Israel Mourns First President's Death

TEL AVIV, Israel (AP)—Dr. Chaim Weizmann, first President of Israel and renowned chemist who died of a heart attack early yesterday morning will be buried on his estate tomorrow afternoon.

Announcement of the death of the 77-year-old "father of the Jewish state" after a prolonged illness plunged the nation into deepest mourning.

David Ben-Gurion called his cabinet into session and elected the great Zionist leader as the first president of the Jewish state. He died at his home in Tel Aviv, Nov. 27, 1952.

Ben-Gurion, who was born in Poland, led the Jewish people to the state of Israel. He was one of the great leaders of his time. In the days of World War I, he worked to produce a Jewish state, a chemical state in the manufacture of arms.

Heart Attack Kills Local Publisher

Harold J. Fuller
Stricken at Home

Harold J. Fuller, owner of Campus Press Inc., died of a heart attack at his East Lansing home Friday.

Returning from classes, his daughter, Margaret, an MSC senior, discovered his body.

Mr. Fuller, 57, graduated from Olivet College and was a veteran of World War I. He was a member of the Printer's Craftsmen Society, American Legion, East Lansing Businessmen's Association, Masonic Order and Peoples Church.

Located at 220 M.A.C. Campus Press has printed MSC publications, including the State News, Spartan and Spartan Engineer, for several years.

Funeral services for Mr. Fuller will be held today at 4 p.m. at the Gossline-Runciman Funeral Home.

Survivors are the widow, Anna G., a son, Gill, and the daughter, Margaret.

Judiciary To Decide Vote Case

Student Campaign Violation Charged

Bob Forman, chief justice, announced yesterday that the Judiciary of Student Government will meet tomorrow at 4 p.m. to render its decision on a protest over a violation of a student ordinance on election campaigning.

The decision will climax a series of arguments as to just what the legal fraternity representative in Student Congress is.

Wallace Brown, Sigma Chi junior, was granted the congressional seat when the Judiciary gave the election committee the right of way in totaling the votes. According to Don Hostie, election chairman, Brown received 22 votes in Wallace Clark's 61.

Clark, a junior from Beta Theta Pi, maintains that his opponent in the recent primary election is not qualified to take the seat on the basis that he campaigned within 100 feet of a voting booth in the final elections.

A Congress ruling prohibits campaigning within 100 feet of an election booth in either primary or final elections.

Tomorrow's meeting will be closed to the public and will be held in the conference room in the Administration Building.

Advertising students are always trying to develop persuasive techniques, but rarely do they get a chance to practice in class. The other day, however, a man entered the class, walked deliberately to an open window, and paused on the window sill. A prospective ad man from the back of the room screamed, "don't, don't," and brought down the house. The supposed suicide was actually a workman measuring the window.

AFRO News Approval Withheld

Publications Board Makes Appointments

Approval of the AFRO News was withheld by the Board of Publications Friday for revisions in its financial structure.

William McIlraith, secretary of the board, said the motion to approve the publication was laid on the table until it could be made sound financially. It was designed as a publication of the Air Force ROTC.

The Statesman, member of the Student Congress, was approved by the board, but hereafter must be published without soliciting advertising.

Robert Farrall was named advertising director of the State News for the remainder of fall term. Robert Garrison was named to that post for winter term.

Farrall was appointed to fill out the term of Stewart Baker, who was killed in an accident last summer.

High School Seniors Approve Visitation Tour

About 1,500 high school seniors, parents, and teachers took part in the visitation days held on campus in October, according to Dr. Guy Hill, director of High School Co-operation.

The visitation program was the first of its type to be held on a state-wide basis at any college in Michigan, he said.

High school students throughout the state were invited by the High School Co-operation Department to visit the campus during the Michigan Education Association district meetings. The visitation groups met the first four Thursdays in October and Friday, Oct. 31.

According to answers to questionnaires filled out by the high school students, the visitation program was worthwhile. Dr. Hill said. It was the general opinion of the visitors that the program should be repeated annually for high school seniors, he added.

