Counselor's Day Set for Freshmen and Transfer Students

Freshmen and transfer students will have a chance to meet with counselors from their high schools and junior colleges next Tuesday.

About 400 representatives from high schools and junior colleges are expected to attend the one-day meeting of the Michigan State University Counseling Center in the Auditorium.

A high school is the only one of its kind in the state to have been invited.

The program is scheduled to start at 9 a.m. Appointments have been made for students whose schools are expected to participate. The counselors will give them their own grades and help them with problems.

Some of the conference topics are the problems of freshmen and transfer students and how to solve them. Guy E. Smith, director of high school counseling, said, "It is only through co-operation of the high school and college that we can achieve goals of the future."

Students having classes at the time of their scheduled appointment will be excused from them. They have been advised of this by giving exams on that day.

A luncheon in the Auditorium will be conducted by Ed Spangberg, assistant director of education. Assisting him will be: Reginald A. Johnson, registrar; William J. Foster, manager of the campus food service; A. J. Schaefer, chairman of the Campus Scholarship; and Arvid Stettin, head of Police Administration Department.

Following the luncheon, the students will hear a presentation by the Michigan State University Band and the Michigan State University Glee Club.

Children's Clinic for Immunization to Open Thursday

An immunization clinic sponsored by the Spartan Wives and the East Lansing Mothers Club will be held Thursday from 1 to 4:30 p.m. in the Spartan Wives Clubhouse, Quonset 24, on the corner of Birch and Willow.

This clinic, second in a series of three, is open to all children, four months to 12 years, who live in the college housing area and whose parents have not been able to provide this protection for them by their family doctor.

Children may receive booster shots or they may either begin or continue the series at this time. Final date of the clinic is Dec. 6. Mrs. Vera Boys announced.

Basic WSE Revisions Under Way

Changes Scheduled for Next Fall Term

MSC's Written and Spoken English course is undergoing its seventh revision since 1944.

With Paul Anne McGurk as its chairman, a nine-member Syllabus-Textbook Committee is attempting to improve MSC's only required basic. The group's goal is to complete the task so the changes may be put into effect next fall.

As a basis for the revision, extensive forms including 185 questions concerning contents of the present course are being filled out by members of the Department. They have been asked to evaluate assignments and suggest alternatives to those they do not agree with.

The WSE Department has consulted students about potential improvements. Two student-faculty discussions have been held, one last spring and another this fall. WSE instructors chose five students, each from a different grade level, to participate.

Some students asked for more emphasis on vocabulary, spelling and grammar. Both language and grammar are being revised. Many praised the comprehensive examination and the comprehensive examination paper.

Students' criticisms are now being summarized and will be taken into consideration in the overhauling of the course. Mrs. McGurk said.

The 230 parking meters shown an increase in revenue every year since their installation. Some meters have been moved but their number has not been increased this year. Patricia said.

Meters in the new parking lot operating 24 hours a day, seven days a week, allow two-hour parking for a nickel or 15-minute parking for a quarter.

Britain to Stay at Suez Canal, Churchill Says

CAIRO, Egypt.—The Winston Churchill government gave Egypt formal notice yesterday that Britain will not retreat from the Suez Canal or Sudan.

A note, reinforced by a speech of Prime Minister Churchill in the House of Commons and the traditional speech from the throne read for King George at the opening of Parliament, made it clear that the new Conservative regime will not be less firm than the Labor government in keeping troops here.

At the same time the Egyptian government released a letter of Oct. 27 to Secretary General Dag Hammarskjöld of the United Nations asking him to inform the members that Britain's continued occupation of the canal area was an "act of aggression which endangers international peace."

"Furthermore it is increasingly taking the form of a violation of the letter," the letter said, and Egyptians are "determined to defend themselves to the utmost."

The letter did not formally ask the UN to take up the case, however.

Midwest Buffeted by Heavy Snow; New Records Set in Many Sections

More snow was forecast for East Lansing and vicinity today by the Lansing airport weather station as most of the Midwest was caught in the grip of one of the worst early November snowstorms on record.

Between five and six inches of snow had fallen in the Lansing area last night and at least three inches more is expected to break today. The temperature ranged between 25 and 30 degrees.

