

## Students Do Work'

### O'Connor Raps Hannah Action

Joseph G. O'Connor (D-Detroit), a member of the Educational Institutions Committee let fly an attack on President John A. Hannah Thursday.

### Pamphlets To Explain MSU Claim

### 10 Reasons Cited For Name Change

By GENE RITZINGER

Student Government President Bill Hurst announced Thursday that pamphlets, containing ten reasons behind Michigan State's proposed name change, will be made available to students by Wednesday.

The pamphlets, titled "Michigan State—College or University?" the pamphlets were prepared by students to give State students their parents the clear background behind State's name change program.

One of the questions answered in the pamphlets is the already disseminated statement by President John A. Hannah and the State Board of Agriculture.

Precedents for the name change are also noted, and the pamphlet also states that "every state has institutions bearing similar names" and mentions California, which has six universities of California's, plus University of Southern California.

The pamphlet states "all other institutions in the Western Hemisphere with which Michigan has close academic, as well as athletic, associations bear the name 'University'."

It also states that all land grant institutions in this region with which Michigan State works closely bear the name "university."

The pamphlet continues the pamphlet, "the institution from which the name and grant system was patterned carries the word 'university'."

James H. Denison, administrative assistant to President Hannah had no comment on O'Connor's remarks. Rep. John J. McCune, (R-East Lansing), sponsor with 13 others of the name change bill in the Legislature, said he could not believe O'Connor made such a statement.

O'Connor himself could not be reached for further elaboration on his statement Thursday night.

O'Connor's remarks followed by one day derogatory statements made against Michigan State students by Robert C. Morgan, assistant secretary of the U of M alumni association.

Morgan said State students could do some good. Persons who have exhausted their resources, money and hope are the ones they try to help.

Under our democracy a person is believed innocent until proven guilty. But once he is found guilty, all presumptions of innocence are gone, Snyder said.

"There is no such thing as an automatic appeal to the Supreme Court of a state," said Snyder. "To appeal a case takes a lot of money and an innocent person may be prevented from appealing because of a lack of money."

Here is where the help of the court of last resort can help, Snyder said.

O'Connor accused Dr. Hannah of "sitting in an ivory tower while students do all the dirty work in seeking to change Michigan State College's name."

He also said U of M President Harlan Hatcher wrote letters to the Legislature last year and this concerning the U of M's stand while Dr. Hannah isn't doing anything and "should fight for his convictions."

Dr. Hannah, reached in Grand Rapids where he was making a speech, declined to comment on O'Connor's remarks until committees of the State Board of Agriculture, State's governing body, and the U of M's Board of Regents meet.

The two committees are scheduled to meet March 17 at the Hotel Olds in Lansing.

In his speech to the Grand Rapids State alumni, Dr. Hannah said Michigan State wants recognition as a university because that is what we are and what we have been for 75 years.

One advantage of the proposed change would accrue to graduates. "Our foreign students have trouble in their countries the worst college often means high school," he stated.

Also, the college designation has handicapped the institution in recruiting faculty members, he added. Educational accreditation agencies likewise are reluctant to endorse professional training at State because of the College designation, Pres. Hannah said.

"Any solution, to be acceptable to State, must retain the Michigan and State designation," he asserted.

Vice President Durward B. Varner would say only that he believes the "position of the administration of this institution has been made abundantly clear in the State Board of Agriculture's original statement to the Legislature."

He was referring to the Board of Agriculture's statement of Feb. 18, in which the board stated it would welcome a name change for State, and outlined reasons behind the desire.

O'Connor himself could not be reached for further elaboration on his statement Thursday night.

O'Connor's remarks followed by one day derogatory statements made against Michigan State students by Robert C. Morgan, assistant secretary of the U of M alumni association.

Morgan said State students could do some good. Persons who have exhausted their resources, money and hope are the ones they try to help.

Under our democracy a person is believed innocent until proven guilty. But once he is found guilty, all presumptions of innocence are gone, Snyder said.

