

4 Spartan Gridders Ramp to 2nd Victory, 54-6

Frank Nauyokas: The Smile of Victory. State News Photo by Art Clendenen

By CHUCK MILAM
State News Sports Editor

"On to Michigan," is the battle cry for the Spartans, as they happily think back to the 54-6 win Saturday over Washington State, and anticipate the battle next week at Ann Arbor.

Meanwhile, the Wolverines beat Illinois, 14-7 to stay in the running for Michigan State's Big 10 crown. A victory over the Wolverines will knock them out of contention and make MSC's season a successful one.

The Spartans' conquest over Washington State held a note of personal satisfaction for many players, especially quarterback Al Fracassa.

The senior from Detroit Northeastern, one of the most popular Spartans, has worked and sweated in practice for four years without ever receiving much recognition for his effort. Saturday he got his reward: Fracassa passed, called signals and handled the ball as well as any other quarterback on the field as he directed the Spartans to their last two scores—contributing directly to both of them.

He entered the game in the last part of the third period and led the Spartans to a score two plays later with a nine-yard pass to Jerry Musetti.

The next time State got the ball, Fracassa directed the team

on a 75-yard scoring march in five plays—diving over from the one-yard line on a quarterback sneak for the touchdown.

After the game, Coach Duffy Daugherty gave the game ball to Fracassa.

Senior fullback Vic Postula, junior halfback Travis Buggs and Musetti also scored their first collegiate touchdowns in the game which resulted in a lot of back-slapping and congratulations.

One of the outstanding figures on the field was Co-Capt. Le Roy Bolden, who appears to have regained his old form after being handicapped most of the year with injuries.

He saw limited duty and carried the ball only eight times, but ran for 109 yards and a touchdown.

The Spartans scored early and often in the route as they ran up the second highest score ever recorded against the Cougars. The previous high was set by UCLA with a 61-0 win in 1922.

Washington State fumbled on the first play and John Matsock recovered on the Cougar 32. Three plays later, Matsock ran 16 yards for the first score slightly over two minutes after the kick-off. That was all of the scoring in the quarter.

In the second period, State widened the gap with three

more tallies while the Cougars were picking up their lone score.

Bert Zagers scored the second touchdown on a 19-yard run; two plays earlier, Zagers had taken a lateral from Earl Morrill down to the 15, in a play that covered 22 yards.

Buggs notched the third score on a 10 yard run, with Postula supplying the key block which took out two Cougars.

State squeezed in one more touchdown before the half ended, as Morrill hit John Lewis with a 40 yard pass.

It took only 52 seconds for the Spartans to score in the

Where Did They Start? 'Chain Letter' Fad Spreads

By GENE RITZINGER

Latest scheme designed to part Spartans from their money are "chain letters," a racket which promises a possible reward of \$10,240 for a \$10 investment.

The letters are now being circulated widely on campus, mostly by hand, but nobody seems to know exactly where or how they originally got started here. It is thought the letters may have originated at Notre Dame and the University of Wisconsin, but students at these schools report that they received letters from other colleges. The fad now involves almost all the large colleges in the east and midwest.

The scheme works like this: A person pays \$5 for a letter containing the names of 11 other persons. He sends an additional \$5 to the person whose name is on the top of the list, then moves all the other names up a box and inserts his own name in the No. 11 box.

He then sells two copies of the letter to two other persons, who repeat the process, and the scheme progresses similarly until finally there are 2,048 letters containing any one name.

When a person's name gets to the top of every list, he is supposed to receive \$10,240. There are a few files in the ointment, however. In the first place, names can be cut out and others substituted so that one person can get all the profits. In the second place, getting your name on the top of the list is no guarantee that the low man on the list will send you \$5.

Arnold Peterson, post office inspector for this area, said that chain letters of the type now being circulated on campus are technically a lottery and a fraud because they promise a reward which never materializes.

It is illegal to operate a lottery through the mail, and he said if a sufficient number of complaints were received by the post office department, an investigation would be started to get enough evidence to start a prosecution.

Dean of Students Tom King said Sunday that his office has received reports that the letters are being circulated on campus.

