Soviet Union Protests Terms For Four-Power Conference

Attempts To Separate Allied Block

Vienna Rejected As 'Improper' Site

WASHINGTON (AP)—Russia took a long step Sunday toward rejection of the terms and conditions set by the Western Powers for a top-level Big Four conference this summer.

An editorial in Pravda, bitterly attacking these terms as if they had been proposed by the United States alone, also suggested to experts here that the Soviet Union is trying to drive a wedge between the United States on the one hand and Britain and France on the other. The implication of the Soviet line is that it is only the American leaders who are being unreasonable.

Actually the terms for the meeting — that it should be short and confined to a definition of the problems and the methods to be used in solving them—were jointly proposed to the Russians in an American-British-French note two weeks ago.

But since then President Eisenhower and Secretary of State Dulles have been more outspoken than their Paris and London Allies in emphasizing the strength and firmness of the Western stand. Apparently their assertions have annoyed the Soviets and also provided them with a convenient excuse for trying to change the nature and purposes of the meeting. State Department officials said the Pravda editorial would have to be studied in detail. They would not be surprised if it was followed up by an official note from the Soviet government Monday or Tuesday along the same line, perhaps milder in tone.

Meanwhile the State Department had no formal comment. The initial reaction of U.S. officials was the Russians are not trying to get out of the Big Four meeting but probably are trying to twist it more to their purposes.

In this respect, several interesting points stand out: 1. Pravda, which is the Communist party newspaper, said that the United States was being "unreasonable" about the length of the meeting. It also spoke of having the meeting give serious consideration to urgent international problems.

2. The editorial protested Western rejection of Vienna as a site for the conference. Secretary Dulles took the position it would be improper for Eisenhower to go into an area where the Russians shared occupation. The Soviets are insisting on Vienna apparently because they want maximum propaganda for their Austrian formula of unity and independence for a country provided it is neutralized.

3. Pravda expressed deep resentment to a statement in the Dulles-Eisenhower radio-television broadcast of last Tuesday night that a Big Four conference should consider the problems of the Soviet satellite states and of ending the "test" of Communist operations in free countries.

50 Coeds Honored At Lantern Night

Mrs. Hannah Receives Student Centennial Award

Lighting the way with lanterns, Michigan State coeds marched around West Circle Drive Sunday night, observing the traditional Lantern Night program.

The parade started at the Union and ended at the home of President John A. Hannah, where Joan Petrunick, retiring Mortar Board president, greeted participating coeds and observers.

The lanterns, each swinging between two coeds, were handed down from class to class at the annual event.

The true significance of the lanterns is in the light representing womanhood, Dr. Hannah said. The passing down of the responsibility from class to class is only a part of the symbolism, he explained.

Mrs. John Hannah was honored at the program with the Student Centennial Award of special recognition. Miss Petrunick presented the award.

Miss Petrunick introduced the new Mortar Board president, Rhosann Dobben, Jackson, Mich. Officers are: vice president, Carolyn Lyons, Owosso; secretary, Carol Eck, East Lansing; treasurer, Sue Sturges, Sturgis; historian, Shirley Pine, Plymouth, and quarterly correspondent, Ann McGlothlin, Manistique.

Towar Guard officers, announced by Peg Foster, retiring president, are: president, Kris Kaestner, Dearborn; vice president, Ann Mottinger, Westport, Conn.; secretary Diane Rybaki, Chicago, and treasurer, Louise Brauner, Okemos.

Gabrielle Mulling and Ann Martineau, retiring presidents of AWS Activities and Judiciary respectively, installed new presidents Beverly Greig, Detroit, and Pat Roberts, Kalamazoo.

Musical entertainment was provided by Alpha Gamma Delta and Kappa Kappa Gamma, winners of Sorority Sing, and the East Lansing chorus, winner of the Inter-Dorm Sing.

Seniors Asked To Get Tickets To Graduation

Seniors are asked to pick up commencement tickets Tuesday and Wednesday at the Registrar's Records Office, 106 Administration.

These tickets are to be used only if it rains June 5, said Lyle Leisenring, recorder in the Registrar's Office. In that case, commencement exercises will be held in Jenison Fieldhouse.

The School of Communication Arts will provide for the study of mass communication, involving the establishment of a curriculum designed to educate students in complete range of communication processes.

The communications study committee, under the chairmanship of Dean of Agriculture Thomas K. Cowden, pointed out that "the curriculum of the new school will aim at creating, for the future, a large body of educated men and women who are familiar with communications media, competent to employ them wisely, and capable of utilizing them for proper social and educational ends."

