PEI, Formosa (AP)—U.S. officers have completed a survey of Chiang Kai-shek's military requirements and submit their findings to Washington, it was learned Sunday.

## Williams Conduct Workshop

## ernor to Lead Education Discussion

G. Mennen Williams, governor of Michigan, will conduct a "Government Workshop on Education" today at 8:30 in 31 Union.

The workshop will discuss the recruitment of state funds for education and will be held at the Michigan State Normal College.

Williams will be joined by a group of interested educators and will lead a discussion on the state's educational needs.

The workshop is part of a series of programs designed to provide information on state government to the public.

Williams will also be speaking on the state's educational needs and the role of the state in education.

## C Parades

Weather and parades will be the main attraction at the Michigan State Normal College today.

HAROLD STASSEN  
... back from Asian tour ...

## Stassen Sees Asian Buildup

## Declines Comment On Trade with Reds

WASHINGTON (AP)—Foreign Aid Chief Harold E. Stassen returned Sunday from a tour of what he called "The Arc of Free Asia."

He said he was sure the foundation is being laid for a successful economic buildup in that part of the world.

"The needs are great," Stassen said, but he added that the non-Communist governments of South East Asia are preparing for area development "in an intelligent way."

Today he will report to President Eisenhower and Secretary of State Dulles on the conclusions he reached during a three-week, 30,000-mile flying trip that touched seven Asian nations.

In talking with a reporter at the airport, he declined to discuss a fresh storm of Senate criticism aimed at trade between some western nations and Red China, including the voyage of a Finnish tanker carrying jet plane fuel for the Chinese Communists.

He commented that "certain peaceful goods are permitted to be traded" but withheld "general comment until I get into the office and see what has been happening."

Stassen, as head of the Foreign Operations Administration, seems certain to face congressional questioning about the trade issue, Sen. McClellan (D-Ark.) announced Saturday he plans an investigation.

McClellan, chairman of the Senate Investigations subcommittee, said the number of commercial trips from this country's Allies to Red ports was on the increase last year. He said most of this trade with Red China was in ships flying the British flag, and he criticized "the failure of our government to do something about this most disgraceful situation."

The tanker Aruba, said to be loaded with 13,000 tons of jet fuel, was reported en route to Communist China from a Red Romanian port. Finland has said it can't interfere because the ship was chartered to Far Eastern Enterprises, Ltd.

McClellan said that firm is one of several owned by Chinese Reds and operating from Hong Kong, a British crown colony.

## Water Carnival Theme Contest Opens Today

The theme contest for spring term's Water Carnival opens today at 3 p.m.

Betty Zinn, chairman of the theme and continuity committee announced that entry blanks may be picked up at the main desk in the Union Concourse.

Miss Zinn said that the theme selected must be general in nature, and broad enough so that 30 subtitles for floats can be derived from it.

The themes will be judged on originality, adaptability and appropriateness for Water Carnival.

The winner will be awarded a \$25 Savings Bond plus two tickets to Water Carnival.

Entry blanks may be placed in a box at the Concourse desk. Anyone may submit as many entries as he wishes.

# Michigan Agricultural Groups Lend Support to Name Change

## Students To Discuss MSU Plan

## WJIM-TV to Host Name Change Debate

Student leaders from Michigan State and the University of Michigan will discuss the pros and cons of changing Michigan State's name Tuesday night on television.

Lansing's WJIM-TV, channel 6, has arranged a half-hour show from 8:30 to 9 p.m. Three students from each school will participate with Howard Finch, vice-president of WJIM-TV, as moderator.

Representing Michigan State will be Jack Kole, editor-in-chief of the State News; Bill Hurst, president of student government, and Dave Hyman, former student government president and presently chief justice of the Student Traffic Appeal Court.

Participating from the U. of M. will be Eugene Hartwig, managing editor of the Michigan Daily; John Harty, president of the Inter-Fraternity Council, and Richard Pinkerton, secretary of the Michigan Union.

## Union Board Pair Named Top Seniors

Two active Union Board members, Mal Bertram and Betty Gase, were chosen to reign as seniors of the week during the Union Board week celebration.

Bertram has been on Union Board for the past three years, and served for two years on the Board of Directors. He is now the vice-president.

Bertram also has been active on Spartacus, Water Carnival, Campus Chest, the Student Appeal Court and the J-Hop during his four years at State. He is a member of Excalibur.

Miss Gase, who is president of Union Board, has been active in this group since her freshman year. She has worked on the Social Committee and was a member of the Board of Directors last year.

Last year Miss Gase was co-chairman of the J-Hop decorations committee and of the Water Carnival entertainment committee. She is a past member of the Newman Club and the State News classified advertising staff.

## Spartan Engineer Sales Postponed

Sales of the Spartan Engineer, scheduled for today and Tuesday, have been postponed until registration week. During the three days of registration the magazine will be on sale from 8-4 in Olds Hall.

Subscribers only may pick up copies this afternoon or Tuesday after 4 p.m. in the third floor Union office of the Engineer.

## 'Sunkist' From State

"Sunkist" oranges owe some sort of allegiance to Michigan State. The man who invented their trademark graduated from State. Vice-president of a leading advertising agency, he is one of the many graduates successful in the business field.

A 1906 graduate Harry A. Douglas, was recently given an award for having the most patents in U.S. industries in the last 25 years. He has 135 more patents than any one else, chalking up a total of 750. His inventions are largely in the automotive field.

The inventor of the Whirlpool washing machine, P. Edward

## Youthful Actors

The "Wizard of Oz" was performed Friday and Saturday by the Toyshop Theater in the Auditorium. Children from the East Lansing, Lansing, Okemos and Williamston areas participated in the production.

## Ah, Spring!

## Sun to Compete With Exam Study

Students who find it hard to study with the sun smiling down and a warm spring breeze playing around outside will have their power of concentration taxed to the limit today.

