State Added to Host Russians

Student Editors Expected May 6

The 11 Russian student editors who will tour the U.S. during April 19 have added Michigan State to their itinerary. A short-notice change of the Russian students will originally scheduled to visit Michigan State as the only land university on its tour.

They will be particularly interested in agriculture and visit the farms at Michigan State. President John A. Hansard.

They will also attend the International Festival on May 7 during their stay at State they will attend the music festival at the University of Michigan.

Along with the 11 students will be interpreters and a representative from the Institute of International Education. Added to the itinerary are Los Angeles and Ohio. The tour is still subject to change.

The dates of some of the visits have not yet been determined. The editors will visit Columbia University and Fordham University and College in New York City April 19. They will tour the next day to Williamsburg, Virginia, April 23 and Montgomery, Alabama, and Tuskegee Institute April 24.

Next on the tour will be Albuquerque, N.M., and the University of New Mexico, April 25. There on, the dates are pending.

From Albuquerque, the Russian group will stop at Los Angeles for a day at Hollywood, enroute to San Francisco to visit Stanford University and the University of California at Berkeley.

The group will visit State on its tour across the country, arriving at State from Chicago on April 16. They will stop off at the University of Chicago and Oberlin College in Oberlin, Ohio. The last stops will be Washington, D.C., and New York.

NEWS IN BRIEF

and In On GAW

PROIT (AP)—The Ford Motor Co. today entered the bitter bargaining fight on the annual wage with the United Auto Workers Union. The union is intent on striking to win a 5 percent increase in the UAW on the year-end pay plan, plus higher pension payments. General Motors continued similar contract negotiations but there was no word from the UAW on the results of negotiations of any kind.

Managers Discuss Business Problems

Decentralized Operations Featured at Symposium

Responsibilities of top management in a decentralized operation and the lack of business in government affairs were the two problems stressed during the opening sessions Tuesday of the Centennial symposium, "Business in the Future."

Business Conferences End Today

Talk By Dow Head Follows Luncheon

Leaders in business and students will look into the future of business today as the two-day business symposium begins its second day.

The symposium, "Business in the Future" is sponsored by the School of Business and Public Service.

A panel discussion on "Automation, What It Is and What Is Coming" will fill the morning before.

Including the all-day program were conferences and panels in special fields of business.

The Fairchild Theater audience Tuesday night heard Kresge say "We businessmen, have not been energetic enough in helping our government determine the atmosphere we must operate."

Spartacade Plans Show On Design

Construction Times Set for Booths

By GENE RITZINGER
This year's Spartacade will include as a special feature an industrial design department, said director Neil Dorsey.

Construction of most booths for the 1955 Spartacade will begin at 8 a.m. Saturday, Dorsey said. Distribution of equipment will begin at the same time, with two people from each competing group authorized to pick up equipment. All equipment must be returned by 1 p.m. Sunday. Loss or damage will be subtracted from the required \$10 deposit.

Due to the number of participating living units this year, four booths will be erected in the center of the Fieldhouse. Dorsey said these four groups will be permitted to begin construction of their booths between 8 and 11 p.m. Friday.

Movies of a previous Spartacade will be shown in the Union Concourse Thursday at 3 p.m. Dorsey said. A unicyclist from Spartan Circus will also take part.

This year's carnival will have 32 booths representing the efforts of 64 living units. It will last from 7 p.m. to midnight Saturday. Tickets cost 25 cents, with an additional charge of 10 cents for admission to each booth. All proceeds go to charity through the campus chest.

Ann Ebel, publicity director, said tickets will be sold in advance at the Union Desk today, Thursday and Friday.

A parade will precede the carnival Saturday afternoon. It will start at 3 p.m. at the east stadium parking lot and proceed around Circle Drive. A motorcade and members of Spartan Circus will be featured.

Groups participating in the event and titles of their attractions are:

"Dully Trolley" by Chi Omega and Delta Tau Delta; "Lab-a-Dart" by Delta Sigma Phi and Delta Zeta; "Bolshevik Burlesque" by Alpha Chi Omega and Pi Kappa Phi; "Aladdin's Lamp" by Alpha Phi and Theta Xi; "Jazz Unlimited" by Kappa Kappa Gamma and Sigma Alpha Epsilon; "Jazz Alley" by Kappa Delta and Beta Theta Pi.

