

Macklin Crowded as 6,000 Fourth Activities Carnival

By NALLY FRELPS
In spite of cold weather, more than 6,000 MSC students crowded the Macklin Stadium concourse last night for the fourth annual Activities Carnival.

Purpose of the carnival is to acquaint MSC students with extra-curricular groups operating on campus. More than 90 groups were represented by displays and booths circling the concourse. "Spartan Boy," a Holstein calf, was displayed by the Dairy Club as a prospective MSC mascot. The Promenaders, square dance club, and Orchestras, women's dance honorary, gave dance demonstrations. Movies were shown by the Ski Club, the MSC Marching Band, and the Arnold Air Society. Special lighting effects were used to decorate other booths, as well as posters, pictures, flowers, free literature, and membership applications. Kappa Alpha Mu, national photographic honorary, took pictures of students drawing special numbers.

Heavy machinery was moved into the concourse to add to the displays of Spartan Guard, the Officers' Club, and the American Society of Agricultural Engineers.

Other outstanding displays and demonstrations were shown by Theta Alpha Phi, national dramatics honorary, Winged Spartans, American Veterinary Medicine Association, Alpha Chi Sigma, chemical fraternity, and the MSC Riding Club.

Continuous entertainment was provided on a centrally located stage. Robert Graunzer, Saginaw senior, acted as Master of Ceremonies for the program. Student talent featured singers, pianists, pantomimes, impersonations, a baton twirler, and comedy acts.

Chairman for the Carnival, co-sponsored by AWS and Men's Council, was Mickey Wolter, Flint junior. Jerry Tupper, St. Louis junior, assisted her.

Dispute on Race Site Calls Talks

State News Photo by LaFont
Detroit senior and Charlene Wall, Detroit senior, take a look at "Spartan Boy," the Holstein calf proposed as MSC mascot. The calf was on display at the Activities Carnival last night.

Short Course to Draw 100 Men, 1 Coed

About 100 men and one woman are scheduled to enroll in the annual 16-week agriculture short course on Oct. 22, according to Assistant Professor Don H. Shepard of the Short Course Department.

The course will cover such general agriculture subjects as animal husbandry, dairy and poultry. A leadership course will also be offered. Each subject will be taught by members of the School of Agriculture staff.

The only requirement for students is that each have some farm experience. Shepard said. Most of the students are in the 17-30 year age group.

The first part of the short course program will end on Dec. 14. Early in 1952 the second eight weeks of the course will begin. The complete course will end sometime in March.

About half of the male students will be housed in the short course dormitory and the other half in Snyder-Phillips Hall.

Paper Goes Underground

The University of Chicago student newspaper, banned because of its leftist editor, planned yesterday to go "underground."

The weekly Maroon staff voted to publish and sell the paper off campus in defiance of the dean of students' suspension order.

The dean banned the newspaper and fired its editor, Allan D. Kimmel, because Kimmel sponsored and attended the Communist-inspired East Berlin youth rally.

Student Soprano to Sing Over W KAR

Marilyn Marshall, Dearborn junior, will be presented by the MSC Music Department, on W KAR at 2:15 today.

Miss Marshall, soprano, will sing "Let My Song Fill Your Heart," "Un bel di vedremo" from "Madame Butterfly," "I Wonder as I Wander," and "Come To The Fair."

Panel to Ponder Far East Affairs

"America and the Far East" is the topic of a panel discussion slated for the International Center 7:30 p.m. Sunday. Robin A. Drews, instructor of social science, will be moderator.

This is the first in a series of Sunday evening discussion groups open to MSC students.

CHARGED WITH POLITICAL ESPIONAGE Swiss Prosecute McCarthy Pipeline

GENEVA (AP)—An American scheduled to go on trial in the Swiss Federal Criminal Court at Lausanne on Monday is charged with conducting illegal political espionage "in supplying information to Senator (Joseph W.) McCarthy."

The Swiss government charges that the activities of McCarthy's alleged informant violated Swiss sovereignty.

The charge against Charles E. Davis, 24, from Pasadena, Calif., came to light today in the "acte de accusation" (comparable to an indictment in U.S. courts) which has been

filed in the Lausanne Court. Davis is accused specifically of supplying a representative of the Wisconsin Republican senator in Paris with information concerning John Carter Vincent when Vincent was U.S. Minister to Switzerland.