The prediction calls for even warmer temperatures and a slight breeze. Partly cloudy skies are also forecast.

## Funeral Rites For Mrs. Olin Held Today

Funeral services will be held at 1 p.m. today for Mrs. Nellie Olin, 79, widow of Dr. Richard M. Olin, former health director of Michigan State and the man for whom Olin Memorial Health Center was named. Mrs. Olin died Friday morning.

For the past 14 years, Mrs. Olin was supervisor of off-campus housing, women's division of the dean of students office.

Palibearers for Mrs. Olin will be Tom King, Dean of Students; Dean Stanley Crowe, director of the Lecture-Concert Series; Karl McDonald, secretary of Board of Agriculture; Ellwood A. Volter, assistant to the dean of students; Dr. Kenneth Stone, of the chemistry department; and Vincent Vandenberg.

Surviving Mrs. Olin are three sons, Richard of Saginaw, Philip of Washington, D. C., and Chapin of Grand Rapids; eight grandchildren, three great-grandchildren, and one sister, Mrs. Mabel Coburn, of Perry, N. Y.

## Against U. S. Policy

## Capehart Calls Russian Student Plan Inconsistent

WASHINGTON (AP)—Sen. Capehart (R-Ind.) said Sunday that admitting Russian student editors and farmers to the United States for study seems to be "bordering a bit on the inconsistent."

In a speech prepared for delivery in the Senate Monday, Capehart said:

"I don't want to say coldly that these invitations are wrong. I just want to say that it appears to me our policy toward communism is bordering a bit on the inconsistent."

Sen. Fulbright (D-Ark.) said on the other hand the idea of exchanging farmer visits "is a slight step in the right direction."

He suggested more talk of peaceful measures than of the "prospect of an atomic war."

"I don't believe that the ordinary Russian citizen wishes to have war any more than ourselves," Fulbright said on a television program— "Youth Wants to Know"—NBC.

The United States has already agreed to admit 11 Soviet student journalists—aged 24 to 39—for a 30-day visit and is expected also to approve soon a Russian bid to send agriculture students here.

Capehart, a member of the Senate Foreign Relations Committee, quoted extensively from an article Secretary of State Dulles wrote in Readers Digest in August 1946.

"To the Soviet people the Iron Curtain is pictured as necessary

## State Senior Wins Award At Art Show

Robert Pogats, Detroit senior, won \$100 and recognition for State in an art exhibit at South Bend, Ind., with an unusual monprint.

The South Bend Art Assn. accepted entries by Pogats and three State faculty members for their sixth Annual Michiana Regional Art Exhibition, which opened Sunday.

Besides his award-winning picture, "The City Where Men Are Mended," Pogats had another entry, "Fish," accepted for the show.

Works of faculty members selected to be exhibited in the show were "Untitled," an oil painting by Katherine Winkler, assistant professor of art; "Galaxy," a drawing by James McConnell, assistant professor of art, and "A Window by the Sea," by Howard Church, head of the art department.

Pogats technique, using ink and crayon on paper, began as an experiment last year, he said. His monprint now will remain a part of the association's permanent collection.

Pogats had another drawing of the same type accepted for the annual Michigan Artists Show at the Detroit Institute of Arts last year.

His letter also said it is doubtful that the Legislature itself may, without violating the Constitution, provide for operation of a state university by any agency other than the Regents.

President John A. Hannah in speeches to two Michigan State alumni groups last week urged support of the name change proposal.

Committees from the governing bodies of both universities are to meet in Lansing Thursday to discuss State's proposed name change and obtain, if possible, a name agreeable to both.

The name change bill itself is still in the House Committee on Education.

Students wishing to take the Medical Admission test May 7 may secure applications from Room 3 A-B Berkey Hall.

Applications for the test must be filed at the Educational Testing Service, Princeton, New Jersey by April 23. Only students planning to enter medical school for the fall term of 1956-57 should take the test.

## Livestock Exchange Backs MSU

## Morgan Claims Misrepresentation

Michigan State gained additional support for its proposed name change Saturday when the Michigan Livestock Exchange unanimously endorsed the proposal.

The Livestock Exchange is an organization representing approximately 35,000 Michigan farmers.

Similar support came Thursday from the Michigan Agricultural Conference, a group composed of some 30 farm organizations. The Conference also backed the name change without a dissenting vote.

Copies of the brochure entitled "Michigan State—College or University?" were distributed to the state's legislators Friday.

The brochure contains ten answers to questions regarding the name change. It was prepared by students and alumni.

Students will be able to obtain copies of the booklet by next Wednesday according to Student Government President Bill Hurst.

Robert Morgan, assistant secretary of the U. of M. alumni association said Thursday he had been "misrepresented" in a news story in which he was quoted as saying State students "haven't grown out of short pants yet."

According to the "Michigan Daily," student newspaper of the U. of M., Morgan said he had been speaking "off the record" and his comment was "immaterial and inconsequential."

He had also said Spartans were "acting like kids" in their efforts to change State's name, and accused them of causing "practically riots" when they went to the Rose Bowl in 1954.

This latter inference was vigorously denied by Dean of Students Tom King.

Morgan also revealed he had sent out letters to 150 U. of M. alumni groups informing them, according to the "Daily's" story, that the state constitution specifically gave the Board of Regents supervision over the state university.

He was quoted as saying that so far the letter has brought "universal disapproval" for the name change, and that "I haven't heard from anyone yet who is for it."

According to Morgan's letter, the State Board of Agriculture was given control over Michigan State as an agricultural college, and any educational activity by the State Board of Agriculture beyond that necessary for the operation of an agricultural college is a violation of its constitutional power.