Others are: "The Red Feet" by Sigma Chi and Snyder Hall; "Mud In Our" by West Mayo and the Veterans; "Teed Off" by Zeta Beta Tau and South See SPARTACADE, Page 3

French Club to Hear Discussion on Politics

"French Politics" with special emphasis on the communist party will be discussed tonight by Bernard E. Brown, of the political science department, at the French Club meeting.

Students and faculty may attend the meeting which will be held in the International Center at 7:30 p.m.

'Sense and Nonsense'

Water Carnival Theme Announced

"Sense and Nonsense" will be the theme of the 1955 Water Carnival.

Three coeds who submitted the title "just for the fun of it," will receive a \$25 savings bond and two tickets apiece to the Carnival.

First Place Honors Won By WKAR-TV

The students are Janet Bruess, Monroe sophomore; Mary Ellen Crampton, Detroit junior, and JoAnne Gelow, Saginaw junior.

The announcement of the winning title climaxed a two-week contest period in which approximately 45 entries were submitted. Judging the contest were eight committee chairmen of the Carnival.

Thursday night at 7 all the living units will have an opportunity to receive their titles at a meeting in 32 Union. Only those units represented will have an opportunity to draw their respective titles. Each group will have two proverbs from which to choose.

According to Betty Zinn, Battle Creek senior, and chairman of the theme and continuity committee, all Carnival construction rules and regulations will also be distributed at the meeting.

The annual parade of floats down the Red Cedar will be held June 2-4.

Fraternity Leaders to Meet Here

State fraternity leaders will gather for the 1955 Annual Fraternity Leadership Conference here next week.

On April 20 and 21, fraternity officers can attend meetings for inspiration, instruction and fellowship. Dr. David Dickson, faculty advisor to Alpha Phi Alpha, announced.

Dr. Guy Hill, coordinator of high school cooperation, will speak on leadership at the April 20 meeting. Dr. Russell Nye, head of the English department, will talk on general implications of fraternity life the next night.

After the main speakers, beginning at 7:15, the conference will divide into discussion groups by office.

Social, rushing, pledging and public relations chairman will meet April 20. The following night, presidents, treasurers, stewards, house managers and scholarship chairman will hold discussion.

The Inter-Fraternity Council, Fraternity Advisors Assn. and the Dean of Students Office are sponsoring the conference.

Prospects Look Good For MSU

Spartan Efforts Near Climax

By JERRY JENNINGS
State News Associate Editor

The final outcome of Michigan State's efforts to get university status will be decided by the Michigan Senate today.

The bill to change Michigan State's name to Michigan State University reached the Senate floor Tuesday, when the Senate Judiciary Committee reported it out with favorable recommendations. Experienced political observers have given it a better-than-even chance of passage.

Two amendments which have given Michigan State other university titles were defeated.

An hour-long debate on the bill started when Sen. Harry F. Little (R-East Lansing), chairman of the Judiciary Committee, moved that the rules be suspended to allow the bill to come up for debate and possible amending on Tuesday. The motion was carried.

Under normal Senate procedure, debate would have been held today, with the final vote coming on Thursday.

MSU supporters attending today's Senate session were asked by student government Pres. Bill Hurst to observe ordinary legislative decorum.

Applause and other signs of enthusiasm during House action on the MSU bill drew sharp rebukes from several of the representatives.

One of them, former majority floor leader Rep. Harry J. Phillips (R-Port Huron) criticized the "packed galleries" which, he said, interfered with the Legislators opportunity to make up their own minds.

A motion then to postpone action on the name change for a day, when the galleries were expected to be quieter, was beaten by a 35-49 vote, considerably less than the 88-14 vote eventually favoring the name change.

The first of Tuesday's amendments proposed by Sen. Edward Hutchinson (R-Fennville), would have struck out "Michigan State University of Agriculture and Applied Science" from the bill, and replaced it with "Michigan Agricultural University."

Hutchinson said some compromise should be reached between Michigan State and the U of M, which has opposed the name-change bill.

