### Students Host Mom and Dad

Parents Visit Campus For Weekend Festivities

MSC sons and daughters played host this weekend as more than 2,000 parents visited the campus for the annual Parent's Day, extended this year to two days.

Officials at Kellogg Center reported that parents arrived to register at 9 a.m. Saturday, an hour and one-half before registration began.

### Engineers' Exposition Gets 12,000

Sixth Annual Show Rated 'Largest'

The largest Engineering Exposition ever held at MSC featured everything from an irrigation system to a miniature steam engine in its 1,000 exhibits Thursday, Friday and Saturday.

An estimated 12,000 spectators visited the sixth annual show, staged by the School of Engineering and the Engineering Council.

Two special shows by General Motors and the Michigan Bell Telephone Company held continuous performances, and a Chesapeake and Ohio diesel engine was on hand for spectator tours.

Walker L. Cislir, president and director of Detroit Edison, spoke on "Atomic Power Development" at the Engineering Convocation Friday night.

Former secretary of the Atomic Energy Commission and present chairman of the Nuclear Application committee, Cislir said the first peacetime application of atomic energy would be used to develop electric power, although it would be 10 to 20 years before such developments would have a significant effect on U. S. electric power.

In student exhibits, Bill Bentz, Mason senior, received first prize of a \$50 savings bond for his display of a binocular sound system. Second prize went to Bill Clark, South Lyon senior, for his exhibit of a heat pump water heater.

### Geographers Attend Meeting of Association

A meeting of the East Lakes Division Association of American Geographers was held in Bowling Green, O., Friday and Saturday. Members of the geography department, Perry L. Bailey, assistant professor; Paul C. Morrison, professor; Andrew D. Perejda, assistant professor; and Edward C. Probst, associate professor, attended the field trip.

President John A. Hannah gave a welcoming address Saturday afternoon in Kellogg's auditorium, attended by more than 400 persons.

The Green and White football game, annual intersquad battle, the International Festival, the Engineering Exposition, and tours through the Museum, the Home Economics Building, and a showing of Rose Bowl movies entertained parents Saturday.

Dedication of the newest bell for Beaumont Towers' carillon took place Saturday followed by a concert by Wendell Westcott, college carillonneur.

Saturday's events were capped by a "Collegiate Comeback" dance in the Union.

The annual Sorority Sing and an organ recital in the Alumni Memorial Chapel closed the two-day program Sunday afternoon.

WKAR-TV reported an estimated 1,200 persons attended the Studio's open house Saturday. An open house at Olin Memorial Hospital was also well-attended. Officials at the Health Center said that parents expressed pleasure at the facilities offered for student health.

Dormitories, fraternities and sororities also held various programs for parents.

### Applications Due For Final Draft Deferment Test

All students who want to take the draft deferment test on Thursday, May 20, must have their applications postmarked before midnight tonight.

Col. Dorsey R. Rodney, military coordinator at MSC, said Sunday that application blanks are available at his office in 11 Wells Hall or at any draft board.

Col. Rodney warned that admission tickets to the deferment test given in April would not be valid for the May exam, which will be handled in MSC's Fairchild Theater at 8:30 a.m.

The May 20 test is the last one for the 1953-54 school year. Deferments for the 1954-55 academic year may be granted to students who maintain specified class standing or score 70 or better on the test.

One of the colorful booths at the International Festival that was held at Dem Hall Saturday.

### Andrews to Appear On World Forum

Program Marks Third Day Of International Week

Third major event of International Week will be the World Forum program tonight at 7:30 in the Music Auditorium. The discussion will be free.

Kickoff for the week was the International Festival Saturday. Sunday night, the second event was a discussion of the world situation by Sen. J. W. Fulbright.

Topic of the discussion tonight will be "Economic and Technical Assistance vs. Military Assistance."

On the panel will be Stanley Andrews, Dr. Samuel Hayes, and Dr. Hassan Dawood. Moderator will be Dr. Thomas H. Hamilton, dean of the Basic College.

Andrews is the former director of the Point Four program, which sent material aid to foreign countries. He is now the executive director of the National Project in Agricultural Communications, working at MSC.

Dr. Hayes is the former director of technical assistance for Indonesia and present director of the Institute for Human Behavior of the U. of M.

Dr. Dawood is a member of the Egyptian Embassy in Washington. Tonight's program marks the first time a forum discussion on world problems has ever been presented on this campus, according to WORLD FORUM, Page 3.

### Fulbright Supports UN's Role

By BOB HERMAN  
State News Associate Editor

Sen. William J. Fulbright Sunday expressed concern over people in Washington and the military who feel time may not be on the side of the U. S. in its struggle with Communism.

"They feel," the Arkansas Democrat told a crowd in Fairchild Theater, "we must have either a military showdown or a diplomatic capitulation."

An attitude that a showdown is necessary, he said, comes partly from a feeling that there is no substitute for victory.

"We had victory in World Wars I and II," he said, "and the results don't seem particularly satisfactory to the human race."

He said he could not see how anybody believing in the superiority of the American system could support a military showdown.

## U. S. Geneva Delegate Calls for 'United Action'

### Donation Record Broken

AFROTC Tops Blood Drive

Spartan blood donors Friday set a new collegiate record for 1951.

Two hundred seventy-four persons, 58 of them non-cadets, donated blood on the drive's last day to set the mark at 2,129 pints.