The committee also warned that "there is a critical need for a unified attack on the problem of communication, concentrating on it the total skills and resources of the educational institutions." Dr. Sabine holds a Ph.D. degree from the University of Minnesota. He has held various newspaper positions, and has taught at the University of Wisconsin, University of Kansas, University of Minnesota, and the University of Oregon.

Rather Hall Wins Junior 500

Rather Hall edged by the finish with a 6 second lead over how to carry away top in the seventh annual race. Lambda Chi's "Junior 500," team which was an earlier Chi poll predicted "might not get a wheel in the finish" in a winning time. Shaw crowded Rather in and Delta Tau Delta followed a close third with 3:6.2. Finalists were Sigma Alpha Epsilon, West Shaw and Gamma Rho. The West car went out of control in the final heat, as the driver and car went into the crowd. Mason Hall's entry cleared the finish line for a first in the women's race with a time of 3:10, followed by second-place Abbot Hall in 3:17.8. West Mayo placed third. The champion coed driver was Jane Freeman, Niagara Falls, N. Y., freshman. "So There You Are"—a humorous take-off by FarmHouse on Student Government and Governor Williams—won first place in the humorous division. Zeta Beta Tau's "ZB-TV" float depicting Godfrey and His Friends won second place.

Men's Glee Club To Present Concert

Michigan State's Men's Glee Club will present its annual concert tonight at 8 in the Auditorium, before what is expected to be one of the largest crowds ever to hear it. Spirituals, religious songs, popular numbers, and selections from the classics and semi-classics.

Tenor Jim McMahon will solo in two Schubert numbers, "Ave Maria" and "The Omnipotence." Other soloists will include Fred Powell, singing "The Sweetheart of Sigma Chi" as part of a medley of college songs arranged by the student director and accompanist, Lowell Everson.

Don Circle, Baritone, Will Solo

A Fred Waring arrangement of "No Man is an Island" will feature tenor soloist John Hyde and harpist Harvey Griffin. Baritone Howard Thompson will sing the solo in the sea chanty, "Roving."

Al Clafetelli will play the banjo in the minstrel number, "Alabama Bound" with the glee club backing him up.

The Concert will open with a group of religious songs, "Lo, How a Rose E'er Blooming," "Adoramus Te Christe," "Jesu, Joy of Man's Desiring" and "Then Round About the Starry Throne," from Handel's oratorio, "Samson."

The next group of numbers will contain "In Wood Embowered," "Nesth Azure Skies," by Brahms, Hayden's humorous sketch, "Maiden Fair, O Deign to Tell," and the two Schubert numbers.

A drum and trumpet will furnish the background for the Kodaly number, "Soldier's Song."

Two Negro spirituals will be "Wade in de Water," and "Norah," a medley of three spirituals. The "Bellaires," a quartet composed of McMahon, Everson, Gillette Hall and Don Springer, will also be heard.

A group of college songs will close the program. Admission to the concert is free.

Letters to the Editor

Chorus Saengerkrieg

To the Editor: Most Michigan State followers would like to forget what happened at Ann Arbor last November on the day of the big game. It was not a day of defeat for State's musical forces, however, as everyone knows, the marching band compares favorably with the best in the land.

Of special interest to all State followers was the psychological bombshell hurled by the glee club to end its half of the program.

Director Edward Richmond deserves special credit for placing the numbers "Great Day" by Youmans, and the "Fight Song" at the close of the program. Here is what happened:

At the words "great day" the Michigan followers chuckled, because it was really their day. But with the line "hallelujah helps to shoo the blues away—it's going to be a great day in the morning, Lawd," the State followers had hopes of better days to come.

In the fight song, the words "we're going to win this game," and "Spartan teams are never beaten," again brought chuckles from the partisan crowd, but State's glee club singers, undaunted and smiling in good humor, fully conscious of their concert success wheeled briskly off the state with the thunderous applause, of friend and foe alike, ringing in their ears.

The Michigan Daily tactfully said in its review that the content was a draw. This is tantamount to saying that "State did very well, indeed."

What is good enough for the U of M is also good for Michigan. Come and hear the State Men's Glee Club in its annual spring concert tonight at 8 in the Auditorium, in a complete program, free to everybody. George F. Steinhilber, Foreign Language Dept.

Caps All Swingout Time Is Here Again

Now is the time for all good seniors to come to the aid of their party. Seniors—this is the week before your big week. Two events on campus this week deserve your special attention—Senior Swingout on Tuesday and the President's Reception on Wednesday.