East Lansing police reported no serious accidents when the storm began yesterday but reported that the snow may turn into rain and later today into dangerous driving conditions.

Nine traffic deaths were attributed to the storm throughout other parts of the state.

Forecasting weather in the Upper Peninsula has caused a marked cut-down in the shipment of vital needed iron ore in the Great Lakes freighters and threatened closure of the shipping season three weeks earlier than usual. Fifty-eight freighters were crowded into the Duluth-Superior docks at a temperature of two degrees below the ore in the freight cars before they reached the lake.

Snowfall reached record proportions in many other sections of the nation's midsection as well. St. Louis was nearly paralyzed under a foot of snow, the heaviest fall in the last 29 years. Drifts topped out to two feet in depth were reported in parts of Minnesota and Ohio.

Many schools in Kansas, Oklahoma and Ohio and Michigan were closed. The East was cut off from the rest of the world.

MSC Ranks Fifth

Michigan State dropped to fifth place yesterday in the Associated Press poll, while Tennessee remained in first and Illinois climbed from third to second. Maryland took over fourth place and Wisconsin fourth. See story on sports page for further details.

Studio Theater Play to Open in Auditorium

"Playboy of the Western World," John M. Williams' famous Irish classic, will be presented by the MSC Studio Theater tonight through Saturday at 8:15 in Room 40 of the Auditorium.

The comedy, directed by John Jennings, speech instructor, revolves around the adventures of young Christy Mahon, played by Danny Simpson, Pontiac graduate student.

Other important roles will be taken by Ann Houshins, Niagara Falls, N.Y., junior; Bentley Lenthoff, Petoskey graduate student; Suzanne Sullivan, Grand Rapids sophomore; and Raymond Monte, Trenton junior.

Sharon Robinson, Detroit junior, is assistant director. Stage manager is Robert McClenahan, Wyandotte junior.

And it left someone who interviewed the general, just before he took off for his Paris headquarters, with the impression that while he may not be running, he isn't counting himself out.

Mr. Truman, a short time earlier, firmly backed up Eisenhower's statement that it was defense matters, and not domestic politics, which brought the general home for a day and a half of conferences with the President and other defense leaders.

But it differed considerably from his 1948 declarations that he would not accept a nomination.

Eight senior members of the Glee Club were presented with black 5 keys last week by the MSC Fund. Seniors honored were: Darwin E. Dorn, Galesburg; Frank Dyke, Lansing; Robert Spencer, Jackson; Jean E. McGuff, James A. Gorman, Bangor; Clyde L. Adler, Eastland; and George W. Parker, Eastland; and George W. Parker, Eastland; and George W. Parker, Eastland.

The MSC's Glee Club is planning a tour for March 15-16. They will be singing to alumni clubs and high schools throughout Michigan.

Cities where the club will sing are: Battle Creek, Eastland, Lapeer, Port Huron, Saginaw, Bay City, Midland, Cadillac, Traverse City, Alpena, Grand Island, Big Rapids and Grand Haven.

Pair to Attend Alum Banquet

Dean Tom King and Richard Keener, director of alumni relations, will attend a national alumni banquet at the University of Michigan in Ann Arbor.

Keener returned Saturday from an Eastern trip which he spent "quite successful," Keener said. "We had a very good time at the Michigan State and University of Michigan alumni banquet."

Several MSC games were played at alumni clubs in Detroit, St. Louis, St. Paul, Minneapolis, N. Y., New York City, and New York City.

FOSTER APPOINTED AS COMMISSIONER

LANSING.—The appointment of George M. Foster of East Lansing as chief deputy state highway commissioner was announced yesterday.

He was named to the \$12,000-a-year job by Highway Commissioner Charles M. Ziegler to succeed Harry T. Ward who resigned last Feb. 15.

Foster, department bridge engineer since 1945, joined the department in 1922 after graduation from the University of Michigan.

'Ike' for President?

WASHINGTON.—General Dwight D. Eisenhower left himself prominently in the presidential picture yesterday.