The charge says that Davis was paid for this service. Davis, who told U.S. Consulate officials here that he was correspondent for a Communist newspaper in California, has been held in jail for nearly a year since his arrest by Swiss authorities.

For the past several months, he has been under treatment in the prison ward of a Geneva tuberculosis hospital.

Vincent was transferred from his post as minister in Bern to that of consul-general in Tangier last February.

Vincent has been a frequent target for McCarthy's repeated charges of Communist influence in the U.S. State Department. The Senator has asserted that Vincent followed the Communist line particularly when he was serving the State Department in China during the war.

FIVE CENTS

Number 26

3 Million Voted for TB Sanitoriums

Two Sites Changed
from Original Bill

By RUSS LINABURY

Michigan's "Little Legislature" has voted over \$3,000,000 to specified areas for the treatment of tuberculosis.

The final measure, a substitute motion introduced by Representative Carl Lindquist, Iron County Republican, came yesterday after the Legislature had been deadlocked trying substitute bills and amendments in an effort to properly allocate the funds at their disposal.

Lindquist's motion, seconded by Representative Elsworth, offered only two site changes from the original TB bill; dropping Jackson County as a possible receiver of funds, and opening the allocation to Herman Kiefer Hospital.

The bill distributed the funds as follows: (1) Sunshine Sanatorium in Kent County, \$600,000; (2) Saginaw County, \$700,000; (3) Ingham County, \$300,000; (4) Morgan Heights in Marquette, \$350,000; (5) Grande View of Gebele, \$110,000; (6) Pine Crest of Powers, \$150,000; (7) Genesee County, \$140,000; (8) Kimball of Calhoun County, \$100,000; (9) American Legion Hospital in Battle Creek, \$450,000; and (10) Herman Kiefer Hospital, \$200,000.

Before passing the bill, members of the "Little Legislature" had listened to a report and question-answer by Dr. Alfred Heustis, chairman of the Michigan Medical Association.

After the bill had been passed, a subsequent motion by Senator Bondy of Wayne County calling for an additional \$2,000,000 to go into the construction of a hospital in Southeastern Michigan, was laid on the table.

The "Little Legislature" is composed of the Governor, the Lieutenant Governor, Speaker of the House, and Senate Finance Committees. As appointments called Gov. Williams away minutes before the adjournment of the afternoon session, the final and conclusive meeting was presided over by Lt. Gov. Vandenberg.

Calf to Appear at Saturday's Football Game

Saturday afternoon State students will be introduced to the mascot college's answer to the mascot problem — a calf.

The bossy, adorned with ribbons and State banners, will compete in the stadium against a possible peacock and boxer to reign as Michigan State's mascot.

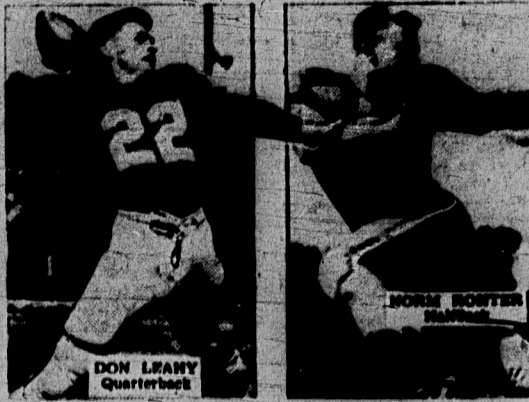

The calf, unnamed as yet, is being borrowed from the Dairy Department by the Spartan Spirit Committee of the Student Congress. She will be officially presented to students at the Marquette game and paraded around the stadium.

The calf will appear at the game in answer to a letter to the State News inquiring about the possibility of a mascot for State.

A boxer dog will also make a short appearance at the pep rally slated for Friday at 7:30 p.m. in the bandshell.

Featured at the pep rally will be movies of last year's MSC-Marquette game.

Other entertainment will include a cheering contest between campus and off-campus students, a skit, and music by the varsity band.

Two Marquette stars who will face MSC's gridder here tomorrow. The Hilltoppers are gunning for a victory over Michigan State's high-riding number one football squad.