The program included visits to college classes and places of interest on campus, eating and visiting at the college dorms, and a question and answer period in the Music Auditorium and Fairchild Theater.

Volunteer student guides showed the visitors around the campus. Emory Foster, manager of Dorm and Food Services, worked in conjunction with the High School Co-operation Department to provide meals in the dining hall for the visiting groups.

APO Sets Blood Drive Registration

Registration for donating in Alpha Phi Omega's annual blood drive begins tomorrow in the Union Convales.

Anyone interested in donating should register from 9 a.m. to 4 p.m. tomorrow through Friday, chairman Pat Dougherty, said.

A mobile unit will be in the ping pong room on the fourth floor of the Union from 9 a.m. to 4:30 p.m. Nov. 17, and from 9 a.m. to 10 p.m. Nov. 18 for donations.

APO, national service honorary, sponsors the blood drive for the American Red Cross.

Michigan State has surpassed its quota in the past three drives, Dougherty stressed.

Spartan Puts Off Tomorrow's Sale Until Next Tuesday

The scheduled sale of the Spartan humor magazine tomorrow has been postponed a week because of the death of Harold Fuller, Campus Press owner.

George Graef, Spartan managing editor, said the magazine will be sold in all the usual places Tuesday, Nov. 18.

Several new articles, humorous and serious, will be included with the regular features. An article on the State News, postponed until the December issue, will be a picture feature on how the State News functions, especially on the night of a presidential election.

No Weather Change Seen

So you think Michigan weather is unstable? You're not even safe predicting that anyone like yesterday's weather will be like yesterday's—maybe. Temperature high is predicted to be 42, with a low of 28. No rain or snow is expected, although the sky will be partly cloudy. Wind is expected to diminish, coming from the North or Northwest at 10 to 15 miles per hour.

Van Fleet Said Ready to Leave Korea, Army

SEOUL, Korea (AP)—Gen. James A. Van Fleet will leave his post as commander of the Eighth Army in Korea within 60 days, the Associated Press learned on gold authority last night.

The future assignment of the 60-year-old four-star general, probably will hinge on conversations with President-elect Eisenhower, when the latter visits Korea, possibly late this month or in December.

Van Fleet's press adviser, Lt. Col. James McNamara, had no comment on authoritative word the United Nations ground forces commander would relinquish his post.

MSC Authority On Economics Writes Book

Dr. Richard Lindholm, professor of economics, has published his second book analyzing the impact of taxes and government expenditures on a growing industry.

The new book, "The Taxation of the Trucking Industry," is a companion volume to "The Public Finance of the Air Transport Industry." Both books have been published by the Bureau of Business Research of the Ohio State University.

Dr. Lindholm is a nationally known authority on fiscal and monetary affairs. He plans to leave in January for a six-month stay in Pakistan where he will be an adviser and teacher.

Foundation Offers Science Awards

Fellowship awards in the sciences on the predoctoral and postdoctoral level have been made available for 1953-54 by the National Science Foundation.

Awards are available in the biological, engineering, mathematical, medical and physical sciences. Applications must be filed not later than Jan. 5, 1953. Detailed information may be obtained from the heads of science departments or Dean Osgood, School of Graduate Studies.

Ike Designates Lodge for Top Liaison Post

Senator to Represent GOP Before Inauguration

AUGUSTA, Ga. (AP)—President-elect Dwight D. Eisenhower yesterday named GOP Sen. Henry Cabot Lodge of Massachusetts as his pre-inauguration representative in the Defense and State departments and other federal agencies.

Eisenhower notified President Truman that Lodge will serve as his liaison man in all federal agencies, except the Budget Bureau, where such liaison "may prove useful in facilitating the transfer of public business from the old to the new administration."

As his representative in the Budget Bureau, Eisenhower appointed Joseph M. Dodge, Detroit banker.

Dodge is an expert on foreign financial affairs. He was sworn in Aug. 22 as Secretary of State Acheson's consultant on Japanese financial and economic problems. He was assigned to help draft American financial policy toward Japan now that it is again an independent nation.