Although refusing to talk politics while heading the combined Western European defense force, the general stirred fresh hope in the Ike-for-president ranks by declaring:

1. "If the time ever comes I feel that my duty compels me to say a word of any kind (about politics) I will do so positively and definitely."

2. "If his friends—such as you, Duff (B-P), a leader of the Eisenhower-for-president drive—'believe they know how I would react, that is their business and I never interfere in their business.'"

3. "I hope, and have hoped ever since he accepted the job, that his European assignment won't last 'too long'—but he expects to say how long he expects it will last."

All this was far from a declaration of candidacy, or even a statement that he'd be willing to run for president.

But it differed considerably from his 1948 declarations that he would not accept a nomination.

And it left someone who interviewed the general, just before he took off for his Paris headquarters, with the impression that while he may not be running, he isn't counting himself out.

Local TV Outlet Given Rights to MSC-Irish Tilt

WWJ, WJIM to Air Game as NCAA Relaxes Rules

Leading to mounting pressure, the NCAA eased its rigid television rules for the first time yesterday to permit Detroit station WWJ-TV to screen Saturday's Notre Dame-Michigan State game.

Lansing station WJIM-TV will also carry the game with Ed Allen, Yankee baseball announcer calling the play.

Word of the NCAA's change of heart was received here by MSC Athletic Director Ralph Young in a telephone call from NCAA officials in New York.

Earlier this week Young received a letter from Ralph Spivey, director of athletic relations at Michigan State, but was asked to hold off publication of the letter pending a final decision.

The NCAA television committee, of which Furey is chairman, was under heavy pressure from the Detroit press which has been hectoring station WWJ-TV.

Game time Saturday is 1:30 p.m. departure from our usual 2 p.m. starting time.

From now on this will be standard for all November games. Fred Shabley, MSC sports publicity director, announced. It was for the change in starting time is because of early darkness and inclement weather with the approach of winter.

With letters demanding to see the game, Mike Young, general manager of WWJ-TV, said that the game had been sold for the month.

WWJ's crew of 20 reporters, cameramen and engineers will arrive Friday to set up cameras atop the stadium to film the game through three microwave relays between Lansing and Detroit.

From there, the film will view the game on the network out of Detroit.

Four cameras, mounted on the roof of the box and one on the second deck, will be set up for the crew, complete with sound-proof walls and space heaters.

The sound desk camera will be set up on the roof of the stadium.

The game will be carried on 16 WWJ-TV stations with a potential audience of 22 million.

Dr. Reed to Speak at Round Table

Dr. Reed, associate professor of liberal science, will participate in a panel discussion at the Detroit Round Table of the National Conference of Christians and Jews Nov. 14.

Dr. Reed also will be the main speaker for the Detroit Institute of Brotherhood at Home and abroad at the annual Citizenship Banquet, Nov. 14.

His talk will be preceded by an address by Gene Tunney, and will be held at the Lucy Parsons Club in Detroit.

The press box will be jammed with celebrities of the sports world. Grandstand Rice will be there along with Fred Wallace and Bill Fay of Callers Magazine.

Ted Smith, general secretary of the Associated Press and an MSC alumnus, will be on hand along with other top sports writers. Bart McGraw of the Des Moines Register, Dick Colahan of the Minneapolis Star, Ray Johnson of the Nashville Tennessean, and Olet Smith of the Pittsburgh Press will all be covering the game for their respective papers.

Fred Shabley had this to say about the four hundred sports writers who were requesting a space on the press box. "One never would make any difference, this has reached the point of impossibility."

East Lansing Council Votes to Resurface Two Streets

East Lansing City Council voted Monday night to bid two streets for resurfacing.

The E. Grand River Avenue project will cost \$75,000 with the city paying \$7,500. Three bids for the widening of E. Grand River Avenue were rejected by the Highway Department. Both projects are scheduled to be completed this spring.

In a letter to the City Council H. C. Choss, deputy commissioner-in-charge for the Highway Department, said advertising for bids on the widening project would be started this winter.

Councilmen voted to move the State Cash Co. stand on Abbott Road to the west side of MAC Avenue north of the leading street at the intersection of E. Grand River Avenue.