Lansing Red Cross officials said the record was also the second best mark ever set by a college blood drive. Stanford University holds the college record.

In the inter-ROTC battle, the Air Force won the blood donation trophy by a slim margin. Official figures revealed the Air Force edged the Army by a percentage score of 57.07 to 56.22.

Group 385 of the Air Force was the top cadet donating group and will be excused from one parade, AFROTC officials said.

Speaking of the new record, officials of the drive commended the cooperation of the students on Friday.

With only half a day left to break the record, WKAR began pushing the drive and a rush of donors in the early afternoon broke the record, ROTC officials said.

Most notable was the participation of 38 civilians Friday afternoon, nearly one fourth of the total non-cadet participation for the whole drive, officials said.

### Gamma Phi Wins in 'Sing'

Gamma Phi Beta took first place honors for the second consecutive year in the annual Sorority Sing held Sunday afternoon in the Auditorium.

Directed by Meredith St. Clair, Mason City, Iowa, senior, the 30 members sang their own arrangement of "Johnny Que Note," in five-part harmony, to a near-capacity audience.

The sorority was awarded a gold traveling trophy. Alpha Gamma Delta placed second with "Hi-Lili, Hi-Lo."

DEAN CLIFFORD HARDIN

### Cowden Appointed Dean of Ag School

Hardin Becomes Chancellor Of University of Nebraska

Dr. Thomas K. Cowden will become dean of the School of Agriculture July 1, replacing Dean Clifford M. Hardin, who is resigning to become chancellor of the University of Nebraska.

### Pay Raises Approved By Board

Michigan State College pay checks will be a little bigger in the future.

MSC's governing body, the State Board of Agriculture, Friday approved a series of pay increases for student employees, full-time employees, and faculty and staff members.

The general student rate paid by the college will be increased to 85 cents hourly, beginning fall term.

The present rate is 80 cents. The Board noted that although this will increase costs of dormitory operation, no changes in dormitory rates were being recommended at this time.

Graduate assistants now making \$1,100 to \$1,500 for nine months work will get an extra \$100 next year.

New pay scales for full-time See PAY RAISES, Page 6

### Says Reds Forced Asia Pact Plan

Dulles to Appear For House Group

GENEVA, Pa.—The United States Sunday called anew for collective action by the free world to stem the surging tide of communism in Southeast Asia. The Geneva Conference appeared, dominated on both Korea and Indochina.

Walter Bedell Smith, undersecretary of state and chief of the American delegation here, emphasized Washington's desire for Western unity in a formal statement summing up his impressions after a week's work.

The Indochina talks between East and West seemed stalled by Soviet, Red Chinese and Vietnamese demands for a voice for "governments" in Laos and Cambodia which France has described as "phantom" regimes. The Korea talks were equally snagged on conflicting plans for elections.

In Washington, Secretary of State Dulles will go to the House Foreign Affairs Committee Tuesday for a closed-door session that probably will resolve around the question of building collective security in Southeast Asia.

The committee has called repeatedly for the creation of a Pacific equivalent of the North Atlantic Treaty Organization and has written this recommendation into past foreign aid bills.

Smith said Dulles' plans for a Southeast Asia security pact were forced upon the U. S. by Communist offensives.

"We shall be compelled to build more alliances for defensive security only if there is a continuing menace to our national safety and to the safety of all the nations whose interests are bound together with ours in the common objectives of peace and freedom," he said.

American leaders, meanwhile, carefully avoided further comment on the plan for a supervigilant cessation of hostilities, followed by internationally controlled elections, presented to the Indochina conference Saturday by French Foreign Minister Georges Bidault as a solution to the seven-year-long war in the former French colony.

American reticence was believed linked to the attitude of Vietnamese officials who were reported to oppose sections of the Bidault plan.

## Editorially

## Students Should Get Into Game Free

For the first time in three years, students and the general public were admitted Saturday to the Green and White intra-squad football game.

Two years ago, the game was held at the secret practice field because Macklin Field was being re-sold. Only members of the press and delegates to MSC's annual coaches' clinic were admitted.

Last spring, the game was held at Macklin, but for some reason, the restricted basis still prevailed. Many students gained entrance "by hook or crook" because the mimeographed admission slips were easy to reproduce with a typewriter and ticket takers were not especially strict at the field.

This year, college officials decided to throw the game open again and make it a big event for Parents' Day weekend. In the recent past, the contest has been THE sports attraction at MSC during the spring. In 1951, for instance, it drew more than 10,000 spectators.

Bad weather cut Saturday's crowd to 5,600, but even that attendance indicated that the contest is still popular.

The necessity for charging students 50 cents to watch the intra-squad game is questionable, however.

Not that this year was the first time such a charge was made. Students have always been asked to pay to see the contest. In 1951, admission was 60 cents.

True, the game is not listed as a regular college event. But we see no reason why it cannot be included in the regular MSC schedule of athletic events that are free to students. At present, it is the only scheduled athletic event besides hockey games that require an admission charge.

Admission is charged at hockey games because of the expensive refrigeration equipment needed to make ice.

While a football team is expensive to maintain, it does not require the equipment that an ice rink does. Besides, the spring contest is only a practice game—held as a finale to 20 days of football drills.

So next year, why not free admission for students?