From Jan. 1949 until the Japanese Treaty went into effect this year, Dodge served as financial advisor to Gen. Douglas MacArthur in Japan, with the rank of minister. Earlier he worked as financial advisor to Gen. Eisenhower in Europe and Gen. Luman Clay in occupied Germany.

In a telegram to Truman, Eisenhower noted that the President last week suggested that the congressional personal representatives to federal departments with a view toward orderly transition from one administration to another.

Eisenhower wired the President that Lodge will go to Washington Nov. 12 and will notify the executive office of his arrival.

Lodge, defeated for reelection last Tuesday, managed Eisenhower's pre-convention campaign and was chairman of the general campaign publicity committee during the campaign. He has been widely mentioned for a cabinet post, possibly Secretary of Defense or State.

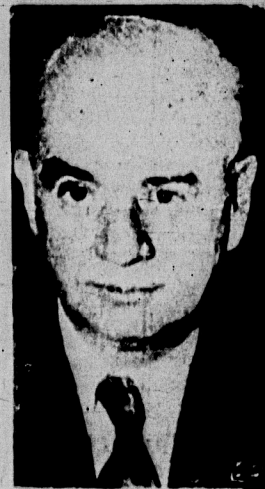

Dodge is also a director of the Chrysler Corp., the Standard Accident Insurance Company, and a trustee of the Equitable Life Insurance Company of Iowa.

Both Lodge and Dodge sat in on a conference with Eisenhower at his vacation retreat here yesterday before announcement of their appointments.

Also present at the conference at Eisenhower's small white bungalow at Augusta National Golf Club were Gen. Clay, former military governor of Germany and now chairman of the board of Continental Can Corp., GOP Sen. Eugene Millikin of Colorado, chairman of the conference of all Republican senators, and pre-convention supporter of Sen. Robert A. Taft.

Sitting in also at the vacation retreat were Sen. James C. Hargis, the general's press secretary, Hargis' left the conference for a conference. Eisenhower's appointment of Lodge and Dodge, the meeting continued into the evening.

Death Takes Labor Chief After Talk

CIO's Murray Succumbs in West

SAN FRANCISCO (AP)—Philip Murray, president of the CIO and one of the big three of American union labor, died early yesterday of a heart attack suffered in his sleep.

A physician pronounced the 66-year-old, one-time Scottish immigrant dead at 4:05 a.m., 20 minutes after Mrs. Murray found her husband sprawled on the floor beside their bed in the fashionable Mark Hopkins Hotel atop San Francisco's Nob Hill.

Besides the widow, he is survived by an adopted son, Joe, of New York.

Ironically, only last Tuesday—election day—Murray had to deny a widely current rumor that he had died.

Although he had been in poor health for the past three or four years and recently was hospitalized for an abdominal ailment, the San Francisco coroner's office, which performed an autopsy, said there was no history of a heart ailment.

Only Saturday night Murray addressed an 11-state regional conference of the United Steelworkers of America, of which he also was president, and was honored guest at a banquet.

A year ago he had told CIO vice-presidents he expected to retire from the CIO presidency in 1952. He asked them to decide.

100 Attend Rush Teas

State News Photo by Bill Lester
A scene typical of all the sorority teas. Introducing Patti Toss, Okemos freshman.

Coeds Need Two Point To Continue

Over 1,000 coeds, dressed in their best, made the trek between State's 16 sorority houses Saturday and Sunday to attend the first formal rushing teas.

Joan Donkin, president of Pan Hellenic Council, said the turnout was exceptional with most women visiting all the houses as advised by the pre-rushing convocation.

The next step in the rush program will be disqualification of prospective rushees who do not make a 20 average this term.

Those invited for a second visit will pick up their bids at the Phi Beta Psi post office in Room 34 of the Union Jan. 1.

At this stage, coeds will again be decked out in their best and may accept invitations to parties at six houses.