An ordinance prohibiting parking on the east side of Hackett Street from Ann Street to Chippenden Drive from 8 a.m. to 6 p.m. was passed.

Youth's Problem

Today's average youth, if there is such a creature, has a problem. He knows it exists, he is aware of its presence, he realizes it is motivating his actions. But he doesn't know what it is.

This dilemma, this concern for the future, this fear of stifled effort, has shaped the young generation's actions. Today's young people, in and out of college, are, for the most part, having a good existence. But the dilemma is there, and even in serious bull-sessions it is approached and surrounded, but never defined.

For the first time, this problem of youth has been objectively approached. This week's Time magazine confronts it, delves into it, and explains it, but leaves its solution squarely up to youth.

The article, "The Younger Generation," hits hard on several basic points where youth is falling down. It accuses youth of being intellectually stodgy and apparently disinterested in solving its problem or considering the situation objectively.

Yet it is improbable that youth can face a highly abstract dilemma without having an understanding of it.

Time makes no effort to solve youth's problems, for this is something that only the younger generation itself can do. The magazine makes no effort to take youth by the hand and gently lead it to new and better horizons, for it realizes that new and better horizons exist only in the mind of the most idealistic dreamer.

It says, rather, "Here is the thing that has been bothering you for several years. Here is a conclusive report of what people of your age are thinking all over the country. Here is the heartbeat of America's youth, which resolved, makes the problems facing you more apparent." For youth's dilemma is so general, so broad, that even though they live with it constantly, young people have not been able to understand it.

We hope that everyone, young and old, who has a chance to read this article, will do so. It nourishes thought.

Profit or Die

"Profit or Die" have reduced publication to four days per week, to reconcile a \$20,000 drop in operating budget. While the step probably will not be permanent, staff members are faced with what they call a "profit-or-die situation."

Men to Honor Candidates During Reception Tonight

ROTC cadets will review instead of being reviewed tonight
at 8 when they meet the 35 coeds who are potential corps
sponsors in the Union Parlor.

Tonight's reception will enable the men to meet the can-
didates who were elected
from each of the campus
women's living units last
week. The affair is open to
both basic and advanced ROTC
students.

Voting for the honorary col-
onel and her staff will be held in
Demonstration Hall tomorrow
and Friday. Junior and senior
ROTC students are eligible to
cast a ballot. The honorary col-
onel, who will be announced Mon-
day, will reign over the Coronation
Ball, slated for Nov. 30 in the
Auditorium.

Junior Hop Chairmen Announced

Twelve newly chosen J-
Hop committee heads select-
ed over 250 juniors to work
on dance committees last
night.

The workers will be notified by
their committee chairmen this
week. The members were select-
ed by their class officers and
dance co-chairmen along with
the 11 committee leaders.

Committee chairmen were an-
nounced earlier this week.
They were selected from 54
students who applied for com-
mittee chairmanship by junior
class officers in conjunction with
the J-Hop co-chairmen, Duane
Vernon and Jody Burlingame.

Qualifications considered in the
choice of committee chairmen
were previous experience and
participation in college and class
activities, interest shown in the
initial plans for this year's J-Hop
and the amount of time the stu-
dents would be able to devote to
committee work. Sub-committee
members were chosen on the
same basis.

The committee heads are:
Budd, Phyllis Rainey of Goodrich;
broadcasting, Myra Hathaway of
Lansing; decorations, Peggy Al-
len of Ithaca and Nancy Teeters
of Durand; entertainment, Betty
Trippensee of Saginaw; and fi-
nance, Martha Miller of Birming-
ham.

Others are patrons, Donna Ma-
thias of Royal Oak; programs and
refreshments, Nancy Wells of Walled
Lake; refreshments, Kay Ham-
merstrom of Highland Park;
theme, Mary Verbiest of Grosse
Pointe; tickets, M. J. Morrell of
Ferndale; and publicity, Bob
Rowe of Detroit.

Seek Talent Show Auditions Slated by Board

The Union Board will hold au-
ditions for all-college talent to
take part in the Variety Show to
be sponsored by the music com-
mittee of Union Board this term.
Students who can dance, sing,
play an instrument or present
comedy acts should sign up at the
Union Board office as soon as
possible, Nan Wells of Union
Board stated.