His letter also said it is doubtful that the Legislature itself may, without violating the Constitution, provide for operation of a state university by any agency other than the Regents.

President John A. Hannah in speeches to two Michigan State alumni groups last week urged support of the name change proposal.

Committees from the governing bodies of both universities are to meet in Lansing Thursday to discuss State's proposed name change and obtain, if possible, a name agreeable to both.

The name change bill itself is still in the House Committee on Education.

Students wishing to take the Medical Admission test May 7 may secure applications from Room 3 A-B Berkey Hall.

Applications for the test must be filed at the Educational Testing Service, Princeton, New Jersey by April 23. Only students planning to enter medical school for the fall term of 1956-57 should take the test.

## NEWS IN BRIEF

## Nehru Safe Murder Attempt Fails

### Shaw Boy Tries Killing in Open Car

DELHI, India (AP)—A shielding rickshaw boy saved Prime Minister Jawahar Lal Nehru from a murder attempt Saturday morning before a magistrate Sunday on a charge of attempting to murder the prime minister.

The magistrate, holding an unusual hearing at his own home, sentenced the 32-year-old rickshaw boy to 15 days in jail for the attempt. He also sentenced the boy's father to 15 days in jail for harboring the boy.

The incident occurred as Nehru was driving from his residence here to the airport. The Prime Minister was standing in an open rickshaw and the state police officer who was blocking the rickshaw with his rifle, shot at the automobile's window with a six-inch knife. The rickshaw boy, who was sitting in the front of the car, was pushed away by the police officer. The Prime Minister was not hurt.

## Oration Tryouts Announced

Qualification tryouts for students interested in participating in the Apple Blossom Interpretation Reading Festival will be held April 6-8. The various classifications which students may enter are: drama, poetry, serious prose, humorous prose, speech and news reporting.

Those students chosen will also represent State in the Michigan Intercollegiate Festival which will be held May 7.

## Tryouts for poetry reading

will be held in Fairchild Theatre Wednesday, April 6. According to Dr. Murrey Compre, of the speech department, students should prepare a poem five minutes in length which will be read in the order of the student's appearance.

Entrants in the speech event should be prepared to read a five minute speech before judges in 49 Auditorium. Speech tryouts will also be held April 6. Those interested in reading drama should prepare a five minute cutting from a play. This tryout will be held April 7 in Fairchild Theatre.

A five minute news reporting tryouts will be held in 49 Aud the same day. All entrants in the serious and humorous prose divisions are asked to read a five minute selection on April 8. Serious prose selections will be read in Fairchild and humorous prose in 49 Aud.

All the tryouts will be held from 4 to 5:30 p.m.

## 31 Army ROTC Men To Get Bars

Thirty-one Michigan State advanced Army ROTC seniors will get their second lieutenant's bars at a commissioning ceremony on March 23.

Commissions in Anti-Aircraft Artillery will go to Kurt Charles Beyer, Pontiac; Edmund J. Guzman, Pontiac; Marvin D. Klein, Lansing; and B. Ronald Rosche, Detroit.

Field Artillery commissions will go to John Carl Rintz, Freeport; Robert C. Gallagher, Detroit; James Robert Jobb, Grand Rapids; and Thomas James Spangler, Grand Rapids.

Receiving commissions in Armor will be Robert Donnell Cox Jr., Grand Ledge; Wilson Junior Guidet, Dowling; Gerald Duane Hanson, Cheboygan; Robert Leonard Hoffman, Ecorse; Joseph Elmer Skidmore, Lansing; Dean Harold Tallers, Flint; and Thomas Yewele, Conemaugh, Pa.

Infantry commissions will go to Thomas Leo De Fer, Traverse City; David L. Hyman, Buffalo, N.Y.; Richard R. Jackmeyer, Detroit; Richard Frederick Knirsch, Alpena; John Irving Risch, Milwaukee, Wis.; David Allen Seagrave, Port Huron; Marlin J. Stauffer, Alma; and Dudley Vance, Alma.

Ordnance commissions will go to Charles Walter Frederick Jr., Birmingham, Philip Leon Sanford, Jackson, and Roger Carl Schneckenburger, Tonawanda, N. Y.

Duane Thomas Akright, Lansing, and Robert Gordon Jones, Sturgis, will receive commissions in the Transportation Corps.

Other commissions will go to Eddie Merwood Ireland, Okemos, in the Quartermaster Corps; Robert George Kay, Brown City, in the Corps of Engineers; and Berry William Norton, Lansing, in the Signal Corps.

## Police Alert Somebody Bad Stole the Bird

DETROIT (AP)—Detroit police recently were alerted to listen for calls for help in three languages.

Mrs. Chole Prado reported her parrot, Pete, had been kidnapped. Pete, she said, can scream "help" in English, Spanish and Italian.

## Herbert Reelected Vice-President Of Wildlife Group

Paul A. Herbert, director of conservation at Michigan State, was reelected vice-president of the National Wildlife Federation at its annual meeting Sunday in Montreal.

Herbert will serve a three-year term.

Claude Kelly, of Almore, Ala., was reelected president of the group.

Also reelected as vice-presidents were John Curran of Providence, R. I., and Robert Miller, Spokane, Wash.

Louis McGregor, of Flint, was returned as director of region seven, which embraces Michigan, Wisconsin and Minnesota.

## U.S. State Department Members On Campus

Two representatives from the U.S. Department of State will be on campus Wednesday and Thursday to talk to students on the career opportunities in the foreign service.

A general meeting will be held Wednesday at 4 p.m. in 33 Union for all interested students. Individual interviews may be scheduled for Thursday through the office of the Division of Social Science, 302 Morrill Hall.

The milk of cows, horses, camels, yaks, water buffalo, sheep, goats and reindeer have been used for human food.

## How About It, Princess?

# Press Asks Royal Confirmation

PRINCESS MARGARET ... to wed or not to wed? ...