"There is no such thing as an automatic appeal to the Supreme Court of a state," said Snyder. "To appeal a case takes a lot of money and an innocent person may be prevented from appealing because of a lack of money."

Here is where the help of the court of last resort can help, Snyder said.

"Thousands upon thousands of applications have been received by this group," said Snyder. "If we could hire three or four good investigators many more cases could be handled."

The men who compose the court of last resort can help, Snyder said.

### Last Resort Court Hailed By Snyder

By BETTY SUGI

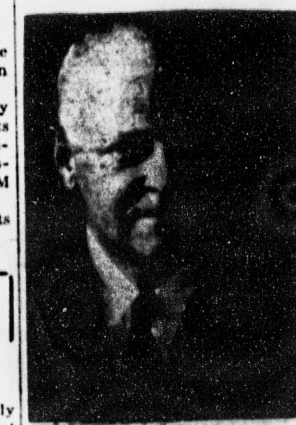

"For what is so important as the Administration of Justice?"

The proper administration of justice is an ideal to the five men who compose "The Court of Last Resort."

Dr. LeMoine Snyder, Lansing medico-legal expert and a member of the "court," spoke Thursday night on the work and aims of this group.

"The conviction of an innocent person is a double crime," said Snyder. "The innocent person is both deprived of his freedom and punished for the crime of another."

"The Court of Last Resort" takes the defense in cases where they believe justice has not been done and where they feel they

## 2-Headed Calf Sets Life Record

Survives 5 Days, Dies at Giltner

By DEBBY HALL

A two-headed calf made history Thursday at Michigan State when he died after a five-day record of survival. "It was the most extraordinary case I have ever seen," said Gabel H. Conner, associate professor in veterinary surgery and medicine. The foetus, which arrived at State Wednesday from a Fowler farm, for further examination. Diphemia is the medical term applied to such a condition, Conner said.

"Two-headed animals are rather common," Conner declared. "But this case was exceptional since the animal exceeded the usual life span of such cases." He said they ordinarily live only five minutes after birth.

When doctors examined the female calf at the animal clinic in Giltner Hall they found it perfectly normal. The body of the animal was not unusual but the two heads were joined near the eyes.

The calf had two distinct jaws and nostrils but only two ears. Milk was the only food administered to the animal through nipple bottles.

Spasmodic breathing seemed to endanger the life of the animal, Conner said. "We were afraid of pneumonia at first and found the calf had very poor muscle coordination."

The calf was born on a farm in Fowler, Route 2. It was owned by Mark Koenig, knicker, who brought the animal to State after following the advice of a local veterinarian. Koenig's assistant, entering the freak animal in a circus sideshow if it survived.

## Cold on Way Balmy Days, Light Breezes, Ah, Spring!

A colder, cloudy weekend was the weatherman's verdict. With a high today of 50-58 it's almost spring fever weather, but not quite warm enough for sunbathing.

Looks like we won't be able to compete with Chicago though, the windy city enjoyed a 76-year record breaking high of 70 degrees Thursday.

## Final Staff Meeting

The State News will hold its last editorial staff meeting of the term Saturday morning at 10:30 in the State News city room.

## 'All the News That Fits'

### Comm Skills Plays Role of Newsstand

By JACKIE OLDHAM

The Claire County Cleaver and The Mears News.

La Prensa and the London Times.

News hot or cold or slightly pink—take your pick and you can probably find what you prefer in news writing at one of the Communication Skills buildings on south campus.

Students may find their home-town papers among the 103 weeklies and 120 dailies covering the walls.

Even foreign students can find news of home. Twenty-four foreign and foreign-language newspapers also are on exhibit. Iranian news, the Manila Times, the Sydney Morning Herald and the English language India Times show "all the news that's fit to print" from

U.S. Fifth Infantry Division men, on a night firing problem, are part of the "fair share" of forces America now maintains in West Germany.

## Michigan Schools

### Coleman Plan Tells Need for Expansion

By JERRY JENNINGS

The fate of Michigan State and other Michigan educational institutions in the light of soaring college enrollments was discussed by State Sen. Creghton Coleman (R-Battle Creek) Thursday night in the Union.