Announcement of audition time
will be made later, she said.

Greek Week to Continue With Dinners

Greek Week festivities will con-
tinue tonight with sorority and
fraternity exchange dinner.

Sorority groups will dine as
follows: Alpha Chi Omega with
Delta Zeta, Alpha Gamma Delta
with Gamma Phi Beta, Pi Beta
Phi with Kappa Alpha Theta, Al-
pha Phi with Kappa Delta, Al-
pha Xi Delta with Kappa Kappa
Gamma, Delta Delta Delta with
Sigma Kappa, and Delta Gamma
with Zeta Tau Alpha.

The fraternities have worked
out a rotation system. Each group
will send five representatives to
two other houses and will enter-
tain five men from each of two
more groups.

Other exchange meals sched-
uled for tonight are East Shaw
with North Williams and West Shaw
with South Campbell.

Precinct 13 of Snyder Hall will

don tomorrow evening.

Art Department to Show Three Period Films

The Art Department will spon-
sor an art film program entitled,
"Three by Three" tomorrow night
at 8 in the Music Building.

The program is composed of
three films depicting three di-
mensional forms from three
widely separated periods of art
history.

First on the program is "Cath-
edral of the Dead," picturing the
architecture of Mainz Cathedral
in Germany.

"Maya Theory Through the
Ages" is the title of the second
film.

The program will close with
"How to Make a Mobile" giving
directions in the use of three di-
mensional design.

Aqua-Maniac T.V. Show to Feature Variety Acts

Twenty variety acts including freshmen and variety
swimmers and divers will make up the program for the
"Aqua-Maniacs Splash T.V." water show opening tomor-
row at 8:15 p.m. at Jenison Fieldhouse pool.

Porpoise queen Donna
Quist and her court will
reign over the three perfor-
mances.

Among MSC swimmers parti-
cipating in the Thursday, Friday
and Saturday shows is Don Rey-
nolds who will attempt to break
his unofficial world's record for
underwater swimming. During
last year's Aqua-Maniac show,
Reynolds swam 146 yards to set
the record.

Members of Porpoise will pre-
sent a lighted kick board parade
entitled "Atomic Age." Ray Wil-
liams, former MSC swimming
star, will do a comedy diving
routine.

The water pageant will be dedi-
cated to the Varsity Club of MSC.
During the show members from
each of 13 inter-collegiate teams
will represent their sport and will
be dressed in team uniforms.

Five divers will do comedy and
fancy diving in "Dead End Kids,
Aerial Art, and Diving Acrobatics."
The audience will have
their first preview of freshmen

divers during the act.

Tickets for the show are on
sale at the Union desk and will
be sold at the door. All seats are
reserved.

Doctors warn smokers about throats.
Kaywoodie Pipes have Three Throat-Guards
to give extra throat protection.

THIRD THROAT-GUARD: "Under-opening" bit.
Spreads out smoke, helps cool it. No hot
smoke hits throat or "bite" tongue.

SECOND THROAT-GUARD: Exclusive, patented
"DRINKLESS" device. Cuts down irritating
tars... keeps every pipeful lit longer.

FIRST THROAT-GUARD: World's best im-
ported briar. It's specially heat-resistant and
porous. Makes smoke cooler... less irritating.

GUARD THAT THROAT, DOCTORS SAY!

Only KAYWOODIE pipes have these Three
Throat-Guards for extra throat protection!

Don't gamble with your throat! Kaywoodie has three
Throat-Guards working for you, protecting your throat as no
other smoke can. They reduce tars and make smoke cooler.
And just hold that Kaywoodie! Feel the satin-smooth
briar. It's the world's best. Admire it as you would the finest
piece of sculpture.

And what a real smoke a Kaywoodie gives you... what a
man's smoke! Plus so much extra throat protection!

Kaywoodie imports the finest briar — and then
thru it 90% of it away. Keeps only the finest
10% — the very heart, for cool, sweet smoking.