## Information, Please

## This Week On Campus

## MONDAY

There will be a YMCA Cabinet meeting at 4 p.m. in the Y House at 314 Evergreen. The Industrial Arts Club will meet at 8 p.m. in 31 Union. The American Institute of Chemical Engineers will discuss the Dow Field trip at 8:30 p.m. in 33 Union.

Members of the student government Organization and Eligibility Committee will meet at 4:15 p.m. in Congress Office 4.

## WEDNESDAY

Sigma Delta Chi initiation will be held at 7 p.m. in the Tower Room of the Union.

## Author to Give Marriage Talks

St. Thomas Aquinas Church will institute a series of marriage lectures today through Wednesday at 7:15 each night at the church.

Rev. Fr. Arthur Beckinger, author, lecturer and columnist, will give the talks. His topics on the respective evenings will be "Romance Is Forever," "Mixed Marriage," and "Marriage Wreckers."

## Foot-Loose and Fanciful

## Time's Up, Prof

By REV. BUSCH  
State News Editorial Assistant

I don't know how long ago the cartoon appeared, but it was one of Bibler-alias-Snarf's usual gems. It portrayed the infamous prof apologizing to his snarling class for lecturing beyond the hour.

I've noticed with pity several classmates of mine who get downright upset when the prof forgets for whom Beaumont toils.

Especially nerve-racking to them is the task of keeping accurate time in Berkey. If a class down the hall gets out five minutes early, chances are one prof checked his time-piece with one side of the downstairs clock and their prof with the other.

Anyway, I've compiled several of the more successful devices employed by clever students who like to absorb no more than 50 minutes of knowledge at a time.

If you sit in the front row, alternate surly stares first at your watch and then at the prof forgetful of his snarling class for lecturing beyond the hour.

It's also a sly move to rustle your coat or jacket a few times. The clamping shut of notebooks is guaranteed to get some reaction and heavy, deep-felt sighs ought to do the trick if that doesn't.

Then there's always some brash joker in the crowd who just walks out.

Actually, I've stumbled on a simpler and more polite way to let the prof know his 50 minutes have elapsed.

I didn't think of it myself, but some sweet young thing in an English class merely raised her hand and told the instructor the hour was up. As I remember, we were always dismissed on time after that.

## Interpreting the News

By J. M. ROBERTS JR.  
Associated Press News Analyst

When I was sports editor of the Durham, N. C., Morning Herald, more years ago than I care to mention, it was generally agreed among the fraternity that no man would ever run the mile in less than four minutes.

Now it has been done, as a physical fact whether it is accepted as an official record or not. And others will probably do it again soon, because of the psychological effect of knowing it can be done.

Also, increasing stature and physical effectiveness is a recognized fact in more than one nation. My grandson may one day get into an argument as to whether anyone will ever run a three-minute mile.

Things like this happening to a fellow serve, and should serve, as a constant refresher for his thinking about things of far greater import than how fast a man can run a mile.

That sort of thing doesn't really mean much in a world which already has transferred its thinking from minutes, or even seconds, per mile, to miles per second.

## LITTLE MAN ON CAMPUS

By Dick Bibler

Watch out for that wise-guy trombone player when you're twirling over on the right flank.

## Life Can Be . . .

Green, Minn. (AP)—It was a ticklish proposition when Roy Hansen of Green rushed his 3-year-old daughter to the hospital.

Little Gloria had poked two pussy-willows up her nostrils while playing.

Dr. W. C. Heiam promptly removed the obstructions. Inconsequential," said the doctor. "Not worth mentioning. Kids will stick everything but the piano up their noses."

NEW YORK (AP)—A hungry 300-pound Bengal tiger reached a paw through his cage Tuesday, sank his claws in a circus employee's arm and all but ripped it from the man's shoulder.

The victim, Charles Hicks, 28, of Kirkville, Mo., lost his left arm later at Polyclinic Hospital, where it was amputated at the shoulder. His condition was reported as satisfactory.

RICHMOND, Va. (AP)—If the Army listens to Dr. Alvan L. Barach, there'll be no more of this "throw out your chest" posture. The same goes for the movie queens in Hollywood.

"You're a lot better off if you walk around in a slouch like a gorilla," said Dr. Barach, who is professor of clinical medicine at Columbia University's College of Physicians and Surgeons in a lecture here.

"Never stand erect," he added, "it's not healthy. Your lungs stay filled up. The position the Army teaches is vicious. We should all learn to breathe with our diaphragms—like singers do."

## Now I Look Here!

By AUDREY LLEWELYN  
State News Associate Editor

The time has come to speak out. I can no longer hold my peace.

For years, people have been carelessly dropping L's from my name, making it read: Llewellyn, Llewellyn, or even, Llewelyn.

Patently I have spelled Llewellyn for them, over and over. No luck.

One day I maliciously suggested to a stumped speller that he try to remember it by "double L, e-w-e, double L, y-n-e." (Just try it.) This resulted in nothing more than a new nickname, Double L.

By the time I came to MSC I realized that everyone can't be Welsh and appreciate the aesthetic value of twin L's.

So what happens? A senator comes to town. His name is Fulbright. They spell it Fulbright.

To—LL with it.

## Best Wishes

"Our loss is their gain." An oft-quoted phrase, but one that gained additional meaning this past week.

Dr. Clifford M. Hardin, dean of agriculture, has resigned to become chancellor at the University of Nebraska, the top position there.