## Miniature Radio

A Michigan State graduate and former electrical engineering instructor is the inventor of a tiny radio being used by the Navy in Silver Springs, Md.

Roy J. Smollet, 1947 State graduate, invented a radio transmitter that fits into the nose of a 20mm shell which is less than an inch in diameter.

LONDON (AP)—A London Sunday newspaper demanded that Buckingham Palace make a public statement about reports that Princess Margaret and Group Captain Peter Townsend may marry.

"The truth must be known in court circles," said the Laborite Reynolds News. "Is it not time court advisers decided to recommend a statement that would either demolish or confirm the rumors?"

All but four of London's 11 Sunday newspapers gave prominence to the Margaret-Townsend story in one form or another. There are persons here who believe the published reports are intended as a test of public opinion. These people say if the public reacts favorably, Margaret's decision will be influenced accordingly; if the reaction is unfavorable, all the published reports will be denied, or ignored.

In this connection, the Sunday Pictorial, one of the first papers in Britain to revive the Margaret-Townsend romance talk, said Sunday it had received an "avalanche" of letters from readers.

"These letters show overwhelmingly the Princess, in facing her decision, has the support of a warmly sympathetic people," the Pictorial said.

The London office of the Sydney Australia Sun-Herald, meanwhile, announced the paper's correspondent in Brussels reported there apparently had been a misunderstanding in an interview with Capt. Townsend Friday night. The correspondent, Richard Martin, was released by the paper. He had quoted Townsend as saying:

"If a situation should demand my exile and that of a certain lady, we should, of course, accept it."

Martin quoted Townsend as telling him Sunday: "I recall very well the question you put to me but I am certain I did not say yes."

Townsend told an interviewer in Brussels the "exile" statement attributed to him by the Sun-Herald was "pure invention" and "must be treated with the contempt it deserves."

## Pirates Travel, But Not Up

By WHITNEY MARTIN

FORT MYERS, Fla. (AP)—Pittsburgh's portable Pirates, moving from town to town each spring with the regularity of a carnival company, are down here this year, lulling the sun-peeled tourists into a belief they are watching a major league baseball team in training.

Which may be a trifle unkind, but the fact remains you can count the established major leaguers on your fingers and have enough left over to squeeze a lemon.

Scratch any of the others and you expose the verdant hue of bushes in the springtime.

Farmer Branch Rickey, peering anxiously at his well-planted acreages, has detected a few sprouts but as yet the crop is meager, so most of the lads on hand are eager Joe Bows as far as the baseball public at large is concerned.

Even Fred Haney, pleasant, patient and slightly bewildered, has trouble identifying all his pupils, but with true managerial instinct he does his best to be optimistic.

"We'll be quite a bit improv-

ed," he says. "We were improved last year, but the rest of the league improved, too, so our progress wasn't noticed."

Which was a brave little speech considering the talent he was eyeing in an intrasquad game from behind a little screen in back of home plate.

Sharing the protection was ven-

## 2 Spartanettes Win in Detroit

The Spartanettes, State's coed swimming team, won two firsts and four seconds in the Women's City Club invitational meet held Thursday in Detroit.

Pat Swaney set an AAU mark in winning the 100-yard breaststroke in 1:21.1.

Mary Spruell posted the other State win, in the 100-yard backstroke with a time of 1:17.4.

The seconds were posted by Mary Applehof in the 100-yard butterfly, Sally Seyforth in the 100-yard freestyle, and the 200-yard medley and freestyle relay teams.

orable Connie Mack, seated in silence and possibly trying to reconcile the young men he was watching with the long parade of stars he had seen over the years.

The pitcher of the moment was a 6-foot, 7-inch splitter named Dick Hall, who plays first base and third base but whose best position is center field, and who throws and bats right handed but is being taught to bat left handed.

Among his co-workers were such ambitious if anonymous athletes as John Powers, a shrunken Gil Hodges who can hit the ball a Florida mile, but invariably pulls it foul; Roberto Clemente, the poor man's Willie Mays who imitates the Giant star's every move, even to the breadbasket catch; Bob Honor, who looks like a plump insurance man, and Tony Bartolome, a trim little first baseman who thinks it's against the law to catch a ball with two hands.

There are some very bright spots in the picture however. There is Dick Groat, for one, who is the best shortstop to wear a Pirate uniform in a long long time.

Groat, a fine young fellow who made basketball history at Duke, just got out of the Army and "Sirs" you to death, a service-contracted habit which most ball players break very quickly.

There are three capable catchers, and a semi-rookie outfielder named Earl Smith who was up last spring, but couldn't hit. He was sent to Phoenix where he hit .387, batted in 195 runs, and stole 42 bases.

Frank Thomas still was absent, as was pitcher Vern Law, but Sid Gordon, the old reliable, is around for infield or outfield duty, and Ron Kline, a pitcher back from military service, looked like a pitcher during his brief stint.

MIKE COCO

... fresh gymnast ...

## Coco Takes Top Honors In AAU Meet

Freshman Mike Coco took four firsts, two seconds and a sixth to capture individual scoring honors in the senior division of the Michigan AAU gymnastics meet at Jenison Fieldhouse Saturday.

Coco, brother of Michigan State's assistant gymnastic coach Bill Coco, won the free exercise, flying rings, still rings, and all-around event, plus taking second on the parallel bars and horizontal bar and sixth on the horse.

Another outstanding freshman and future varsity prospect in the meet was Joe Walbel, from Pinconning, who placed third on the side horse.

Paced by John Walker, former Michigan State tumbling and trampoline star, the Detroit Turners carried off the Senior AAU crown. Walker took first on the trampoline for the Turners.

Dennis Leonard was the individual standout of the junior open division with a total of five places; the highest total of the afternoon.

