Quarterback Earl Morrill (arrow) scores his first collegiate touchdown to give State a lead.

After they had jumped into a three-touchdown first quarter lead, Spartan Coach Duffy Daugherty (right) took out his first team and gathered them around for a sideline talk.

The last of the bouncing fumbles—this one came after State's Bill Kane (on ground at right) intercepted a Stanford pass and then fumbled. Stanford recovered.

White Sets Recovery Plan for Ike

More Official Work Scheduled

DENVER (AP) — The eminent heart specialist, Dr. Paul Dudley White, said Sunday President Eisenhower may get out of the hospital in four or five weeks but it might be the first of the year before he can go back to work at the White House.

White said that it is impossible to say at this time whether it would be physically possible for Eisenhower to run for a second term next year.

This is so, White said, because it is too early to know for sure whether the chief executive will make a complete recovery.

White talked to newsmen at the temporary White House following a news conference, which outlined plans for gradually increasing presidential activity of a personal and official nature.

Nixon said Eisenhower had asked, and the doctors have approved, a schedule to bring more cabinet officers and more officials to Denver in the next few weeks.

Eisenhower completed Saturday the first two weeks of recuperation since his heart attack. Asked whether it could be said now the chief executive is out of danger, Dr. White replied quietly, "not 100 per cent."

The elderly Boston physician said complications now are "unlikely."

White outlined a program doctors have set for the chief executive for the next six weeks and said the President "accepted the program graciously" and asked the doctors not to rush his treatment.

"He does not," White said, "wish to be carried onto his plane even if by so doing he might get away from here earlier."

The five Homecoming Queen finalists are Judith Johnson, Lucy Bates, Peggy Nelson, Beverly Tansil and Beverly Runciman.

5 Finalists Named For Homecoming Queen

Five finalists for the title of 1955 Homecoming Queen were chosen Sunday night. The queen will be announced Friday and presented to the student body that evening at the pep rally.

The five coeds are Lucy Bates, East Lansing, junior, representing the Association of Off-Campus students; Mary Lou Estes, New Haven Union, Alpha Chi Omega; Judith Johnson, Tweed, Ontario, senior, Kappa Kappa Gamma; Peggy Nelson, Bloomington, Ill., junior, West Landon, and Beverly Runciman, Detroit junior, Delta Gamma.

The top five were selected from 35 candidates representing the women's living units, the Women's Cooperative League and the Association of Off-Campus Students.

The ninth annual contest began with a presentation of the girls to the judges and audience at 4 p.m. yesterday in the Union Ballroom. They were interviewed by Brick Rider, chief announcer of WKAR-TV, while Keith Barlow's orchestra provided the background music.

The judges were Ed Warner, Publicity Director of Oldsmobile; Mrs. Tom O'Brien, a former Powers model; Tom O'Brien, Lansing advertiser; Jack Breslin, MSU Z major.

Spartans Pass for 191 Yards

Score Three TD's In First Quarter

By JACK BERRY
State News Sports Editor
Michigan State again against Stanford looked exactly the opposite of the Michigan State squad that played at Ann Arbor a week ago.

Scoring in every period Saturday, the Spartans made the most of their opportunities as they crushed the Indians, 38-14, before 47,586 fans at Macklin Field.

Stanford was not prepared for the potent passing attack of Earl Morrill, Pat Wilson and Jim Nawowski, who between them connected on seven of eight aerials good for 191 yards. The Indians, on three completions in 15 attempts, passed for only 24 yards.

Although the Spartans were outgained on the ground—269 to 267—a great deal of it was picked up against State's second, third and fourth strings.

The Spartans, winning the toss of the coin for the third straight time this season, lost no time in scoring as they moved from their own 34 to a touchdown in nine plays.

Key plays in the drive were passes from Morrill to Dave Kaiser for 17 yards and from Morrill to Kaiser again for 36.

Fullback Gerry Planutis bulled over center for the score with only 4-43 gone in the period. His try for the extra point was wide.