"The institution at East Lansing is a university, and there isn't any reason why we shouldn't call it a university," he declared, but added that the name proposed in the bill would create confusion between the two institutions.

Pointing out that Michigan State was the first agricultural college in the nation, Hutchinson said it should be proud to have the word, "agricultural" as part of its title.

"I suggest 'Michigan Agricultural University' not as anything inferior or restrictive," he said. "I just don't think anyone out there want to hide that agricultural background."

In reply, Little said the sponsors of the amendment were sincere, but that "Michigan State is something more than that. It's the eighth largest educational institution in the United States today."

"The name proposed is one which would have a tendency to circumscribe the scope of the institution's activities," Little argued. "I hope we do not adopt any words of limitation."

"I can't think of any name which would be more restrictive," he said.

MEREDITH WILLSON

Composer, Wife to Give L-C Lecture

Words and music by Mr. and Mrs. Meredith Willson will be heard in the Auditorium Thursday at 8:15 p.m. The couple will give a musical lecture, to be presented on the Lecture Concert Series.
 Willson is a musician, author and composer. His wife, Rini, is a concert singer.
 Popular songs by Willson include "May the Good Lord Bless and Keep You," "I See the Moon," and "You and I." On the serious side, he has composed two symphonies, "San Francisco" and "Missions of California."
 His musical experience includes training at the Damrosch Institute of Musical Arts in New York, and a tour with the John Philip Sousa band.
 He was a member of the New York Philharmonic Symphony Orchestra, and has conducted the Seattle, San Francisco and Los Angeles symphony orchestras.
 "Willson's autobiography, 'And There I Stood With My Piccolo,' was a best-seller. He has also penned 'Who Did What to Fedelia?', a novel.
 The couple combined their talents as entertainers before in the radio show, 'Every Day.'
 ID cards will admit students to the lecture.

Business

(Continued from Page 1)
 Following the panel there will be a luncheon in the Union at 12:30.
 Howard J. Stoddard, president of the Michigan National Bank, will address those at the luncheon.
 The major address of the day will be given in Fairchild Theater at 3 p.m.
 Leland I. Doan, president of the Dow Chemical Company, will speak on "Business in the Future as I See It."
 The symposium will close with a coffee hour at 4 p.m. in the second floor Concourse of the Union Building.

UB Survey

Step Up and Be Counted

Whatever you do in the Union today, even if you just walk through a door, you'll be taking part in the annual Union Board survey. Since Tuesday morning at 9, every door or facility in the Union Building that has been used—has been counted.
 Why all the counting? According to Bob Gronewold, Battle Creek junior and president of Union Board, the results of the survey are invaluable to Union staff members in determining the number of people entering and using the Union. The figures are also compared to those of other Big 10 Schools Union facilities.
 The survey which is conducted from 9 a.m. to 9 p.m. will end today. Clocking people entering the Union entrances are members of the Union Board.

Michigan Normal Seeks New Name

Michigan State Normal College has jumped on the bandwagon. Rep. Joseph Warner (R-Ypsilanti) Monday introduced a measure in the legislature to change its name to Eastern Michigan College.
 The Ypsilanti college's name change bill is the fifth of the season. Others are for State, Western Michigan College, Central Michigan College and Northern Michigan College.

Contaminated Red Cedar Causes Upset

Does your stomach feel upset? If playful friends have pushed you in the Red Cedar lately, look no further for the cause of the upset. Chances are it's neither overeating, nervous tension or ulcers but Red Cedar water.
 The water is contaminated and liable to cause a severe stomach ache, said Dr. C. G. Menzies.

State Bill

(Continued from Page 1)
 Sen. Harold M. Ryan (D-Dt.). "If you want to divert rising tide of students away from Michigan State, this is the way to do it."
 The entire handling of the re-change bill was a slap at the University of Michigan, said Sen. Lewis G. Christman (R-Ann Arbor).
 Ryan said the bill had passed the Senate on the same day that comes from Michigan State and U of M were meeting to effect a compromise, that it was to the Senate Judiciary Committee, rather than the Education Committee, and that it was rushed to debate while he was out of chambers.
 "There is a very wide difference of legal opinion as to whether or not you can have two separate state universities with two separate governing boards," Christman said.
 If the bill passes, he added, it may be confronted with litigation resulting in bitter battles that would take three generations to live down.
 Christman also said the name change would create confusion in the minds of persons leaving money to one or the other of the institutions. This, he said, might result in long and bitter lawsuits.