Skirt and sweater parties and other series of "dinner" parties will help coeds narrow their choice of sororities to two.

Invitations to pledge will be issued following preference desserts when women make their final choice.

"Monmouth Duo" Pi Phi, Kappas To Begin New MSC Tradition

A new inter-sorority tradition will start Saturday evening when the Pi Phi and the Kappa Kappa Gammas present their first joint dance, "the Monmouth Duo" at Indian Hills Country Club.

Since both sororities were founded at Monmouth, Ill., other Kappa and Pi Phi chapters throughout the United States have made the dance an annual affair. The Pi Phi was founded in 1887, and the Kappas in 1870.

Kenny Davis and his band will set a Mardi Gras mood for the informal dance. Comedy acts and several quartets will highlight the intermission.

Union Board Lists Plans For Dances

Saturday Night Union Board dances will soon adopt a "new look." These strictly informal dances are sponsored weekly by the Social Committee of Union Board. From 150 to 300 students attend each dance.

This year the Board hopes to better its dance policies. Plans are underway to add variety to the dances with such things as dance contests, and a band every other Saturday night.

Also the Board is considering using common talent at intermissions and installing coin machines on the second floor of the Union.

Ultimately the group hopes to have tables for couples where free potato chips and refreshments will be served.

Union Board is now ordering new records for this year's dances. Students are asked to submit the names of their favorite dance records to the Union Board Office, on the second floor of the Union, according to Jackie DeFass, member of the Board of Directors.

The names listed on these dances is used by the Board to buy records to make record requests on the phonograph machines to play the activities calendar and to cover other expenses of the organization.

Co-ops Set Date For Winter Dance

The Inter-Coop Council and Women's Cooperative League are planning a winter dance to be held Jan. 24 in the Union Ballroom, according to Billy Verhagen, president of the council. The dance is semi-formal and tickets are available from any member of WCL or ICL.

Yogi-talk 'Dream Game'

By ALEX LAGGIN
State News Sports Editor

The "ideal" "dream game" of the season would be a post-season clash between the nation's top two undefeated powerhouses, Maryland and the Spartans. Such a game was proposed by James C. Anderson, president of the Baltimore recreation and parks board in a telegram to State's Athletic Director Ralph Young. Anderson suggested the game be played for charity in Maryland's vast Memorial Stadium.

Arthur Price, president of the city council proposed that receipts from such a game could go for medical research at both schools.

As expected, Anderson received a firm "No" from Young. Contacted yesterday at home, Young said that "College and Conference regulation prohibit post-season games."

The Spartans could have accepted Bowl games the past two years but were prohibited from doing so by the Big Ten. Another factor to be considered is President John Hannah's recent "clean-up" committee's stand against post-season games.

If the game was scheduled in the first place, the charity angle would be out in favor for a plan where both schools would benefit more directly. State needs revenue from athletic events to build up Mackin Stadium, for an 18-hole golf course, additional locker space in Jensen, additional hockey seats, more hard tennis courts, additional intramural athletics space and a matatorium.

The game, if arranged, would be one of the best in the nation this season. Sport writers rate both offensive units on an equal but State's superior defense would probably give the Spartans the edge.

The All-American picking season will soon be upon us. This year, the Spartans find themselves in the odd situation of not having one of two standouts to pin All-American hopes on—instead they have a dozen. Because of the over-all balance of the Spartan squad, few players are expected to reach the unanimous consensus pinnacle that Don Coleman reached last year. Instead, most All-American lists will probably have a sprinkling of Spartans mentioned—and they probably will be different ones in each case.

Defensive stars Ed Luke, Don Doloney, Dick Tamburo, Doug Weaver and Frank Kush have already been tagged as All-Americans by various boards seeking candidates. Offensively, Tom Yewele and Capt. Don McAlliff are sure to place on some teams. Before the season, Ed Paul Decker seemed a sure bet for All-American honors but the Spartan flanker has been a valuable player as a decoy and a blocker instead of a standout individual necessary to draw votes.

