

Coed Honor System Receives Hannah's Approval

Plan Goes Into Effect Next Fall

Unlimited Late Per Given 3-Pointers

By JACKIE OLDHAM

President John Hannah Tuesday approved a plan which will give outstanding senior coeds 11:30 permissions every week night and three Lansing or East Lansing overnights a term.

University Honor Women, as the plan is called, is the result of the suggestion of a campus honor dorm. It will begin fall term.

Any senior coed with a 3-point average and high citizenship ratings is eligible.

The plan came from the honor dorm committee set up by Mortar Board and Tower Guard winter term. Three representatives from Tower Guard and Mortar Board, Marilyn Brink, the senior who originated the honor dorm idea, and Sally Owen, South Campbell president, formed the group.

Miss Owen had brought up the idea at a Spartan Round Table meeting and it was turned over to the two honoraries for development.

Mortar Board will oversee the plan next fall. A University Honor Women committee will be stationed in the Union. Micki McBride, Mortar Board member, said.

Any girl with senior standing scholastically may bring her grade slip to the committee. Her name and grade slip will be checked to make sure she has a 3-point and is a senior.

Then her name will be sent to the women's division of the dean of students office. She will be checked by them for citizenship qualifications, according to the plan submitted by the committee.

Passing this test, her name will be added to the list of others from her living unit and sent to the house mother.

Instead of signing only the sign-out sheet, the honor women also sign out on a card similar to late permission slips.

The plan also includes letters of congratulations to parents.

So far, the plan is on trial basis for one or two terms, Dr. Hannah said.

However, "we have confidence in our students," Dr. Hannah said. "I feel it will be successful."

Individual responsibility is stressed in the committee's plan. Coeds must realize the program is on a probationary basis. It states:

A coed will be removed from the program if her citizenship or scholastic rating falls below the approved standards. As soon as a senior makes up the scholastic deficiency, she may reapply.

A coed removed for citizenship reasons will not be able to come under the program for the rest of her time in the university.

If the program is successful and few girls are removed and if it is thought to bring about a more decided incentive for good scholarship and citizenship, the committee recommended the plan be extended to junior girls.

Now, any senior coed with the other requisites may apply regardless of graduating term.

"I give my whole-hearted recommendation to this project," Dean Tom King told the committee.

Emotional Needs of Marriage

3 Authorities to Express Marital Views Tonight

A marriage counselor, a gynecologist and a psychiatrist will give their opinions on "Meeting the Emotional Needs of Marriage" tonight at 8 in the Music Auditorium.

The panelists will speak at the second of two Mortar-Board sponsored marriage lectures. Moderator of the discussion will be Dr. Harry Grace, assistant professor of psychology.

The speakers are Dr. Katherine B. Greene, Wayne County marriage counselor; Dr. Mahlon Sharp, Lansing physician, and Dr. Byron Casey, consulting psychiatrist for the health service.

Dr. Greene is a graduate of the University of Iowa in psychology. She has been a clinical psychologist at Iowa and also organized the Washtenaw County marriage clinic while teaching at the University of Michigan.

She later became the first marriage counselor in Wayne County. She is married to a psychologist and has five children.

Dr. Sharp, a graduate of the University of Michigan, has practiced in Lansing for 11 years. He is senior consultant in obstetrics and gynecology at Sparrow and St. Lawrence Hospitals.

Dr. Casey, a graduate of Notre Dame and the University of Chicago Medical School, studied psychiatry at the Menninger Clinic in Topeka, Kan. He has a private practice in Detroit and is on call every Friday. Dr. Casey will devote full-time to the health service beginning in July.

Programs will be given to students attending tonight's lecture. A bibliography of reading suggested by the speakers will appear on them.

Red Radio Blames U. S. Sabres Down 3 Migs

TOKYO, Wednesday (AP)—U.S. Sabre Jets and Chinese Red MIGs battled off North Korea Tuesday with both sides claiming victory. Peiping radio charged the United States with "a grave military provocation."

