward the front from the vicinity of Kumwha, six miles north of 38th parallel. It was reported a Red line held the ridges to the north. AP correspondent John Ralph said the "days of easy gains" on this front were ended.

German Delegates Only American Law Enforcement

MSC police administration played host to six members of the West German parliament recently. Legislators, or Vundstag members, visited the campus on the exchange persons act to the internal affairs of police administration, Norman Olman, director for German police administration said.

### Cadet Honors

Colonel Robert Thiering, Provost Corp advisor, presents Edward W. Marsh, Detroit senior, with crossed pistols, army branch insignia for officers of corps of military police. Thirty-one graduating seniors belonging to the corps were presented with the awards at Tuesday night's dinner at Sepeter's.

### Cut Draft Test? Frosh-Sophs Take It Later Appoint Acting Council Head

Students who were scheduled to take the draft deferment test May 26 and were unable to take the test may apply for a ticket of admission for a later date. According to a telegram received by Tom King, dean of students, from Gen. Louis B. Hershey, selective service director.

The telegram stated that students who were "precluded from taking the test by circumstances beyond their control" should write immediately to the selective service examining section, educational testing service, P. O. box 586, Princeton, N. J., explaining the circumstances and returning their ticket of admission.

New tickets of admission will be issued for "deserving cases."

### Civil Service Sets Examinations for Nurses, Chemists

The United States Civil Service Commission has announced examinations for office appliance repairmen, and for physicist, chemical engineer, mathematician, and chemist.

Written tests are not required for these examinations. Full information and application forms may be obtained from the commission's local secretary, Mr. George A. Monroe at the Federal building in Lansing.

New Civil Service examinations for nurses and position classifiers, were also announced today by the seventh U. S. Civil Service Region, Chicago.

Further information about these positions may be obtained at any first or second-class post office or by writing the Office of the Director, U. S. Civil Service Region, New Post Office building, Chicago, Ill.

Weed seeds comprise an important part of the diet of wild bird life.

### MSC to Hold Red Cross Lab This Summer

MSC has accepted a Red Cross invitation to conduct a "nursing and disaster care" experimental workshop for volunteers this summer. At the same time, the Oakland county chapter has issued a call for college students to serve as "water safety instructors."

The federal civil defense board has given the Red Cross the responsibility of training four per cent of the population annually in home nursing. As part of this program, MSC will begin the first of these 20 hour sessions July 16, with four women's gymnasium classrooms.

Two additional courses will be held July 23 and July 30. Fees for the course will be assumed by the Red Cross.

Beginning July 9 and ending August 17, any college woman or man holding a Red Cross senior life saving or instructor certificate is eligible to teach outdoor water safety to classes. The sessions will be conducted on Oakland county's inland lakes for children from kindergarten through high school age.

The hours will be from 8:30 a.m. through 5:30 p.m. for six five-day weeks. Pay is on the prevailing recreation department scale. Oakland county Red Cross authorities ask interested parties in the Pontiac area to contact them at 534 West Huron street, Pontiac.

### MSC Teams Take Second in Stock Judging Contest

Judging teams from MSC won second place in the 1951 North-Central inter-collegiate livestock judging contest held at Ohio State university May 19. Richard B. Warren, assistant professor of the animal husbandry department, announced today. Ohio State received top honors.

The college team was fourth in judging cattle and hogs and second in the judging of sheep and horses.

Individual honors were won by Neal First, Ionia junior, who was fourth highest of the entire contest with a first place standing in hog judging and sixth place in sheep judging.

Phillip Wells, Birmingham freshman, was second in quarter horse judging and Douglas Garn, Charlotte sophomore, was fourth in sheep judging.

Six colleges and universities participated.

### Summer Term Dorms Listed

Only three dormitories will be used to house students attending school this summer, Emory Foster, manager of dormitories and food services, announced.

Men will live in Mason hall, undergraduate women will be housed in Campbell dormitory, and women graduate students will live in East Mayo.

Foster said only about 600 students are expected to live full time in dormitories. This is because of a large number of graduate students who will be on campus only two or three days a week.

Room and board for the summer quarter, June 18 to Aug. 31, will be \$182.50 for men and \$187.50 for women, Foster said. Rates for the six weeks session, June 18 to July 27, will be \$98 for men and \$100 for women.

Summer quarter rates for women graduate students are \$60, and \$32 for the six weeks session. No meals are included in this figure.