Outguessing the odds. The Spartans shouldn't have too much trouble picking enough votes to retain their number one ranking this week. State's defense, 24-14 rout over the Hoosiers coupled with Maryland's 36-0 weekend night fight, State's grasp of the top position.

Georgia Tech could press the leaders after running wild over Army, 45-6. The Sugar Bowl-bound Tech team racked up their 22nd victory without defeat in a streak that includes one tie.

The nation's leaders were relieved of a little pressure from the once onrushing Oklahoma Sooners, who were cooled off by Notre Dame, 27-21.

A couple of west coast powerhouses, UCLA and Southern Cal, will probably tip in the gap left by the dropping Sooners. UCLA pounded Oregon State, 57-0, while Southern Cal coasted to a 54-7 win over Stanford. Notre Dame, rated tenth in most polls last week, should rise a notch or two while Purdue's ninth place rating is in jeopardy after the Boilermakers' 14-14 tie with Minnesota. Seventh-rated Kansas will probably depart from the ranks of the elite after losing to Nebraska, 24-13.

Lions Gain Division Tie As 49ers Lose to Giants

PITTSBURGH (AP)—Detroit's Lions moved into a tie for the national conference lead of the National Football League yesterday, swamping the Pittsburgh Steelers 31-6 as the San Francisco 49ers lost to the New York Giants, 23-14.

An overcast and rain-drenched crowd of 26,170 saw the Lions take a 3-0 lead in the first period on Don Walker's 16-yard field goal to roll to their fourth straight NFL triumph, and their fifth against two losses.

The Lions scored in every period and capped the contest with a touchdown with only two seconds remaining in the game. Halfback Byron Bailey rolled around left end for nine yards for the final Lions' tally.

Early Jug Girard plunged from the half yard marker in the second and raced 32 yards in the fourth period for two Lion scores. Quarterback Bobby Layne heaved 46 yards to end Cloyce Box in the third period for the other Detroit touchdown.

Four back-to-back passes by Jimmy Finks helped the Steelers to their lone touchdown in the third quarter.

Fullback Eddie Price's piston-like legs and New York's bone-crunching forward wall were too much for the highly-heralded San Francisco 49ers as the New York Giants pounded out a spectacular 23-14 victory.

Price, a hard-driving, almost unstopable whirling dervish all afternoon ran through, over and past the 49ers' defense, accumulating 106 yards while his mates held the 49ers to a meager 34 yards on the ground.

Babe Parilli fired two touchdown passes to ends Bill Howton and Bob Mann, as the Green Bay Packers beat the Chicago Bears, 41-28.

The Bears did their scoring on two spectacular kickoff returns and two touchdown passes by Steve Romanik.

Fullback Leon Campbell's 86-yard kickoff return enabled

the Bears to tie it at 7-7 in the first period. After the Packers moved ahead 24-7 in the third period, halfback Eddie Maron streaked 89 yards on another scoring kickoff return.

The Philadelphia Eagles found their running shoes for the first time this season and combined it with the effective passing of Bob by Thomson to rout the Washington Redskins, 38-20.

Coach Jim Trimble's team converted drives of 68 and 73 yards into touchdowns. The high-flying Eagles rolled for 213 yards on the ground, by far their best exhibition this year.

Cleveland's Browns looked like

the Browns of old as they defeated the Chicago Cardinals, 28-13, to stay atop the American Division of the National Football League.

The Los Angeles Rams cashed in on Dallas Texan miscues to beat the winless, almost homeless, members of the National Football League, 27-6.

Bob Waterfield couldn't pass in the rain and cold but he could use his toe; so he booted two field goals out of four attempts.

Three players in the National Hockey League were born in Scotland. They are Adam Brown of Boston and Jim Conacher and Jim Ross of New York's Rangers.

CHICAGO (AP)—Former heavyweight champion Eugene Stanley, 40, died Saturday night of a heart attack at his home in Chicago. He had been in poor health for some time.