A U.S. Air Force announcement said eight Sabres were attacked by from 12 to 16 MIGs over international waters, two MIGs were shot down and one probably was shot down. It said all Sabres returned safely.

A Peiping radio broadcast said the Sabres intruded over some Manchurian islands off the coast and Red Chinese fighters shot down one Sabre and hit two others. It asserted the Sabres "then fled in the direction of South Korea." It mentioned no MIG losses.

"The U.S. authorities will have to bear full responsibility for all the grave consequences arising therefrom," said Peiping.

The Air Force gave no hints as to the nationality of the attackers. Peiping made it clear the MIGs were from "the air force of the Chinese People's Liberation Army."

The Air Force and Peiping versions agreed pretty well on where the clash took place. The Air Force said it was 50 miles southwest of the Korean border city of Sinuiju.

Peiping said it occurred about three miles west of the island of Talu. Talu is 40 miles southwest of the big Manchurian air base of Antung, which is just across the Yalu River from Sinuiju. The Red planes probably came from Antung.

It was the third attack in 10 months on U.S. planes in the skies off the west coast of North Korea. The Air Force announcement said the Sabres were on a regular patrol.

"After the MIGs began firing at the Sabres," the Air Force announcement said, "the American planes returned the fire."

"In the ensuing battle, two Communist pilots bailed out and the third plane was last seen diving straight down trailing smoke."

Apparently writing off the third MIG as downed, the Air Force said "pilots who scored kills" were:

Capt. R. V. Fulton, Bernardsville, N.J.; Lt. B. C. Phythian, Wadsworth, Ohio, and Lt. J. E. McInerney, Garden City, N.Y. They were assigned to the 35th Squadron of the 8th Fighter-Bomber Wing.

Two previous air clashes since the Korean armistice was signed in July 1953, have cost the Communists at least five MIGs with one probably shot down.

Dignified Talent Offered at Annual Faculty Auction

Faculty and student talent will go to the highest bidder Thursday afternoon when Green Helmet presents the annual Faculty Auction for the benefit of Campus Chest.

Among those who will offer themselves as dinner guest to the highest bidder are Pres. John Hannah, Dr. David Dickson, Dr. Derwood Varner, Biggie Munn, Duffy Daugherty and Fordy Anderson.

Several basketball, baseball and football stars will also be "auctioned off." Miss Michigan State, Judy Bradley, and Jan Sommers, former Miss Big 10, will offer their talents as entertainers.

Lists of the acts and personalities to be auctioned have been sent to all living units, according to Craig Sterling, chairman of the auction.

The auction will be held from 3:30 to 5:30 on the Union terrace. In case of rain it will be held in the concourse. Jim Voorheis' band will provide background music for the entertainers.

Conference Plans Underway Bulganin Invited To Big 4 Meeting

WASHINGTON (AP)—President Eisenhower joined with the leaders of Britain and France Tuesday to invite Soviet Premier Bulganin to a top level Big Four meeting aimed at removing "sources of conflict" between the Western Powers and Russia.

The three Western nations delivered to the Foreign Ministry in Moscow a note proposing a two-stage approach to solutions of the great East-West problems.

At the same time it had the effect of warning peoples all over the world against expecting too much from the long talked of meeting "at the summit."

"We recognize that the solution of these problems will take time and patience," the Western Powers told Russia, in forthright language. "They will not be solved at a single meeting nor in a hasty manner."

The session would bring together Eisenhower, Bulganin, British Prime Minister Anthony Eden and French Premier Edward Faure.

The exact time and place would be determined by the foreign ministers.

The note was released simultaneously in Washington, London, and Paris. It was obviously written in the knowledge that it would be made public and that what it said would have a great impact on world peace hopes which have long focused upon top level four power talks.

The two stages proposed to Moscow for an attack on "the great problems which confront us" were these:

First, an early meeting of the heads of government to be preceded by a brief session of the four power foreign ministers.

The government chiefs would try to formulate "the issues to be worked on" and the methods to be followed in working on them.

The time and place of the top level sessions are yet to be determined. The foreign ministers would meet at the same place and their session would merge into the meeting of their chiefs.

