## Governor Addresses Farm Co-op

Williams Praises Economy Group

By ROSEMARY CORCORAN

Gov. G. Mennen Williams made an urgent appeal for support of Michigan's "Little Hoover" Commission in a speech last night at the annual meeting of the Michigan Association of Farmer Co-operatives in the Kellogg Center.

"Under the new plan," he said, "a 'Task Force' made up of experts in education, business and other groups, consider the problem of government economy."

"When they have finished, a Citizens group goes to work. The Legislature further modifies the suggestions and it is then sent to the Executive."

The Commission should materialize into something worthwhile with bi-partisan co-operation, he stated.

"There is opposition to the Commission," he went on, "People do not like the idea of subjecting their departments and agencies to the ideas and needs of others."

But by simplifying the structure, costs are cut. "It is possible for agencies to co-operate and thus be more efficient."

Williams stressed the need for citizen help in this plan. He asked the 200 persons attending the banquet to back their legislators in putting the plan through.

"When people try to make the government more efficient they have pressures from within and without. Our legislators and people working on the plan must have the support of the people," he added.

C. L. Brody, Chairman of the State Board of Agriculture, addressed the group, appealing for public interest in vital questions. "If we are going to have economy, we have to back our legislators and executives when they try to give it to us," he asserted.

## Hunting Good as Beal House Gets 'The Bird'

Three students returned from a day of hunting with catch that brought down Beal House—a red fox, two pheasants, and an albino sparrow.

Jim Peiler, Muskegon Heights junior; Chuck Thompson, Grand Rapids sophomore; and Bob Mainone, Revena graduate student, were hunting near Mason Wednesday.

While walking through a corn field, they saw a bird with a white tail and spots. They shot it to determine the species. They returned home in triumph. Peiler headed the procession with the fox and Mainone followed with the pheasants. Thompson brought up the rear with his catch.

The pheasants will be eaten and the fox will probably be mounted. But no one is sure what to do with a white tailed sparrow.

## MSC Alums Plan Penn State Meet

A nucleus of MSC alumni will meet in State College, Pa., tomorrow with Starr Kessler, director of alumni relations.

The meeting will include showings of the Michigan-MSC football game, narrated by Kessler, and Postmark. East Lansing, a campus film. Following the meeting there will be a luncheon for the alumni group.

## Deadline Set for Deferment Test Requests

Students wishing to take the Selective Service College Qualification Test should apply immediately. Col. Dorcas R. Rodney, co-ordinator for military affairs, said yesterday.

Two tests are scheduled before the end of the school year. Applications for the Dec. 13 test must be postmarked not later than Nov. 3 and those for the April 24, 1952 test must be postmarked not later than March 10, 1952. Colonel Rodney warned that applications postmarked later than midnight March 10, 1952, would not be accepted.

To have their scores on file when classification by local Selective Service Boards is being considered, students whose academic year ends in January rather than June should apply for the Dec. 13 testing date.

"The score that a student receives on the test does not itself determine eligibility for deferment," Colonel Rodney explained. "Local boards use scores only as evidence of the aptitude of the student for continued college study," he said.

The Educational Testing Service was designated by the Selective Service to prepare and administer the College Qualification Test. Each examinee's score is sent to his local Selective Service board which makes all decisions on classification.

## Rodgers and Hammerstein

## Broadway Hit Shows Slated for Tonight

The best of Rodgers and Hammerstein including selections from "Oklahoma" and "Carousel" will be presented on the stage of the Auditorium tonight. About 30 student tickets for the previously sold out affair will be distributed at the University ticket office at 2 p.m. today.

Dean Stanley S. Crove, director of the lecture-concert series, announced yesterday.

Hit tunes from the Broadway musicals, "The King and I," "Allegro" and the film "State Fair" will round out the program.

The cast includes Leigh Allen, soprano; Earl Williams, tenor; Carol Jones, mezzo soprano; and Andrew Gainey, baritone. They will combine their talents with a 14-member chorus and 30-piece orchestra under the direction of Claire Calder.