Seniors who haven't picked up their cap and gown from the Union Book Store should do so before Tuesday's Swingout. That is the night the '55 Clubbers are announced, and the officers are named who will wear the title of top seniors of the year.

Seniors will vote for the outstanding senior awards as they enter Fairchild. Nominations were made last Wednesday, when the '55 Club met to draw up the list of '55 Clubbers, but nominations will still be open at Swingout for top senior awards.

This year in addition to the top senior man and coed award, two other senior men and coeds will receive special awards.

The tradition of Senior Swingout is as one of the best ways to lead up to the big day, June 5. Graduating seniors in their cap and gown will assemble at their respective school at 7:30 p.m. and fall into step behind the Marching Band, starting out at Ag Hall, the oldest school in the university.

From Ag Hall, the procession winds from school to school, from the oldest to the youngest, and then ends at Fairchild, where the next phase of Swingout begins.

Pres. John Hannah, Dean Tom King, Alumni Director Starr Keesler, and campus student leaders will be present to greet the seniors. Jack Breslin, placement bureau director, will speak on job opportunities.

Wednesday's President's Reception for seniors will be something entirely new at Michigan State. For the first time, the reception will be held at President and Mrs. Hannah's home. It will be the first chance many seniors will have had to visit the president's home.

The reception will be held from 7:30 to 10 p.m., outdoors in the patio, if weather permits. In case of rain, the reception will be held in the Union.

These are two big nights for seniors. It is hoped that seniors will turn out in force for the two events, which are arranged especially for them.

Leads State Symphony Eastman Composer Impresses Audience

By NAN RINKNEY "Beat! beat! drums!—blow! bugles! blow!" The powerful words of Walt Whitman's "Drum Taps," set to music by Dr. Howard Hansen, filled the Auditorium Friday night.

The famed composer, conductor and educator from the Eastman School of Music, led the Michigan State Symphony Orchestra and a combined choral group of 250 voices in his own composition.

The three-part production proved a moving and unforgettable experience. It concluded the final session in the School of Science and Arts symposium: "The New View of Man: A Synthesis and a Forecast."

Dr. Hansen expressed his "extreme pleasure in working with the campus groups," and commended the "fine results."

Baritone Paul Fuller, a guest soloist from the Metropolitan Methodist Church in Detroit, added to the excellence of the performance.

In speaking on "The New View of the Composer," Dr. Hansen pointed out that "art is communication" and the composer must not retire into a world of "art for art's sake."

15 Profs To Teach Overseas

Duties Slated In Vietnam, Okinawa

Fifteen assignments, including two reappointments, of Michigan State faculty members to the university's international programs in Vietnam and Okinawa were approved Friday by the State Board of Agriculture.

The appointments include nine in the Vietnam project sponsored by the Foreign Operations Administration, and six to the University of the Ryukyus on Okinawa, sponsored by the Department of the Army.

Serving as coordinators of the Vietnam project will be E. W. Weidner, head of the political science department, who is already in Vietnam, and C. C. Killingsworth, head of the economics department, who served as a member of a survey mission to the Far Eastern country last year.

Assisting Killingsworth in the project on campus will be L. E. Traywick, associate professor of economics.

Overseas assignments, announced previously, include Frederic R. Wickert, associate professor of psychology, deputy advisor; Ralph Smuckler, assistant professor of political science, deputy advisor; Mrs. Joyce Bell, political science secretary, secretary; John M. Hunter, associate professor of economics, specialist in general economics, and international trade; and Richard W. Lindholm, professor of economics, specialist in public finance.

Assignments to the University of the Ryukyus, effective at different dates this summer and in the fall, include: Bernard E. Kuhn, agricultural program leader for the Cooperative Extension Service, replacing E. J. Miller; mission; Vernon Robert Miller, formerly of the Olivet High School, replacing Jack A. Prescott, vocational education; and Jack C. Elliott, assistant professor of botany and plant pathology, replacing Allen Tucker, assistant professor of natural science.

Show Comic Flair Tuneful Gaylords Spark Recent 'All-Star Revue'

The nationally-known trio, "The Gaylords," stole the show hands down at the "Centennial International All-Star Revue," Saturday night in the Auditorium.

In addition to their harmonically-smooth renditions of "The Little Shoemaker," "Love I You," and other favorites, the three showed a flair for comedy in "Mama and Poppa Polka" and other numbers which surprised and delighted the audience.

On the whole, Saturday's show was highly entertaining, and orchids should go to the members of student government who managed to round up the talent.

