## **Capitol Comments** TV Bill May Hit College

By STAN STEINBORN Hate News Capitol Reporter

A resolution introduced at fonday night's session of the state Legislature may some day ave direct bearing on Michi-an State's new television sta-

concurrent resolution, induced by Senator George Higgins (R-Ferndale), will, if passed, put the law makers on record as being opposed to schools owning commercial teleion stations.

fiscal matters are, like the last few weeks before adjournment, traditionally inactive. The Loginistare is currently grinding out a series of bills that area't tes controvershal in mature and will probably clear all of these up before taraing to imperiant matters that may develop into a fight. Expected to make their appears ance soon are the bills relating to Capital Outlay (new con-struction), and the general bud-get. The resolution says in part. "The Michigan Legislature de-nires and intends that tax-supported leathinteen of this state operate their television stations only under an odu-cational television license."

What this resolution is trying what this resolution is trying to prevent is the expansion of a station-like WKAR-TV to the point where it will become a commercial station, taking advertising and competing with other privately owned stations. This subject is not a new one. The Michigan Association of Broadcasters has long held a lefinite view that college stat-

re a commercial sta	tion.

Following this, students from Germany Holland, Denmark and Austria will discuss problems of their re-spective countries. The dance is scheduled for 8:30 in 32 Union.

# A Humane Gesture

To the manner: Have you ever seen a person lying on the ground after a had accident? He's asking for he's. You tell yourself "I'm no doctor, What case I do to help?" You, unknown to yourself, you may be the person out of three that has the power to save that man's life. You say, "Why, I couldn't put a bounded on sweather it." The standing there, telling me that I could not generate with." The sak me haw? While, I'll fell you. The bast of medical new and could-ment combined cannot save him. He medic one there and could-ment combined cannot save him. He medic one there a plat of threat saved a man's life. I ald not see this case power and do the friend saved a man's life. I ald not see this case people moved the right here in the state of Michigan. I have some people moved the friend automobile accidents. A Navy plat whe examines in Lake-Jin was saved from a death by shock and interesting. The saved these people? Your neighbors and friends did. They gave bases.

Who can give blood? If you have mover had yollow in malaria or certain other blood discours, and are not us to an you can give blood.

The blood collected in Michigan is used in Michigan except in certain cases. The blood is used to replanish the dwindling stocks in hospitals. It is used to make gamma globulin to combat polis. It is used to make anti-hemophilia globulin to combat polis. It is used to make anti-hemophilia globulin to combat polis. It is used to make anti-hemophilia globulin to combat polis. It is used to make anti-hemophilia globulin to combat polis. It is used to make anti-hemophilia globulin to combat polis. It is used to make anti-hemophilia globulin to combat polis. It is used to make anti-hemophilia globulin to combat polis. It is used to make anti-hemophilia globulin to combat polis. The block in the city of Eansing. Can you imagine what would have happened if a great catastrophe hit this city? Only you can help to alleviate this situation. Act now.

The Veterans' Association of Ministern State Cutlings in sponsoring a Blood Drive from Polymery 23 to the 30th. They are doing it for a two-fold purpose. First, to build up the whole blood supply in the Laming area. Second, to regain the record once hold by State for blood donations.

Yes, State held the record at one time. You might start figur-ing in your mind that if one out three people able, give blood, with about 15,000 students it would give you about 5,000 pints of blood. Well, you would be wrong. When State held the record, they only collected about 1,272 pints of blood. It's not a good average—so let's do better this time. Roll up your sleeves and put State back on top.