Leigh Allen comes straight from the cast of "South Pacific" after starring in such musicals as "The Great Waltz," "Brigadoon" and "Great To Be Alive."

A highly versatile performer, Earl Williams has sung at one time or another in concert, opera, oratorio, operetta, vaudeville, musical comedy, radio and television.

Class of 1952 members carve their names on the new senior table top in Old College Hall during the third coffee hour. From left to right, Bill Dunlop, Ray (My) Don Seward, Willow Springs, Hal Sundstrom, Chicago; Al Baranowski, Lowell Mass.; Dottie Bergquist, Iron Mountain; Fred Drago, Okemos; and Gayle Mathias, Royal Oak.

## Senior Class Christens Table With Carvings at Coffee Hour

More than 100 students gathered for the third Senior Coffee Hour yesterday as several initials were carved in the new white pine table top.

The table and a carving knife were provided by the senior class. Thirteen names in various sizes and styles have already appeared.

Approval of the table carving was unanimous among the seniors present. As Jerry Miedema of Grand Rapids said, "It gives even the lowliest student a chance to leave his mark at MSC."

Dotty Berquist of Iron Mountain said: "I like the idea. In case I don't get a diploma this proves that I was a senior."

"It gives Old College Hall added atmosphere, and it's something nice to come back to," said Hal Sundstrom of Chicago.

Dominating one wall in the room is the 1951 table, the first in what may become a tradition, containing over 1,000 names and initials.

Senior Coffee hour will be held every Thursday afternoon from 3-5, honoring different departments each week. Next Thursday the Journalism and Business Administration students are slated as honored guests.

Purpose of the Coffee Hour was explained by Gene McDermott, class president, as a place to meet other seniors, foster good fellowship and friendship in the class.

The senior table top will remain in Old College Hall until June, when it will be varnished and placed on the wall.

## Interviews Slated for Government Intelligence Jobs

A representative of the United States Government will be on campus Monday to interview seniors and graduate students interested in positions in intelligence work.

Those eligible are male citizens, 23-28, preferably unmarried, who have good academic records and who have demonstrated leadership in athletic or non-athletic extra-curricular activities.

Men with military experience whose undergraduate concentration has been in the social sciences are preferred. Interviews may be scheduled through the Placement Office, 101 Morrill Hall.

## Students Urged to Welcome Team

Buses bringing the football team back from Pittsburgh will arrive at the east entrance of the Union Sunday at 11:30 a.m. The Spartan Spirit Committee asks a large student turnout to greet the players.

A send-off for the Spartans was held last night at 5:45 in front of Shaw Dormitory, where the team ate dinner. The turn-out was good considering the hour of departure. Norm Poplawski, committee head, said.

## New York Philharmonic-Symphony

Some indication of the popularity of these presentations may be seen in the attendance figures for "Rodgers and Hammerstein Nights" held in various parts of the country during the 1950 summer concert season: 8,000 at Beauregard Square, New Orleans; 10,000 at the Red Rocks Festival, Denver; 15,000 at the Yale Bowl; 18,000 at the Hollywood Bowl; 21,000 at Lewiston Stadium in New York City; 140,000 at Grant Park, Chicago.

## Ag Board OK's Tax; Student Vote Comes Next

### Levy Aims to Support Government Functions

By FRANK BUTKIEWICZ

The Student Government proposal to tax students was okayed by the State Board of Agriculture at a meeting held in Battle Creek yesterday afternoon.

Drafted last year, the proposal was presented to the Board by Pres. John A. Hannah.

The amendment will be put before the student body for final approval later this year. If passed, the student government will be supported entirely by the students.

Under the proposal the student government will have power to assess a tax not exceeding \$.25 each term upon every student. In order for the amendment to be passed a majority of the student body will have to vote with the majority of those voting approving the issue.

The tax, collectable at registration, will be deposited with the college and the money will be withdrawn at the discretion of the Student Congress.

"I am very pleased the State Board of Agriculture has seen fit to approve this amendment," said Gaylord Sheets, Student Government president. "Adequate financing is the only way we will ever realize the full scope of our new constitution. Let's face it, money is the power behind any paper power," he added.

