

Spartans Slip to Third Spot in Grid Rating

California, Tennessee Snatch First, Second

NEW YORK—(AP)—The University of California Golden Bears were voted the number one college football team yesterday in the third weekly nation-wide poll of the Associated Press. Michigan State, the top team for the first two weeks, slipped to third place as Tennessee moved into the number two spot.

Alies, Reds Will Argue Peace Site

Communists Insist on 'Last Iron' Agreement

TOKYO—(AP)—The Red radio yesterday called for a "last iron" agreement on the neutrality of the site of the neutral zone around the former location of the divisions. The Reds want a five-mile neutral zone around the site while the Allies want it to be 3,000 yards. Panmunjom is a Red outpost six miles east of Kaesong on the border of the neutral zone.

The major question is the size of the neutral zone around the site. The Reds want a five-mile neutral zone around the site while the Allies want it to be 3,000 yards. Panmunjom is a Red outpost six miles east of Kaesong on the border of the neutral zone.

At Kaesong, observers in Tokyo reported that Gen. Matthew B. Ryan, supreme Allied commander, might discuss the cease-fire situation at a press conference at 11:30 a.m. yesterday (8:30 p.m. Monday, CST) at his headquarters here.

The Red China radio broadcast yesterday quoted Alan Winson, correspondent of the Communist London Daily Worker, as expressing the official Red view on cease-fire negotiations.

Winson asserted that the talks could be endangered unless an explicit cast iron neutrality agreement is reached at a response level by the delegates themselves.

Students Plan Discussion of Moral Conduct

MSC students interested in moral activities are invited to a discussion of the topic, "Can We as a Nation Improve Ethical and Moral Standards?" at 4 p.m. in Room 34 of the Union building.

The discussion will be held by the National Student Council on Moral Standards, a group of students from various colleges and universities who are working to improve ethical standards in the United States.

The meeting will be held on Monday, October 16, at 4 p.m. in Room 34 of the Union building. The topic is "Can We as a Nation Improve Ethical and Moral Standards?"

Novelists

Deans from two branch agricultural colleges of the University of California, South America, will arrive at MSC this week to try to complete a long-term Point Four program.

Reds Stiffen in Face of Allied Push

Infantry Offensive Rolls Over Enemy

U. S. EIGHTH ARMY HEADQUARTERS, KOREA

Communist resistance stiffened on the central front Monday as Allied infantrymen pushed a three-day offensive which has completed nearly 100 square miles of Communist North Korean territory.

In the rugged east, the U.S. Second Division's 38th Regiment successfully stormed the highest mountain peak between "Heathcote Ridge" and the "Pukhan River"—a towering crest 4,000 feet high. The victory came as the North Korean army communique boasted that Red troops had "annihilated" the 38th regiment.

The west was comparatively quiet. However, the Communists stepped up their barrage of mortar and artillery fire from long range.

Advances on the central front since dawn Saturday have carried the Allies a full five miles forward within easy light artillery range of the Red supply and headquarters city of Kumsong, 30 miles north of the 38th parallel.

Associated Press Photographer Robert Schult, reporting from this sector, said the Allies had captured a total of 29 hills.

Monday's gains were up to a mile and a half, largely taken in the morning before the Chinese lines stiffened south and southwest of Kumsong.

The strongest Red resistance appeared to be almost directly south of Kumsong, where the veteran U.S. 24th Division and the Colombian battalion were attacking.

The Colombians, fighting their first major action, won praise from Allied officers as "tough, hardy infantry."

Student tickets for London's famed Sadler's Wells Theatre Ballet are now being distributed at the Union ticket office.

The company, currently on a six-month tour of 65 Canadian and American cities, will appear at MSC Oct. 30, and Nov. 1.

Heading a contingent of 50 dancers will be prima ballerinas Elaine Field and Svetlana Beriova. Other outstanding performers include David Blair, Patricia Miller, David Poole, Maryon Lane and Stanley Holden.

Students Picked Up by Police for Running Football 'Parlay'

In Nation's Top 11

These issues of last year's State News helped to win an All-American award from the Associated Collegiate Press yesterday. The MSC student newspaper was "one of the more professional college newspapers in the country" according to judges who wrote the criticism on the paper.

Campus Tour Slated

Homecoming to Draw 400 Pitt Students

About 400 University of Pittsburgh students will attend the MSC-Pitt Homecoming game Oct. 27, according to word received by the MSC Student Government.

Bob Gardner, vice-president of the Pittsburgh Student Congress will head the group.