MSC Drops to Fifth in AP Poll

NEW YORK — (AP)—Michigan State's Spartans dropped to fifth in the Associated Press football poll, while Tennessee's powerful Vols were rated No. 1 for the third straight week.

Illinois, Maryland, and Princeton took over the second, third, and fourth spots in that order.

Even though Tennessee again captured the No. 1 rating, the spotlight will shine on several other ranking powers this week.

Top choice of the weekend was South Carolina (7-0), rated seventh, and the fifth-ranked Spartans (6-0) against improving Notre Dame (5-1), ranked 11th.

The Los Angeles clash of the two leading Pacific Coast conference teams probably will determine the PCC's Rose Bowl representative. Michigan State, aiming for Notre Dame, had an open date last week while the Irish

battled to a 10-0 victory over Navy.

Tennessee (6-0) will be rated a heavy favorite over Washington and Lee (5-2) this week but the Generals could give the Vols fits. They've done it before. Last year Tennessee just squeaked out a 27-26 victory on three long runs.

Illinois (6-0), which moved into second place in this week's Associated Press poll of sports writers and sportsmen, should be able to break past Iowa (5-2-1). The Hawkeyes are favored to cap the Big Ten title and win the trip to the Rose Bowl.

Wisconsin (4-1-1) and Texas (6-1) may be heading for trouble against rebounding teams. Wisconsin takes on Pennsylvania (5-3), which was upset by William and Mary, and Texas faces Baylor (4-1-1), which lost to Texas Christian Saturday and fell out of the first ten.

Tennessee was named first on 60 of the 152 ballots and received a total of 1,230 points, based

on 10 points for first, nine for second, and so on. Illinois was picked first on 30 ballots and accumulated 1,150 points. Maryland also went over the 1,000 mark with 21 first places and 1,000 points.

The top ten teams with first-place votes in parentheses:

1. Tennessee (20)
2. Illinois (20)
3. Maryland (15)
4. Princeton (15)
5. Michigan State (15)
6. Stanford (10)
7. South Carolina (10)
8. Wisconsin (10)
9. Texas (10)
10. Navy (10)

The second ten:

11. Notre Dame (11)
12. Georgia Tech (11)
13. Texas A & M (11)
14. Ohio State (11)
15. California (11)
16. Wake Forest (11)
17. Cornell (11)
18. Iowa (11)
19. Stanford (11)
20. Stanford (11)

Other teams with first-place votes were: Wake Forest, 17-24; Holy Cross, 15-24; Navy, 15-24; A & M, 15-24; Auburn, 15-24; Virginia, 15-24; Southern California, 15-24; Virginia Tech, 15-24; Washington & Lee, 15-24; Oregon State, 15-24.

Because He Flunked The Finger-Nail Test

WHATEVER SHEDY gave a gal the glad hum she turned up her nose. Poor Paul took pen and ink and wrote a letter home. "I'm py-mied. All the girls think I'm a bore. To get class is a pig's feet!" His mother wrote back: "Even a dill-lard like you should know enough to borrow his roommate's Wildroot Cream-Oil! It's non-alcoholic. Contains soothing Lanolin. Removes loose, ugly dandruff. Helps you pass the Finger-Nail Test. Makes your hair look neat and well-groomed." That was the pig-me-up Shedy needed. Now he's important... hogs and kisses all the girls. Spartan-Irish Grid Clash Rates as One of Year's Toughest

Squad at Physical Peak; Practices in Heavy Snow

By DALE ARNOLD

Despite possible bad weather conditions Saturday's Spartan-Irish gridiron clash at Macklin Field Stadium is to be one of the hottest of the year.

With a two-week rest, the Michigan State squad is to be at top physical shape for the game, but with Notre Dame fighting for national prestige, anything can and probably will happen.

The Fighting Irish will be getting all out to spoil a possible perfect season, State's first since 1912, and to raise their national standing.

Notre Dame holds a 10-0 edge in the series between the schools which started in 1897. State was 17-0 in 1912, 13-7 in 1918, and 24-25 in last year's all-out battle at South Bend.