With the financial means the student body can realize self-government and the objectives the students themselves want to see accomplished," Sheets concluded.

With the tax money Sheets said the government hopes to defray the expenses of the Campus Chest which are about \$800 a year.

"It takes almost a \$1,000 a year for the Student Government operations expenses," Sheets said. "Besides this it costs us between 50 and 120 to put on a good pep rally," he added.

Other plans Sheets proposed are: Convocations in the Auditorium where the student body will meet and discuss problems relevant to the college; a central handbook to be distributed to every student that would contain the goals of the government for that year; the constitution and other important government matters.

The plans also include enlargement and student chosen additions to lecture concert series and a monthly newsletter distributed to the student body.

The Board met at MSC's W. K. Kellogg Station, near Battle Creek.

## Blood Typing

The blood typing service will be at Hut 94, Quonset Village, today from 12-5, and 6-9 for adults and children living in married housing. Blood typing will also be conducted at Gilchrist from 11-2 and 3-7.

## NEWS IN BRIEF

### British Forces Move to Suez

CAIRO, Egypt—(AP)—British air-borne and sea reinforcements yesterday moved on the double-quick to the Suez after British tank forces fought their first battle with Egyptian army troops and won control of a bridge in the grimly disputed area.

### Jessup Nomination Voted Down

WASHINGTON—(AP)—President Truman's nomination of Ambassador-at-Large Philip C. Jessup as a delegate to the United Nations was voted down by a Senate Foreign Relations Subcommittee yesterday.

### Tax Bill Passed by Senate

WASHINGTON—(AP)—A new compromise tax bill, making the income tax boost just a little less, was passed quickly by the Senate yesterday.

### World War II End Ratified

WASHINGTON—(AP)—The Senate adopted and sent to the White House late yesterday a joint resolution ending the state of war with Germany. Passage was by voice vote. It had received House approval last July.

## Spartan Wives Sponsor Drive for Immunization

More than 150 children were immunized without charge against diphtheria, tetanus, whooping cough and small pox yesterday at the Spartan Wives clubhouse in a program sponsored by the Spartan Wives.

## Government Offers New Program

### Applicants Wanted for Foreign Work

A college committee has established to nominate outstanding seniors and graduate students to participate in a training program for administrators in foreign work.

The work is carried on through the United States Department of State under its Foreign Affairs Program.

The program will include about 20 students from colleges and universities throughout the country. They will be screened to select a highly qualified group of promising promise in foreign affairs.

Students with a background in foreign affairs, political economy, economics, public administration, international relations and related fields are to apply for nomination to the program and take the management assistant examination.

Foreign affairs interns will receive months of specialized training. This will be courses at the State Department's Foreign Service Institute, periodic conferences and field and both observational and assignments in various foreign assignments.

## Faculty Chest Give Results Announced

Results still coming in from the \$17,500 MSC Faculty Community Chest have been reached, Charles E. Kessler, publicity director of the chest, said yesterday.

Those who participated in the chest are: Accounting, Geography, Nursing Education, Division of Lecture-Conferences, President's office, Secretary's office, Foreign Studies, Music Department, Science Department, Business Administration, Association of Food Restaurant Management, Service, Electrical Engineering, Metallurgical Engineering and Engineering.

## Government Pays Ongoing Women

WASHINGTON—(AP)—FBI picked up 22 persons yesterday on charges of cheating the government out of more than \$1 million in the operation of war veterans' organizations. Charging the charges, the government said it had seized records. It said that the government was for 400 hours of instruction in making women in a military job.

## Editorially

## President Truman's Failure

Last week President Truman kicked out one more prop from under our democratic foundation.

In an executive order he gave civilian agencies what amounts to the power to censor or withhold any information.

The order requires all government departments to set up a security check on news. They are to adopt the same system now used by the Defense and State Departments where information is classified (i.e. withheld) if it might be of military value to any potential enemy. It is left up to each department to suppress whatever news he chooses.

Like a fond parent, President Truman optimistically told his off-time delinquent department members that the new system "must not be used to withhold non-security information or to cover up mistakes made by any officials or employees of the government."