Another favorite act was Jimmie Walters and his little sidekick, Nancy Ann Harper, whose tap dance and soft shoe numbers added an agreeable bounce to the program.

Gene Sherwood, a young vocalist with Detroit's Station WXYZ, made a hit with his husky rendition of "September Song." Mona Carroll, presented "From This Moment On" and "Give, Give, Give," in a brash, bright manner showing considerable promise.

Another vocalist, Bob Crewe, shouted his way effectively through "The Rhythm and the Blues," and a Sammy Davis favorite, "Love Me or Leave Me."

Undoubtedly the low point of the evening was reached by the quartet from Detroit entitled "The Classmates." The high-school singers sang off-key continually, a fact which was not helped by their feeble attempts at comedy.

Other fair-to-good performers included baritone Frankie Lester, femme vocalist Gloria Van, and a McGuire-Sister duet, "The Loreleis."

4th Annual Event Greeks Feed, Entertain 1,700 at Friday Feast

More than 1,700 Greeks and independents feasted on the laws of the Phi Delta Theta house Friday night in the biggest buffet-style dinner ever staged by the Pan Hellenic and Inter-Fraternity Councils.

The fourth annual "Greek Feast" menu, consisting of ham and tuna fish dinners, was served steadily to students.

Following the meal, the entertainment began with Tom Pianos, Mt. Pleasant sophomore, as master of ceremonies.

Participating in the acts were the Sigma Alpha Epsilon quartet, Shirley Cegledy, Allan Park sophomore, and Bonnie Elerle, Grand Rapids freshman.

Contract Given For Addition To Kellogg

The G. E. Lathrop Construction company of Toledo, Ohio, with a bid of \$284,164, has been accepted by the State Board of Agriculture to build an addition to Kellogg Center.

Financed by a grant from the W.K. Kellogg foundation, the project will extend the building to the north and east.

The ballroom and basement cafeteria will be enlarged, and several new conference rooms will be added.

The board also approved an appropriation of \$181,000 for converting Mason-Abbot for coed use. The former men's dormitories will be refurbished to make them more comfortable for coeds.

The Alumni Varsity Club will have a clubroom below the press box at Macklin Stadium at a cost of \$23,000. The money will be appropriated from the athletic fund.

The \$3,564.75 bid of the Spartan Asphalt company of Mason was accepted for installing a paved strip around the football field in the Stadium. The strip will be used for extra chairs at sell-out games.

Two of Stephen Foster's most popular songs were played: "Beautiful Dreamer" and "Camptown Races." It was the latter that the Bellringers really showed their skill in maneuvering the bells.

At this point in the program, the "Bellaires," a quartet from the Men's Glee Club, sang three songs, the highlight of which "Mr. Sandman."

Bellringers Provide Good Show

By JOE HOFFMAN A small but appreciative audience gathered in the Union lounge Sunday afternoon to listen to the 29th performance of the Spartan Bellringers.

From the opening number, "Rigauden," to their traditional closing of "MSC Shadows," the Bellringers proved very pleasing to all in attendance.

After two numbers by Bach, the group played Handel's "Prelude for a Musical Clock," a number written for a chimed clock similar to State's in Beaumont Tower.

The familiar melody of Franz Schubert's "Ave Maria" was heard next, and it was executed magnificently.

Under the direction of Wendell Westcott, carillonneur and instructor in music, the spiritual, "Nobody Knows the Trouble I've Seen," was played, followed by three folk melodies.

Two of Stephen Foster's most popular songs were played: "Beautiful Dreamer" and "Camptown Races." It was the latter that the Bellringers really showed their skill in maneuvering the bells.

At this point in the program, the "Bellaires," a quartet from the Men's Glee Club, sang three songs, the highlight of which "Mr. Sandman."

Gosper Streaks to Upset

British Empire Games last summer. The world record of 1:46.0 was set in 1943 by Jamaican Herb McKenley.

Gosper, the British Empire Games 100-meter champion, beat a field that included Lou Jones, world 100-meter record holder, Jim Lea, two-time NCAA champion, Ralph Fossenden, Illinois' Big 10 outdoor champion and Villanova sophomore Charley Jenkins.

Held before a crowd of 56,000, the race was run in lanes with Lea getting the pole, Jones in number two and Gosper in three. Coming off the final turn Lea had a substantial lead but Jones pulled alongside the former Trojan. Then Gosper started a strong stretch drive that carried him to a three-yard victory.