It is a tribute not only to Dr. Hardin but also to MSC that his excellent record has earned him the new post.

Dr. Hardin has been at MSC for ten years, during which he helped develop the agriculture department into one of the finest in the country.

MSC is sorry to see him go, but wishes him success and best wishes in his new venture.

# Whites Upset Varsity in Spring Grid Contest, 12-7

Two 'Outstanding Players'

## Graves, Planutis Tie for Trophy

An unknown freshman and a veteran who had come into his own were voted the outstanding players in Saturday's Green and White game.

Howard Graves, the freshman, and Jeff Planutis, the veteran, were voted co-winners of the Calhoun County trophy as the game's outstanding players.

Runners up in the trophy contest were Ed Costanzo, John Lewis and Bill Smiley.

Thompson, 186, 200 yards in his green team's losing battle

and backed up the line well. His tackle of John Lewis, after the latter had caught a pass, was probably the hardest of the game.

Head Coach Duffy Daugherty, in a post game press box interview, termed Planutis a player just coming into his own.

"He has always been a good defensive player and now his offensive punch is catching up," Daugherty said.

A member of last year's Rose Bowl winning team, Planutis

played the whole season behind pony fullback Evan Simon.

Graves was virtually a mystery man when he sprinted around his left end to score and cut his white team ahead, 12-0.

Graves has winning touch down runs, he returned a punt over 30 yards, only to have it called back for a penalty.

It was this run that gave the 22-year-old freshman his first thrill. "I had known how it was, I sure would have found a way to get around Peaks," he said. Peaks was the only man between Graves and a touchdown.

Freshbox observers immediately started comparing him to former Spartan great Jim Ellis, who also had a flair for running back punts. Graves, to heighten the similarity, was wearing the number 11, Ellis' number.

Ellis admitted he had asked equipment manager Edwin Karp to give Graves the uniform because he "felt Howard could wear it as well as I did."

It was the second year in a

row that the number had won the trophy. Ellis won it last year wearing 11.

Graves is an Air Force veteran of four years. Planutis served in the U. S. Army in Germany. He attended high school in Scotland, N. J.

Picked as an all state fullback in his junior and senior years, Graves led his team to state titles in those years.

He played the freshman season as a left halfback and was switched to right half about the middle of this four week spring practice period.

Asked if he was in favor of the change, Graves said, "I just want to play football, if that's where I can play it, that's where I want to be."

Pat Wilson, quarterback for the Green team in Saturday's Green-White football game, stops a White drive with a leaping interception in the second quarter. Lurking in the background is the intended receiver, John Lewis (87).

### At Big 10 Relays

## Gosper Hurts Leg; Sidelined Indefinitely

Michigan State placed in 10 of the 15 events in the Big 10 Relays Saturday but lost the services of ace quarter-mile Kevin Gosper for an indefinite period of time.

Illinois and Michigan topped six and five events respectively and the Spartans placed second in the two-mile relay and the 120-yard high hurdles.

Gosper, top quarter-mile for the Spartans this year, pulled up with a lame leg after handing off the baton to Ed Brabham. Just how long he will be out is undetermined but Coach Karl Schladerman was not at all optimistic Sunday.

Michigan's five two-mile relay squad set a new field record of 7:39.0 in beating Michigan State's foursome by only two yards. State's team was made up of Lyle Garbe, Dwayne Hoke, Dick Jarrett, and John Cook who turned in a blazing 1:54.4 anchor leg.

Schladerman said that John Co-

Cook, Brabham, McCoy, and Jarrett teamed together for a fourth in the sprint medley. Another record fell in this event when Illinois ran the distance in 3:23.0.

In the decathlon event Ed McKillop and Jim Vrooman turned in throws adding up to 260.6 3/4 to place fourth. Vrooman and Don Hillmer combined totals to finish third in the high jump event. Pole vaulter Chuck Covkendall vaulted 12'6" to tie with Minnesota in the pole vault.

State will journey to State College, Pa. Saturday to battle Penn. State in a dual meet.

## Play Becomes Ragged As Weather Interferes

Scoring not often, but early, a white-clad team of reserves upset the "varsity", 12-7, in Saturday's Green and White game at Macklin Field.

All the scoring was done in the first half as the weather slowed play almost to a standstill in the last half.

Started under threatening skies, the game ran the gamut of conditions as it alternately rained and snowed, with the sun shining brightly at times.

The first touchdown, by the whites, came on a pass play from quarterback Bill Smiley to end John (Thunder) Lewis.

Smiley bootlegged the ball away from the faked running play and the deception was perfect as Lewis broke into the clear. Smiley arched a pass from the 44 and Lewis took it in full stride on the 12 to score. Lewis' try for the extra point was wide.

On the last play of the first quarter, Lewis hit green quarterback Clarence Peaks as the latter faded to pass and Peaks fumbled.

On the first play of the second quarter Howard Graves, a freshman right half, skirted left end for eight yards and a touchdown to put the whites ahead, 12-0. Again the try for the extra point was wide.

Late in the quarter the greens mustered their best drive of the day, a 43 yard march that culminated in their only score.

Peaks, who had replaced starter Pat Wilson at the green team helm, passed twice to start the drive. Jerry Planutis drove for six yards, to the white eight yard line, and a penalty set the ball on the one yard line.