Cynical newspaper men and old-fashioned democratic idealists across the nation voiced their protests. Few, if any, were so naive as to think governmental departments wouldn't use this order to cover up mistakes, bribes, politics, and other embarrassing actions.

The American Society of Newspaper Editors protested to the President and asked him to rescind the order. The net effect will be to "formalize the suppression of much of the news to which the public is entitled," said the Society.

Two days later the Office of Price Stabilization justified the editors' fears. The department told its employees to withhold information that "might prove embarrassing to OPS."

Joe Short, presidential press secretary,

apologetically told reporters at the President's next press conference that the situation would be corrected. OPS canceled the notice the next day. Short told reporters that he personally would see that agencies did not use the order unjustly. It would be impossible for one man to do this—no matter how sincere he may be.

Besides the suppression of public-entitled news, two other glaring faults are in the order: (1) it does not contain proper declassification provisions and; (2) there is not a definite appeal regulation.

President Truman has not infringed on the freedom of the press—newspapers can still publish what they can find. But he has limited the amount of news the public can read about the government.

One of the fundamental concepts of a democratic society is an informed public. This concept has been increasingly neglected since the start of World War II.

Under the veil of security many political injustices have been committed. Numerous congressional investigations make this increasingly evident. With this additional means to hide actions from the public it seems inevitable that moral laxity in the government will increase.

Newspapers and investigating committees are the only consciences many politicians have. President Truman has helped eliminate the first and obstruct the second.

It is the right of the American public to know what its government is doing. It is the duty of the President to see that his public is informed.

President Truman has failed to carry out this duty.

CRO  
Open house, College House.  
UP CLUB  
7 p.m., Room 35, Union. New faculty advisor Emil Reardon, hockey coach, will be introduced.

## Loop Hole

Syracuse University is having some difficulty with football seating. The men's government rules allow one person to have only three tickets, to prevent large groups from saving huge blocks in good sections and crowding out other smaller groups. However, ten people can save thirty seats by appearing for them at the same time, so the plan has failed, to all appearances.

## Top This!

University of Illinois students held not one, but two, pep rallies before the Wisconsin game the other day. Norm Poplawski, MSC pep rally chairman, will doubtlessly attempt to top this with a quadruple-session in the near future. There should be enough school spirit here to do just that, too. If the Spartan Spirit Committee continues its ever-improving rally program.

## Ace Spartan Linbackers

## Timmerman, Tamburo Guns on Defense

By RICH WRIGHT  
Strong defensive teams must have strong linbackers, men capable of split second thoughts and actions.

Michigan State boasts such men in Ed Timmerman, Bill Hughes and Dick Tamburo. They are part of the defensive unit that has put State among the first ten defensive teams in the nation.

With the advent of the two platoon system, linbacker has become as much of a team position as guard or halfback. These men are trained to close the holes opened by the offense. They must be able to diagnose the play in an instant and be capable of

stepping inside and outside plays.

Ed Timmerman was a standout in the linbacking position last year. As a sophomore and a newcomer to college football he was labeled as a future great.

He had already made a name for himself in Michigan football circles as a member of the 1949 Grand Rapids Union team. Ed was chosen All-City and All-State, while Union won the state championship.

Timmerman made his debut as

for a touchdown. All year he was extremely effective on pass defense, another reason he was such a terrific linbacker.

A physical education major, Ed stands 6'1" and weighs 200 pounds. He is slated to play an important role in State's 1955 football plans.

Injured after the start of the season, his absence from the Spartan line-up brought to light another defensive star, namely Dick Tamburo. Since Ed has returned to action, State has had three crushing linbackers active on the defensive team.

Dick Tamburo was the logical choice to fill the shoes of Timmerman when the latter was hurt. He has been the "jack-of-all-trades" on the Spartan defensive squad for the last two years.

Tamburo also broke into the State lineup as a sophomore last year. He was first string center on the offensive squad until midway in the season when he sustained a leg injury that kept him out for the rest of that schedule.

He proved that he was ready for more action after his leg healed by his play in this year's spring practice.