# MSC Trackmen to Lead Big Ten Squad Against Coast Runners

## Eight Spartans Named to Team in Annual Tilt

By ALEX LAGGIS  
 The coming Big Ten-Pacific coast all-star track meet to be held at Seattle, Wash. June 15 and 16 will have a Michigan State tinge as the Spartans placed the most men on the Western conference team.

Eight MSC stars from the squad that in pre-meet forecasts were figured in the running yet managed to battle the winning team to the wire will compete in the annual classic.

The conference's top scorer in both the indoor and outdoor meets, Jesse Thomas, tops the list. He is the outdoor meet's 100-yard dash and 220-yard hurdles champion. Thomas also placed second in the 120-yard high hurdle race to wind up with a grand total of 14 points.

In the all-star clash, he will probably compete in the century run, low hurdles and the 440-yard relay.

Dick Henson, who ran wild for State in the conference finals by placing in two finals, will probably enter the low hurdles and perhaps the 440-yard relay.

Another dash star, sophomore Art Ingram won himself a position on the honor squad by his performance in the sprints. He will probably be entered in both the 100-yard and 220-yard dashes and might be the third Spartan member on the 440-yard relay team.

Capt. Warren Druetzler and Don Makielski, two of the Big Ten's top distance runners will compete in their specialties. Makielski will run against the coast's best in the 880. He is the newly-crowned half-mile champ.

Druetzler will compete in the two-mile and possibly the one-mile runs.

Big Bob Carey will try for a victory in the shot put.

The other two members representing the conference from Michigan State are the squad's sophomore distance duo of Jim Kepford and Mickey Walter.

Kepford will compete in the mile with Walter slated for work in the 880.

A new carpet may be laid over an old one, so that the old one serves as padding for the new.

## Independent Softball Champs

IM Director Wayne Tinkle presents trophy to the DVZ independent softball champions. Left to right, first row: Bill Ecklund, Tom Hitching, Ken Palmer, Bill Glenn and Tom Yeotis. Second row: Ed Korzyno, Rudy Mora, Don Jahn, Paul Mott and Bill Wolfe.

## DZV Whips Snyder; Gains Softball Final

Behind Jim Caird's no-hit-no-run hurling, DZV beat Snyder 14, 7 to 0 last night to advance into tonight's all-college intramural finals. They will meet West Shaw 6 on Demonstration hall field at 5:30.

DZV got unearned runs in the second and third innings and broke the game wide open in the fourth inning with a four run outburst. Tom Hitchings and Caird singled and Bill Glenn stepped up and blasted a grand slam homer. At this point Snyder pitcher Al Olmsted was replaced by Lin Hamilton who retired the side.

DZV registered their last run in the top of the fifth inning when Vince Velosenti homered. The totals were for DZV seven runs on eight hits and Snyder 14, no runs and no hits.

Snyder 14 defeated West Shaw 6, 7-3 on Wednesday morning, to annex the dorm championship.

## Late Sports Wire...

**BROOKLYN** — (AP) — Carl Erskine's steady relief pitching helped the Brooklyn Dodgers top the Philadelphia Phils last night, 4-3.

**CHICAGO** — (AP) — Ezzard Charles, world's heavyweight champion, yesterday quickly agreed to meet aging Jersey Joe Walcott in a 15 round title bout in Pittsburgh July 18.

**DETROIT** — (AP) — The Detroit Lions announced yesterday the signing of fullbacks Ollie Cline and Charlie Schroll to 1951 contracts. Both are three-year veterans with the National Football League club.

**INDIANAPOLIS** — (AP) — Lee Wallard, winner of the 1951 Indianapolis speedway 500-mile auto race Wednesday, received a record cash purse of \$63,612.12 last night. The total cash prizes to the 33 drivers and car owners also set a new record. This year's total was \$207,650, compared with last year's previous high of \$201,335.

**ANNAPOLIS, Md.** — (AP) — Big Bob Zastrow, the 210-pounder who slashed Army's gruff defense last fall, has been elected captain of the Navy's baseball team.

## Varsity Club Plans Initiation, Dinner

The varsity club last night elected their officers for the coming year. Al Hannas was elected president; Ernie Charboneau, vice-president; Dick Rieger, secretary; and Sonny Means, treasurer.

The club also announced plans for their initiation on June 5 at 5:30 in Jensen hall. Dinner will be served afterward in the Union and coats and ties are to be worn, according to Secretary Rieger.