Jones edged Lea at the tape for second while Fossenden was fourth and Jenkins fifth.

The time was the fastest quarter-mile clocking of the year.

The 880-yard relay team of Julius McCoy, Ron Sues, Ed Eradham and Gosper ran their best time ever but only finished third.

The Spartan aggregation was timed in 1:25.5, surpassing their previous best of 1:26.4 set at the Ohio and Drake Relays.

Houston was the winner in 1:25 with Texas second in 1:25.3. Gosper held off a strong finish by Oklahoma A&M's J. W. Washburn to take third.

The thincleas now prepare for the Big 10 championships that will be held at Ohio State this Friday and Saturday. Michigan is expected to be the winner with the Spartans rated as the runner-up.

Eight of the nine starting players on Brandeis University's baseball team are football lettermen.

Yanks Win Pair to Fatten Lead Wynn Tops Tigers on One-Hitter

DETROIT (AP)—Early Wynn checked Cleveland's brief two-game losing streak with a powerful one-hitter Sunday that gave the Indians a 4-0 victory over the Detroit Tigers before 35,743 in Briggs Stadium.

The only hit off the 33-year-old righthander was a line single in right by Fred Hatfield in the fourth inning. After that safety, Wynn retired the last 16 batters in order to record his fourth triumph against one loss.

Wynn's timely performance followed two straight losses to the upstart Tigers, who knocked the Indians out of first place by dealing losses to Bob Lomon and Mike Garcia.

Cleveland collected 10 hits off three Tiger pitchers, with starter Ned Garver, who worked the first eight innings, getting the loss. It was his sixth against three victories.

The Indians scored twice in the second on a walk, singles by Bobby Avila and Dave Pope, a wild pitch and a sacrifice fly by Larry Doby. Pope's foul line double, scoring Al Smith, made it 3-0 in the seventh. The final run crossed in the ninth on Doby's infield grounder with the bases loaded.

ALEX KELLNER
... whips Chisox ...

CHICAGO (AP)—The Chicago White Sox broke loose with 15 hits Sunday to grab a 10-6 decision from the Kansas City Athletics in the second game of a doubleheader after dropping the opener, 7-2.

Alex Kellner scored his fourth triumph against one defeat in the first game as he held the Sox to eight well-scattered hits.

The A's made Kellner's task easy when they exploded for six runs in the second inning to stake the veteran southpaw to a 7-0 lead.

Enos (Country) Slaughter, New York Yankee castoff, led Kansas City's 14-hit attack in the opener with three hits.

The stocky Yankee catcher also drove in a run with a first-inning single in the second game.

Eddie Lopat finally broke into the victory column after four straight defeats when the veteran lefty shut out the Orioles with four singles in the first game, facing only 28 men.

Mickey Mantle was stopped after reaching base 15 consecutive times over a five-game spread when Fallica struck him out in the sixth inning of the first game.

In the stretch, Mantle had a homer, triple, two doubles, a bunt single, nine walks and was safe on an error once.

NEW YORK (AP)—Yogi Berra smashed three home runs Sunday and drove in six runs as the New York Yankees tightened their hold on the American League lead by beating Baltimore twice, 5-0 and 7-5.

Berra found the "soft touch" Baltimore pitching just the tonic his sick batting average needed, hitting five home runs in the series.

He collected his sixth of the season off Erv Fallica in Sunday's opener.

BROOKLYN (AP)—Home runs by Del Ennis and Roy Smalley touched off a ninth-inning rally that chased Carl Erskine Sunday but Brooklyn's wide early lead held up for an 8-3 victory.

Roy Campanella's 16th homer.

PITTSBURGH (AP)—The New York Giants set down the Pittsburgh Pirates, 5-2, Sunday behind the six-hit pitching of Ruben Gomez then came from behind in the second game to win 5-3 in a contest cut short by rain at the end of eight innings.

The twin killing gave the second-place Giants their sixth straight victory, a clean sweep of a four-game series with the Pirates who have straight.

MILWAUKEE (AP)—A victory for Milwaukee's Big Gene, with only one hit on his slate, fanned eight up just two walks as he snapped their four-game streak and the Cubs' four straight victories.

The Cubs committed errors and two of them pair of unearned runs to wankwee.

Sam Jones, who tossed a hit for the Cubs May 1, 1945, pitched his fourth loss to the Braves—when he was in the seventh.

Berra found the "soft touch" Baltimore pitching just the tonic his sick batting average needed, hitting five home runs in the series.

He collected his sixth of the season off Erv Fallica in Sunday's opener.