Defensively, Dick starred at both guard and linbacker last year. For this reason he was able to take over the backing up job when Timmerman was out.

In the Michigan game, Dick was back at offensive center and proved he had lost none of his old punch at that position. However, he proved to be so valuable as a linbacker, that since that game he has operated principally on the defensive squad.

Dick is 21 years old, 6 feet tall and weighs 200 pounds. He should feel right at home when the Spartans play Penn State this Saturday, as he calls New Kensington, Pennsylvania, his home town. Dick's brother, Harry, is a reserve defensive halfback on the Michigan State team.

Another of his brothers carved a niche for himself in football's hall of fame. Sam Tamburo was an All-American end on the Penn State squad in 1948.

Tamburo is fast and aggressive, and a hard tackler. He is also rated as an excellent blocker.

There are two of his pals from New Kensington also playing on the defensive team.

Tamburo and Timmerman alternating on the left side and Hughes on the right give the Spartans a trio of first string linbackers to match the best in the country.

Speed, jarring tackles, and good pass defense are the necessary equipment of the linbacker. These men possess all three. Their greatness will be measured by the amount of each of these things they give on the football field.

If they continue as they have

DICK TAMBURO

this year, making the tackles at the opportune times and grinding the opponents down so that the offensive can take over and roll to necessary touchdowns, State's defensive record will stay among the top ten.

Both Timmerman and Tamburo will be back next year. This should strike fear into the heart of the Spartans' foes.

Gaining in experience with every game, Timmerman and Tamburo will make it plenty tough from now on out. That's fine with their Spartan teammates, who realize the worth of tough linbackers.

# Spartan Harriers Seek Victory Over Powerful Penn State Squad

## Griders Try for Eleventh Straight Win

### 'Fired Up' Lions Fore Sellout Crowd

Looking for their eleventh straight victory, the MSC Spartans Saturday faced a fired-up Penn State eleven on the Lions' home turf in a sellout homecoming crowd.

The Quakers, Coach Munn, recalling what happened when Marquette lost last week, is determined to win.

Delta, who had spent Saturday scouting Penn State, was fast and rugged. "I'm not saying that we can't win either," Nemo de-

state has shown an offensive attack and will dominate both the defense and offense teams.

The Penn State attack of hard running backs, Paul Anders, 200-pound left half, has 227 yards rushing on 36 carries this season. According to reports the Nittany boys are a dangerous passing team. Anders and Bob

the Penn State are pointing toward a win would knock the Spartans out of the national race. The odds are against their

Michigan State squad will be a physical shape. After an unimpressive win over Marquette last week Munn has been hitting the Spartans of the Penn State game.

State's record this year victories over Nebraska, Wisconsin and a defeated Villanova. The Spartans left Wednesday night of 40 that had gone

of the most intense game sessions this season. The Spartans' defense was paid six spots in the State

the game. "One of the southern schools got him. I think it was Florida. But they found out he couldn't count. So he couldn't call signals."

"They finally licked it though. Gave him a big Cadillac. And they lined up a bunch of cars in front of him in the stadium parking lot. Told him they were all his if he could learn to count."

"He learned right there. Started counting 'one Cadillac, two Cadillacs, three Cadillacs...'

pull it out himself at the thing bothered him. He thought he ought to be a winner. And he had to much he got

### Dekker Rates as Number One Pass Receiver

By TOM RYAN  
"He's not a gangling kid anymore, he's a football player now."

Those were the words Coach "Biggie" Munn used to describe end Paul Dekker, who currently is the Spartans' top pass receiver with 120 yards.

Paul's performance in Michigan State's last two games, both won in the last quarter, has proven just that. Called into action in the Ohio State game to replace the injured Bob Carey, Dekker took one of Al Dorow's passes for a touchdown in the fourth period to pull the Spartans to within four points of tying up the game.

Last Saturday, again in the fourth quarter, Dekker grabbed a Dorow pass on the Michigan State 44-yard line and raced all the way down to the Marquette 26 before he was finally stopped.

From here the Spartans moved down to the Hilltoppers' 14-yard line, where Leroy Holden scampered the remaining yards for the winning TD.