Officers of the All-College Student Government will welcome the group expected to arrive by train on the morning of the game. A tour of the campus is being arranged for the students by the Union Board.

The Student Government plans to contact sororities and fraternities on campus and arrange to have information on activities available for brother and sister members in the delegation. The train will return to Pittsburgh Saturday night.

IFC Head Granted Leave of Absence; Yeep Takes Over

A leave-of-absence for the remainder of the term was granted at the last IFC meeting to Council President John Green, a member of Lambda Chi Alpha.

Vice-president George Bradford, an Alpha Gamma Rho, was named to replace him as temporary president. Both were chosen at the annual IFC elections late in spring term.

Green told the group he was dropping out of school because of "lack of funds." He plans to return to MSC as a senior at the beginning of winter term, and will return to his IFC post.

State News Places in National Rating

The Michigan State News was ranked as one of the top 11 college dailies in the country for the 1950-51 school year yesterday by the Associated Collegiate Press national rating service.

In giving The State News a top classification of All-American with 975 of a possible 1,055 points, the service described last year's editions as "one of the more professional college newspapers in the country."

The 31 papers entered in the same class were scored on 22 separate points, including extent of news coverage, quality of news writing and editing, headlines and makeup, and special pages and features.

The MSC daily was given excellent ratings in 16 departments and placed in second-class "very good" in the other six.

In describing the news writing, the judge commented: "Your style, including leads, is professional, clear, crisp and effectively organized."

Extent and quality of campus and local news coverage received four excellent and one very good ratings. "Excellent job with outside news items," added the judge. "The staff seems to do an extra amount of city news coverage."

In rating news writing and editing as excellent, he said, "Bouquets to the staff coverage of the big State House fire. The photographs were superior. Story for story, your reporters do a bang-up job of gathering facts."

Interviews on Air

Alum Broadcast to Feature MSC June Grads Soon

Recorded interviews with 22 members of the MSC class of 1951 will be broadcast soon on 18 Michigan radio stations, including WKAR, according to John McGoff, assistant director of alumni relations.

McGoff said a picture of 22 1951 graduates now stationed at Camp Gordon, Ga., recently arrived at the alumni office. Interviews are now being recorded for the Alumni News program, which celebrated its first anniversary earlier this month.

The program often features interviews with State alumni who have become prominent in business or are in the armed forces. Alumni News is broadcast over WKAR at 1:30 p.m. each Sunday, and at various times by the other stations.

Non-Student Contact Furnishes Cards

Six students have been picked up by campus police for possession of illegal football "parlay" cards, Dean of Students Tom King revealed yesterday. In addition, two upperclassmen were charged with selling the cards.

Dean King said a description of the first name of the "contact" person had been obtained. The contact man, who is not a student, supplies the sellers with cards and collects the return to the home office, he explained.

The names of the eight student offenders were not revealed. No charges will be made until the dean of students' office has had an opportunity to discuss the matter with them.

"We will keep after the offenders in this set-up," Dean King promised. He emphasized that the enterprise is strictly illegal and that both the seller and buyer are liable to prosecution. Parlay card sales have been carried on locally in past years on a small scale, he declared.

It is tough to beat this system, King pointed out, and only those with money to burn buy the cards.

The buyer bets a specified sum, at least one dollar, and has to pick at least three of the 20 games listed on the card for that week. He marks in his choices, either giving or taking a point "spot" or handicap. If all his choices are correct, he is paid off in odds ranging from 5 to 1 to 100 to 1, depending upon the number of games he marked. These cards are collected, and the syndicate pays off from the "home office" after the games have actually been played.

King said there is the possibility that more than one syndicate is operating locally.

The campus police went into action on the matter as the result of tips from outside sources, he said. No specific center of operation was named, except "the Union, where just about everything goes on in the line of college activity."

Inspection Set for Local ROTC

A delegation of top ROTC brass will inspect Michigan State's program this afternoon. The group is scheduled to confer with Pres. John A. Hannah at 11 a.m.

Included in the group's tour is an inspection of ROTC cadets in classrooms and on the drill field. The party includes dignitaries from the Department of Defense, the Fifth Army G-3 section and the Medical Corps.

European Troops May Withdraw

SUPREME HEADQUARTERS ALLIED POWERS IN EUROPE—(AP)—A group of visiting American editors was told yesterday that the withdrawal of American troops from Europe might begin in late 1953 or early 1954 if Western Europe's defensive buildup continues at the present rate.