John Pettibone led the Irish last year, with 171 yards on 10 carries and one score and promises to be a thorn in the Spartan's side Saturday. But Pettibone is not the only man to watch. Quarterback John Mazur completed eight passes in 11 attempts in 1950 and two touchdowns. End Jim Mutscheller caught six passes for three scores last year.

The Spartans drilled in Jenison Fieldhouse again yesterday with heavy contact work and a 30-minute session in the driving snow.

John Kohn, assistant coach, has accused Notre Dame and believes they will field a "well-balanced team which sticks to the ground mostly, but can pass when they have to."

In bad weather a ground team has better chances than one that relies equally on pass and ground offense, so the Irish will be expected to use their ground strength.

Vince Pisano, against the Irish last year, made 124 yards for the Spartans. Don McAuliffe and Doug Weaver also played strong games against Notre Dame last year. All three scored for Michigan State.

Al Dorow tossed 14 passes and completed five for 16 yards in the contest.

The rest for Michigan State, although it could damage the Spartan's chances, has allowed Capt. Bob Carey to recover from his injury sustained at Penn State and he will probably be in the thick of it Saturday.

According to Trainer Jack Hopinstall, the team has no serious injuries.

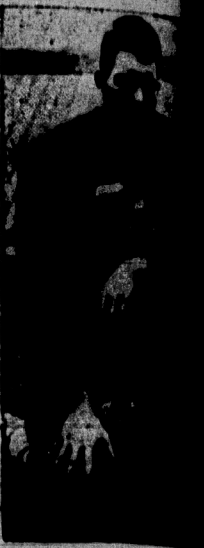

The 1951 game could be like last year's which saw the Spartans end a Notre Dame string in the series. In its first five games this year, the Irish have compiled 171 points for a 34.2 average per game and the Spartans have rolled up 160 points in six games for an average of 26.6 points a game.

Called by many sportswriters, "The Flop of the Year," in 1950, the Irish have staged a remarkable comeback and now boast victories over all opponents this year except Southern Methodist. A win for State could move them from their present fifth-ranked spot.

"Even our most ardent supporters could only all good young team," he said, are coming up against a loaded with experience."

Michigan State Coach Munn mentioned the prep for snow and cold over the weekend.

"I think Notre Dame is edge on us there from Saturday in the wrecked of last Saturday," Munn said. "We had some trouble in the ball in the early game as we are working on the weather to overcome this."

Irish Public Praises State Grid Machine

EAST LANSING, Mich.

"Any team that could Michigan State would be a successful one. Notre Dame sports player Charley Callahan told football writers here yesterday: "And we hope to have a successful season," Callahan said.

"We didn't expect to be kind of record we do in this game," Callahan said, "I'll contribute it to a magnificent job by Frank Leahy."

Callahan said the Irish was the youngest team to record Notre Dame. The Irish won, he said, by "freedom" and "three moves and the defense taking five freshmen, three seniors, two juniors and a sophomore."

"Even our most ardent supporters could only all good young team," he said, are coming up against a loaded with experience."

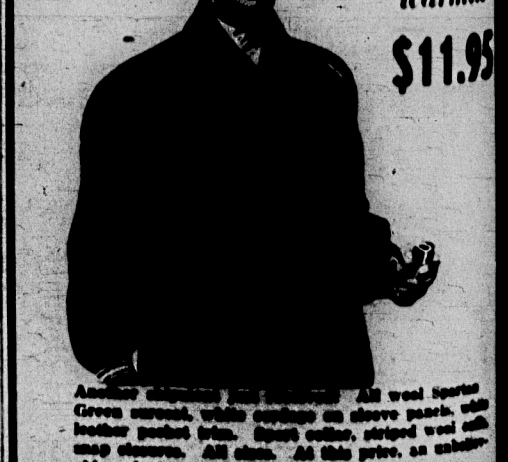

Michigan State Coach Munn mentioned the prep for snow and cold over the weekend.

"I think Notre Dame is edge on us there from Saturday in the wrecked of last Saturday," Munn said. "We had some trouble in the ball in the early game as we are working on the weather to overcome this."

UN Refuses Peace Plan, Fears Trick

Allies insist Upon Exchange of Prisoners or Armistice

MUNSAN, Korea. (P)—The United Nations command today refused to consider what it regarded as a trick Communist proposal to call off the fighting in Korea immediately without providing for the exchange of prisoners or supervision of an armistice.