The 26-year-old Agriculture major, who stands 6'5" and weighs 265, has so impressed the Spartan coaches in his last two games that he is slated to share the left end post with Bob Carey in Saturday's Penn State game.

He's caught seven passes for 120 yards while Carey, who was rated as a strong All-American candidate before the start of the season, has pulled down 10 passes for 116 yards.

"Paul has always been a good pass receiver," says end coach Earle Edwards. "He lacked good coordination when he first came to Michigan State, but he has really developed since then. One thing that makes me especially proud of Paul is his great blocking."

Paul gave the State fans a look at his ability to bowl opposing players over in the Marquette game. It was his key block that allowed Billy Wells to score MSC's second touchdown.

Paul, who was an all-star in 1948 for Muskegon High, follows his uncle, James Dekker, to Michigan State. Jim was a star tackle back in the early 1930's for the Spartans.

### ATO's Display Passing Power While Trouncing Beta's 35-0

By JACK KOLE  
Showing terrific passing power, ATO flooded the airways last night and literally drowned Beta Theta Pi in the tide, 35-0 for their third straight win.

Beta Theta Pi was ineffective throughout the entire onslaught and never threatened seriously. During the second half, it was all Tom McInnis with his hot passing searing the atmosphere.

In the third quarter, McInnis hit Colley with a 20-yd. heave for the third TD and passed to Wilmot for the extra point. The last two touchdowns were made on passes from McInnis to Wilmot.

McInnis passed to Kaiser for the fourth conversion and ran the ball over for the final point. Thus ATO gave warning to all other challengers for their crown.

In their last two games, ATO has rolled up a total of 64 points while shutting out their opponents. Pi Upsilon, 6; Delta Chi, 6.

In the most exciting contest of the evening, Psi Upsilon clipped hitherto undefeated Delta Chi, 6-0 in a sudden death overtime when Fred Sayles flipped to Spencer Smith to end the fracas. The entire game featured sterling defensive play by both teams. Delta Chi bottled up Psi Upsilon's serial artist, Fred Sayles very effectively during the game, but Sayles came through in the clutch to take home the bacon for his fraternity.

AEPA, 20; Psi Upsilon, 6. In another aerial game, AE Pi plastered Phi Kappa Sig, 20-6. In the first period, Ed Berman flipped a jump pass to Bill Remes for the Pi's first TD. Phi Kappa Sig made their only touchdown in the third period when Dick Allen whipped a long pass to Al Baranowski.

AEPA came right back in the last quarter with Pax throwing TD passes to Rose and Remes and tossing a short one to Ed Cohen for an extra point.

Lambda Chi, 22; Theta Chi, 6. Lambda Chi played an excellent defensive game and at the same time rushed up 22 points against Theta Chi in another runaway contest. In the first quarter Bob Peterson took a 20-yd. pass from Bill Latham and ran into the end zone for Lambda Chi's

first TD. John Waverick tossed to Jim Ryan for the conversion. Walt Flanders also scored a safety for the winners in this period. In the second period Latham threw to Ed Nagel for another tally. Latham hit Nagel for the second time in the third period for the last TD and Peterson threw to Latham for the conversion.

Pi Kappa Phi, 8; Delta Upsilon, 2. In a game that never seemed to get rolling Pi Kappa Phi edged Delta Upsilon, 8-2. Phi Kappa Phi scored early in the game as Jack Laird threw to Jerry Jelle for the only touchdown of the game in the first quarter. In the third period Delta Upsilon scored a safety when Pi Kappa Phi fumbled in their end zone.

Sigma Alpha Epsilon, 20; Phi Kappa Tau, 6. The airways were again crowded when SAE beat Phi Kappa Tau 20-6. SAE snapped right back in the second quarter with Jim Carey losing 20 yards to Tom Stevens.

Delta Tau, 20; Phi Kappa Tau, 13. In a game that was close all the way Delta Tau clipped Phi Kappa Tau 20-13. Ron Gay passed to Jim Merak and Paul Young for the winner's touchdowns while Dick Anderson passed to two touchdowns.