From there freshman Rudy Gaddini, a substitute for the injured Lefroy Bolden, scored with ease. Planutis kick was good and the regulars trailed by five points.

Snow and rain made the field a sea of mud and turned the grass almost to ice for the second half.

The teams battled within the 30 yard lines most of the last half with neither team threatening.

He noted a lack of experience at the quarterback slot but was happy over the showing of his two freshman signal callers, Wilson and Peaks.

He thought the defense was ahead of the offense a bit and the statistics bore him out, as the two teams couldn't pick up 200 yards between them on the ground.

Singled out for individual praise by Daugherty were Lewis and Planutis, Lewis, he said, had shown much improvement during the spring sessions and played well, offensively and defensively.

Planutis is just coming into his own, Daugherty said. He is a naturally good defensive player and is beginning to run well also.

Speaking of Bolden, who had left the game early in the first quarter, he said the diminutive left half had a bad charley horse, and had had it for two weeks.

"It was only through his insistence that we let him play," the Spartan mentor added.

"He'll be already next fall if he isn't, my hair will be snow white by then," Daugherty said to wind up his post game interview.

# Spartans Make Sweep Of Weekend Games

## Take Over First Place In Big 10

By ED SLODINSKI

Michigan State's baseball team stormed into first place in the tight Big 10 race Friday with a 6-3 win over Iowa at Iowa City, then bolted the door Saturday with a doubleheader triumph over Minnesota, 8 to 5 and 6 to 2, at Minneapolis.

Last week's leader, Michigan, dropped to second place Friday when the Gophers' Paul Giel and John Walfrid combined to stop the defending champs, 3-2.

Walfrid blasted a tie-breaking homer in the ninth and Giel pitched a neat four-hitter. The Wolverines returned to their winning ways Saturday, beating Iowa, 8 to 5, and 6 to 2.

The Spartans, now leading the Big 10 with a 6-1 record, will meet the Wolverines in a crucial, do-or-die series opening Friday at Old College Field.

Saturday, these same two teams will move on to Ann Arbor for a doubleheader.

Against Iowa, the Spartans put together four singles, a triple, a walk and a passed ball for five big runs in the fifth inning to cut down a 2-1 Hawkeye lead and go on to win.

Dick Idzkowski, Hammond, Ind., junior, who relieved starter Dick Erickson in the first inning, was given credit for the win, his third, against two losses so far this season.

Idzkowski, a right-hander, gave the Spartans just two scattered hits in the eight innings he pitched. Erickson was belted out of the box after giving up three straight singles that scored two runs.

Merle Jensen pitched all the way for the Hawkeyes, allowing eight hits.

Home runs by Tom Yewic, Dick Powell and Ray Collard helped Sophomore Ed Hobaugh gain his fourth win of the season in Saturday's first game.

Hobaugh walked one batter, struckout six, and was tough in the pinch, although Gopher hitters tagged him for 11 safeties.

The Spartans broke in front with three runs in the second, added three more in the third, and one each in the fifth and sixth innings.

With one gone in the third, Yewic walked. Bob Williams popped to the Gopher shortstop for the second out, and Jack Risch singled to right, moving Yewic to third.

Risch then stole second. Capt. Jack Zeiler promptly blooped a single to left, scoring Yewic and Risch with the Spartans first two hits.

When the Gophers' leftfielder bobbled the ball, Zeiler made second safely. Hobaugh, a typical "hitting" pitcher, drove Zeiler home with run number three on a sharp single to right.

The Spartans put the game away in the third on sheer power. Collard homered to lead off. Then, after Powell was hit by a pitched ball, Yewic blasted a towering 400-foot homer over the right-centerfield fence, making the score 6-0.

Yewic led the Spartans 11-0 total with three for four, getting two singles besides his homer. Collard added a single to his round-tripper. John Matsock, Chuck Mathews, Risch, Zeiler, Hobaugh and Powell each collected one hit, to round out Michigan State's hitting punch.

Erickson returned to the hill for the Spartans in the seven-inning second game, and went the distance for his third Big 10 win in as many weeks.

Never in serious trouble, the Grosse Pointe senior fanned five and walked but one.

He was given a 1-0 first-inning lead when Collard beat out an infield single, and came home on Powell's line triple to center.

The Spartans made it 2-0 in the fourth, on Yewic's single to left, an error and Zeiler's sacrifice fly. Minnesota netted a run in their half of the fourth on a single and a double.

Michigan State made it 5-1 in the fifth on Mathews' lead-off single to left, a wild throw-fielder's choice on Matsock, Collard's single, a wild pitch and Dan Brown's single to center.

Fourteen of Michigan's State's 18 Olympic team representatives, dating from 1901 through the 1952 games, attended ceremonies honoring them at their alma mater's home football game of the 1952 season.

DICK IDZKOWSKI  
... stops Iowa ...

EDDIE HOBAUGH  
... buries Gophers ...

Minnesota came back with three in their half of the third, one in the sixth, and another in the eighth.

With two outs in the ninth, and the score 7 to 5, Powell ended the game's run, bled with a line drive homer over the leftfield fence.

Yewic led the Spartans 11-0 total with three for four, getting two singles besides his homer. Collard added a single to his round-tripper. John Matsock, Chuck Mathews, Risch, Zeiler, Hobaugh and Powell each collected one hit, to round out Michigan State's hitting punch.