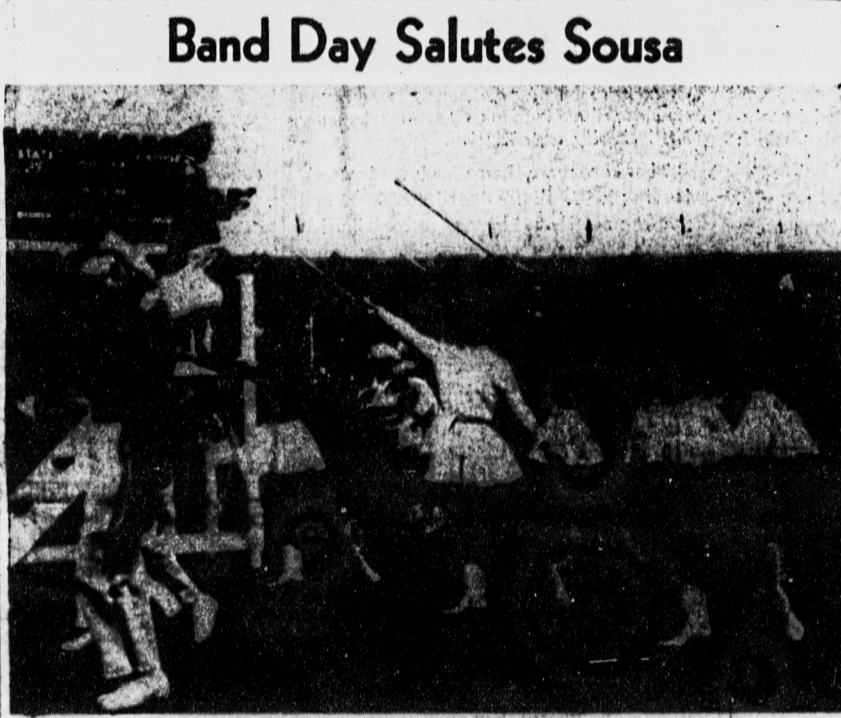

Takes 2 to Tango

By DELORES DOVER

"Take long, slinky steps," the instructor commanded, as he started the class out in time to the music.

Circling the Union Ballroom every Wednesday night are MSC students who are capitalizing on the dancing lessons sponsored by the Union Board.

The tango, with its "long, slinky steps," was being taught at the last meeting. To the strains of "Canto de Ausencia," students attempted the basic

High in 50's Temperatures To Remain at Weekend Level

Coeds can keep their knee socks in the drawer for another few days. Today's temperature will continue at its weekend high, 50 to 55 degrees.

The weather will remain mostly fair with westerly winds of eight to 12 miles per hour. Sunday night's low was a chilly 30 degrees.

Seniors Warned: Return Pic Proofs

Seniors have this week to return picture proofs at the Wolverine desk of the Union Concourse, Editor Burt Gerber announced.

Proofs from 1,000 seniors have not been returned. If the pictures are not turned in this week they will not be used in the book. Seniors must also fill out their activity card this week at the third floor Wolverine Office.

Last organizational pictures will be taken Wednesday night.

New Record Set Campus Chest Tops Goal With \$4,100

The \$4,000 goal of the 1964 Campus Chest drive was passed Friday, as the final donations were received from campus living units.

Although some donations still had to be counted, Jack Subar, chest director, said the donation total from last week's five-day drive would be well over \$4,100.

This total set a new record for Campus Chest drives at MSC. Last year's figure was \$2,000.92.

Funds raised during the drive came from dormitories, fraternities, sororities, co-operatives, campus solicitations, and individual donations.

The exact figure for the outdoor solicitations drive, held Tuesday and Wednesday, was \$1,145.34, as compared to last year's \$896.26.

Thirty-seven living units donated 100 percent of the amount they had pledged. All of the living units showed an increase in the size of their

One Killed In Bail-Out Over Japan

State Department Files Protest Note

TOKYO (AP) — A U.S. Air Force RB29 photo-mapping plane crashed Sunday on Hokkaido Island after it was fired upon by "two Russian-built MIG-type fighters," the Air Force said.

All 11 crew members of the four-engine plane bailed out. One died and the other 10 suffered minor injuries, the announcement said.

In Washington, the State Department said a protest had been sent to Moscow.

The Air Force said both attacking jets made two firing passes at the U.S. plane, "setting it afire." U.S. "crew members did not fire at the MIGs," the Air Force said.