## Iowa Claims

### Unlick Those Centennial Stamps, Boys

WASHINGTON (AP)—The post office department, says Rep. Schwegel (R-Iowa), has made a "gross error of historical fact" in listing Michigan State and Pennsylvania State Colleges as "first of the land grant colleges."

Not so, Schwegel contended Thursday. Iowa State College was first, he said.

Iowa was the first state to accept the terms of the Land Grant College Act of 1862 and, in September of that year, designed Iowa State College to be its Land Grant College, Schwegel said in a statement.

Schwegel said a Centennial commemorative postage stamp issued Feb. 12 bore the names of Michigan State and Penn. State and the notation "First of the Land Grant Colleges."

The Land Grant College Act, he said, was not passed until seven years after these colleges were founded in 1855.

The knotty problem of expanding Michigan college facilities to handle this increase, Coleman said, is being studied by members of the Legislature. Several solutions have been proposed, among them:

1. Giving state funds to privately-supported to church colleges, to allow them to expand their facilities.

Coleman objected to this plan on the grounds that it would narrow the traditional gap between church and state, and might shake the academic freedom of the private colleges.

2. Setting up numerous junior colleges, with two-year terminal courses, around the state. "Junior colleges are not a panacea," Coleman said, "unless they can be developed in step with the private school system. He said they might harm the

## Forces Stay To Block Communism

### Plan to Encourage German Armament

WASHINGTON (AP)—President Eisenhower pledged Thursday the United States will continue to maintain a "fair share" of its land, sea and air forces in Europe to guard against Communist attack.

In a special message to the Congress of seven European allies, the President said he will keep American troops in position and around Europe, while a threat to that area exists.

This pledge, one of six made public by the White House, was aimed at providing European countries to speed up parliamentary approval of arrangements for rearming West Germany, in line with the London-Paris agreement nearly six months ago.

The promise was designed to allay any fear in France, for example, that when German armed strength is added to that of other European nations, the U. S. would take its troops off the continent.

Some six divisions of American troops are now stationed throughout Western Europe, most of them in West Germany.

Backing these troops up are 13 wings of American bombers, fighters, transport and troop carriers, and the U. S. 6th Fleet in the Mediterranean.

The President's new pledge, addressed to the leaders of Britain, France, West Germany, Italy, Belgium, the Netherlands and Luxembourg, was intended to replace a similar policy declaration made last April 16.

This passed after earlier plans for bringing West German armed forces into the European Defense Community collapsed because of French opposition.

In reaffirming American intentions of having in Europe the President noted that agreements made in London and Paris last September would enable West Germany to make its appropriately measured contribution to peace and security.

The new plan for controlled German rearmament is called the Western European Union. Of the seven member countries, only Britain has completed parliamentary ratification.

Italy, France, West Germany and Belgium have won approval of their lower houses of Parliament. Luxembourg and the Netherlands have taken no action yet.

The timing of the President's message was obviously designed to exert maximum effect upon the French Council of the Republic, which expects to debate the measure later this month.

By stressing U. S. readiness to continue maintaining forces in Europe, the President hoped to make it clear German troops are not intended to replace American manpower in the area.

the Michigan Journalism De-  
velopment Council.

## Forecast: Sunny?

"The paper said it would be warmer today."

## Madrigals to Re-Sound

The Music Auditorium will sound like the royal court  
of Elizabeth I. Sunday.

A concert of the music of William Byrd, the English Renaissance composer, will be presented by the Madrigal Singers of the University of Michigan. The program will include Byrd's "Mass for Four Voices," "The English Madrigal," and "The English Lute Song." The concert will be held at the Music Auditorium on Sunday, March 17, at 8 p.m. Tickets are \$5.00 and \$2.50.

## KKK to Present Chorus Quartet

Four quartets will get to-  
gether for a musical show at 2:15  
p.m. on March 16. The quartets  
will be: "The Four Seasons,"  
"The Four Elements," "The Four  
Humors," and "The Four Ages."