JOHN BROTZMANN was officially designated as Michigan State's boxing coach at Friday's State Board of Agriculture meeting.

George Makris' resignation as boxing coach was also approved.

He will become athletic director and football coach at Bolling AFB, Washington, D. C.

CHICAGO (AP)—The Chicago White Sox broke loose with 15 hits Sunday to grab a 10-6 decision from the Kansas City Athletics in the second game of a doubleheader after dropping the opener, 7-2.

Alex Kellner scored his fourth triumph against one defeat in the first game as he held the Sox to eight well-scattered hits.

The A's made Kellner's task easy when they exploded for six runs in the second inning to stake the veteran southpaw to a 7-0 lead.

CINCINNATI (AP)—Cincinnati's Red Killebrew couldn't handle little "L" Roy Sunday and the Reds ed the nightcap of a doubleheader, 5-2, to St. Louis after triumphs over the Cardinals in the first two games.

The Reds squeezed a victory out of the opener with three hits in the eighth inning after a long delay during a rain pour.

Big Ted Kluszewski's ninth homer, his 11th this season, aided the Reds in the victory.

Friday Loss to OSU Posts Title

Spartans Bounce Hoosiers, 7-3, 7-2

By JACK BERRY
Although it swept a doubleheader with Indiana Saturday, and 7-2, Michigan State's ball team lost its Big 10 Friday when it fell to State, 5-1.

The Buckeyes followed with a win over Michigan Saturday, and the Spartans' season-long combination of bad breaks and errors—aided the Buckeyes.

Other team could score on the sixth inning when, with out, OSU outfielder Warren Stani hit a grounder to second baseman George Smith.

Mathews followed with a double, scoring Mizutani and Muzitani went to the plate. Mathews was charged an error.

Ellis followed with a double, scoring Mizutani and Muzitani went to the plate. Mathews was charged an error.

Gosper, Matsock Win Senior Honors

A pair of Spartan athletic captains, Kevan Gosper and Johnny Matsock, have been honored for their outstanding scholastic and athletic work.

Gosper, the Big 10 440 and 600-yard indoor champ and British Empire Games titlist, was awarded the Big 10 medal by the Spartan athletic council.

Matsock, the only Spartan athlete to ever win two "most valuable" player awards, was named for the Chester L. Brewer award.

Matsock was the MVP on both the baseball and football teams in 1954.

The Big 10 medal is presented annually to the "student of the graduating class who has attained greatest proficiency in scholarship and athletics."

Gosper is majoring in philosophy and has maintained a 3.5 average while at State.

Matsock's selection was made by the athletic council, director of athletics and the head coaches.

The award is presented to the "graduating student who has distinguished himself both in athletics and scholarship and who possesses in the highest degree those qualities of leadership and personality which forecast a successful career."

Netters Split in Weekend Meets

By JIM JOHNSTON

The Michigan State tennis team wound up its dual meet season over the weekend by blanking Minnesota Friday, 9-0, and losing to Wisconsin Saturday, 7-2.

This gave the netmen a 5-6 season record. It is the first time in eight years of coaching Spartan tennis teams that Frank Beeman has had a losing season.

The only Spartan to win both his matches over the weekend was sophomore star George Stepanovic.

Playing in the No. 4 position, Stepanovic trimmed Minnesota's Bob McKenzie, 6-2, 6-3, and whipped Wisconsin's Ray Damadian 6-3, 6-1.

In Friday's rout of Minnesota, all matches lasted only two sets as the Spartans inspired by Dave Brogan's 6-1, 6-1 win over the Gopher's No. 1 man Felix Phillips breezed to an easy victory.

Dick Menzel won his match 6-4, 6-1 at the No. 2 slot and captain John Brogan trimmed Minnesota's Russ Holman, 6-3, 6-2.

In the No. 4 position, Jim Bechum won easily, 6-3, 6-1 and Fred Levine trimmed Hal Swanson at the No. 6 slot, 6-1, 8-6.

Winding up Friday's match, John Brogan and Bechum breezed to an easy 7-5, 6-3 triumph in the No. 3 doubles.

In Saturday's match, played indoors, the Spartan netmen found it a little hard to adjust to the indoor lighting, as they bowed to Wisconsin.

Besides Stepanovic's victory, Ralph Braden, Monroe sophomore, also won his match, in the No. 6 singles, trouncing the Badger's John Brogan, 7-5, 6-1.

Dave Brogan lost his No. 1 singles match to Warren Muller, Wisconsin's top man, 6-4, 6-2.