The announcement did not say where the encounter took place. A report from Washington said it was on the east coast of Hokkaido, the northernmost Japanese island, near a disputed territory claimed by Russia, and that the parachuting crewmen landed in the water.

An Air Force spokesman later said in Tokyo that a Washington report that the crewmen had landed in the water was incorrect, but that he had no information on how one man was killed.

The attack, which the State Department said occurred at 12 noon Tokyo time Sunday, sent the U.S. Air Force plane crashing from 11,000 feet into a house near Numuro, in an area where there have been several similar encounters with fighters from nearby Soviet-held islands.

A State Department spokesman said the RB29 did not at any time leave Japanese territory.

The Air Force said here 10 of the 11 crewmen landed on the ground and the eleventh "was found dead."

The Air Force said the RB29 was on a photo-mapping mission and crashed on Hokkaido 10 miles east of the town of Kinebetu.

Its previous report listing 12 crewmen was incorrect, the Air Force said.

The 10 survivors were taken from the scene of the crash by an Air Force truck and C47 to their home station at Yokota Air Force Base near Tokyo, where hospital authorities said they were "in excellent condition." Their names were not disclosed.

No mention was made in a preliminary State Department report of a U.S. jet fighter which was reported to have crashed in the same area after the four-engine reconnaissance plane went down.

Joseph Reap, a department press officer, said a protest has been sent to the American Embassy at Moscow for delivery to the Soviet Foreign Ministry by Ambassador Charles E. Bohlen.

The RB29, Reap said, was "flying a routine mission on the east coast of Hokkaido" and did not at any time cross a line between Hokkaido and the disputed Habomai Islands.

'Little Brown Jug' Awarded to Sophs

Winners Take Canoe Race; Frosh Gain Tree Title

Sophomores gained possession of the "little brown jug" for the first time in five years Saturday as they beat the freshmen 240 to 223 in the annual Frosh-Soph Day contests.

The favored frosh were able to take a complete victory only in the tug of war—and that only by dint of superior manpower.

The sophomores won the canoe races, taking five out of six first places, and placing second in three of the six races. Freshman won the close cheering contest by three points.

Thursday's tree sitting contest, which did not count in the final score, was won by Freshman Class President Johnny Rogers, but it almost wound up a tie.

Both Rogers and Sophomore Class President Howard James stayed in the tree for over 13 hours. Both gave up at the same time, but Rogers was the technical victor because James' feet touched the ground first as they were getting down.

Bob MacKusick and Fred Mangol, a pair of powerful sophomores, were the main reason for the sophomores' domination of the canoe races. They ran away from the rest of the field in both the men's mile and men's half mile races.

Sophomores also took first place in the mixed race and in the women's half mile race, which was won by Sue Hess and Sally Gordon.

The "centipede race," which was changed from a mixed to a men-only event, had an unexpected finish. As the entrants from each class approached the finish line neck-and-neck, the over-loaded freshman cannot suddenly capsize.

Four wet and thoroughly disgusted freshmen were pitched into the cold Red Cedar, and the sophomores, who had trouble getting the program along, a complete

NEWS IN BRIEF

Anti-Red Group Urged

WASHINGTON (AP)—Sen. McClellan (D-Ark) said Sunday he is considering introduction in the new Congress next January of a resolution to set up a Senate-House committee to handle all Red hunting probes. It would have exclusive jurisdiction, displacing the Senate Investigations subcommittee headed by Sen. McCarthy, the Senate Internal Security subcommittee and the House Committee on Un-American Activities.

Gov. Bumstead Dies

DURHAM, N. C. (AP)—Gov. William Bumstead, 89, a former U. S. representative and senator who supported many New Deal measures, died of a heart ailment Sunday. He was the governor of North Carolina.

A Good Show at Last Block S Stunts Win Applause of Spectators

Colors flashed to near perfection in Macklin Stadium Saturday as Block S proved it could do a job and do it well.

Combined with one of the most impressive band performances seen at Michigan State in a long time, the Block put on a really good half-time show. While Michigan high school bands, led by MSC's Prof. Leonard Falcone, commemorated the 100th birthday of John Phillip Sousa, famous bandmaster and composer, and the MSC Centennial next year, the flash card section formed the traditional musical notes, Block S and Beaumont Tower. And this time, fans across the field could really tell what they were looking at.