## Thinclads Shine In Milwaukee Meet

Win 3 Firsts, 2 Seconds;  
Stuart Sets Varsity Record

Michigan State's track men turned in top performances in the fifth annual Milwaukee Journal Games Saturday evening, winning three events.

The Spartans also captured two seconds, two thirds, one fourth and a tie for fifth.

Capt. Kevan Gosper, Big 10 600-yard record holder, won that event in the comparatively slow time of 1:14.3. It was the first meet of the year in which the smooth-striding Australian has failed to set a record.

Selwyn Jones, the 1955 cross country captain running unattached, won the two mile by 40 yards and defeated, among others, Michigan's Big 10 champion, Ron Wallingford.

Jones, in running 9:15, ran the fastest two mile of his career.

Doug Stuart, ineligible Australian high-jumper, won that event with a leap of 6'7 and one-eighth, a new varsity record.

The old record of 6'6 and three eighths was set this year by Don Hillmer. The height was also a personal best for Stuart.

Joe Savoldi, for a second week in a row, turned in superlative performances as he captured third in the high jump and second in the 50-yard high hurdles.

His leap of 6'5 and one-eighth in the high jump is a personal best while in the hurdles he pushed Illinois' Abe Woodson to a tie for the world record.

Savoldi was a step behind in second place.

Freshman Henry Kennedy finished four yards behind Iowa freshman Deacon Jones for a second place in the collegiate mile. Jones' winning time was 4:16.5.

The Michigan State mile relay team, third in the Big 10, captured third in their heat.

The heat was won by Big 10 Champion Indiana, who set a new record. The Michigan Wolverines were second.

Ed Brabham, conference dash and broad jump champion, finished fourth in the 50-yard dash. The event was won by a Northwestern freshman, Charlie Carroll.

Chuck Coykendall tied for fifth in the pole vault with a 13' 7" effort behind Olympic champion Rev. Bob Richards who won with a 15'1" vault.

The track team will next compete in the Cleveland Knights of Columbus meet March 25 and, the following day, will travel to Chicago for the Daily News Relays.

## 'Mural Schedule

Monday, March 14  
9:15 OJ's Wild Ones vs. Aces  
9:45 Tartans vs. Rangers

## Argentina, U. S. Pace Pan-Ams

Shelton Wins  
High Jump Title

MEXICO CITY (AP)—Argentina won two gold medals against one for the United States in the opening day of track and field competition in the second Pan-American games Sunday.

A crowd of 35,000 saw Herman Wyatt and Ernest Shelton, of the U. S. A., set a new games mark in the high jump at 2:01 meters (6 feet 7 inches). Shelton, from Southern California, was given first because of fewer misses. Wyatt is an army man from San Jose State.

Ingeborg Pfuller of Argentina threw the discus a 43.19 meters (141 feet 8 1/2 inches), also a Pan-American record.

Oswald Suarez of Argentina won the 10,000 meters as Gordon McKenzie, the sole United States entry, ran out of gas half way through the race.

However, the United States gave proof of its track power.

Rodney Richards, a U.S. army lieutenant, and Mike Agostini of Trinidad each did their 100 meter heats in :10.5 for a new mark, after Dean Smith, the Texans sprinter, had tied the old mark at :10.6 in the first heat.

The great United States trio in the 800 meters—Lon Spurrier, Arnold Sowell, and Mal Whitefield—all qualified for Tuesday's finals with ease.

Three American girls, Mae Faggs, Isabel Daniels, and Mabel Landry, won the three heats of the 60 meter trials, Miss Faggs and Miss Daniels being timed in .07.5 and Miss Landry in .07.6.

The United States baseball team, coached by John Kobs of Michigan State, won its opening game from Mexico, 5-1.

Don Lupaszewski of the University of Illinois and Kenny Decarlo, an Air Force member from Philadelphia, sparked a three-run second inning for the North Americans.

## Fledgling Tutors

Jim Tatum, Maryland Coach, and Bud Wilkinson, Oklahoma coach, were on the football coaching staff of the powerful Iowa Pre-Flight Training School team in 1941.

Detroit third baseman Ray Boone is tagged out on home plate in exhibition game with Boston, Friday.

## Porter, Kuenn Connect

## Bengal Homers Top Braves, 6-2

LAKELAND, Fla. (AP)—Rookie Outfielder J.W. Porter and shortstop Harvey Kuenn clouted home runs Sunday to lead the Detroit Tigers to a 6-2 exhibition victory over the Milwaukee Braves.

A crowd of 3,863 fans, the largest ever to see a Tiger exhibition game at their Lakeland training camp, filled the stands and spilled out along the foul lines.

The Braves, who downed the Tigers 9-6 Saturday, outlived Detroit 10 to 9. The Tigers, however, collected four extra-base hits to one for Milwaukee, a double by third baseman Danny O'Connell.

Detroit was heartened by the first competitive appearance of Ferris Fain, whose ailing knee has kept him out of the lineup. While the 32-year-old first baseman still favored his injured knee, he reported he felt fine after a five-inning workout.

Creditable pitching by Steve Gromek and Ned Garver, who gave up three hits apiece in three-inning appearances, held the Braves scoreless until the eighth inning. Then Ray Herbert, Gromek's relief, was tagged for two singles and O'Connell's double in the eighth when Milwaukee scored both their runs.

Third sacker Jack Phillips started the Tiger scoring in the second inning, blasting a triple off starter Bob Buhl and tallying while the Braves were completing a double play at first and second.

A pair of walks, a single by Kuenn and a wild pitch by Buhl let another run across in the third. Kuenn hit his homer in the fifth with the bases empty and Porter smashed another bases-empty homer in the sixth. Al Kaline followed with a double and Frank House scored him with a single.

Rookie Bill Allen gave up the sixth run in the seventh on a walk, an error, and a single by catcher Bob Wilson.

