There's a heatthy philosophy about the student tax in

dent Congress. This spring, students will ballot in an all-college election determine whether the tax will be levied permanently.

Congresses hope the vale will be in favor of the Mit. But histead of transching a company of ballyhop and rah run to put it across, they plan to let it apaak for Habit.

In Its two-year probationary period, the tax will have brought \$15,000 worth of quarters into Congress coffers. Geveral projects are in the offing. Other services, like bowing shoep, are available and taking for glanted by students.

studiets. Major benefits as outlined by the president, Dave Hyper include a grants-in-aid program which provides towning allocations for needy organizations on campus; heavy financial support lent the student handbook, the Heliot; a public address armeem available for student func-tions; a mimeographing service for organizations; promo-tions; the new library with the mailing of more than ion of the new library with the mailing of more than 10,000 letters to parents and residents of the state, and free all-college dances.

And the scope of student service will be widened if plans materialize for a court of appeals to review local student traffic violations, a loan fund and "bigger and better" pep railies which will bring name entertainers ----

The list of possible expenditures of tax revenue could stretch from the Union to Macklin. Significant is the fact that congressmen are keeping their checkbooks open in order to fill student needs best.

"We're not pleasing everyone. But we're trying to do the most capable job possible and are very eager for student ideas," Hyman said,

rnment as important as the services which are enabled by the tax.

than 3,500 students must endorse the tax in order for it to continue, it will have been a profitable experiment in the potentialities of student self-rule on campus,

"Boy, you should have seen her eletifier that my yesterday."

### y the man Te the Preshment Pep Rally Attendance Setting Bad Example

have been any indication

In case you're confused on our football record at MSC, better get it straight now. Tomorrow is the day for the 27th consecutive victory for the Spartan team-may-be. It depends on you. We at Michigan State may have been a little hard on you so far, reducing your identity to nothing but a string of numbers and a silly. Little picture card, but now we need you. It wasn't nice of us either to

THE RICHIGAN STATE NEWS

It wann't nice of us either to push you into the end-some seats for games especially since you're such an important factor in our winning them. But we did, and we're sorry. So hele we out new. to bein us out now.

What can you do? Probably just what you were planning anyway, support the team, let them know support the team, let them Know you care if they win or not. In short go to the pep rally tonight. "Doesn't everyone?," you may ask, eves wide with surprise. Nope! We have a funny aversion around here toward them and somehow, even though the team here's let a some time. Noveme

hasn't lost a game since Novem-ber of 1950, there haven't been many really peppy pre-game ral-lies since long before that. School spirit, the active kind

that manifests around football GRADUATE STUDENT MIXER season in gigantic pep rallies and deafening roars of cheering. cheering. 8 p.m. to 11 p.m., Basement deafening roars Peoples Church. Square Dancing, Afreshments. Staff

Just think of what would happen if sophomores, juniors or seniors came, too. It's frightening. If they came, even just a few (whats a couple of thousand among 14,419) it might be the hottest rally since they stopped burning witches. But they won't come, 'cause they never do. The football team can drill and

practice their blocks and tackles and formations but they can't be expected to continue to have the spirit to win if students aren't backing them.

Student government can col-lect two bils a term, spend part of it planning rallies and sup-plying talent, but they can't put pep into students if students don't want to be peppy.

You'll see a lot of people there but you won't see one group-the seems to be something that went but you won't see one group-the out of MSC life along with rac-largest single group on campus, coon coats. It just in't with us Us. People who don't attend pep any more, if the pep rally crowds rallies.

COLLEGE AUDITORIUM

EX-

Neal, Yewcic, Duckett Set to Ge More Than 43,000 Fans Expected

Friday, Oct.

Upwards of 43,000 fans are expected to be in h Stadium Saturday afternoon to see the rebirth of the platoon, Michigan State style, when the Spartans host Christian University in the home opener of the 1953 for Coach Biggie Munn's tal-\* \*-

ented gridders. TCU, a member of the col-orful Southwestern Conference, has split its two outings in the current campaign; white-washing Kansas 13-0 and losing to the Arkansas Razorbacks last week by a 13-6 count.

Stopping out of the Big 10 conference for the first time this season, the Sparians will be out to make the Hormod Progs their "The conceptive visitm in a 27th consecutive victim in a streak that has extended over a four year period,

Jim Neal, Tommy Yewcic, and Ellis Duckett, all of whom have been under the trainer's care in the past week, appear set to see plenty of action in Saturday's clash. Neal and Yewcic have had leg

rouble while Duckett has been bothered by a stomach disturb-

However, the Spartans will likely miss Jim Jebb, second string tackle, who has been absent because of the death of his mother in Grand Rapids. Jebb is not ex-pected to return for Saturday's

Expected to start for State in the backfield is the Pony quar-tot of Yeweie at quarter, LoRey Boldon and Billy Weils at the balves, and Evan Sienac at full. Behind this group are such re-

placements as Jim Ellis, Earl Mor-rall, John Matsock and Jerry The starting line will be comnosed of Duckett and Don Dohoney at the ends, Randy Schroces-gost and Morley Murphy at the tackles, Ferris Hallmark and Lar-ry Fowler at the guards, and Neal

at center. If Neal is unable to start, Joe Badacsewski will likely receive the starting assignment.

As for the Horned Frogs, Coact Othol (Abe) Martin has shaken up his backfield somewhat, insering ex-quarterback Ray Mc-Kown at fullback. Along with first string quarterback Mai Fowler, McKown provides the aerial arm for the Texans. The starting halves are Ron Clinkscale and Ron Frailet bath of unbown Sports and Ron Frailey, both of whom are rather slight of build weighing

approximately 170. TCU has the nation's boot punter in Sam Merrow, who has bested the ball 51.6 yards per try this season to top the sa-tional statistics. The Women's Gym po and for intramural practic day, Wednesday and

Morrow, a fullback, also pos-senses a fine rushing mark of 6.2 yards per try. Morrow shares this mark with another Frog fullback, Danny Hallmark. Living swimming indicating Danny Hallmark. TCU's captain is left guard Morgan Williams, a 20 year old meet Oct. 21.

Friday aftern

his eight years as for