Two minutes and five seconds later found the Spartans scoring again.

The scoring opportunity came after Stanford's fullback, Bill Tarr, fumbled at midfield and Planutis dropped on it.

It took Morrill only one play to put the ball over, a 33-yard pass to John (Thunder) Lewis who dashed down the sideline for the remaining 17 yards. Planutis added the extra point and State led 13-0.

High in 70's Fair Weather To Stay Today

The pleasant week-end weather will continue, the weatherman's words, "Fair and warmer today."

The high today will be 73-86 after a low of 48 last night.

Seniors to Return Proofs Today

Seniors may return proofs for their yearbook photographs at the Wolverine booth, Union Concourse, beginning today.

Proofs will be ready two weeks after the photograph has been taken. Appointments for picture sittings will be accepted from noon to 5 p.m. every week day until Oct. 19 at the Wolverine booth.

Coeds are reminded to wear dark sweaters, preferably not black. Senior men are advised to wear a dark tie, white shirt and suit or sport jacket.

EL Vacancy Added To Congress List

In addition to the 12 vacancies reported in the State News there is one more vacancy for an East Lansing representative in Student Congress, according to Carolyn Roth, student government elections commissioner. This brings the total East Lansing vacancies to three.

End of the Line
Peron Follows Tyrants' Trail

Bang, bang, bang, and another villain bites the dust. This time it was President Juan Peron, the erstwhile Number One Citizen of Argentina.

It was not always this way with Peron. For 10 long years, with his blond-haired Eva, he ruled as supreme power over the second largest nation in South America.

During that glorious decade, Peron played the role of dictator with the typical flourishes. His picture, with appropriate editorial comment, papered the walls of every public building.

Opponents of the Peronista doctrines found the going uneasy. The great Argentine newspaper, LaPensia, was silenced. The Roman Catholic Church, one of the most obdurate of Peron's critics, was persecuted.

Now the party is over. Following last month's successful revolution, Peron was forced to give up his throne and flee to Paraguay. A new government, one which seems to be more devoted to constitutional liberties, was installed in his place.

Peron is no longer the Eagle of the Andes, but just a weary, unemployed nonentity living on bitter dreams of past glories. Evita was spared the final downfall, as well as the knowledge that Peron had not been exactly faithful to her sainted memory.

Another chapter in political history is closed, and another tyrant has learned that people can stand a one-man show for just so long before they ask for their money back.

What causes a man to want to become a dictator is a question for psychology. What causes a nation to endure him, even for a short time, is a question for sociology.

It is sobering to realize that dictators almost always sail into power on a tidal wave of popularity. Anyone who is old enough can remember the tremendous crowds who "Heil'd" and "Viva il Duce'd" when Hitler and Mussolini promised greater glory for the state.

Although it is highly unlikely that the American people will ever fall for a dictator of the Peron stamp, it will never hurt us to be on our guard. The time always runs out for tyrants, but that doesn't stop the others from trying.

Odom's Job Difficulties Pointed Out by Reader

To the Editor: The enclosed article appeared in the Lansing State Journal last summer. Current interest in racial problems suggests that a reprint is appropriate. I believe this article is at least a partial answer to a question posed by Mr. Paris (State News, Oct. 4).

Name Withheld by Request
FLINT, Aug. 16 (AP)—Herb Odom, National Intercollegiate boxing champion in 1954 and 1955, says he can't find a job in his home town of Flint because of racial prejudice.

"I have brought no disgrace to Flint, only honor," Odom said. "But I have been unable to find a job because of racial prejudice here. I feel that Flint owes me, if nothing else, a job."

Odom, father of three, told the commission he was graduated from Michigan State Un-

iversity last June with a degree in chemistry. He starred on the MSU boxing team that captured the NCAA title this year, winning the 147-pound title.

ND Unscored On State to Be Grid Capital As Irish Invade Sparta

By KEITH MILLER

East Lansing will be the "Football Capital" of the country this weekend when the Fighting Irish of Notre Dame invade Macklin Stadium for a Saturday encounter.