The victory left the Tigers with a record of two wins and two losses in exhibition play.

They hit the road again today to play the St. Louis Cardinals at St. Petersburg.

## WHO ARE THE "TOP-FLITE" GOLFERS ON YOUR CAMPUS?

If you've watched them on the course, you've probably thought: "Boy, if I could just get my game down like that!"

Constant practice is the answer, of course, but getting the best from your equipment is just as important, too.

That's where Spalding TOP-FLITE clubs have the edge. They have more to offer in precision balance that gives an absolutely uniform swing-feel with every club in the matched set.

That's the secret of Spalding SYNCHRO-DYNED clubs. And, it will pay off for you from the first round. You'll make the same shots with new uniformity. The perfect balance of these clubs lets you swing through the ball with confidence. Without "choking-up" or "compensating." You get the ball away cleaner, longer, and with more shot control.

These are the clubs that have lowered handicaps by as much as 10; Spalding SYNCHRO-DYNED TOP-FLITE clubs. Your Golf pro has them now. And, now's the time for you to start playing better golf.

**SPALDING** SETS THE PACE IN SPORTS

# Graduating Engineers: REMEMBER

HAWTHORNE, CALIFORNIA

# Boxers Still Unbeaten But Odom's String Ends

Spss Halts  
Year  
Break

Spartans Win  
By 5-2-2 1/2 Count

Michigan State's boxers  
up their fourth win of  
season Saturday night  
downing the Quantico Ma-  
jor League, 5-2-2 1/2, in  
Jenison Fieldhouse.

After this season, the Marines  
the Spartans to a 4-4 draw  
for the only blemish  
on their otherwise perfect record.

The big upset, however, was  
the team score. In the 147-  
pound division, the Spartans  
AA champion, Herb Odom,  
was defeated, 30-29, by Eng-  
lish Terence Downes.

Michigan usually content to out-  
point and score on counter-  
punches was crowded by Downes  
was unable to get set to throw  
punches.

Downes set the pattern of action  
coming in from the opening  
and unloading a barrage of  
punches to win the first round  
in a close back well in the last  
rounds to battle on even  
terms but was unable to solve  
the rapid-fire style.

Odom last suffered a defeat  
in semi-finals of the United  
States Olympic tryouts at Kan-  
sas City in 1952.

One of the top bouts of the  
State's sensational sopho-  
mores, John Butler, scored his  
straight TKO win over  
Standerant.

Butler launched his all-out at-  
tack in the second, downing Stun-  
derant three times with two-fisted  
punches before referee Bill O'Con-  
nors stepped in to call a halt at  
the end of the round.

Broken Maekawa continued  
winning ways at 125-pounds  
downing a top-sided win  
of the Leatherneck's Valton  
Pis.

Odom was the aggressor all  
night and once he found the  
punches of Garris at will to  
be 30-23 nod.

Downes action was seen as  
downward beat Marine El-  
Merris, 30-25, at 178-pounds.

George Sisinni stayed in the  
ranks by downing  
the Drew, 30-23, in the 165-  
pound division. Sisinni landed  
harder blows and floored  
with a right hand smash  
in the second round.

Another Spartan loss came in  
the 140-pound class when Bob  
Lund was defeated by Eugene Golanda,  
30-25.

The 130-pound bout between  
Lund and Bill Malone,  
Lund could get the upper  
hand and the outcome was a 29-  
28.

Spartans gained their other  
when the Marines forfeited  
the weight match to Andy

the heavyweight Larry  
the is out for the season  
a broken jaw, suffered in a  
match, D.C. Golden Gloves

HERB ODOM  
... dethroned ...

CHOKEN MAEKAWA  
... wins easily ...

## 12 Home Tilts

## Kobsmen to Play 23-Game Schedule

Michigan State's baseball team will leave March 23 for a nine-game southern training trip, then return home to play a 23-game regular season schedule.

12 regular season games will be played at home, with 11 on the road.

Included in the home games are doubleheaders with Northwestern, Iowa and Michigan.

In addition to playing all the Big 10 teams, State will play a two game, home and home, series with Wayne, Detroit, Notre Dame and Western Michigan.

The Spartans, defending Big 10 and District 4 NCAA champions, will play eight home conference games and seven on the road.

The schedule:  
SOUTHERN TRIP:  
March 15-18, at Univ. South Carolina  
March 19-20, at Fort Jackson  
March 21, at North Carolina State  
March 22, at Wake Forest  
April 1, at Fort Bragg  
April 2, at Univ. North Carolina  
REGULAR SEASON:  
April 16, DETROIT  
April 25, WISCONSIN  
April 26, NORTHWESTERN  
April 29, at Purdue  
April 30, at Illinois  
May 4, at Western Michigan  
May 6, MINNESOTA  
May 7, IOWA  
May 10, at Detroit  
May 13, at Michigan  
May 14, MICHIGAN  
May 18, NOTRE DAME  
May 20, at Ohio State  
May 21, at Indiana  
May 25, at Notre Dame  
May 28, WESTERN MICHIGAN  
June 1, at Wayne  
JUNE 4, WAYNE (Alumni Day)  
Home games in capitals and double-headers are followed by \*.

Battle Creek won the state  
class A swim crown, beating out  
Saginaw Arthur Hill, 50-47. Bat-  
tle Creek won the meet with a  
second place in the final event,  
the 200-yard freestyle relay.

Arthur Hill didn't have a relay  
team qualified and saw a seven  
point lead melt without being  
able to defend it.

Don Nichols, of Jackson, broke  
his own national 100-yard back-  
stroke in the finals with a time  
of 59.1.

Up on the gym floor, Lansing  
Eastern swept the state wrest-  
ling championship, scoring 102  
points to second place Ypsilanti's  
84.