Second, detailed work on the problems along lines laid out by the head men—this work to be carried on "by such methods, or see BIG FOUR, Page 6

A reliable congressional source said late Tuesday he had been advised that Health Service officials were awaiting word from a meeting of scientists in Detroit Wednesday. This source said the scientists apparently were ready to report on results of their recheck of vaccine production at the Parke, Davis Laboratories.

A Health Service announcement issued at about the same time, however, said the reappraisal of Parke, Davis production methods would not start until today it stated Dr. William G. Workman, chief of the U.S. Laboratory of Biologic Control, will head the inspection team due in Detroit Wednesday.

Ferry Sinks, 35 Die

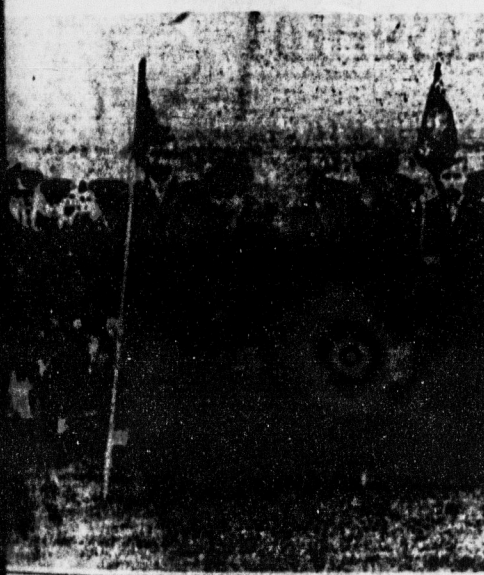

TOYKO, Wednesday (AP)—A railroad ferry carrying 725 passengers and 60 crewmen hit a freighter in early morning fog Wednesday and sank 25 minutes later in Japan's inland sea. The Japan National Railways said 607 had been saved, 35 were known dead, 37 were injured and 16 were missing.

Men's Glee Club Really Gets Around

By CHUCK BELLER, State News Associate Editor

With the exception of the athletic teams and the marching band, the most widely known and often seen organization on campus is the Men's Glee Club.

Sponsored by the Cap and Gown series of the Department of Continuing Education, the glee club, along with the band, orchestra, State singers, ensemble groups, State players, Spartan Bell Ringers and other groups are providing Michigan communities with cultural entertainment.

The club is under the direction of Edward Richmond who took over the position in the fall of 1952. Before coming to State, Richmond directed the concert choir and taught voice at North Central College, Naperville, Ill.

During the three years that Richmond has directed the club, it has travelled approximately 40,000 miles and sang before an estimated 200,000 people.

The glee club has appeared in over a hundred cities in the Great Lakes region, including Detroit, Chicago, Milwaukee, West Lafayette and Elkhart, Ind.

Other Michigan cities visited include: Kalamazoo, Battle Creek, Ann Arbor, Saginaw, Flint, Grand Rapids, Muskegon, Traverse City and a number of upper peninsula communities.

The glee club has been pioneering to form an association of Big 10 glee clubs. After the Michigan football game last fall, State's and Michigan's glee clubs gave a joint concert before a packed house at Michigan's Hackham Hall.

Purdue and State have given return concerts at the two schools.

The club has also been heard via radio, television and recordings.

Several years ago, the glee club, concert band and A Cappella Choir combined to record an album of college songs.

This year, the glee club produced an RCA Victor recording of "MSC Shadows," "The Fight Song," "Close Beside the Wind-ing Cedar," the old alma mater, and "Spartan Toast."

Both recordings are available at the Union and in record shops in East Lansing. The old album is available on 78 r.p.m. and LP, and the more recent one on 45 extended play.

A proposed flying trip to Air Force bases at the Soo and at Hudson Bay has been postponed until next year because of lack of facilities at the two bases.

House Votes, 218-170 Hawaii, Alaska Lose Bids for Statehood

WASHINGTON (AP) — The House Tuesday night defeated a bill to grant statehood to Alaska and Hawaii.