## Wildcats Invade Today

## Badgers, Marquette Bow to Golf Team

Trailing most of the way, the Spartan golfmen came from behind late in the day to notch a 16-11 decision from the University of Wisconsin Friday.

The Badger linksters strolled off with a 6-3 advantage at the end of the doubles competition despite the opposition of Ken Rodewald and Bob Rivest. The two Spartans teamed talents in a notable 67 effort to give State a 3-0 whitewash. The victory marked State's lone tally in the event.

The State men found the range in the afternoon, collecting 10 points while distributing only 5 to the Badger swingers. The Spartans copped five of the six single duels. Hal Ware was the heavy hitter, turning in a par 72 for State as he carried off the medalist award.

Saturday, the linksters moved to Milwaukee to challenge the University of Marquette and were again met by frosty temperatures. But the chills had little effect on Coach Van Alstyne's crew as they warmed themselves with a 25-2 triumph over the Hilltoppers.

Back on home soil today, the linksters entertain the highly touted golfers from Northwestern. The red hot Wildcats boast a 21-6 dubbing of defending conference champions Purdue. The powerful Boilermakers' aggregation is a strong favorite to retain their crown.

Both Capt. Jim Pore and Dick Menzel were defeated once again; however, Coach Frank Herman said that they will both start winning soon, now that they have played against some top notch competition.

Pore, playing in the number one spot, lost to John Hironimus 6-3, 6-4.

Menzel was defeated by The Hoosier's Captain, Duane Gomer, 6-2, 6-3.

In the No. 3 singles, State's Dave Brogan won over Bob Martin, 6-4, 6-2. Martin won the Big 10 No. 3 singles championship last year.

Dean Britton defeated Don Barker, who was runner-up for the No. 5 singles crown for Indiana. The scores were 6-2, 6-2.

Arnie Hoffman lost in a three set match to Carl Dentice, 6-2, 6-10, 9-7.

John Brogan was beaten by Dick Bennett, 6-2, 6-2.

In the three doubles matches, State copped one while losing two.

The winners for State were the No. 3 team of Dave Brogan and Jim Bechum. They defeated Dentice and Bennett, 6-2, 6-2.

Menzel and Pore lost to Hironimus and Martin, 6-0, 6-2, while Britton and Dan Squire were beaten by Gomer and Barker, 5-7, 6-1, 6-3.

The Spartans will play their first home match of the season tomorrow, when they entertain the Wolverines.

In the 1952 MSC Indiana football game three Spartan backs—Billy Wells, Evan Sloan and Don McAuliffe—each gained more rushing yardage than the entire Indiana team.

Never in serious trouble, the Grosse Pointe senior fanned five and walked but one.

He was given a 1-0 first-inning lead when Collard beat out an infield single, and came home on Powell's line triple to center.

The Spartans made it 2-0 in the fourth, on Yewic's single to left, an error and Zeiler's sacrifice fly. Minnesota netted a run in their half of the fourth on a single and a double.

Michigan State made it 5-1 in the fifth on Mathews' lead-off single to left, a wild throw-fielder's choice on Matsock, Collard's single, a wild pitch and Dan Brown's single to center.

## MSC Beats Wolves in Soccer, 3-1

On a slippery soccer field last Saturday, the Michigan State Spartans upset the University of Michigan Wolverines, 3-1, in State's first intercollegiate soccer game of the year.

The Spartans won the toss of the coin and their captain, Humberto Arango, chose to center off.

The first half was clearly dominated by State. While scoring three goals, the Spartans held their opponents scoreless.

Shortly after the game began, Art Southern, an aggressive, speedy center forward, formerly of the Detroit Sport Club, headed State's first goal in from about two yards out on a pass from the wing.

With their goal being constantly bombarded by the Spartan forward line a Wolverine defenseman touched the ball with his hand in the 18 yard goal area. Taking the resulting penalty kick, captain Arango scored the second goal by nicely placing a slow kick to the left side of the goal.

About 10 minutes before half-time State tallied a third-time as Southern chalked up his second.

Midway in the second half with rain and hail pouring down, inside forward, Darío Vargas, scored the Wolverine's lone marker on a high shot to the left side of the goal.

Next week MSC is playing a return match with U of M at Ann Arbor.

Never in serious trouble, the Grosse Pointe senior fanned five and walked but one.

He was given a 1-0 first-inning lead when Collard beat out an infield single, and came home on Powell's line triple to center.

The Spartans made it 2-0 in the fourth, on Yewic's single to left, an error and Zeiler's sacrifice fly. Minnesota netted a run in their half of the fourth on a single and a double.

Michigan State made it 5-1 in the fifth on Mathews' lead-off single to left, a wild throw-fielder's choice on Matsock, Collard's single, a wild pitch and Dan Brown's single to center.

Fourteen of Michigan's State's 18 Olympic team representatives, dating from 1901 through the 1952 games, attended ceremonies honoring them at their alma mater's home football game of the 1952 season.

## Hold League Lead

# Tigers Edge White Sox In Overtime Contest, 3-2

By The Associated Press

The Detroit Tigers maintained their American League lead Sunday as Steve Gromek pitched an 11-inning 3-2 triumph in the first game of a scheduled doubleheader with the Chicago White Sox and the second game ended in a 0-0 standoff after 10 innings. Billy Pierce of the Tigers and Billy Hoefl of the Sox waged the entire scoreless second game, which was called because of darkness. Hoefl allowed six hits, Pierce nine. It will be replayed at a later date.