The quartets will consist of Sus-  
anne Mason, junior, Karen  
Laurie, sophomore, and  
Susan Loring, sophomore, and  
Susan Loring, sophomore.

## Secretary Named

Miss Sue Leitchman, sopho-  
more, has been named as the  
executive secretary for the  
government department. She  
will be working under the  
supervision of the department  
head.

## Group Rejects SG Activities Scholarship

Michigan State's scholarship  
committee rejected the activities  
scholarship sponsored by student  
government Thursday.

Dean Tom King, speaking for  
the committee, said, "No funds  
are available for such a schol-  
arship."

The scholarship plan was pre-  
sented to Robert J. Stewart, di-  
rector of scholarships, last week  
by a scholarship student govern-  
ment committee.

The scholarship would pro-  
vide for one term's tuition for  
a junior and a senior, well-  
known in extra-curricular ac-  
tivities.

Stewart explained that the schol-  
arship as it stands "promotes  
service for service's sake." This  
was not the original intention of  
student government, he added.

Stewart suggested that the grant  
be adopted with student govern-  
ment funds. He also asked that  
the point average qualification be  
lowered to include more students.

"Most students with a 2.6 grade  
average and active in student or-  
ganizations already hold a schol-  
arship," Stewart pointed out.

Sharon Johnson, Lansing sopho-  
more and chairman of the schol-  
arship committee, said she will  
meet with her committee at the  
beginning of spring term to dis-  
cuss the matter.

## Veterinary Group Initiates Members

Thirteen seniors, six juniors  
and three faculty members were  
initiated into the Zeta Chapter of  
the Society of Phi Zeta, the na-  
tional honorary, Wednesday.

Clyde F. Cairy, professor of  
physiology and pharmacology,  
conducted the initiation ceremony.

## STOP HERE FOR LUCKY DROODLES!

### WHAT'S THIS?

For solution see  
paragraph below.

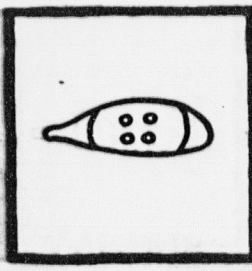

YOU'LL GET A BANG out of the Droodle above. The title is: Daredevil enjoy-  
ing better-tasting Luckies just before being shot from cannon. Luckies are  
going great guns everywhere. The reason for their booming popularity is  
simply this: Luckies give you better taste. They taste better, first of all,  
because Lucky Strike means fine tobacco. Then, that tobacco is toasted  
to taste better. "It's Toasted"—the famous Lucky Strike process—tones up  
Luckies' light, mild, great-tasting tobacco to make it taste even better . . .  
cleaner, fresher, smoother. Enjoy yourself when you smoke. Have a little  
fun. Light up the better-tasting cigarette . . . Lucky Strike.

DROODLES, Copyright 1963 by Roger Price

### COLLEGE SMOKERS PREFER LUCKIES!

Luckies lead all other brands in  
colleges—and by a wide margin—  
according to an exhaustive, coast-  
to-coast college survey. The No. 1  
reason: Luckies taste better.

Better taste Luckies

LUCKIES TASTE BETTER CLEANER, FRESHER, SMOOTHER!

### Big 10 Scoring Title Goes to Schlundt

Don Schlundt, Indiana's great All-American center, won the Big 10 scoring for the third straight year.

Official statistics released Thursday show that Schlundt finished the 1954-55 season with a Big 10 average of 28.3 points per game.

### Canadiens Tie Maple Leafs

By The Associated Press  
Montreal added a single point to its National Hockey League lead Thursday night by battling to a 0-0 tie with Toronto.

The point gave the Canadiens a four point spread over the second place Detroit Red Wings, who were idle.

Fourth place Boston lost a point to the Maple Leafs, falling to Chicago, 3-2. The Bruins are three points out of third place.

The shutout by Toronto's Harry Lumley leaves him two goals up on Detroit's Terry Sawchuk in the Vezina trophy race; Lumley has played one more game.