By a 218-170 rollcall vote, the House sent the controversial measure back to its Insular Affairs Committee. A possibility remained that the committee will consider reporting out separate bills for Hawaii and Alaska later this year, or next.

Three times in the past the House has passed separate bills to admit Hawaii to statehood and once approved a bill for Alaska. Democratic sponsors presented the House a combined statehood measure for the first time this year. It provoked two days of debate before going back to committee.

Insular Affairs Committee Chairman Engle (D-Calif.) said the magnitude of the negative vote "raises a serious question" whether such separate measures for statehood would be successful. Engle told newsmen supporters of the combined measure received no help from the House Democratic leadership and met active hostility from Republican Leader Martin of Massachusetts and Asst. Leader Halleck of Indiana.

On the rollcall, 105 Democrats and 113 Republicans voted in effect to kill the combined bill, while voting for it were 107 Democrats and 63 Republicans.

Illinois' top hurdler, Thomson, stole the sportsman's title from the fastest times runner in the 220-yard dash.

Brabham's winning time was .09.8 while Thomson's was .22.2. Teammate McCoy was the runner-up.

Henry Cryer, the middle-distance runner, won the 440-yard dash in 1:15.8.

The Spartans' weakest distance cost them the Karl Jonsson, Illinois sophomore, won both the 100 and 200-yard dashes.

Don Hillmer won the 100-yard dash with a low 1:11.7. Woodson was the runner-up with 22 2/3 seconds.

Big 10 indoor champion Foster won the pole vault 15' while Spartans' G. Savoldi and George Foster were second at a low 14' 6 1/2".

Savoldi won the shot 45/8" to edge out Bill Foster. The Spartans' mile runner, Pat Sutton, Tom Foster and Gosper won easily.

Cleveland at New York-Wynn (2-0) vs. Turley (2-0)

Hard-luck Tom Brewer of the Red Sox was charged with his fifth loss without victory as the victim of the long-range assault.

Down 2-0 in the early innings, Chicago bounced back starting with Rivera's homer to lead off the seventh. Carrasquel's blow knotted the count, 2-2, in the eighth. Kell then followed a walk to Minnie Minoso with his blast.

Billy Goodman scored on a passed ball in the first inning for Boston's first run.

Cards Break Streak

ST. LOUIS (AP)—Bill Virdon's two-run homer in the 10th inning Tuesday night broke a seven-game losing streak for the St. Louis Cardinals and handed the Philadelphia Phillies a 10th consecutive defeat, 5-3.

Virdon's homer, his fourth, went into the right field pavilion from which a protective screen had been removed this season after 25 years and was only the second hit into that sector at Busch Stadium this season. The first had been hit three innings earlier Tuesday night by teammate Bill Sarni, a righthanded batter.

Rookie Puerto Rican southpaw Luis Arroyo, scored his second big league victory, Arroyo, striking out nine and walking three, yielded only five hits—three to Del Ennis and two to Willie Jones.

Jones' ninth-inning single with Ennis on base sent the game into extra innings.

Virdon's game-winning home run came off Jack Meyer, who took over in relief for Curt Simmons.

The Senators splurged for four runs off loser Duke Maza in the second inning.

Detroit retaliated with two runs in the fourth when Ferris Fain walked, Jim Delsing doubled and Bill Tuttle scored both with a single to left.

The Senators sewed it up with two more runs in the sixth.

Say-Hey Hits 2

CINCINNATI (AP)—Tricky, reliable Johnny Antonelli, assisted by Willie Mays' two homers and a 4-run sixth inning, Tuesday night led the New York Giants to an 8-4 win over the Cincinnati Reds.

The game was split wide open in the sixth inning when the Giants scored four runs, routing Johnny Klippstein, and shattering a 2-2 tie. Davey Williams walked and shortstop Alvin Dark singled. Monty Irvin doubled off the left field wall, scoring Williams and Dark. Big Willie Mays then blasted his first homer.

Klippstein was replaced by Art Fowler, who stopped the scoring.