Student Congress To Decide On Amendment

Up for final vote at tonight's Student Congress meeting is a bill to amend student government's election ordinance.
 The amendment would require all publicity and shows covered by the present ordinance to be cleared through the election commissioner.
 Also up for final action is a bill to amend the eligibility ordinance of the constitution which governs students participating in extra-curricular activities.
 Congress will also consider the appropriation of \$400 for a typewriter to improve student misographing services.

Dr. Henson Receives Fellowship for Study

Dr. Clyde Henson, assistant professor of English, has been selected by the Foundation for Economic Education to receive the Standard Oil Company fellowship for summer study.
 The award will entitle Dr. Henson to study job requirements and attitudes for and toward liberal arts college graduates this summer.

Seniors to Petition For '55 Club

Graduating seniors who wish to petition for the '55 Club may pick up blanks at the Union desk.
 The Club, sponsored by Senior Council, will be composed of 5 of the top members of the Junior graduating class.
 Members will be selected on point system devised to evaluate the various activities participate in by the applicant along with his point-average.
 The chosen members will be announced at Senior Swingout.

Why do more college men and women smoke VICEROYS than any other filter cigarette?

BECAUSE ONLY VICEROY GIVES YOU A PURE, NON-MINERAL, NON-TOXIC FILTER WITH 20,000 FILTER TRAPS IN EVERY FILTER TIP!

1. Yes, only Viceroy has this filter composed of 20,000 tiny filter traps. You cannot obtain the same filtering action in any other cigarette.
2. Besides being non-mineral and non-toxic, this cellulose-acetate filter never shreds or crumbles.
3. The Viceroy filter wasn't just whipped up and rushed to market to meet the new and skyrocketing demand for filtered cigarettes. Viceroy pioneered. Started research more than 20 years ago to create the pure and perfect filter.
4. Smokers in mass report that filtered Viceroy's have a finer flavor even than cigarettes without filters. Rich, satisfying, yet pleasantly mild.
5. Viceroy draws so easily that you wouldn't know, without looking, that it even had a filter tip... and Viceroy's cost only a penny or two more than cigarettes without filters!

That's why more college men and women smoke VICEROYS than any other filter cigarette... that's why VICEROY is the largest-selling filter cigarette in the world!

And Boom-Boom Booms Again

Montreal Blasts Wings, 6-3

MONTREAL (AP)—With Bernie Boom Boom Geoffrion blasting home two goals and assisting on another, the never-say-die Montreal Canadiens deadlocked the Stanley Cup final Tuesday night by defeating the Detroit Red Wings 6-3.

Now the series is tied at 3 games apiece and the finale will be played in Detroit on Thursday. Still, the crippled Canadiens are in an unenviable position since the Wings haven't lost on Detroit ice in 23 games.

But it was all Montreal Tuesday night after the first period which ended at 1-1. That was when Boom Boom began booming and the season ended with the Canadiens out front by 4-2. From then on they coasted home.

There was one good-sized hurbar and goalie Terry Sawchuk of

the Wings, who made a fistful of brilliant saves after suffering an attack of the flu, came out with a 10-minute misconduct penalty. It was served by Glen Skov.

While the discussion was going on the crowd in the packed Forum began chanting "Campbell, Campbell." President Clarence Campbell of the National League, who was assaulted by raging fans here less than a month ago for suspending Montreal ace Maurice "The Rocket" Richard, sat unperturbed in his seat.

There was no disturbance. Of the six games played so far, neither team has been able to win on their opponent's ice. Detroit took the first, second, and fifth games at Detroit Olympia while the Canadiens found the Forum to their advantage.

Last year the Wings and Canadiens had to go into overtime in the seventh game before Detroit's

"Mighty Mouse" Tony Leswick flashed the red light behind the Montreal goalie for the Red Wing victory.

Wolverines Down Wayne On 3-Hitter

ANN ARBOR (AP)—Michigan's baseball team blanked Wayne 6-0 today as Glen Girardin and Don Don Poloskey combined to pitch a three-hit shutout.