The Tigers, who assumed a percentage-point lead over the Sox by virtue of Saturday's 12-1 victory at Comiskey Park, advanced to a half-game advantage over the Chicago Club on Sunday's win, witnessed by 15,882.

Gromek, who has pitched five complete games and won them all, hurled a 2-2 standoff against Sandy Consuegra for the first nine innings of the opener, then won the game over reliever Virgil Trucks when Cass Michaels' bases loaded throwing error allowed the winning run to score with two out in the second extra inning.

Manager Paul Richards called on Trucks, the 35-year-old fireballer, after Consuegra was taken out for a pinch hitter.

Trucks set the Tigers down in order in the 10th but in the 11th Detroit loaded the bases with two out on Frank House's single and two walks. At this point, Harvey Kuenn hit a bounding ball to Michaels and the Sox third baseman threw wide to Nelson Fox in an attempt to force a runner at second base.

Never in serious trouble, the Grosse Pointe senior fanned five and walked but one.

He was given a 1-0 first-inning lead when Collard beat out an infield single, and came home on Powell's line triple to center.

riding to a 1-0 shutout win on the strength of Bill Kenna's fifth inning home run until the Yanks bounced back in the eighth inning of the second game.

The Yanks wrapped up the opener in the second and third innings on a combination of Trice's wildness and the home run power of Carey, Berra and Slaughter.

Two walks and Gil McDougald's scoring double set the stage for Carey's three-run homer in the second. A walk to Joe Collins preceded back-to-back homers by Berra and Slaughter in the third. It was Slaughter's first in the American League after hitting 146 during a long career with the St. Louis Cardinals in the National.

# School of Education Revision Approved

## Board Endorses Building Of Campus Fire Station

A reorganization of the School of Education, cutting to five the school's present eight departments, was approved Friday by the State Board of Agriculture.

Effective July 1, the changes approved Friday will affect the school's organizational structure. No appointments of department heads were made.

The five new departments will be foundations of education, administrative and educational services, teacher education, vocational education, and health, physical education and recreation.

The eight present departments are: educational administration and supervision, elementary education, secondary education, higher education, guidance and counselor training, vocational education, physical education, health and recreation for men, and physical education, health and recreation for women.

The reorganization provides for the appointment of two assistants to Dean Clifford E. Erickson. One will serve as an administrative assistant and the other will be in charge of student affairs.

The Board also authorized the establishment of a Bureau of Research and Service, effective July 1. The bureau will handle research, field work and the publication program for the school. The research bureau is expected to coordinate activities of the School of Education with the Extension Service, the Continuing Education Service and other MSC agencies.

The Board also provided that, if a divisional organization is approved for the whole university sometime in the future, each of the new departments will become a division.

There will be, however, no formal subdivisions or sections within the new departments. Departments may set up informal organizations to handle operations, subject to the approval of the dean.

In other action, the Board decided to cooperate with the city of East Lansing in financing a new fire station which will be built on campus.

The Board concurred in approval of a low bid of \$100,000 which was presented to the East Lansing City Council last Monday by Hugh Carpenter and Sons of Lansing.

The Board recommended that a \$99,000 fund for the elimination of fire hazards be used in the construction. The rest of the cost will be split between the college and the city. An additional \$5,000 of college funds will come from student housing accounts. May explained that the new station

## Freshman Wins Division Oration Prize

Gordon Zerk, Grand Rapids freshman, came one step closer to the \$1,000 national prize of the Hearst-sponsored Tournament of Orators when he won the junior division of the Western Michigan division last week.

Senior division winner was K. Don Jacobson of Hope College. MSC's senior division entrant was Carol Raftery, Detroit junior.

The two winning orators, judged best of a field of competitors from seven colleges, will go to Detroit today. There they will meet the two winners of the eastern Michigan division contest to decide the Michigan representative to the Milwaukee Zone tournament. The Milwaukee winner will be sent to Seattle for the finale.

Zerk received a \$50 bond for Tuesday's victory. The Detroit winner will be given a \$100 bond, and the zone contest carries another \$50 bond.

## New Bell

Two parents look at the new carillon bell prior to its dedication Saturday. Contributions from MSC parents made purchase of the bell possible.

## Pay Raises

(Continued from Page 1)

employees will go into effect with the pay period starting nearest July 1, said Philip J. May, treasurer of the Board.

The new scales will give hourly-rated employees making less than \$2.75 cents an extra four to six cents hourly.

Classified employees, who now get less than \$390 per month will receive increases of from five to \$15 dollars per month, depending on their classification.

Adjustments for faculty and other staff members will average about four per cent, the Board decided.

The Board action followed a legislative appropriations amendment passed late in the session which allotted \$314,000 for pay increases at MSC.

The pay-taise amendment was to bring pay rates at Michigan colleges and universities into approximate line with the rates granted other state workers by the Civil Service Commission.

The State Board also decided at Friday's meeting to hire a visiting nurse to check on employees taking sick leave.

The 65,000 hours of sick leave taken last year cost the college \$100,000, it was reported to the Board.

Although the nurse will help those who are ill, said Leonard Alexander, director of personnel, he hoped the four-and-a-half days of sick leave averaged by employees would be cut down.