# MSC Nine Ends Season with OSU Series

## Carlson Slated to Pitch

Baseball ends on the Michigan State campus this weekend as the Spartans tangle with Ohio State in single games scheduled for this afternoon and tomorrow at Old College.

The game time today is at 3:30 p.m. instead of the previously announced twilight time. Saturday's contest will start at 10 a.m.

The MSC nine will be in the hitters role as the Buckeyes lead but a single win to clinch Big Ten title. If the Spartans sweep the series Illinois will be handed the batting.

Carlson is third man Bob Montecello with a .300 average, good enough for the first in the Big Ten batting race. Bob Cannon and outfielder Gutzwiller are other hard-hitting regulars who are averaging over the .300 mark.

Carlson will probably pitch today's game for Ohio State. He pitched four wins in six decisions last season.

Coach John Kobs plans to start Bob Carlson on the mound as the Spartans hope to win the blistering hats of the Big Ten.

Howard will also be in the lineup for mound duty while Carlson will probably pitch today's game for Ohio State.

Michigan State tuned up for the season with victories over the University of Michigan, 10-6; and the University of Detroit, 13-4.

Outfielder Darrell Lindley paced the Spartans in both games with eight hits in nine tries at the plate.

Lindley led three triples and raised his season's average to .421, tops in the State nine.

Magi also starred as he led off three hits in the two games, including a home run in the first game.

His hits brought a sensational hitting streak to consecutive games.

Magi, who has captained this year's team, will graduate in the spring. He is the only member of the starting line-up that will be leaving his last games for this weekend.

Coach Bill Bower also added to the Spartans run production in the first game with a triple and a run in five trips.

Football Tickets Available Monday

The opening sale of tickets to the fall's Michigan State football season begins Monday, June 4. Cross-the-counter applications then be accepted for the first at the athletic ticket office, on gymnasium. Mail order applications also will be accepted for new customers for season or individual games.

The date is the deadline for filing of applications by past ticket holders who want old seats again. Application-bearing postmarks of no later than Monday will be so honored.

Early Phoenicians are credited with being the first to use tallow which was in the form of a fat blended with ashes.

## Eleven Spartan Athletes Live in Smoke Shop Hall

MSC may not have an athlete's dorm, but the smoke shop residence hall comes closest to filling the need. Across from the Union are housed an array of sport participants to rival Notre Dame's famed Sorin hall.

Included among them are five wrestlers, two baseball, a football, hockey and two weightlifting enthusiasts.

Heading the list of wrestlers is Gene Gibbons, 1951 NCAA 167-pound champion, 1951 Western conference 177-pound champion, and twice winner of the Walter Jacobs award as MSC's outstanding wrestler.

Another three-letter wrestler and graduating senior, is Bill Buckingham of Monroeville, O. Though sidelined by a knee injury most of last season, Buckingham came on to win his 121-pound berth on the varsity and then on to place in the Big Ten finals.

Buckingham's roommate is physical education major, Joe Dibbello from Cleveland. Also a three-letter man, Joe placed third in the 137-pound division in last season's Big Ten tournament.

The fourth varsity wrestler to call the smoke shop hall his home is Marty Sherman of East Chicago, Ind. A junior, Sherman has been on the varsity for the past two seasons.

The last wrestler in the fold is one who shows great promise of becoming a Spartan great. He is freshman Ed Casalicchio of Cleveland.

Casalicchio's high school record is truly remarkable; in the three years he wrestled, he had but one defeat. He has twice been crowned 128-pound Ohio state high school champion.

Last winter, while a member of the Spartan frosh, he received the Jack Grayson award as the best wrestler in the northeastern Ohio

## Frosh Nine Numeral Awards Announced

By ED SLOBODNIK  
"They are the finest conditioned best balanced frosh baseball squad that I have seen in the five years I've been at MSC," said Coach Ed Zbiak in reviewing the 1951 team.

He added that, "they are a hustling never say die type of team. It was a pleasure to coach them."

Numerical winners include: Bob Cannon, Detroit; Eric Erickson, Grosse Pointe Park; Duane Frankovich, Milwaukee; Don Sundt, Wilmette, Ill.; and Bill Lovett to Belaire, all pitchers.

Catchers Tom Yewic, Conemaugh, Pa.; Mike Vorknich, Detroit; and Willard Zimmerman of Hudson.