Pope's Vision Creates Stir

VATICAN CITY—(AP)—Sources close to Pope Pius XII said yesterday the announcement at Fatima, Portugal, that the Pontiff had had visions of the Virgin Mary during the 1950 holy year had struck Vatican circles "like lightning."

Senate Postpones Vote on Jessup

WASHINGTON—(AP)—A Senate Foreign Relations Subcommittee put off a vote last night on Ambassador Philip C. Jessup's nomination as a United Nations delegate to give him a second chance to reply to charges against him.

Ann Arbor Trio Faces Murder Count

ANN ARBOR—(AP)—Three teenagers accused of the haggard slaying of a pretty, 34-year-old nurse face Circuit Court arraignment today for the crime.

Penn Slams Showing Spartan Gridders

By GEORGE WEEKS

With the unpleasant task of bringing his boys up another notch against an underdog team, Coach Biggie gave the Michigan State Spartans some stern words yesterday.

Lions Prepare for Grid Battle

STATE COLLEGE, Pa. (AP)—The day is nearly a week away when Penn State engages Michigan State on the gridiron, but this quiet little mountain village is already running a football fever.

It's a cinch that the biggest football crowd in Nittany Lion history will sit in on the game. More than 30,000 fans are expected for the first sellout here since Beaver Field's seating capacity was doubled two years ago.

Everywhere you go, you hear the guarded observation: "I'll bet we can do it."

By doing it, the Lion students and State College townsfolk mean upsetting Michigan State, ranked third in the Associated Press nationwide poll this week.

Penn State has won two, 40-34 over Boston University and 15-7 over Nebraska, while losing 20-14 to undefeated Villanova.

"But we haven't operated on all cylinders yet," said Jim Coogan, the college's able publicity director.

The Spartans will have to be at the top of their defensive game to halt the Penn State attack, which has averaged 23 points in its three games so far.

The key men in Penn State's powerful offensive, both on the ground and in the air, are Pete Shopa, of Blakely, Pa., a 170-pound fullback who some say is better than "Franky" Borel, the star of the Lions' unbeaten 1948 eleven, Ted Shattuck, a hard-running halfback, and passing specialists Bob Szajna and Tony Rados.

Ed Timmerman, who has been on the bench since he was a freshman, was able to play full-time because of a sponge rubber protective device on the last time in ten years.

Spokane is scheduled to play tonight and to play the secret practice game.

Jack Heppinstall stated that all players on the team should be ready for Saturday. Ed Luke, Bill Joe Klein and Dick Tamm are recovering from minor injuries suffered in the Marquette game.

BROHAC LEADS Tennis Tourney Played to Select Team Positions

With one group champion already determined, play in the fall tennis team tournament will be completed this week.

The tourney, under the direction of Coach John Friedrich, is being conducted to select a squad to make the annual Spring Southern tour, and also to determine the top candidates among new students.

Stan Brohac leads the first group in play to date. This group is composed mainly of returning varsity team members. Close behind Brohac are Tom Nelson, Keith Kimble, John Sahranian, and Doug Curley.

Jim Pore has taken the top spot in group two. Behind Pore came Dean Britten, Johnny Sutton, Tom Squires, John Brohac, Cort Leckler, Dave Gibb and Peter Luce.

Group three, composed of freshmen, has three contestants in contention. They are Don West, Dick Huff, and Harvey Superstein.

When play in all groups has been completed, Coach Friedrich plans to have the top men of groups two and three play the low men of groups one and two.

Basketball Squad Preps for Tough Big Ten Race

Michigan State began its second week of basketball practice this week, preparing for its second season in the rugged Western Conference.

It will be Pete Newell's second year as the head Spartan coach. He will be out to better the sixth place finish of his 1951 eagles.

Newell, who took virtually the same team that had a record of four wins and 14 losses the year before, did a remarkable job in his initial season at the MSC helm.

The State club wound up with the top defensive record in the Big Ten and won 10 of 21 games against all opponents.

This season's team figures to be a much improved ball-club. As Coach-Newell puts it, "Last year we spent most of our time learning a new system of play. Now with a year of experience under our belts we will be a smoother team with greater versatility and added confidence. However, much depends upon the sophomores."

These sophs include Hugh Masters, 6'5" center from Detroit, who is expected to aid in backboard play, Paul Hinken, Saginaw, and General Hartman, Fort Wayne, should also help in this department.