Growing doubt and suspicion marked the continued deadlock over where to draw a cease-fire line across the embattled peninsula. There was considerable doubt among observers that any speedy settlement could be reached.

Nevertheless, Allied and Red subcommittees scheduled their 30th meeting for 11 a.m. today (9 p.m. Tuesday, EST) at Panmunjom. It was the only hopeful sign in the protracted negotiations.

Tuesday the UN command indicated it felt the Reds were not sincerely interested in reaching a real Korean peace. The Communist propaganda line for months has been on the charge that the Allies were "stalling."

At Tuesday's session, Red negotiators called for immediate and final agreement on a cease of contact between the warring fire zone based on the actual line armies. At the same time the Reds emphasized it would be "bad faith" for either side to send its fighting men across that zone once it was agreed upon.

The official UN spokesman, Brig. Gen. William P. Muckols, blasted the Red plan as one that would give the Communists "all the advantages of an armistice without actually having one."

Truman Halts Strike Against Four Railways

WASHINGTON. (P)—The Women's and Engineers' Union yesterday called a strike for Thursday against four big railroad operations but President Truman stepped in immediately with action requiring a 60-day delay.

The President created an emergency board under the Railway Labor Act to look into the long dispute over pay and working conditions. By law the move calls for a wait of 30 days while the board investigates and recommends a solution, and 30 days after that to try for settlement.

The National (railway) Mediation Board swiftly certified the case to the White House after Pres. David B. Robertson of the Brotherhood of Locomotive Firemen and Engineers announced the strike call. Mr. Truman acted with similar speed. The members of the three-man panel are to be named later.

Immediately threatened were the Baltimore and Ohio railroad, the Chicago and Northwestern, the Louisville and Nashville, and the Terminal Railway Association of St. Louis which is one of the country's principal interchange points.

Power windmills practically disappeared with the coming of small gasoline engines.

Burning Ship Calls for Help

SEATTLE. (P)—A ship and out of control with two or three men reported dead, — the 1,200-ton freighter George Walker called for help 500 miles from the northwest tip of the United States yesterday afternoon.

The coast guard station at Port Angeles, Wash., reported the ship had notified it "two or three men are dead" and others injured and the bulk of the crew was abandoning the ship. Its position was approximately 500 miles west of Seattle.

Two rescue planes have been dispatched from the Port Angeles, Wash., Coast Guard station to search for the ship. Two other rescue planes are en route from Seattle, a distance of approximately 500 miles from the ship.

DETROIT — When Leon Hart, big Detroit Lion end in the National Football League, was a football player at Notre Dame, his wit often prompted a student body expression that went, to wit, like this:

"Let's go down to the football field and watch Leon grow."

Chest Mulls Bids for Funds

Petitions from eight organizations for aid from Campus Chest funds were discussed Monday night at the Commission's meeting.

No decision to grant funds to these groups was made. Organizations that have petitioned for money are World Student Service Fund, National Scholarship Service and Fund for Negro Students, American Cancer Society, Japan International Christian University Foundation, Spartan Nursery, American Heart Association, University of Athens, and the March of Dimes.

Organizations that received aid last year were: March of Dimes, 10 per cent; Lansing Community Chest, 5 per cent; Damon Runyon Cancer Fund, 15 per cent; World Student Service Fund, 25 per cent; Spartan Nursery, 20 per cent; and the Displaced Persons Bureau, 25 per cent.

Prof. Swanson Named Editor of Magazine

Prof. Herbert Swanson of the Music Department has been named editor-in-chief of Repertoire, a new music magazine.

Two articles in the October issue written by Swanson are "Ravel in Fun," a discussion of songs written by the French composer, and "Sacred Songs You'll Like to Sing." Purpose of the magazine is to present articles by authorities in various fields of music.

Prof. Howard Silberger of the Music Department also holds an editorial position with the magazine. Illustrations in the first issue were made by Mrs. Swanson. A bass-baritone soloist, Swanson has had experience in concert work and teaching.