Girardin worked the first six innings, allowing two hits. Poloskey pitched the last three frames, giving up one hit.

Shortstop Moby Benedict led the Wolverines with three hits, two doubles and a single. The win gave Michigan a 6-3-1 record for the season. The game was Wayne's first of the season.

National 'Y' McCaffree To Referee Tucson Meet

Swimming Coach Charles McCaffree leaves today for Tucson, Ariz., where he will referee the National YMCA Swimming Championship meet Thursday, Friday and Saturday.

He has worked with the YMCA for five years and is a member of the YMCA Aquatic Committee.

It will be his second appearance as referee of the meet.

Maxim Picks Self by KO Over Olson

Observers Take Champion Olson

SAN FRANCISCO (AP)—Aging Joey Maxim, his paunch streamlined and exuding confidence, was predicting Tuesday night that he'll knock out Carl Bobo Olson in their non-title 10-rounder tonight at the Cow Palace.

"This is one guy I'll flatten," said Maxim, the former light heavyweight champion. "I think this guy is a push-over against a good left hand, and that's what I've got."

At this morning's weigh-in, Maxim has to hit the scales at 175 under terms of a \$10,000 forfeit insisted upon by Olson's manager, Sid Flaherty, and agreed to by his boss, Jack "Doc" Kearns.

There was just as much optimism around Olson's headquarters, but no talk of a knockout. Olson, 26, who expects to weigh around 170, figures to maul Maxim, 33, savagely around the mid-section in the manner that has won him 61 of 67 previous fights, including the last 20 in a row.

Veteran observers were more inclined to string with Olson than with Maxim.

'Big Thunder' Defensive Standout

Gridders Hold Contact Drills

Michigan State's football squad still 140 strong, got its first taste of contact work in Tuesday's drills. With no noticeable reduction in the size of the team from Monday's opening session, Coach Daugherty stepped up the pace Tuesday.

Daugherty opened the practice with a short blocking drill and followed that with a chat talk.

Then he split the players up into groups to work on blocking assignments before assembling them for the first contact work.

While split into groups, the players worked on passing, blocking assignments, and running through plays.

Then they put that work to use as they held a light scrimmage, dealing mostly with passing.

Quarterback Pat Wilson spearheaded the passing drill, connecting on several long tosses. His alternate, Jim Ninowski, also hit well during the drill.

End John (Big Thunder) Lewis was the defensive standout, breaking in with guard Dale Holler to smear four straight plays behind the line.

With Wilson in the top backfield were halfbacks Rudy Gaddini and Jerry Musetti and fullback Gary Lowe.

Walt Kowalczyk and Jerry Plantus also saw action in the top quartet.

Left halfback Clarence Peaks didn't dress for the practice, jogging around the field in a sweat suit after receiving a charley-horse in Monday's session.

The only casualty of the Tuesday scrimmage was freshman lineman Emil Matsos, who sprained his ankle while working at a linebacker post.

In line with his speeded up practice plan, Daugherty has

scheduled a full scrimmage today's practice.

2 Hoosiers Face Big 10 Investigation

CHICAGO (AP)—The 10 Tuesday opened at investigation into the case two Indiana University freshmen basketball stars determine if they must

feit a year of eligibility playing in an AAU tournament.

The two are Evie Lucas and Charles Brown, basketball players for Indiana High School of Chicago in the 1954-55 season.

Lucas and Brown played a Chicago team in the AAU last season, but the AAU Commission ruled that they were ineligible.

Bill Lewis, AAU Commissioner, said he was in the field of their investigation to meet Monday night at the AAU school in Chicago.

Braves Edge Redlegs

Rookie Chuck Tanner tied the game with a pinch hit homer and sophomore Hank Aaron tripled in the winning run as the Milwaukee Braves won their National League opener from Cincinnati Tuesday, 4-2.

Tanner, 25, batting in the eighth inning for pitcher Warren Spahn smacked loser Gerry Staley's first pitch 325 feet over the right field wall to tie the score at 2-2.

Centerfielder Bruton then singled and Aaron clubbed Staley's first toss to him up against the centerfield fence for a triple that drove Bruton home with the winning run.

