### Carnival Entertains Graduation Visitors

More than 1,000 Commencement Weekend and Alumni Day visitors turned out with their wives and daughters to the 1954 Water Carnival, based on the Shakespearean theme, "Forsooth and All That."

Beta Theta Pi and Chi Omega named McCarthy to win the first place trophies for "Much Ado About Nothing."

Excilbur, commencement's temporary tapped nine new members, presented its first "outstanding senior" award, and honored Prof. A. A. Applegate, head of the journalism department, as "an outstanding teacher."

Living units worked for two days on their floats, only to have a 1 1/2 day rain postpone the opening show. Campus police met "Watergate" on the muddy Red Cedar bank as they tried to enforce a three-blockade near Shaw Hall.

A crowded line of crumpled floats sat along the river Sunday morning, all that remained of "Forsooth and All That."