Keith Stackhouse, the Bourbon Indiana whiz, Rickey Ayala, Brooklyn, and Jim Schaler, Fort Wayne, have also impressed the coaches in the practice sessions.

Egypt Rejects Defense Proposal

Parliament Ousts Britain from Canal

CAIRO (AP)—Egypt rejected the Western Power plan to make the Suez an international defense bastion last night and her parliament slashed old ties for rule of the vast Sudan.

Wildly cheering these historic acts, Parliament voted that the British must get out of the Suez Canal area—and also the Sudan where they have ruled jointly with Egypt for more than half a century.

Official sources in London said Britain would ignore the one-sided denunciation of Suez and Sudan treaty rights and would use force if necessary against any evasive efforts.

Against a backdrop of tumult inside and outside the building, Parliament moved overwhelmingly to make the necessary constitutional changes to absorb the Sudan and proclaim King Farouk I the King of Egypt and the Sudan.

The actual proclamation of his expanded title and other details were deferred until tomorrow to give Farouk time to sign the preliminary decrees.

Annexation of the Sudan would add nearly a million square miles and 8,000,000 people to Egyptian sovereignty and triple the land area of Farouk's realm. He would reign from the Mediterranean nearly to the equator and control a long Sudanese front on the Red Sea.

American officials in Washington indicated the United States would support Britain if she decides to keep troops in the Suez Canal area. They indicated the Western powers would press forward with their plan to create a Middle East Defense Command as proposed to Egypt Saturday by the U.S., Britain, France and Turkey. These officials said it was unlikely an unco-operative Egypt could qualify for American arms aid.

Trouble-shooter British formations, including paratroopers in brigade strength, are standing by in Cyprus, Malta and Aden in readiness for any need in the Suez and Sudan.

Tourel to Replace Ferrier in Series

The concert of Kathleen Ferrier, British contralto, scheduled for Nov. 2 by the Michigan State College lecture-concert series has been cancelled, according to Dean S. E. Crowe, series director.

In place of Miss Ferrier will be Jennie Tourel, mezzo soprano, star of the concert stage and opera.

The Tourel concert is scheduled for Nov. 2, 8:15 p.m., in the Auditorium on lecture-concert series "A."

Mossadegh Speaks to Council

'Keep Hands off Oil' Iran Tells U.N. Group

NEW YORK (AP)—Iran's aged and ailing premier, Mohammad Mossadegh, told the UN Security Council yesterday to keep its hands off in the British-Iranian oil dispute and let Iran shape its own economic destiny.

WKAR to Air Music Program

WKAR will broadcast a student music program on Friday, Oct. 19, at 2:15 p.m.

The program includes "Introduction and Scherzo" by Goeyens and "None But the Lonely Heart" by Teichowsky to be played by Harrison VanDyke, Muskegon sophomore, cornet, and Margaret Savage, Caro senior, piano.

Guy Smith, Thompsonville junior, tuba, and Dorothy Brannan, East Lansing sophomore, piano, will play "Sonatina Classica" (Andantino, Andante, and Allegro moderato) by Teichowsky.

Civil Engineering Honorary Started

Chi Epsilon, a national honorary civil engineering fraternity, installed a new chapter at MSC at a banquet Saturday night in the Union.

Faculty advisor for the new group is Dr. C. O. Harris, head of the department of civil engineering at MSC.

Membership in the group is taken from the top third of the junior and senior civil engineering classes.

Spring Teachers

All students planning to do their student teaching spring term in secondary schools are asked to make application in Room 201 Merrill Hall by Nov. 5, according to Dr. Carl H. Gross, chairman of secondary student teaching.

Professor Asked To Join Evaluation

Dr. Clyde E. Henson, assistant professor of English and literature and fine arts, has been asked by Northwestern University to participate in a critical study of "Undergraduate Programs of Teacher Education of Secondary School Teachers of English."

The aims of the study are to determine present practices in specialized teacher-training, to formulate standards of evaluation of present practices, and to evolve new and better principles of teacher education.

Lutherans to Give Self-Denial Dinner

A self-denial dinner consisting of soup and dark bread will be held at 6 p.m. tonight at Grace Lutheran Church, Logan and Lapeer streets, in Lansing. The dinner is sponsored by the Lansing chapter of the Fellowship of Reconciliation.

The proceeds will be devoted to overseas relief. John Nevins Sayre, international secretary of the fellowship, will speak on "What Can the Individual Do for Peace?"

The Fushun coal deposits near Mukden, Manchuria, have the thickest bed—417 feet—of bituminous coal in the world.