Bobby Thomson scored Aaron from third with a fly to center for Milwaukee's final run.

Ted Kluszewski, defending major league home run king, had knocked his second four-bagger in his second game of the year to shove the Redlegs into the lead in the top of the eighth.

Butterfield To Reward IM Athletes

Butterfield Hall will honor their outstanding IM athletes tonight at an athletic awards banquet at Brody Hall.

Three individual and two team trophies will be presented for participation in the IM program.

Dave Dianich, Norm Rowell, and Fred Kummer will be the recipients of the individual honors while Precinct 7 will receive trophies for the all-dormitory championships in basketball and bowling.

Kummer took first place in the all-university place-kicking tournament and Rowell was top boxer in his class in the all-university boxing bouts. Dianich won first place honors in his weight in the wrestling tournament.

IM Sponsors Rifle Tourney

An IM rifle tourney will be held for two weeks, starting Monday, with prizes being awarded on an individual basis.

No teams will be entered in the competition, sponsored by the IM department and under the supervision of the ROTC.

Both male students and coeds may participate in the competition.

The shooting will be done on the ROTC range, in the basement of Dem Hall, using ROTC rifles and ammunition.

In addition, two ROTC staff members will provide supervision and safety instruction for all participants.

The range will be open for competitive firing from 8 a.m. to noon and 1 p.m. to 5 p.m. during the duration of the tourney.

An ROTC instructor will be present and will start the com-

petition every hour, and only on the hour.

He will conduct a safety instruction period and demonstrate and instruct in the firing procedure. A short practice firing period will be allowed with the final 20 minutes of the hour used for competitive firing.

A maximum of 20 competitors

Peiping Reports Crash as Sabotage

SINGAPORE (AP) — Red China charged Tuesday night the crash of an Indian air liner Monday with a Chinese delegation aboard was "murder . . . prearranged by secret agents" of the United States and Nationalist China.

The official Peiping radio said the government knew of a plot to sabotage the plane and had warned British authorities before the plane left Hong Kong Monday.

Members of the Peiping delegation to the forthcoming African-Asian conference at Bandung, Indonesia, were among the 19 aboard. Three persons were rescued Tuesday. Sixteen others still are missing.

The plane was a four-engine Constellation of Air India International, owned by the Indian government and chartered by Red China.

At Washington, officials dismissed the Peiping radio's charge as "ridiculous."

The American officials said the charge apparently was a crude attempt to influence Asian and African delegates to the Bandung conference against the United States.

The Peiping radio broadcast said the Red China Foreign Ministry had told the British charge d'affaires in Peiping Sunday about the alleged plot. The charge was asked to "draw the attention of the British authorities in Hong Kong to this matter so as to take measures to insure the safety of the staff members of the Chinese delegation and the correspondents."

The plane took off Monday morning from Hong Kong for Jakarta, Indonesia. Those aboard included three members of the Peiping delegation to Bandung and a member of the North Viet Nam delegation.

Mobile Unit to Give Students Free X-Rays

Ingham County Chest Hospital's mobile X-ray unit is to be on campus today and Thursday.

The unit will be parked in front of the Married Housing Office from 9 to 11:30 a.m. and 1:30 to 4:30 p.m. today and 1:30 to 4:30 and 6:30 to 8:30 p.m. Thursday.

Officials say the X-rays are free to the public. Children from ages 5 through 15 are admitted if accompanied by their parents.

Recital Correction

Alan Curtis, Mason senior, will give his senior piano recital, Sunday at 4 p.m. in the Music Auditorium, instead of Friday as was reported in Tuesday's State News.

Symposium

(Continued from Page 1)
"We have been sleeping peacefully, accepting one restrictive measure after another, using our ingenuity to overcome the impact on our business," declared Kresge.

Warning that foreign grants-in-aid cannot be continued indefinitely, Kresge said, "We must integrate into our system a higher volume of foreign products to relieve heavy taxes and national debt."

Kresge maintains foreign competition is healthy in forcing United States manufacturers to do a better job and produce goods at a lower price.

"But I am sure that the American businessmen, if allowed to use the flexibility of a free enterprise system, will be equal to his share of any situation that might arise," Kresge said.

STUN Payoff