Sure there were a few holes in the Block because members just didn't show up or came in late, but attendance was a lot better than it had been.

The reason for this attendance improvement is probably the new system of ticket

distribution which went into effect last week. For the first time students without Block S membership cards were allowed to pick up tickets in the section.

True, they had to wait until Wednesday to get their tickets, but that's the way it should be. Interested members should be able to get their tickets first. And then the uninterested should be replaced.

It worked fine, too. By Friday night all Block S tickets had been picked up.

And even the holes created by last-minute absentees were filled in. Four minutes before the half a call for students to fill the holes was issued. Most of the spaces were filled, too.

Block S chairmen have had a strong faith in their section. They have not always been proud of it, but now they can afford to be.

And they have given all Spartans something to be proud of. Applause following each stunt proved that.

Campus Chest Exceeds Goal

The MSC student body is wearing a feather in its cap these days.

It's the green feather of Campus Chest, whose annual fund-raising drive last week reached and surpassed its goal of \$4,000, the largest goal ever set for a Chest drive here.

More than \$4,100 was donated by students during the five-day campaign, which was conducted in all living units and outdoors on the campus.

The drive was record-breaking in other respects, also. Outdoor solicitations were at least a fourth higher than last year's. Many of the fraternities, sororities, co-ops and other living units reached 100 per cent of their pledged quotas.

Throughout the drive, cannisters stuffed with coins and bills poured into the Campus Chest office. The campus was alive with tags showing their wearers to be donors to the cause.

Evidence was everywhere that Spartans well understood the meaning of the little motto printed on the backs of the tags: "I Gave Through Understanding."

Because they did understand. They realized how much that dollar which might have been spent for a show or a shoeshine might mean to an Indian student whose home had been ravaged by flood, or a Negro boy who couldn't afford college, or the victim of a "hopeless" disease who hadn't given up hoping.

So they gave. And with their dollars, they showed that a successful charity drive on a college campus was possible.

That's not saying that the amount of donations couldn't have been bettered. It could have been, particularly when you consider that Campus Chest is the only MSC charity organization.

There are more than 15,000 students attending MSC. Divide that into \$4,000 and you can see that the average contribution wasn't really spectacular. Of course, there were many students who gave considerably more than the average. But there were many others, who could have afforded to, who didn't give at all.

As compared with previous years, however, this year's drive was a step in the right direction. And much of the credit for that step must go to the more than 900 Campus Chest workers.

From the director of the Chest down to the solicitors, everybody had a job to do, and they did it very well. The enthusiasm, hard work and co-operation of the drive workers was manifested in the success of the project.

Congratulations are due, then, to the students who gave their money and the workers who gave their time. Between them, they set a new pattern for campus giving.

Frosh-Soph Day Has New Spark

Frosh-Soph Day found itself this year. Enthusiasm and success marked the annual contest which has faltered so badly in the past few years.

A new time, new activities and new enthusiasm on the part of both planners and participants and a new winner added to the event.

For the first time, the contest between the two classes was held full term instead of in the spring. That in itself may have made the success since new activities could be coordinated with the football game Saturday.

The spirit shown by the cheerers of both classes at Macklin came close to being the best at any game this year. White and green pom-poms waved as the two groups tried to out-cheer each other.

Starting with a 13-hour tree-sitting contest between the two class presidents, the contest showed vast improvement over previous years.

Turn-out for the tug-of-war alone was about 200, quite a difference from last spring's 50 or so. And even the canoe races, usually down in attendance, had about 100 spectators.

And for the sophomores, the best thing about the whole day was proving that they weren't "illies" like the freshmen charged. For the sophomores won the "little brown jug" for the first time in five years.

Greens Top Whites In Frosh Tilt, 26-13

Kowalczyk Leads Way to 2nd Win

By DONN SHELTON

Working twice through the first half and twice on the ground in the second, the Greens beat the Whites, 26-13, in Friday's frosh intra-collegiate game.

The second win in two years for the Green Team. A pass and a 75-yard run secured for the two White scores.

The Greens scored first, on a 75-yard pass from quarterback Jim Nisowski to Joel Kowalczyk with Walt Kowalczyk leading the point.

In the second period, Mike Kowalczyk, second team Green signal caller, was trapped while passing but, a block by Kowalczyk eliminated two White players, enabling Panitch to get away.