Both Montreal and Detroit are active Saturday, the Wings hosting Chicago and the Canadiens playing at home against Boston.

Exhibition Baseball Scores  
Boston 6, Washington, 3

## At Jenison Saturday

### State Hosts AAU, Prep Contests

Michigan State will act as host this weekend to two Michigan AAU championships and two high school championships.

The two AAU events are speed-skating and gymnastics while Michigan high schools will be competing for the wrestling and swimming titles.

Two hundred Michigan skaters will take to the ice tonight in hopes of winning State indoor speed-skating titles. Preliminaries will start at 5:30 p.m. and finals at 8 p.m.

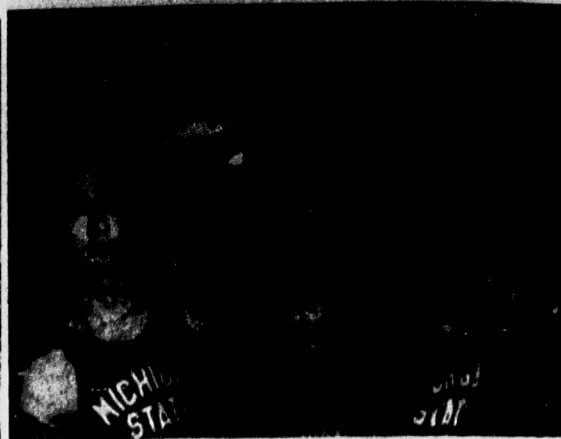

Admission charge for the events is 75 cents. Saturday will find junior high, high school and collegiate gymnasts competing in the Michigan AAU gymnastics meet. Starting time for the meet is 1:30 p.m.

Lansing Eastern and Dearborn Fordson will be out to defend their wrestling and swimming championships respectively as preliminaries for both events begin tonight.

Action will continue all day Saturday at Jenison Fieldhouse, and the finals will be held Saturday night.

### Sacred Ground

By DONN SHELTON  
State News Sports Editor

Whenever the Spartan track team journeys to an invitational track meet, the mile relay team enters the University Mile Relay.

As yet there is no record of anyone squawking about a so-called college entering the university class. In fact, State would have a tough time getting into the college class.

If the distinction was made on name alone, the Spartans would be unable to compete against the rest of the Big 10 schools, all of whom are called universities.

Even U of M track coach Don Canham hasn't seen fit to howl at the Spartan encroachment on the sacred university territory.

The trackmen this weekend go to the Milwaukee Journal Games. On the team itinerary, 10 a.m. Saturday is reserved for the track team to "look over curves."

I know several guys who have been looking at curves for years—and they aren't on a relay team, either.

In the Purdue yearbook in the Wolverine office, the headline for the 1953 football season read, "Well, We Downed Michigan State and Indiana."

A whole gallery of gridders showed up to cheer Johnny Matsock in his emcee role with the Union Board variety show Wednesday.

And they groaned the loudest when Johnny related how he had almost been killed at the "lunch time" intermission.

Seems he went into an antique shop and asked, "What's new?"

### Four Men Undefeated For State

Two Exhibitions Added to Card

Four Spartan boxers undefeated this season will place their unbeaten streaks on the line against the Michigan State team Saturday night at 8 p.m. in Jenison Fieldhouse.

In a first round bout, Choken Maekawa will meet George Sissini, who has won 14 straight fights. The two will meet in a second round bout.

Leading off for the Spartans will be John Butler, who has won 12 straight fights. He will meet John Butler, who has won 12 straight fights. He will meet John Butler, who has won 12 straight fights.

State's Bob Mullin will be the last man in the line. He will meet John Butler, who has won 12 straight fights. He will meet John Butler, who has won 12 straight fights.

You'll Cheer Their Wonderful Love Story

*Words Fail Me!*

I wish I had the talent to write an advertisement worthy of this attraction... one that would cause every man, woman and child in Lansing to see it.