Infielders Duane Morse, Detroit; Al Taylor, Wyandotte; Jack Zietler, Buffalo; Win Peterson, Tru-fant; Don Wadsten, Detroit; Bill Hopping, Detroit; Jim Hall, Ithaca, N.Y.; Don Perry, Sarnia, Ont.; and Bob Williams, Detroit.

Outfielders Paul Thorsberg, Midland; Jim Throgmorton, Wyandotte; and John Risch, Webber-ville.

Zbiak said that he was quite satisfied with the pitching staff. He had special praise for Erickson and Lovett on their showing against the varsity.

Of the catching department, he said Yewic showed great promise. Both his throwing and fielding hitting left little to be desired.

At third base, he singled out Morse as a fine defensive ballplayer as well as a consistent hitter. He mentioned Taylor as a good long ball hitter and a defensive star.

The shortstop position seemed to be a toss-up between Zietler and Peterson. Both are hustling ballplayers.

Second base was in the capable hands of Wadsten, who is both a hitting and fielding sensation.

At first base, Perry proved to be the best. His hitting and hustle was a great factor in many of the team's wins.

The accurate throws of center-fielder Thorsberg, coupled with his potent bat makes him the finest prospect of the 1951 team.

Observers say that he looks even better than Vince Magi did when he was a frosh member. Chances are that he will see a lot of action with the varsity next year.

Another outfielder who shows great potential is Throgmorton, who has been a consistent hitter and a hawk on defense. Rounding out the outfield is Risch, a clutch hitter and RBI leader.

In their games with the Junior varsity this spring, the frosh won five, lost one, and tied one. The team batting average was .386.

Jack Zinn, Royal Oak Junior, has been elected captain of the 1952 golf squad.

Top man on the Spartan squad for the season just past, he averaged .556 strokes per round through the 13 matches that the team played this spring.

Zinn, who succeeds Don Perne, was captain of the 1947 Royal Oak high school team that won the state championship.

In 1949 he was medalist in the Chicago junior open golf championship and has participated in numerous tournaments.

## Eleven Spartan Athletes Live in Smoke Shop Hall

Included among them are five wrestlers, two baseball, a football, hockey and two weightlifting enthusiasts.

Heading the list of wrestlers is Gene Gibbons, 1951 NCAA 167-pound champion, 1951 Western conference 177-pound champion, and twice winner of the Walter Jacobs award as MSC's outstanding wrestler.

Last winter, while a member of the Spartan frosh, he received the Jack Grayson award as the best wrestler in the northeastern Ohio

## Golfers Elect Zinn Captain

Jack Zinn, Royal Oak Junior, has been elected captain of the 1952 golf squad.

Top man on the Spartan squad for the season just past, he averaged .556 strokes per round through the 13 matches that the team played this spring.

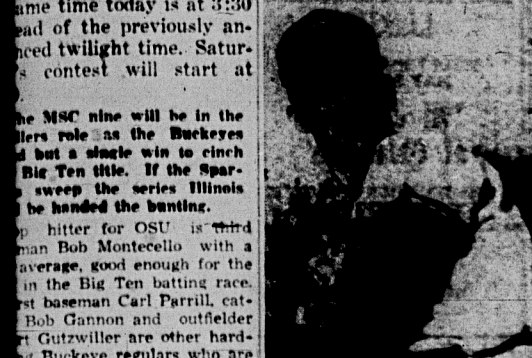

Zinn, who succeeds Don Perne, was captain of the 1947 Royal Oak high school team that won the state championship.

In 1949 he was medalist in the Chicago junior open golf championship and has participated in numerous tournaments.

## Sigma Nu Crowned All-Sports Champ

Sigma Nu has won the IFC league all-sports championship for the 1950-51 year. In compiling 595 points, Sigma Nu won titles in basketball, tennis, the free throw tournament, and the turkey trot, besides a second in track.

Delta Chi was second in the all sports race with 533 points, including a win in the swim meet. ATO, the football champion, was third with 521.

BOB CARLSON

## Big Ten Standings

W	L	Pct.
Ohio State	8 2	.800

Minnesota	6 6	.500
Northwestern	5 6	.455
Iowa	4 8	.333
Michigan	4 8	.333
Purdue	1 6	.143

## Versatile Bird

Don Quayle deserves the "versatile" label. Quayle won freshmen numerals in basketball, handled kickoff assignments for the 1950 Spartan football team, and is a star pitcher on the MSC baseball team.