WKAR to Feature Horn Players

Two baritone horn players and a tuba player will be heard over WKAR today at 2:15 p.m. Earle Louder will play "Beautiful Colorado" and Robert Fink, East Lansing junior, will interpret "Prelude Solo de Concert." Both will be accompanied by pianist Janet Berry, Tekamah, Neb., freshman.

## Fullbright

(Continued from Page 1)

could believe that time could be on the side of the opposition.

Fullbright called attempts to get rid of discredit the United Nations "unrealistic." "It is not possible," he said, "for us to draw within our shell."

The UN was not a solution, Fullbright declared, but a mechanism through which a solution can be achieved.

Until a better arrangement can be found for dealing with problems which have exploded beyond national boundaries, Fullbright said, the UN must not be abandoned.

Fullbright said he felt the Senate would restore the \$6 million cut made by the House in the State Department request for \$15 million for international exchange student programs.

Final decision on the bill, however, would probably depend on a Senate House conference committee, he said.

He sponsored the legislation which now makes up part of the two principal sections of the program.

Fullbright's speech was sponsored by student government as a part of International Week, which will continue until Sunday.

Block S Applications Available in Concourse

Anyone interested in signing up for Block S may do so today and Tuesday.

Tables will be set up in the Union Concourse.

## NEWS IN BRIEF

### Asks Hearings Cut

WASHINGTON (AP)—The McCarthy Army hearings go into their 13th day today, with a showdown moment for a new amendment to cut them short sought by Sen. Everett Dickson of Illinois.

### Plane Shot Down

HONG KONG (AP)—The Vietnam radio broadcast Sunday a claim that a Communist-led 16-to-20 engine jet shot down a French flying boat today by two Soviet-made anti-aircraft guns Thursday.

### Plot Uncovered

FREDERICKSBURG, Va. (AP)—Police Superintendent A. G. Kendall said Sunday police uncovered a reported plot against President Eisenhower's life.

### Cheerleading Squad Holds Meeting Tuesday

All persons, including coaches, interested in joining next year's cheerleading squad are urged to attend a meeting Tuesday in 312 Jensen according to Roger Walker, captain of the 1954 cheerleader squad.

## One of 10 From U. S.

## Farm Youth Delegate Returns From Pacific

Jack Crowner, International Farm Youth Exchange delegate from Dewitt, and former MSC student, has returned home after living with farm families in New Zealand for the past six months.

Crowner was one of 10 U. S. participants in the winter 1953 IEYE program who returned from Australia, New Zealand and the Philippines aboard the Queen Mary.

The delegates already have reported on their experiences to various organizations in Washington, D.C., including the National 4-H Club Foundation, Extension Service, Department of State and the host country embassies.

Crowner, who assisted with farm broadcasts from station WKAR while a student here, will give illustrated talks on his experience in the home and community activities of rural New Zealand to interested groups through out Michigan.

He was one of 117 rural youths selected from all over the United States to participate in the 1953 program in countries throughout Europe, Latin America, Africa, Asia, the Pacific and the Far and Middle East. In return, an equal number of farm youths from these countries came to the U. S.

## Student Bus Trip Announced for Holland Festival

Students wishing to travel to the Holland Tulip Festival Saturday may sign up in the Union board office today, according to Mickey Rogalle, Union Board special events chairman.

The trip, sponsored annually by the Board, will be made by chartered Greyhound bus. The cost will be \$3, and must be paid when registering, Miss Rogalle said.

The bus will leave the Washington office of the Union at 7 a.m. Saturday, and will return at approximately 7:30 p.m.

## Students to Present Sonata Over WKAR

Violinist Patricia Dengel, Saginaw senior, and pianist Hans Langford, Detroit graduate student, will present "Sonata in A Major" by Beethoven, Thursday at 2:15 p.m. over WKAR.

**GIRLS!**  
start as an  
Officer...earn  
\$270 a month  
with quarters  
furnished!

Women Medical Specialists are highly skilled, highly respected Army professionals in Dietetics, Physical Therapy, and Occupational Therapy. They begin their military careers as fully commissioned officers, serving humanity, their country and themselves.

After graduation, train for an exciting career in Dietetics, Physical Therapy, or Occupational Therapy with the U. S. Army. If you qualify, you will receive an officer's commission prior to training and earn a starting salary of \$270 a month with quarters furnished.

Women Medical Specialists work in the finest Army hospitals all over the world. They are part of a new group of young professional men and women, doing a job that is vital to the Nation and rewarding to themselves.

Join an elite profession. Start your career right as a Woman Medical Specialist in the United States Army.

## WOMEN'S MEDICAL SPECIALIST CORPS

## YOU CAN QUALIFY IF YOU MEET THESE REQUIREMENTS:

**For Army Dietitian**—A bachelor's degree with a major in foods and nutrition or institution management. If you have your degree or expect to receive it within 6 months, you may apply for a commission. You will receive a 12-month Army Dietetic internship approved by the American Dietetic Association and then be assigned to duty as a qualified Dietitian.

**For Army Occupational Therapist**—If you have a bachelor's degree with at least 15 semester hours in psychology, sciences or sociology or in any combination of these subjects, you may apply for a commission. You will take an Army Occupational Therapy course and then be assigned to duty as a qualified Occupational Therapist.

If you can meet the qualifications in any of these fields, you are eligible for the fine medical training offered in the Women's Medical Specialist Corps. To get the facts, fill out this coupon today!