The usual adjectives simply do not fit this movie and they cannot describe the feeling you will have when you see it. It is a human, down-to-earth story... filled with thrills and tenderness—laughter and heartiness—about real people whom you will love and remember.

Far and above any other claim which might be made for this outstanding motion picture, it is wonderful entertainment. I am happy and privileged to bring it to you.

Sincerely,  
Jack Eberhard  
Manager

## Gosper to Run in 600

## 11 Thinclads Off to Milwaukee

The Spartan track team, fresh from last week's surprise showing in the Big 10 championships, will send 11 men to Milwaukee, Wis., to compete in the 1955 National Collegiate Athletic Association track and field championships. The team, coached by Coach John G. "Red" Hays, will leave for Milwaukee on Saturday morning, March 12, and will arrive in the city on Sunday, March 13.

The meet, which will be held Saturday evening, features some of the top track competition in the nation. Heading the Michigan State entries is Capt. Kevan Gosper, British Empire and Big 10 440-yard finalist, who will run in the 600-yard run. The conference

## Spartans Capture Billiards Title

Michigan State took team honors and Bob Strange took individual honors in the intercollegiate straight-pool billiard tournament. The Spartans took the team title scoring 190 points. The University of Texas was second with 137.

Strange scored a total of 73 points for the individual title, seven points ahead of runner-up Bob Blackman of Utah.

Along with Strange, the State team consisted of Genaro Diaz and John Beaudette.

SAVOLDI

The Spartans have strong entries in the high jump with two unattached men, Doug Stuart and Don Hillmer. Both have jumped 6'6" and will battle the Big 10 co-champion Mark Booth for the title.

Freshman Henry Kennedy is entered in the collegiate mile and will attempt to lower his 4:13.5 best. Opposing him will be Deacon Jones, Iowa freshman who, two weeks ago, ran a 4:11.5, and

Michigan's Danish import Geert Kiedstrup.

Selwyn Jones, Canadian distance runner, will run unattached in the two-mile and is expected to meet top-flight competition in Olympic champion Horace Ashenfelter.

Chuck Cokerell is entered in the pole vault and will attempt to better his newly established varsity record. He is expected to meet the Big 10 champion Dale Foster, Don Laz and the Olympic champion, the Rev. Bob Richards.

Bob Brown, Tom Flynn, Dave Hoke and Gosper will compose the mile relay team that will run against the Big 10 champions, Indiana, and runner-up Michigan.

## 'Mural Hi-Lights

The weekly recreational program held Friday nights will be cancelled this week, according to Director Frank Beeman.

The cancellation is due to the AAU and high school championship which take place on campus this weekend.

Beeman stated that plans are still uncertain as to whether the program will be continued next term.

## Tigers Bow To Phillies In Opener

Phillies Rally With 3-Run Eighth

CLEARWATER, Fla. (AP)—The Philadelphia Phillies rallied for three runs in the eighth inning Thursday to defeat the Detroit Tigers, 4-2, in an opening exhibition baseball game.

Jim Stump, Lansing, Mich., rookie and the third Tiger pitcher, was marked with the loss after Duke Maas and Bob Schultz held the Phillies to one run for the first six innings.

The Tigers were held to five hits by pitchers Robin Roberts, Herman Wehmer and Tom Cagan, who pitched three innings each for the Phillies. Philadelphia collected seven hits.

Detroit shortstop Harvey Kuenn opened the game with a triple off Roberts. But Roberts, who won 23 games last season in the National League, struck out the next three to leave Kuenn stranded on third.

J. W. Porter, in his first appearance in a Tiger uniform, slammed a three-run line drive off the centerfield fence to open the second inning. The rookie left fielder came in on catcher Red Wilson's single to left.

The Phillies tied the score in the third when Granny Hamner made first on Wayne Beland's throwing error and came around to score on Del Ennis' double to right center.

A walk to Wilson, an error by Phillies third baseman White Jones and an infield hit by Kuenn gave Detroit its 2-1 lead in the fifth.