Five Quakers won individual  
titles, with three others losing in  
the finals.

In 39 night games during the  
1954 season, the Baltimore Ori-  
oles' attendance was 632,932.

## Fencers To Invade Jenison

On March 25 and 26, Jeni-  
son Gymnasium will be in-  
vaded by approximately 120  
fencers and their coaches for  
the 11th annual NCAA fenc-  
ing championships.

This is the first time in the  
tournament's history that Michi-  
gan State has ever hosted the  
event.

About 30 schools will be re-  
presented in the tournament.  
Each school may be represented  
by from one to three fencers.

The tournament will start at  
8:30 a.m. on the 25th, and will  
run all day. Saturday's events  
will start at 9 a.m. Trophies will  
be awarded that afternoon be-  
tween 4 and 5 p.m.

Michigan State will be re-  
presented in the foil event by Gerry  
Green, the sabre by George Thom-  
as, and the epee by either Har-  
ry Blount or Jim Dooley.

Last year's co-winners, New  
York University and Columbia  
will once again be the favorites  
to cop the trophy, with Navy  
and Cornell rated as top contend-  
ers.

## Wings Gain On Montreal With 6-1 Win

Canadiens Lose  
To Boston, 4-2

By The Associated Press  
Detroit walloped Toronto Sun-  
day night, 6-1, while Boston was  
upsetting Montreal, 4-2, to push  
the Red Wings within two points  
of the league-leading Canadiens.  
Dutch Reibel scored three goals  
and Marcel Pronovost two in the  
Wing win. The hat trick brought  
Reibel's season total to 21.

Wing net minder Terry Saw-  
chuk moved into the lead in  
the Vezina Trophy race by  
three goals over Toronto's  
Harry Lumley on the strength  
of the Wing's six goal assault.

Red Kelly scored the other De-  
troit marker.

The win was the seventh  
straight for Detroit, as the Wings  
drive to overtake the Canadiens.

Each team has three games left,  
and they play each other Thurs-  
day and Sunday. Detroit goes to  
Boston Wednesday and Montreal  
hosts New York Saturday.

Besides aiding the Red Wing  
cause with its win, Boston moved  
itself within a point of Toronto  
in the battle for third place.

## Face Frisco Friday

## Colorado Awaits Big Test

MANHATTAN, Kan. (AP)—Col-  
orado's Golden Buffaloes, describ-  
ed by their coach as "a bunch of  
kids who don't know when they're  
whipped," Sunday awaited their  
showdown with top-ranked San  
Francisco Friday night for the  
NCAA's western basketball title.

The Big Seven champion Buf-  
faloes, with a 16-5 regular season  
record, won the regional here  
Saturday night with a sharp 93-81  
spanking of Bradley while San  
Francisco scored an eye-lash 57-  
56 decision over Oregon State in  
the Corvallis, Ore., regional final.

Friday night's San Francisco-  
Colorado victor meets the sur-  
vivor of the eastern title game  
between LaSalle and Iowa for  
the national crown Saturday  
night. All action will be in Kan-  
sas City.

Iowa put the freeze on a bril-  
liant Marquette rally to win the  
midwest regional tourney at  
Evanston, Ill., 86-81. Meanwhile,  
LaSalle scored an easy 99-64 win  
over Canisius for the Philadelphia  
regional championship.

Marquette's Warriors trailed  
by 19 points early in the second  
half, but drove to within one point  
of Iowa with two minutes left.

Iowa's Bill Seaburg then hit

a set shot, and Roy Johnson  
lopped for three points before  
the Hawkeyes clamped on the  
stall.

Kentucky took third place in  
the Evanston tournament, down-  
ing Penn State, 84-59.

Couch Bebe Lee, a handsome  
and reasonably unexcitable men-  
tor, is pleased that his Colorado  
team runs into San Francisco.

"We have shown poise," Lee  
said. "We are not a good scor-  
ing team, but we're not a bad  
scoring team, either. We're not  
fast, but we're not slow."

"The main thing, though, is  
that the kids haven't known when  
they're been whipped."

Although willowy, 6-7, Burdet-  
te Halderson is Colorado's top  
scorer, it was clever, 6-3, Bob  
Jeangerard who delivered the  
goods against Bradley with a 29-  
point output.

This won him the "most valu-  
able" player distinction for the  
Manhattan regional in a poll of  
writers.

In Saturday night's consolation  
game at Manhattan, Tulsa stag-  
gered to a 68-67 overtime victory  
against Southern Methodist.

## Big 10 TV Group To Meet Today

CHICAGO (AP)—Big 10 athletic  
directors and faculty committee  
members meet today to consider  
the 1955 National Collegiate Ath-  
letic Assn. plan for football tele-  
vision.

The NCAA plan was mailed to  
member schools Friday and will  
be officially announced today.

# U. S. Issues Orders For Counter-Attack

Plans Made for Instant Retaliation in Case of Aggression

WASHINGTON (AP)—The U.S. military high command has issued an iron-clad order that America's long range strategic bombers shall take off and strike back in the event of an enemy attack on this country.

There are, it may be said on the highest authority, "very detailed and precise plans" for the instant issuing of orders for launching retaliatory bombing action, even though the President of the United States may be incapacitated or cut off by sudden attack.

This provision for an emergency shift of authority has been set up as a result of a section in the Atomic Energy law which says that only the President may order the use of atomic weapons.

One official familiar with the plans said it may be assumed that no one is going to have to hunt around in the ruins of the first onslaught for someone to issue the order for atomic counter-bombing.

This, together with intercepting second-wave attacks, is now the paramount, overriding mission of the Defense Department.

All else, including civilian defense—a subject now being studied in Congress—will become of secondary importance to the military if Soviet bombers come.