Wynn Hepler, Green end, led the short pass and raced with the White secondary to a 40-yard run, to put the Greens ahead, 20-7.

In the third period White back Jim Wuff raced 75 yards for the score 20-13. The teams battled on even terms until late in the last period when Panitch intercepted a Green pass and, aided by Kowalczyk, faked to eliminate one player, raced 45 yards to the eight yardline.

In the next play, which was the last of the game, halfback Burgett raced around his end to score untouched.

Pro Scores

York Giants 30, Pittsburgh 14.
Chicago Bears 28, Green Bay 12.
Cleveland Browns 28, Washington Redskins 14.
Philadelphia Eagles 30, Chicago 14.
Los Angeles Rams 42, San Francisco 34.
New York 27, Baltimore 1.

Twas a Perfect Day Bands Invade Macklin

By ART UNDERWOOD

There isn't any doubt about it, Saturday was the day Spartans had been waiting for since the season started. Even the sun got in on the act in the closing minutes of the game and showed as brightly as the team, bands, and Block S.

The crowd of 45,848 got a look at "the old time Spartans" as Duffy's toughies came through, but some 1500 bandmen did their level best to steal the show in one of the greatest half-time shows Macklin has ever seen.

The introduction of the Annual Band Day was an unqualified success with the mass formation spelling out "Sousa Centennial, 1854-1954," while performing some of the stirring works of the top bandmaster of all time, John Philip Sousa. It was in honor of his 100th anniversary.

Changing formations to "Sousa's U.S. Field Artillery March," the combined groups then honored the forthcoming MSC centennial by spelling out "MSC Centennial, 1855-1955," followed by the playing of the Fight Song. MSC Marching band then took over with "MSC Shadows."

All through the brilliant band performance Block S was busy living up to expectations for the first time this year with a series of stunts that did much to restore the faith in the flash card section.

All in all from the program salute to Washington State to the closing victory dance of the MSC Marching Band, the performance must be termed excellent.

Coach Duffy Daugherty cleaned the bench and then some Saturday in the Spartan's 54-6 win. After a big lead had been built up, the Spartan coach started sending in everyone who was physically able to play, including some who weren't even on the program roster.

The 54 players who participated in the rout were:

Left End—Ellis Duckett, John Lewis, Dennis Mendyk and Ross Cope.
Left Tackle—Bandy Schrecengost, Lem Robinson, Ben Latronica, George Foggy and Marley Murphy.
Center—Fred Rody, John Matsock, Dave Goodell, John Falor and Ed Zahar.
Right Guard—Nash Ballough, Norm Masters, Jim Blauvelt, Ted Keppie, Leo Haldys and Les Rutledge.
Right Guard—Dale Hollers, Buck Nystrom, Al Lee, Chuck Alden and Frank Neumann.
Right Tackle—Richard Butsch, Carl Belmont, Wayne Langwin, Steve Foreman and Hal Pounding.
Back End—Don Knoch, Jim Hinesby, Chuck Fairbanks, Noel Dufe and Lucy Bernard.
Quarterback—John Matsock, Earl Mormal, Pat Wilson, Al Fracassa and Bill Smiley.
Left Halfback—Lobby Baldwin, Gerry Mussett, Budy Gaddini, Gary Love and Dick Spiller.
Fullback—Vic Frensch, Gerry Flannery and Ira Crenshaw.
Right Halfback—Dori Zagers, Charles Puka, Travis Suggs, Jim Miller, Loren Wall and Howard Grever.

BANDY SCHRECENGOST ... out for season ...

It was a tough game from the standpoint of injuries. Big Bandy Schrecengost, regular left tackle, is out for the season with a torn cartilage in his left knee. Last year the husky senior from Ford City, Pa., injured his right knee and was forced to have an operation on it before he could play this season. Now it appears his college career is finished, the result of making the key block for John Matsock's first touchdown early in the first period.

Matsock himself received a minor leg injury later in the first half that benched him for the remainder of the game.

Sophomore tackle Ron Latronica also picked up some bruised muscles in the second half and was forced to leave the game.

Big Norm Masters, junior guard, rounded out the injured list with a cut on his forehead that required seven stitches.