The Reds opened the scoring with a home run in the first by third baseman Chuck Horowitz. This was matched in the second when Hank Thompson smacked one over the right field screen, scoring behind Mays, hit by a pitched ball.

The score was 2-2 in the third when Harmon lined a single to center, bringing in Klippstein, also hit by a pitched ball.

The Reds perked up for a seventh inning rally with two runs, including a homer by Wally Post. The final Giant score came on another Mays home run, his sixth of the season.

TED WILLIAMS Splitter's marriage splintered

Court Benches Williams in Divorce Action

MIAMI (AP)—Ted Williams was effectively benched Tuesday by a court's delay in ruling on alimony he must pay his former wife, Mrs. Davis 'Soulie' Williams, whom the Boston Red Sox star married at Pensacola, Fla., 11 years ago while in the Navy, won an uncontested divorce decree Monday.

A busy calendar Tuesday delayed decision by Circuit Judge E. Holt. Judge Holt said he may get to it Wednesday if other business permits.

One of Mrs. Williams' lawyers indicated she had agreed to a lump sum settlement. Asked in court how much she would need for support of herself and their 7-year-old daughter Barbara, Mrs. Williams replied, "I have no idea."

It was generally believed that Williams would do nothing about returning to baseball until the court decided how big a cut his ex-wife would get from his pay. Some said he'd quit playing if he considered her slice too big.

Cagers Enter DePaul Meet

The Michigan State basketball team will engage in the DePaul pre-holiday tournament at Chicago Stadium, December 16 and 17.

The Spartans will play two of last season's top teams, the San Francisco Dons and the Marquette Warriors. San Francisco won the NCAA tourney and led the Associated Press' weekly ratings for over half of the season.

Marquette lost only two games during the regular season, the opener to Michigan State, 91-78, and the last game of the season to Notre Dame. They beat Miami of Ohio and Kentucky before leaving to Iowa in the NCAA tourney.

Detroiters Top ABC Keglers In Closing Days

FORT WAYNE, Ind. (AP)—For the fourth straight day action was thick and fast in the American Bowling Congress Tuesday but still no change took place in the top 10 of the various divisions.

With less than four weeks of the 72-day tournament remaining, it appears more and more each day as though the leaders are going to be hard to catch.

Three weeks ago Pfeiffer's Beer of Detroit went into first place in the open division and this was the most recent change among the leaders. The Motor City five shot a 3.124.

Stroh's Beer, also of Detroit and led by Buzz Fazo, is given the best chance by veteran observers of threatening or taking the lead. Recently in Detroit the Strohs team defeated the Pfeiffer quintet in a match game. Strohs will be here Thursday night.

On the third day of the tourney Milwaukee's Eddie Gerzle, a southpaw, took the singles lead with a 738 count. This still stands at the top of the list.

Harry Zoeller and George Pa-cropus of Wilkes-Barre, Pa. lead the doubles with their 1,385 total and Fred Bujack, a member of the Pfeiffer team, head the all events with 1,993.

Speed has been Hobaugh's main pitching factor in the past. However, this season he states that he has been working on a change-up and a curve to go along with his fast ball.

After graduation from college Ed is looking forward to a job in the pro ranks. "I'd like very much to play ball for a few years in the majors," he said. "But if I'm not good enough to make the grade then I'll turn to my major of physics and coach high school sports."

"Jack is the type of ball player that could run everything," he said. "You always knew he was giving his best when he was out there behind you."

"My brother is going to develop into a good ball player," Ed said. "He hits the ball well and should go places if nothing happens. I'd like to see him catching for State after he gets out of high school."

Hobaugh points to Jack Zettler, last year's team captain and third baseman, as one of the most reliable infielders ever to play behind him.

"I had men on the bases and only one out. The first man I faced was Murphy, their all-American outfielder, and I struck him out. The next hitter grounded out to end the inning and we went on to win the game and a trip to Omaha."

Hobaugh points to Jack Zettler, last year's team captain and third baseman, as one of the most reliable infielders ever to play behind him.