Who would give the command for an immediate counter-bomb, its issuance and other details are secret. Some officials, when asked, suggested that the "order of succession" for government officials might be the procedure, but others indicated that this constitutional procedure would be too cumbersome. Moreover, it might result in a civilian department head having to make a decision entirely military in nature.

Although popularly described as "retaliatory" action, the true military purpose of counter-atomic strikes would be first to destroy air bases from which additional enemy bomber missions might come.

In the Pentagon's view, the purely military demands in event of a sudden attack would make no provision requiring the use of the regular ground forces. How-

ever, it is made plain that National Guard and reserve units would have an important part in preserving order and helping restore urban civilian life.

The Pentagon's attitude now is that passive civil defense is a problem entirely for civilian agencies: Federal, state and municipal.

## Senior Wins Lansing Chess Championship

Eugene Leininger, Grand Ledge senior, was declared chess champion of Lansing.

In seven rounds of the Lansing chess tournament, Leininger lost only one game.

John B. Kelly, assistant professor of mathematics, finished second, losing only to the champion. Robert Slocum, New Lathrop sophomore, finished fourth in the contest and Alan Strelzoff, East Lansing freshman, finished sixth. The awards were made Thursday at the Lansing YMCA.

## National Honor Society Elects New Officers

Bruce I. MacDonald, Montague senior, has been elected the new president for the Michigan Alpha chapter of Tau Beta Pi, national honor society at State.

Other newly-elected officers include Marvin L. VanDerPloeg, Jenison junior, vice-president; William A. Matila, Allegan junior, recording secretary; George L. Kreglow, Royal Oak junior, correspondence secretary; and Samuel L. DeLeeuw, Grand Rapids junior, catalogue.

## Stassen

(Continued from Page 1)

Senate Republican Leader Knowland of California said the U.S. 7th Fleet should halt the tanker if Chiang Kai-shek's Nationalists don't "intercept it, or if 'diplomatic moves' fail."

Stassen's travels took him from Ceylon, north to the Republic of Korea, through a region encompassing the three-front strategic concept of which Dulles has spoken lately.

Behind this concept is the idea that free nations could resist any Red Chinese aggression with a defense chain forged through the Korean, Formosan and Indochinese areas.

## Special Course To Deal With Juvenile Problems

A special one-week course to help police officers in the handling of juvenile problems will be held at Kellogg Center all this week.

The aims of this course are to acquaint the police officers with procedure for identifying and referring juveniles in need of assistance to proper channels and to assist the officers in recognizing and utilizing outside resources for juvenile cases.

Also to be discussed are legal powers and limitations in dealing with juveniles and methods of informing the public of the role the police play in juvenile problems.

Among the speakers during the week will be Dr. James Brennan and Gordon Sheehy, of the police administration department.

## Warning Given To Cows Who 'Cheat' on Milk

Free loading cows who "snitch" on giving milk had better watch out. The farmers now have their number.

A new IBM machine at Michigan State helps the Michigan dairy farmer check on his herd by keeping accurate records of his cows in up to date files.

The Michigan Dairy Herd Improvement Association is sponsoring this service with the help of the university dairy department. This group has seen the need for getting more accurate and complete records on dairy cows.

Records for the herds containing detailed information on each cow are turned in to the university. The machine does the involved job of filing, tabulating and sorting this information. About 644 herd owners make use of this new gathering device.

The machinery can be set to flick out all of the records of cows with certain characteristics, or animals that have been handled and cared for in certain ways. Farmers can then see how their cows stack up with other dairy herds and researchers can compare all types of cows.

Information gathered through this machine helps them to find out if short or long dry periods make a difference in milk production, if body weight and size makes any difference and what diseases a herd has and how much this affects milk production.

## Capehart

(Continued from Page 1)

defense against an unfriendly outer world."

Capehart then asked: "Are we expecting the visiting editors to return behind the Iron Curtain and in one fell swoop tell their people and their satellites that all they had written before was a pack of lies?"

"We have been fighting for a principle," Capehart said. "Our boys have died for that principle. We have men suffering in Communist prisons today because they believe in that principle. We have burdened our people in peacetime to finance the fight for that principle. Mr. Dulles wrote that the Soviet people are equally loyal to their principle."

Capehart asked these questions: "Are we going to change our policies now and help make communism successful?"

"Are we to teach the Communists how to keep their people well fed and happy under Communist rule?"

"Are we to aid and abet the Communist cause by inviting the Communist farmers to learn our methods of raising more food for the strengthening of the Communist cause?"

"Do we believe for one minute the people of Communist countries who benefit by such policies will be told that they will be no longer be hungry because of the use of farming methods learned in the capitalist country of the United States?"

## Studio Theater to Give 'Katrina'

An arena production of Leonid Andreyev's symbolic drama "Katrina" is now in rehearsal for its May 5, 6 and 7 performances in the Home Economics third floor theater.

The play is being directed by Robert Hazzard, Westminster, Maryland, graduate student, in partial fulfillment for the Master of Arts degree.

Nancy Greening, a part-time student from Alma College, is designing the costumes for this turn of the century drama. The settings will be designed by Hazzard.

Cast in the drama are Janet Rose, Detroit sophomore Katrina; Paul Moore, Owosso junior; Paul Moore, Owosso junior; as her husband George; John Goetz, Fenton junior, as George's brother Alexey; Judith Lookanoff, Detroit freshman, as Lisa, Katrina's sister; Rod-

er Biriwell, Detroit junior, as Koromislav, the artist, and Ronald Neuberger, Detroit sophomore, as the parasite Mentikov.

Others in the cast are: Martha Loomis, Lansing sophomore; Shir-

ley Gosaleski, Roseville sophomore; Bill Young, Milwaukee, freshman and Fred Kuehl, Pontiac senior.

The production will be presented under the auspices of the Studio Theatre.