AG COUNCIL BALL Harvest Queen to Reign at Intermission Tonight

This year's Harvest Ball Queen will be presented tonight during intermission of the game. She was chosen by an all-college vote.

The semi-formal dance is sponsored by Agricultural Council, and will be held in the Union Ballroom, according to Don Dunbar, queen committee chairman.

The queen and her court will enter on the traditional white carpet to be presented with flowers by Clive R. Mege, assistant dean of agriculture, midst dance decorations following a harvest theme.

Keith Bartow and his orchestra will furnish the music.

Final candidates for queen were selected Wednesday by the Ag Council. The finalists and their sponsoring living groups are: Claire Dand, Delta Delta Delta; Jean Cotter, Kappa Alpha Theta; Betty Waters, South Campbell; Janice Lilrose, West Landon; and Marlene Kueick, East Yakeley.

The queen will also be a guest at the annual Agriculture Achievement banquet later this year.

Point Four Plan Lauded by Hannah

America must mend her ways if she is to face the terrible ordeal ahead, President John A. Hannah said last night.

Speaking to members of the East Michigan Tourist Association at Bay City, Dr. Hannah said the U. S. could not continue to hand out money and food forever and must start to respect the innate personal pride in other countries.

The Point Four plan is the best method that we have to do this, Dr. Hannah continued. This is a new approach in international relations and abandons the notion that any problem can be solved by money and handouts alone.

The U. S. is leading other nations so they can help themselves, he said.

The land grant colleges play a large part in this program, Dr. Hannah stated, since "much of the scientific and technical knowledge being imparted to the people of these areas originates in our land grant institutions, and most of it is being imparted by people trained in land grant colleges."

Cancer Foe Gets Medal for Research

Dr. Earl I. Carr, Lansing physician, received a bronze medal yesterday for "important contribution to the control of cancer." The medal was presented by the American Cancer Society yesterday at a banquet in Kellogg Center.

The presentation closed a two-day training school and workshop for 200 key volunteer cancer control workers.

A practicing Lansing physician and surgeon since 1914, Dr. Carr was instrumental in setting up the Ingham County Cancer Detection Center.

He has been a member of the board of directors of both local and state cancer control units and is chairman of the cancer committee of the Ingham County Medical Society.

For several years he did cancer research at the University of Michigan, later lecturing on cancer control.

Upset-Hungry Hilltoppers Aim to Topple MSC

Benson Returns as State
Seeks Tenth Straight Win

Michigan State's undefeated football eleven will put their clean slate on the block Saturday afternoon when they play host to the upset-hungry Hilltoppers from Marquette.

The Spartans will be trying for their fourth straight win of the season and the tenth in a row.

Although the State crew is at full strength with the return of fullback Wayne Benson, Capt. Bob Carey and linebacker Ed Timmerman may see only limited action.

Carey has been sidelined all week by a painful hip bruise that kept him out of most of the Ohio State game. Timmerman is still being bothered by a pulled groin muscle.

In case Carey and Timmerman don't start, Coach Biggie Munn has top replacements. Paul Dekker, junior end from Muskegon who turned in a brilliant performance against Ohio State, will probably get the nod if Carey doesn't start.

Advance reports from Marquette show that the Hilltoppers figure to shoot the works against MSC on an "everything to win, nothing to lose" basis.

A victory for Marquette over the team rated number one in the nation by the AP would be the year's top upset.

Coach Leslie Blackburn will field a better balanced, more versatile squad than the one that took a 34-6 thrashing last year.

The Hilltoppers haven't beaten the Spartans in nine years and have scored against them only three times in the past five. Their last victory was in 1942 when the Spartans dropped a 28-7 decision to the Milwaukee aggregation.

One important factor to be taken into consideration in this year's clash is the fact that the Hilltoppers boast the third best defensive record in the nation. Offensively they have practically the entire line-up from last year.

Marquette won its opener 48-6 against South Dakota. (They then See FOOTBALL, Page 3)

Auditions Slated by Radio Honorary

Auditions for Alpha Epsilon Rho, national radio honorary, scheduled for today are cancelled, Don Stewart, publicity chairman, announced.

All people interested in petitioning for membership can obtain petitions in Room 46 of the Auditorium. The petitions must be turned in by Tuesday at 3:30 p.m. in the same room.