DALLAS (AP)—The Dallas Texans will face financial difficulties and may be sold to the National Football League. Meetings are scheduled for next week to discuss the team's future.

A member of the team trustees, who declined to be named, said the team's financial situation is "very serious" and that the team may be sold to the National Football League.

Turkey Trot Entries Due

Two Titles at Stake Tonight

Two undefeated independent touch football powerhouses will square off at 8:35 tonight on the south football field to decide the independent league championship.

JFU, the highest scoring team in the IM circuit, and Uirev emerged as the top two teams from the independent league and will meet to settle on the title while Snyder 13 and Phillips 2 battle for the other championship game of the evening.

The two dorm teams will decide the Snyder-Phillips championship at 6:40. East Shaw 2, the Shaw Littleholders and Abbot 17, Abbot champs, will play each other in a key battle for the all-dorm championship at 9:40. The all-dorm tournament is now in the semi-final stage.

Two games that will go a long way in determining the teams that will meet Wednesday for the fraternity league crown are also on tap for tonight.

ATO, last year's all-college champs are scheduled to clash with Sigma Chi at 7:25 to settle

the block championship. The winner of this game will be the winner of the block.

The other final battle will be decided at 8:10 tonight. Phi Upsilon and Delta Sigma will meet.

The All-College championship will be decided next Monday night at the home of the Spartans.

The annual Turkey Trot will take over the IM circuit tonight. The Trot is a fun and exciting course run over a one-mile course on Old College Field.

Entries may run on a team or individually. Teams may represent dormitories, fraternities or any group of men. Any number of men may run for a team with the four men of any group making the finish line time.

State Looks to Notre Dame After Bouncing Indiana

McAuliffe Score Twice in 41-14 Victory

By STAN KURZMAN

Billy Wells and Evan Slonek ripping the Indiana wide open, Coach Biggie Munn's Spartans racked up a 41-14, Saturday at Memorial Stadium. But it is (Notre Dame), that remains uppermost in the minds of Michigan State team.

Fighting Irish, upset No. 3 ranking, proved this week, proved to be a sound challenge to the Spartans' second straight win. Only a weak Marysville, will be left if MSC wins the Irish.

Tom Yewic kept the offense under wraps, most of his attack points.

It seems to have taken a while for Memorial Stadium last year, on the same day, he led the Spartans to a 30-26 win, just as Saturday.

Oklahoma, Purdue Fall to Notre Dame

SOUTH BEND, Ind. (AP)—Oklahoma has become the second undefeated team of the season to be mired in Notre Dame's "iron" defense.

The Irish first knocked Purdue, the Big Ten's football leader, from the undefeated rank three weeks ago. Oklahoma was the next to fall. Now comes Michigan.

Not Until Next Year, Tho

Munn to Open Rose Bowl Bid In Next Conference Grid Game

By JACK ROLE

Saturday's contest was the last in which the Spartans were "outsiders" against a Big Ten opponent. Next year, State will be officially "in" the conference and will be able to bid for Rose Bowl glory.

Ever since they were accepted in 1950, however, the Spartans have given conference rivals nothing but horrors. The conquest of Indiana was the ninth straight over Big Ten opponents since the Spartans were accepted.

Coach Biggie Munn has admitted more than once that he expects more over this record than over his nation-leading winning streak.

Digging into the statistics shows that Spartan offensive supremacy over Big Ten foes this three-year period has been phenomenal. State has scored 237 points while holding conference rivals to a meager 80.

Indiana joins Michigan in the three-year span as a three-time loser to the Spartans. The other three teams to feel the Spartan sting are Minnesota, 27-0, in 1950; Ohio State, 24-20, in 1951; and Purdue, 14-7, in 1951.

Although it appeared that Spartan supremacy was definitely established over the Hoosiers, the seven-game series between the two schools is now deadlocked. The series, which dates back to 1922, now gives State three wins, three losses, and a tie.

Up until 1950, the Spartans were unable to enter the win column against the Hoosiers. That year, the Spartans defeated Indiana, 39-0. Last year the Hoosiers were brought finally succumbing, 30-26.