## 'Mural Medals

All IM medals for spring term should be picked up at the Infirmary office today according to Mural director Wayne F. Tinkle.

## Football Tickets Available Monday

The opening sale of tickets to the fall's Michigan State football season begins Monday, June 4. Cross-the-counter applications then be accepted for the first at the athletic ticket office, on gymnasium. Mail order applications also will be accepted for new customers for season or individual games.

Remaining selected fall term are: Alton Borne, Mary Lou Strath, Gloria Tarpinian, John Warren, Edna Wil-son, William Ziering, Robert White.

Named to the honorary roles for spring term are: Charles Adams, Max Barnhart, Leo Baumgartner, Donald Beatty, William Bennett, Thomas Ber-gers, Reynold Berkey, Richard Boyd, Harold Braeutigan, Steve Brandorf-er, Betty Buscholz, Clayton Chain, William Camp, Roland Carlson, and J. M. Carter.

Others are: Joseph Caruso, Joseph Cassidy, Mary Cole, Jeanne Corsetti, Beverly Crain, Charles Cribbs, John Daily, Jacquelin Dawson, Harry De-Boine, James Duss, Howard Emory, Raymond Erickson, Douglas Fischer, Arthur Fred, William Geren-cer, Audrey Glenn, John Gore, Judith Grams, Gloria Granger, Helen Greg, James Gross, and William Guntrum.

Others are: Elizabeth Hall, Ronald Harper, Donald Harris, Susanne Har-wick, Charles Hoffer, William Jackson, Frances Johnson, James Kahl, Lloyd Kammeraad, Donald Keach, Gretchen Kiebler, Mirian Koester, Lewis Krause, Armin Krohn, Martha Kunkle, Al-bert Kurus, John Larus, Elder Lin-dahl, William Little, Joan Makieski, Phyllis Marquart, and Donald Maur-er.

More accepted are: Martha Max-stadt, Daniel Mead, Shigeto Minami, Gordon Nash, Glen Omans, Carroll Otis, Stuart Prall, Clayton Prisel, William Richardson, Fred Richmond, Carolyn Robbins, Dorothy Roberts, Carol Root, Duane Russell, Alfred Schroeder, Elizabeth Schuurmans, Fred Sewier, Hermione Shantz, Mar-garet Shroyer, Jack Sigan, Stuart Sleight, and Barbara Smith.

Still others are: John Snyder, Glor-ia Spaniolu, Roger Spear, John Spen-ner, Tunis Street, Joan Stuart, Ray Synnestevedt, Hugh Tadlock, Robert Teruya, Marguerite Tharp, Burton Toornman, Jane Tubbs, Lawrence Turner, Walter Tyler, Russel Valen-tine, Ralph Vanderlice, Claude Ven-ema, Donald Vield, Theodore Web-ster, and Leland Welsh.

Remaining initiates are: Mary Yoas, Alfred Zeita, Gerald Zerias, Norman Zube, and Adolf Weinacker.

Faculty initiates are: Dr. Lawrence L. Quill, Dr. Frederick W. Fabian and Dr. Peter F. Tach.

MAC WANTED ARMISTICE

Sherman Says Officials Feared New World War

WASHINGTON—(AP)—Admiral Forrest Sherman disclosed yesterday the joint chiefs of staff were so gravely concerned over the Korean war situation early last December that they ordered Gen. Douglas MacArthur to get his forces ready for a possible world war.

This order went out, he said, after the joint chiefs were told that MacArthur felt the United Nations should accept an armistice "on the best terms available" and the army would have to quit Korea unless the war could be carried against Red China.

The chief of naval operations gave this testimony to the senate armed services and foreign relations committees in their inquiry into the MacArthur di-missal.

It was the first revelation by any of the top-ranking military chiefs that the winter retreat of the allied forces had held the peril of world war three—or that MacArthur had suggested an armistice.

This period of deep gloom came ten days after the start of the great allied retreat before the Red Chinese' first big offensive.

Senators ended their ques-tioning of Sherman shortly af-ter noon and cleared the way for Secretary of State Acheson to start his testimony at 8 a.m. this morning.

Acheson is expected to be on the witness stand for several days answering questions by Repub-lican lawmakers who have made him their prime target in criticism of the administration's Far East policy.

Chairman Russell (D-Ga.) of the inquiry group said the com-mittees will be forced to hold both day and night sessions next week to speed up the hearing which now has consumed 23 days.