One Washington State player, Gerry Brockey, received a concussion during the game but over all the visitors from the Coast came out of the contest with little damage except to their egos. The visiting locker room was as cheery as a tomb after the game. Washington coach Al Kircher, a former MSC mentor, summed up the game by comparing it with last week's WSC victory over Stanford.

"We just played one hell of a lot better team than last week." He credited the MSC victory to superior speed but said that with a few "better breaks" it could have been a much closer game.

In the Spartan locker room the smiles reflected the score. Duffy had nothing but praise for all of his players.

"We used every able-bodied man," he said, "We got all the breaks."

The players presented Duffy with the game ball but the "Smiling Irishman" in turn gave it to "reserve quarterback Al Fracassa who capped a well called game with the first touchdown of his four-year college career in the final period on a quarterback sneak. He also threw a touchdown pass to reserve teammate Jerry Mussett in the third period for another of the Spartans eight scores.

The linemen broke into the running statistics in a big way with guard Frank Nauyokas, center Fred Rody and tackle Carl Diener picking off Cougar passes and returning them for 18, 18 and 10 yards respectively. To top off the linemen's day of glory in the third period Ted Keppie, Chuck Fairbanks teamed up on frustrated WSC quarterback Bob Iverson to drive him out of his own end for an automatic safety and two points.

AL FRACASSA ... At Last ...

The 'Big Green' became that in actuality Saturday as the team appeared in all green uniforms for the first time. Daugherty said "We're going to keep using them as long as we keep winning."

Los Angeles Rams Upset 49ers, 42-34

SAN FRANCISCO (AP) — Quarterback Norman Van Brocklin threw three touchdown passes and directed three more scoring strikes to lead the Los Angeles Rams to a 42-34 National Football League upset victory over the San Francisco 49ers before 60,000 at Kezar Stadium Sunday.

The defeat kept the 49ers from tying the Detroit Lions, who beat Baltimore Saturday night, for first place in the league's western division.

Van Brocklin's passing stole the show. In the second period, he threw one pass 26 yards to Elroy Hirsch in the end zone. In the third quarter, he tossed two more. One was good for 14 yards to Bob Boyd, good end. The other was a 46-yard shot to Hirsch who made a circus catch of the deflected ball and rambled over.

Ratterman, probably the highest-paid sub in pro football, connected on 10 of 11 passes of 206 yards and three touchdowns in his brief appearance.

Graham bruised his left arm and left the game deep in the second period with the Browns leading 13-3.

CHICAGO (AP)—The Chicago Bears blew a 14-point lead and then struck from behind with a pair of touchdowns in the final minutes of the fourth quarter to defeat the Green Bay Packers, 28-23, Sunday.

Sole possession of third place in the western division of the National Football League went with the victory.

DANNY KAYE in "Knock On Wood" — and — "Shark River" with Steve Cochran & Mathews

Veryl Switzer, a Packer rookie speedster from Kansas State who dashed 83 yards for a touchdown in the second quarter, set up the Bear rally when he fumbled a punt.

PITTSBURGH (AP) — Chuck Conery used deadly passing and the hard running of Eddie Price to guide the New York Giants to a 30-8 victory over a bewildered Pittsburgh Steeler team before 36,358 Sunday.

The Giants moved in front at the start and steadily increased their lead in a drive which put them in a tie with the Philadelphia Eagles for the National Football League's eastern division lead.

PHILADELPHIA (AP) — The Philadelphia Eagles mixed a consistent running attack with Bobby Thomson's timely aerials to whip the Chicago Cardinals and their one-man gang, Ollie Matson, 30-14, Sunday.

A crowd of 21,963 saw the Eagles hold on to a tie for first place in the National Football League eastern division with the New York Giants, who trounced the Pittsburgh Steelers Sunday, 30-6.

The Eagles snapped a two-game losing streak in dealing the Cards their sixth loss in seven games.

Turncoats Said to Have Easy Life

1 American Reported Dead

OKLAHOMA CITY (AP)—The American GI's who spurned their native land for communism after the Korean War are living a life of ease in China, the mother of one turncoat said last week.

Mrs. Carley Jones, a Holiness preacher, told the Oklahoma City Times she had corresponded regularly with her son and he painted a glowing picture of life under communism.

Mrs. Jones said her son, Pfc. Samuel David Hawkins, wrote that one of the famous 21 who refused repatriation has died of a heart ailment.