The final statistics Saturday were overwhelmingly in favor of State, but the 345 yards rushing were the most pleasing to Munn, who has always been a strong proponent of a strong ground game. Due to the intermittent rain in Bloomington during the contest, the Spartans were at a decided advantage with their superior running manpower.

State's aerial attack against Indiana still showed 132 yards on 100 completions out of seven attempts, but quarterback Tom Yewic still managed to set a snail's pace at times it was hard to tell.

new Spartan passing record for one season.

Yewic completed two out of four passes for 61 yards to boost his total yardage to 872. This total now leads Al Dorow's 842 yards.

whether the sport was boxing.

Indiana lost six players via personal foul route and Michigan State a pair.

Hoosiers, to get the heavens were John Conners, Pete Russo, John Zuger, Pete Fischer, Gene Gedman, and Penny Fletcher.

Don Weaver, the hero at Purdue a week ago, and Don Edgley were the finished Spartans.

Most blatant violation was the first which occurred when Lelley Holden was humiliated by Gedman after the former was tackled. Four Indiana players were run off the field before Weaver got the ball during the last quarter of the contest. There was a hiccup down on the field while officials straightened things out. Play was stopped for five minutes during the uproar.

Munn said he didn't want to comment on the fistcuffs.

"It was a rough one," he said in the dressing room after the game. "I was real pleased that we won."

The Spartans' real high for Munn added a "hot" like over the game. They were happy for the weekly game ball award.

The weekly game ball award was something new this year. The first year it was awarded to Billy Wells and Evan Slonek.

Wells, who was far and away the most outstanding player in the field, earned the ball 24 times out of the 68 running plays utilized by the Spartans and played on 125 yards.

The performance of the Spartans, who were the master of the day, Bobo had a hand in this one, too, as he deflected the pickin into McAuliffe's arms for a circus pass.

Earlier in the final quarter the Spartan defense showed why they warrant the praise they have been getting.

Indiana had a first down on the Spartan's 33. Achiary failed to pass but was thrown on the State 48. On second down and 25 to go, Achiary passed, promptly.

Then on third and 25 Florin Helinski came in to pass. He failed to the Indiana 34 where he was brought down.

Then Indiana was penalized for their own 20, making a total loss of 47 yards on three plays. The score stood 41-14 when Helinski punted for the Hoosiers.

Sophomore End

in 1951 by 30. With two games remaining, Yewic rates a good chance to put himself in the Spartan archives for some time to come.

Both of Yewic's complete aerials went to end Doug Bobo. The first was a 21-yard touchdown, and the second was a 37-yard dash in the second quarter and a sustained touchdown drive.

Willie Thrower recorded a perfect pitching performance with three for three. His pass to Capt. Don McAuliffe in the closing stages of the game, which netted 56 yards for the final touchdown, rates as the master piece of the day. Bobo had a hand in this one, too, as he deflected the pickin into McAuliffe's arms for a circus pass.

LATTNER WORDEN

State, winner of 27 games in a row, standing in Notre Dame path Saturday at East Lansing.

Many observers cannot see how the once beaten Irish can get as high for a game as they did in trimming Oklahoma 27-21 Saturday. But Notre Dame came out of that tremendous upset without any major injuries, and the master psychologist, Coach Frank Leahy, can take it from there in trying to arouse his boys for another starter.

The incentive to beat Michigan State is a natural one. Last season the Spartans humiliated Notre Dame, 33-0. It was the worst defeat ever handed a Leahy coach team.

Against Oklahoma Saturday, the Irish, 14-point underdogs, came from behind three times to tie the score, then barged ahead to stay in the last quarter.

It was one of the greatest contests of their determination and grit ever seen in Rocky Memorial Stadium.

At the end, hundreds of the 57,446 there streamed over the restraining rails, hoisted halfback Johnny Lattner, and fullback Neil Worden to their shoulders and swept them through a milling, uproarious mob.