In his testimony, Sherman qualified his call Wednesday for a tight UN economic and naval blockade of Red China and seizure of ships at sea carrying con-tributed war goods to Commu-nist sea ports.

MSC Alum

Raymond E. Roth, an MSC graduate, has been commissioned a 2nd Lieutenant and pilot in the U.S. Air Force. Roth received 13 months of cadet training. His home is in Detroit.

Trip-to-Europe Dream Comes True for Coed

A summer trip to Europe is the dream of any college man or woman.

But for Kathryn Stencel, Ionia junior, the dream is becoming a reality.

She will spend five months in Austria this summer, from mid-June to mid-October, as Michi-gan's 1951 delegate to the Inter-national Farm Youth exchange.

Michigan farm groups and in-dividuals are providing funds for her expenses.

A German major, Miss Stencel is the eldest of 11 children. While going to school, she works in the Union Book store.

She gives her parents the major share of the credit for her suc-cess.

"Dad and Mother have been very helpful to us," she said. "They've helped provide livestock for us to get started in 4-H work."

Her sister, Ruth, is a sophomore at MSC. A brother, Burton, took a MSC short course in agriculture last winter. He expects to return to school next winter to complete the two-year course.

Miss Stencel will be one of 51 former 4-H club boys and girls from the U.S. to visit Europe under the program. Many foreign youths will visit Michigan this year under similar programs.

Uniforms Due

ROTC students set their sights for the summer vacation as they began turning their uniforms in this week.

The \$10 deposit will be re-turned upon the receipt of the uniform, according to Maj. John Johns, public information officer. Uniforms may be turned in from 8 a.m. to 5 p.m. daily until the end of the term.

Registration Set for Off-Campus Summer Work

Special registration for all off-campus summer school courses will be held June 5 and 6. En-rollment material may be obtained in respective departments. Students should report to registration either day in the Admin-istration building after they have their enrollment cards and regis-tration material.

Summer field work will include art camp, business administration 457 & 466; forestry camp; geology 313; journalism 350; hotel admin-istration 151, 252, 353; and medical technology 400.

Also included are musical ther-apy 400; police administration 460a, b, c; recreation for men 402, 403; recreation for women 327; and fisheries and wildlife 430.

Picnic Scheduled

Gamma Delta, Lutheran social fraternity, will stage its annual outing and picnic supper at the Stiefel farm on Sunday, June 3. All Lutheran students are invited to meet at the west entrance to the Union at 2:30 p.m.

STARTS SLOW ...

Shaw Combo Draws Crowds for Concerts

Three or four times a week, usually around the noon hour, one of the glass-sided terrace floor rooms of East Shaw hall becomes the swank "Terrace Garden."

That is, it does in the minds of the students crowded in T54, the room of Andy Nester and Charlie Slane. Nester, a top-notch accordionist, and Slane, a drummer, put on their night club act for the benefit of their student audience and a play-back wire recorder.

As Nester explains it, "We start off with some slow music, and Charlie acts as M.C., then we swing into some polka tunes." The polka music is the big attraction, according to the men of the precinct. "Nester gives out with his own inter-pretations of Slavic folk songs, and feet start tapping."

"I've been playing the ac-cordian about nine years," the 20-year-old junior explains, "and I've learned a lot about celebrations in Flint, my home town."

"My accordion playing is paying my way through school," Nester says proudly. He took lessons for two years, then set out on his own, playing by music, "but mostly by ear."

"Most of my interpretations are derived from polka records I listen to," the "Dick Contino of East Shaw" points out. "I haven't written down any of the tunes, but the boys kind of like my 'Frozen Mystery'."

His enthusiastic East Shaw audiences describe the piece as a modernistic "Stan Kentonish" type of work. But no matter what Nester and his roommate team up on, a crowd soon gath-ers when the word gets around that the two are "in the mood."

Do the duo plan to study music here, and go on to the night club circuit? No, both are studying engineering. "It's a lot of fun, but the life of a pro-fessional musician is too un-stable," Nester declares.

Alumni Football Tickets Prepared

Seniors who want football tickets for next year may pick up applications at the Jenison field-house ticket office.

Directions for return of appli-cations are included on the blank, Starr Keesler, alumni director, said yesterday.

Tickets for next year's season will go on sale June 4. Any sen-iors still on campus may pick them up at that time.