Diesel Exhibition Scheduled Today

A one-day diesel engineering school and training exhibit is being held here today in the Agricultural Engineering Auditorium. Hourly lectures featuring the latest diesel equipment, techniques and visual training aids will be held beginning at 8 a.m. and ending at 4 p.m.

NEWS IN BRIEF

FBI Arrests 120 in Property Theft
WASHINGTON (AP)—The FBI reported yesterday its agents have arrested 120 persons in a widespread crackdown on theft of government property worth more than \$1 million.

St. Louis Tax Collector Indicted
ST. LOUIS, Mo. (AP)—James P. Finnegan, former St. Louis Internal Revenue Bureau collector and central figure in a House investigation of alleged widespread scandals in the tax collecting agency, was indicted yesterday on charges of accepting bribes.

House Approves Foreign Aid Bill
WASHINGTON (AP)—Beating down repeated Republican attempts to cut the funds, the House last night passed an \$8,299,235,096 foreign aid appropriation bill.

Williams Favors Deer Rifle Ban
LANSING (AP)—Despite some opposition among his top aides, Governor Williams last night was almost ready to call a special session of the Legislature to ban deer rifles in Southern Michigan.

Letters to the Editor

Reader Disputes Letter

TO THE EDITOR:

According to Mr. Pedrey, "We might even criticize editorial writers for seeming to follow the policy of never putting anyone on the back; of fostering the policy that to be smart is to knock things down just to show people that you know what's wrong."

The purpose of the editorial is to give constructive criticism, which includes praise and fault finding.

To me, the editorials of the State News have accomplished this purpose.

Editorials NEVER put anyone on the back? What about the editorial "Form the Habit" which appeared in the Sept. 26 issue praising Student Council "A Bargain" showing appreciation to the Lecture-Concert Series Oct. 3, and "Over-Optimism" Oct. 2, applauding MSC's football team?

Yes, the State News editorials might seem a bit harsh, but there are many which give praise. Some functions may need to have their faults brought out. On with the editorials!

Name withheld by request

Hell to Help...

Delta Sigma Pi, professional business fraternity, is changing Hell Week to Help Week this year.

In following advice from their national organization to do so, the fraternity is taking a step we hope other professional and social fraternities will follow.

All fraternities at the Indiana University adopted the Help Week plan recently, as reported in Reader's Digest magazine. A step like this might be in keeping with Michigan State College's up-and-coming spirit of new ideas.

Missing Elements Hamper JV Scene

After a four year lapse Jayvee football returned to the Spartan sports scene Friday. Coach Dan Davine's team, composed mostly of freshmen, trounced Selfridge Field, 40-0.

Before the Big Ten banned competition for freshmen, the Jayvee program was a top sports attraction. The program gave the varsity gridders of the future a chance to compete under actual game conditions. It provided the incentive to practice hard all week.

Not only did it benefit varsity football as a whole but it provided another top sports attraction in the fall. It wasn't unusual to have games played in Macklin Field with a decent crowd.

Friday the step toward replacing this valuable feeder of variety talent was taken. The game was played in Old College Field with an estimated crowd of 400-500 dropping in during the game to watch.

Bleachers for 2500 spectators were erected. Programs were printed and top officials were hired for the contest. The only thing missing was a scoreboard and a public address system. With the addition of those two missing elements that are essential towards a well run game, Jayvee football will be on the road back to the position it enjoyed before it was banned.

Reynolds Highlights Mural Swim Meet

By LEE WEINSTEIN
A dramatic swimming meet closed its brief stand last night with a four event card that was highlighted by Frank Reynolds' performance in the 75-yard medley. Reynolds, time of 1:32, grabbed top honors in the event by a full four seconds over second place finisher Don Peterson.

'BIGGIE' PRAISED Grid Publication Names Munn Coach of Week

Head Coach Clarence "Biggie" Munn of Michigan State has been picked Coach of the Week for Sept. 1961 by Football Digest, weekly gridiron publication, for his outstanding job in wallopping Michigan, 25-0, this season.

Munn, who has piloted the Spartans to three straight wins this season, was praised for the remarkable strides the teams have taken in his two years as coach of the Green and White.