### Eight Man State Team Faces Defending ICAA, NCAA Champs

Looking for their second straight dual win, the Spartan cross country team departed last night for State College, Pa., for a Saturday morning meeting with the Penn State Nittany Lions.

The Penn State team, defending NCAA and ICAA champions, pose a serious threat to the winning ways of the Green and White harriers, who last Saturday romped over Purdue in their opening dual meet of the 1951 season.

Coach Karl Schlademan took an eight man squad to State College. This group is made up of three juniors, two sophomores, and three freshmen.

Spartan juniors Jim Keptford, captain of the team, Mickey Walter, and Jerry Zerbe are experienced runners, and all have run a five-mile course, which they will face at State College.

Sophomores Ron Barr and Lyle Garber have a full year of hard work behind them and are capable of placing in variety competitions. Both are former winners from the 1950 frosh team.

Coach Schlademan is taking freshmen Jim Arnold, Jack DeLong, and Ed Townsend on the trip. In these three, he has a trio with great possibilities. All three ran their first college races last week and came through with excellent performance.

This array of State talent will be called upon to face a formidable foe in the Lions. Already this year, Penn State has taken one-sided wins over Cornell and Pittsburgh in dual meets.

In Bill Ashenfelter, Lion captain, the Keystoneers have one of the nation's top distance runners. Ashenfelter was the individual

winner in the dual meet between the two schools last year when Penn State, 19-41.

Ashenfelter finished eighth in the 1950 NCAA meet, while in the ICAA meet, he was runner-up to Army's Dick Shes.

From country teams to run in the Ashenfelter family. Two brothers of Bill's, Horace and Don, have starred in the sport at Penn State.

A comparison of times shows that Ashenfelter was clocked in 21:05 in the 1950 NCAA meet as compared to Keptford's 21:18 while Walter ran the four-mile in 21:59. Zerbe ran the distance in 21:40 that day.

In the 1950 Big Ten meet, Keptford ran 20:43, Walter 21:06 and Zerbe 21:17. Against Purdue last week, the three ran in 21:06, with Keptford leading the way.

# Allies Score Victories As Reds Flee Kumsong

## Communists Retreat on West Front

U. S. EIGHTH ARMY HEADQUARTERS, Korea — (AP)—Chinese Communist forces were reported abandoning Kumsong in Central Korea yesterday before advancing American and South Korean troops now within sight of that battered Red base.

On the western front, the last Chinese positions under attack fell almost without a shot to U.S. First Cavalry Division troops after 16 days of grinding battle.

Three twin successes rounded out Gen. James A. Van Fleet's Eighth Army autumn offensive in the west and east, a rory glow over the seven-day-old attack in the center.

Allied officers considered Kumsong, 30 miles north of Parallel 38, neutralized as a Communist base.

The U.S. Eighth Army communiqué Wednesday night said Allied troops were less than three

MUNNAN, Korea — (AP)—A United Nations command communique offered yesterday touched off a wave of optimism and expectation that the stalled Korean cease-fire talks would be going again soon.

It was expected at this Allied camp that the Reds would accept the UN plan advanced—probably with minor face-saving revisions.

The Communist reply probably will be presented at the ninth meeting of Hahon officers, scheduled for 10 a.m. yesterday at Panmunjom.

miles south of Kumsong. Two key points were occupied in a 1,200 yard advance.

Whether the Allies dart forward and occupy the city or pause to consolidate their lines, Kumsong no longer could be used by the Reds as a supply and concentration.

In the west Allied infantry drove against Chinese hill bunkers yesterday, expecting the usual torrent of fire and steel in return. Instead, there was hardly a shot. Red resistance had suddenly melted. In a few moments the foot soldiers scrambled up the slopes.

Before noon the whole Chinese defense position had collapsed west of Yenchon, 35 miles north of Seoul. Everywhere the Allies stood on heights they had first attacked Oct. 3 on the opening day of the drive.

As the war now stands Van Fleet's army has wonched successes from all three phases of his recent offensive.

## Humor Magazine Football Issue on Sale Tuesday

The November Spartan will be on the stands Tuesday. The Homecoming Queen will be announced, with pictures of the queen and her court. Other featured articles will be on a soccer rush party, Lushwell A.C., and MSC's brand of football.