"I had men on the bases and only one out. The first man I faced was Murphy, their all-American outfielder, and I struck him out. The next hitter grounded out to end the inning and we went on to win the game and a trip to Omaha."

New selections of smartly styled dress, waterproof watches by Elgin, Baurus, Longines, Whitinsauer.

The note did not specify what the Western Powers would like to take up with the Soviet Union.

The West told Russia that the procedure suggested would facilitate the preparation and orderly negotiation most likely to bring about agreements "by progressive steps."

The note was developed by Secretary of State Dulles, British Foreign Secretary Harold MacMillan and French Foreign Minister Antoine Pinay after Eisenhower gave Dulles a green light Monday for arranging a meeting of government heads.

The Western Powers said that in the limited time for which the heads of government could meet, they would not undertake to agree upon substantive answers to the major difficulties facing the world. Instead they would give "a new impetus" to the search for answers "by establishing the basis for the detailed work which will be required."

Before the note was made public, President Eisenhower had already indicated at a top level Big Four conference was virtually certain some time this summer, if Premier Bulganin is ready for it.

Eisenhower told a Republican caucus's meeting here that he "would do anything—meet with anyone, anywhere—in the interest of peace."

His press secretary, James C. Hagerty, announced that Secretary of State Dulles at Paris was authorized to arrange for a meeting of the four chiefs of government "if it seems feasible and useful."

Dulles, MacMillan and Pinay are expected to talk over details with Foreign Minister Molotov in a projected meeting at Vienna next weekend.

Eisenhower's willingness to hold a meeting of government heads without waiting for a full session of foreign ministers was a reversal of his previous insistence that the foreign ministers meet first.

He apparently shifted positions under pressure from the Anthony Eden's British government which is facing an election May 24.

An all-out effort for peace with the Soviets, which such a meeting would symbolize as a major step for Eden in his contest with Clement Attlee's Labor party.

Elections Chairmen To Receive Supplies

A meeting of all district election chairmen will be held today in Room 42, Union, at 4:30 p.m.

Election commissioner Rex Dawson said ballot boxes and election supplies for Thursday's final elections will be distributed.

Dawson also said all candidates for office may post one \$4 by 11 o'clock p.m. on the bulletin board in the Union Concourse.

The eyes of many candidates weigh more than twice as much as their brains.

Peter J. Leszynski rehearses his lady, Sarah Graves, in rehearsals for the "Michigan Dream," State's Centennial musical based on 1870 Michigan. In the show, which will be presented Friday and Saturday in the Auditorium, Leszynski wears Miss Graves with a not-too-romantic rendition of the "Ox Drivers' Song."

Honor
(Continued from Page 1)

The University Honor Women is expected to provide three additional benefits beside recognition to those and the university, the report continues.

They are:

1. A vacation period between classes and being on year out.
2. A steady supply of recognition capable girls. The honor will form a list of girls who will be more able to work in campus positions without endangering their grades. The list publications may enable two nights work to be finished in one night.
3. An incentive to fulfill the program's requirements.

In conjunction with the third point, the program may do away with the need for special late permissions for activities like the State News, Union Board and student government, the report states.

Recount Shows Votes Unchanged

A recount of senior vice-presidential primary ballots Monday did not change final results.

Election commissioner Rex Dawson, who ordered the recount due to the closeness of Thursday's voting, said loser Tamara Van Buskirk polled 320 votes in the recount. Originally, she had 321 votes.

Dutch Dancers Perform Today

Dutch Dancers will repeat their performance of last week, today in the Union Concourse at 4 p.m. to repeat the dance that Thursday. In the last day to sign up for the Union Board sponsored trip to the Holland Tulp Festival, Saturday, May 14.

Drivers Warned To Keep 2-Point

Student drivers had better check their point averages.

Dean of Students Tom King said Monday that the campus police have been notified to enforce the university driving regulation that substitutes students must maintain at least a 2-point.

Students whose grades have dropped below the 2-point minimum must contact the police and have their sticker removed.

Anyone found driving under these circumstances is subject to a fine for driving an unregistered car, King warned.