At the Football Digest points out, "Munn has always been a winner.

Injury Riddled JV's Meet U of M Today

By TOM RYAN
A University of Michigan Junior Varsity squad, sporting 16 players who received all-state honors in high school, will invade East Lansing to meet the crippled Spartan Jivees this afternoon at Old College Field.

Game time is scheduled for 2:15, and students will again be admitted free to the contest.

Michigan State's coach, Don Devine, reports that injuries have left him with only one tight half-back, Bert Zagers, Larry Fox, Gene Molak and Thomas Brogan, the other right halves, are all on the injured list and will not play in today's tilt.

Frank Matynowski and Chuck Fairbanks will get the call at the

Doctors warn smokers about throats. Kaywoodie Pipes have Three Throat Guards to give extra throat protection.

FIRST THROAT GUARD: "Wider opening" bit. Spreads out smoke, helps cool it. No hot smoke to irritate throat or "bite" tongue.

SECOND THROAT GUARD: Exclusive, patented "DRINKLESS" device. Cuts down irritating tars... keeps every pipeful lit longer.

THIRD THROAT GUARD: World's best impregnated briar. It's specially heat resistant and porous. Makes smoke cooler... less irritating.

GUARD THAT THROAT, DOCTORS SAY!

Only KAYWOODIE pipes have these Three Throat-Guards for extra throat protection!

Don't gamble with your throat! Kaywoodie has three Throat-Guards working for you, protecting your throat as no other smoke can. They reduce tars and make smoke cooler. And just hold that Kaywoodie! Feel the satin-smooth briar. It's the world's best. Admire it as you would the finest piece of sculpture.

And what a real smoke a Kaywoodie gives you... what a man's smoke! Plus so much extra throat protection!

Kaywoodie imports the finest briar... and then throws 90% of it away. Keeps only the finest 10% the very heart, for cool, sweet smoking.

Storm Last Red Holdout Allies Take 'Heartbreak Ridge'

Tank Barrage Leads Attack to Take Slope

U. S. EIGHTH ARMY HEADQUARTERS, Korea — (AP)—U.S. and French troops yesterday overwhelmed the last hold-out peak on "Heartbreak Ridge" in the greatest combined assault in a month of heavy fighting in Eastern Korea.

The height dominated a Communist supply route on the Eastern front and the Reds had fought doggedly to hold it. But tank-infantry assaults and furious artillery barrages smashed the Communists in their positions, field reports said.

Then the infantry in a night attack swept the last Red defender from the summit.

Wednesday, the U.S. and French troops had fought up the slopes of the ridge, roughly 25 miles north of the 38th Parallel, only to be stopped after advancing but 40 yards.

North Koreans with Chinese Communist reinforcements held back that onslaught with hand grenades, machine guns, mortars and artillery.

But with more than 50 Allied tanks ranging to the rear and shooting up support areas, the Communist positions became untenable.

Elsewhere on the western front a full battle-equipped battalion of Marines—936 men—was flown by 12 giant Sikorsky helicopters into the battle line considerably east of Heartbreak Ridge in full view of the Red defenders.

It was the second—and largest—helicopter airlift in history. The shuttle operation was completed in six hours and 15 minutes without loss. Normally it would have taken up to two days. Allied troops stormed and seized two important hill crests on the eastern front against weakening Red resistance.

Although the Heartbreak struggle dominated yesterday's actions, there was severe fighting in the west. The U.S. First Cavalry Division, carrying on the remnants of the Oct. 3 western offensive, attacked north and northwest of Yonchon against a range of medium hills. They met ferocious Chinese resistance.

Cavalry troops fighting as infantry made limited gains in the early hours, the U.S. Eighth Army announced last night. Reds of undetermined strength fought back strongly.

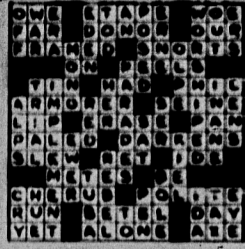

Elsewhere along the west and central fronts, U.N. forces patrolled and met only light resistance from small Chinese units.

In the air war, the Far East Air Force sent nine B-29 Superforts over Sunan, 20 miles north of the Red Capital of Pyongyang. They dropped 63 tons of bombs on a Communist airfield.