## To Sing Tonight

Baritone Andrew Galtney and Mezzo-soprano Curt Stene are among the four young singers selected by Richard Negro and Oscar Hammerstein II to star in "Rodgers and Hammerstein's Nightingale" appearing in the College Auditorium tonight. Soprano Leigh Allen and tenor Earl Williams along with a 16 member chorus and 30 piece concert orchestra round out the troupe.

## Girl Vanishes With \$24,000 Speech Dept. Plans Dramas for Children

NAHANT, MASS. — (AP)—A "sweet girl" baby sitter vanished Wednesday and so did \$24,000 in cash from the home of a doctor.

Police said they believe the sitter and two girl friends may be "hitchhiking to see a rich aunt in the Waldorf-Astoria in New York."

Officer John J. O'Connor said Police Chief Ben Lamphier left to seek larceny warrants against the sitter, Roberta McCauley, 15, and two Lynn, Mass. girls, Marilyn Curry, 16, and Arlene Jeffries, 17. Roberta had been looking after Richard, three-year-old son of Dr. Albert Covner, heart specialist.

## Rescue Apparatus on Exhibit Today

An Office of Civilian Defense rescue truck is on exhibit at the west entrance to the Union Building today from 9 until 4, according to Campus Police Sgt. Leon Fagan.

The truck is designed for rescue work in case of a bomb attack on the Greater Lansing area. Included in the Civilian Defense Department are local police and fire departments.

## Washington Army Officials Praise MSC's ROTC Unit

As part of a tour of colleges having ROTC units, five Department of the Army officials from Washington paid a courtesy visit to President John A. Hannah and the MSC ROTC unit this week.

"We are delighted with the strides being made in MSC's ROTC unit and are highly gratified with the attitude of the administration regarding the Reserve Officer Training Program as of vital importance to national security," the group commented.

The officials included Maj. Gen. Hugh M. Milton, executive officer for Reserve and ROTC affairs of the Army; Lt. Col. Gustave M. Bacharach, chief of ROTC division of the office of the Executive officer; Lt. Col. Robert C. Ingalls, ROTC G-3 Secretary, Headquarters of the Fifth Army; Dean Elvin J. Stahl, special assistant to the Secretary of the Army; and Dr. John R. Richards, special assistant to the Army Secretary for education on leave from Wayne University in Detroit.

A high caliber reserve corps is a better solution to a national emergency than a large standing army, the group felt.

On Tuesday before a conference with President Hannah the

visiting officers toured the campus, inspected a drill, classes and installation and visited the office of the PASAT.

## Liberian Students to Give Talks on African Republic

Christian Baker and Nathaniel Eastman, students from Liberia, Africa, are guest speakers at the International Center, Sunday at 7:30 p.m. They will talk on the West African republic of Liberia. Liberia, important as a U.S. naval and military base, has 90 per cent negro, 8 per cent American negro, and 1 per cent white population and contains 43,000 square miles.

The talks will be open to everyone interested, according to Dr. Shao C. Lee, director of the center.

After Cleopatra's suicide, Egypt became a Roman province.

## High School Homecoming Slated Tonight

Several hundred East Lansing High School alumni and students along with an expected 2,000 Marshall football fans will swamp East Lansing Britton Field tonight when Homecoming festivities get underway.

The Homecoming Queen and her four attendants will be driven onto the field in a convertible before the game gets underway at 7:30 p.m. At a dance in the High School gymnasium following the game the king and queen will be crowned.

## Program

(Continued From Page 1)  
Students nominated for this program should submit applications directly to Prof. Milton E. Mueller, head of the Department of Political Science and Public Administration, in Room 19-A, Merrill Hall.  
Applications should include the following information and be submitted before Nov. 15:  
(1) Declaration of interest.  
(2) Educational experience including any facility in use of foreign language.  
(3) Recommendation by major professor and one other member of the teaching staff at Michigan State.  
(4) A statement to the effect that the student has filed for the Junior Management Assistant examination.