She identified him as Sgt. Rufus E. Douglas, San Angelo, Tex., and said her son told her he was buried with high honors by the Red government in a white vault bearing the inscription of "American hero."

Pfc. Hawkins, captured by the Chinese in Korea shortly after his 17th birthday, is attending Peking University "and has everything he wants," his mother said.

German Prof To Speak in Music Aud

Prof. Erich Hylla, director of the Institute for International Educational Research, Frankfurt, Germany, will speak on the topic "Education in Post-War Germany" at a public lecture tonight at 8 in the Music Auditorium.

Prof. Hylla, who is visiting the MSC campus today through Wednesday, will be the guest of Dr. Victor H. Noll, of the foundations of education department, and Dr. Harold Anderson of the psychology department. Both MSC men worked with Prof. Hylla while in Germany.

Football

(Continued from Page 1)

second half. Zagers ran the kick-off to the Cougar 29, and Bolden finished the job on the first play from scrimmage.

An 89-yard march in 10 plays produced the sixth score.

A 33-yard pass from Morrall to Co-Capt. Don Kautz and a 31-yard dash by Bolden were instrumental in the march which Postula climaxed with a 13 yard run.

After the kick-off, Carl Diener got the ball back in a hurry when he intercepted a pass and ran it back 10 yards to Cougar 14.

Fracassa entered the game at this point. On the first play he sent Clarence Peaks through the line for five yards, and then passed to Musetti.

Fullback Jerry Planulis, who does most of the Spartans point-kicking insisted that Fracassa have a try. Fracassa had knelt on the ground to hold the ball, but Planulis handled him like a "dutch uncle," and Fracassa ended up attempting the conversion, which was just short.

After the kick-off, which the Cougars fumbled, with Morley Murphey making the tackle, State had scored again in two plays.

With the ball on the 13, Washington State lost five yards on a fumble. Cougar Quarterback Bob Iverson then dropped back into the end zone to pass, and Ted Kepple and Chuck Fairbanks encouraged his direction of travel. Iverson wound up passing outside the end zone for a two-point safety.

With Howard Graves, Lou Costanzo and Rudy Gaddini running the ball, Fracassa piloted the team 75 yards for the final tally.

WASHINGTON (AP)—Sen. McCarthy voiced doubt Sunday that leaders of his own party will vote to censure him when the Senate returns today for an extraordinary session to take up the charges against him.

He renewed his prediction, however, that the censure move will carry, saying his opponents have "plenty of votes" lined up. He denounced the whole proceeding as "a lynching party."

McCarthy gave his views in a CBS televised interview on the eve of the Senate's resuming its 1954 session to consider a special committee recommendation that he be censured on three counts of conduct unbecoming a senator.

He said he would make public his financial affairs only if all other senators bare their finances, too.

"There'll be no rule that applies to McCarthy only," he said.

Scientists believe that no people on earth is without the ability to use fire.

McCarthy Claims He'll Be Censured

WASHINGTON (AP)—Sen. McCarthy voiced doubt Sunday that leaders of his own party will vote to censure him when the Senate returns today for an extraordinary session to take up the charges against him.

He renewed his prediction, however, that the censure move will carry, saying his opponents have "plenty of votes" lined up. He denounced the whole proceeding as "a lynching party."

McCarthy gave his views in a CBS televised interview on the eve of the Senate's resuming its 1954 session to consider a special committee recommendation that he be censured on three counts of conduct unbecoming a senator.

He said he would make public his financial affairs only if all other senators bare their finances, too.

"There'll be no rule that applies to McCarthy only," he said.

Fresh Soph

(Continued from Page 1)

their canoe moving the right way, backed into victory.

In the test of war, 75 fresh men easily over 40 veterans and sadly undermanned competitors. The sophomore tried to put up a good battle, but it was really no contest as the fresh took the first two pulls easily.

The cheering contest at the game was the main event of the day and the closest of all the contests. President Hannah, Dean of Students Tom King and Athletic Director Biggie Munn were the judges of this event, and they gave the nod to the frosh, 136 to 135. Judging for this event was based mainly on noise. Waving of green and white pompoms also figured in the scoring.

James, happy over his class' victory, had words of praise for his opponents. "They gave us a tough battle," he said, "and I don't think next year's frosh will have a chance against them."

Scientists believe that no people on earth is without the ability to use fire.