Stump had an easy time in the seventh before going to pieces in the eighth. He loaded the bases on singles to short stop Granny Hamner and Ennis and a walk to Smokey Burgess before Jones hit a two-run double to right. Marv Baylock followed with another pass before Luis Ortiz deep fly to Porter scored Burgess.

The game drew a crowd of 4,209 into the new \$500,000 Clearwater Ball Park named for Jack Russell, one time Tiger pitcher.

## SPORTS IN BRIEF

### Hack Boss Fined

NEW YORK (AP)—President Maurice Podoloff of the National Basketball Assn. Thursday fined Ben Koerner, Milwaukee Hawks' president, \$200 for "physically threatening" referee Jim Duffy during the Syracuse-Milwaukee game March 4.

### Fish to Head N.A.A.

KANSAS CITY (AP)—E. D. Gus Fish, basketball coach at Emporia State College, Emporia, Kan., was elected president of the National Association of Intercollegiate Athletics Thursday.

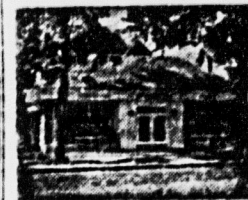

### Indians Hire Veeck

TUCSON, Ariz. (AP)—Bill Veeck, former president of the Cleveland Indians' baseball club, Thursday officially rejoined the organization as a scout in the Western area. General manager Hank Greenberg announced the appointment of Veeck to a salaried position. Veeck, 44, was president of the Indians from 1946 to 1949.

Jim Martin earned a Bronze Star as a Marine in World War II for swimming ashore to send Japanese defenses prior to landing on Tinian in the South Pacific.

MARCH 14, 1955

A Campus-to-Career Case History

## "This is what I did yesterday"

"I like a job that keeps me jumping," says Bill Jermain, C.E. from Marquette, '52. "And my first management assignment with Wisconsin Telephone Company does just that. I'm Service Foreman at Sheboygan, with nine installers, and that means variety of responsibility. But judge for yourself. Here's a quick run-down of what I did yesterday, on a typical day—

8:10—"Checked day's work schedule. One of my new men was putting in a buried service wire, and I went over the job specs with him to be sure he had things straight.

8:30—"Answered mail while my clerk checked time sheets from previous day.

9:30—"Out to supervise installation of the first aluminum Outdoor Telephone Booth in my exchange. Reviewed the assembly instructions with the installers, then arranged for special tools and bolts to be delivered to the job.

11:30—"Drove across town. Made a complete 'quality inspection' on a telephone we installed last week. Everything checked O.K.

12:00—"Lunch.

1:00—"Picked up film for next day's safety meeting. Watched the film, made notes for discussion.

2:00—"Met with moving company manager to estimate cost of telephone cable lifting for a house moving job. Drove the route he had planned and worked out schedule for construction crews.

3:30—"Returned to aluminum booth installation. Went over wiring specs with the electrician.

4:00—"Stopped at Central Office to pick up next day's orders. Met installers at garage as they checked in and assigned next day's work."

Bill has been in his present job about a year, and is looking forward to new responsibilities as his experience increases... as are the many young college men who have chosen telephone careers. If you'd be interested in a similar opportunity with a Bell telephone company... or with Bell Telephone Laboratories, Western Electric or Sundin Corporation... see your Placement Officer for full details.

## Graduating Engineers

Research, development and production activities at Northrop Aircraft, Inc., create a continuous demand for young men who are building careers in the fields of engineering and science.

If you have had training that qualifies you for:

Aeronautical Engineering  
Mechanical Engineering  
Electrical Engineering

Boundary Layer Research  
Aerodynamics  
Thermodynamics

... if you want to build a permanent, successful career in one of America's foremost research, development and production centers... if you want to locate in the Los Angeles Metropolitan area... please contact Michigan State College Engineering Placement Office.

## Interviews

Campus interviews will be conducted by Mr. J. D. Van Gorder, Engineering Personnel Representative of Northrop Aircraft, Inc. on March 15 and 16 at Michigan State College Engineering Placement Office.

Please make appointment in advance so your interview may be scheduled for your convenience.