As a result of Notre Dame's 14-0 triumph over Miami, (Fla.) and Michigan State's 38-14 massacre of Stanford, a great deal of lustre has been added to this year's classic.

The Irish will come rolling into Sparta bearing the title of "unbeaten, untied, and unscored upon" in their first three games of the current campaign. What's more, the Irish have a string of 11 consecutive victories dating back to the second game of the 1954 season when the Purdue Boilermakers throttled the Terry Brennan coached squad.

in his three years of varsity competition.

Planitis' low kick just cleared the crossbar and State held a 20-0 advantage with 1:09 left in the first quarter.

Stanford drove to the Spartan 29 after taking the kickoff, but once again a fumble proved to be its downfall. Peaks recovered the ball for State.

The Spartans traveled 70 yards in nine plays with Peaks going the last 12 around left end for the score. The try for extra point was blocked and the 26-0 score stood until half time.

Peaks scored his second touchdown of the afternoon in the third quarter on a 3-yard run over right tackle. The extra point attempt was again blocked.

Stanford penetrated to State's 18 but Jack Brodie, attempting to pass on fourth down, was brought down by Adam Sieminski and Joe Badaczewski on the 30.

The Indians finally broke through to score in the last quarter with drives of 63 and 28 yards. MSU's final touchdown

Rams Beat Lions 3rd Loss in a Row

Eastern Conference Tangled
In 4-Way Tie for First Place

DETROIT (AP)—The Los Angeles Rams, getting lift from three pass interceptions by halfback Sherman, all but knocked the Detroit Lions out of the eastern division race of the National League Sunday with 10 victory before 54,836 fans in Briggs Stadium.

It was the Lions' third straight defeat, virtually crushing their bid for a fourth consecutive division title.

The victory gave Los Angeles a 3-0 record and moved the Rams into a first place tie with the Baltimore Colts.

Quarterback Norm Van Broklyn set up the Rams' first touchdown with a 55-yard toss to Elroy Hirsch, then passed 12 yards to end Bob Boyd for the clincher. Les Richter kicked both extra points and added a 41-yard field goal.

Doak Walker accounted for all of Detroit's scoring. He took an 18 yard touchdown pass from Bob Hoernschmeyer in the final quarter and booted a 14-yard field goal and the lone extra point.

Browns Clip Eagles

CLEVELAND (AP)—Quarterback Otto Graham and end Dante Lavelli a couple of 10-year veterans, teamed up in the final four and a half minutes Sunday to bring the Cleveland Browns from behind to a 21-7 victory over the Philadelphia Eagles.

A crowd of 43,974 watched the Browns lose the lead early in the fourth quarter on a fumble by Graham which tackle Frank Wydo picked up and ran 30 yards to the Browns seven.

A four-yard pass from Adrian Burke to Pete Pihos paid off with a touchdown and sent the Eagles ahead 17-14.

There were four minutes and 13 seconds left on the clock when Graham and Lavelli took charge. The Browns were on their own 13 when the drive began.

Key plays were a fourth down, 14-yard pass which Lavelli grabbed on the side boundary at the Eagles' 44. On the next play Graham back to pass, charged up the right side for 36 yards and could have gone all the way had he not stepped out of bounds.

After a two-yard pitchout gain to Fred Morrison, Graham shot a five-yard touchdown throw to Lavelli.

Howie Fox Killed In Tavern Fight

SAN ANTONIO, Tex. (AP)—Former major league pitcher Howie Fox, 34, trying to stab a three-year-old boy in a tavern fight, was sentenced to three years in the City Jail and surrendered to the 195-pound Fox for San Antonio in the League this year. He was the Cincinnati Reds' star through 1946 and again through 1948 through 1951. He was the Philadelphia Phillies and the Baltimore Orioles.

Fox ordered the three-year-old boy to stab him, creating a disturbance in the tavern, a fight erupted. Witnesses said Fox was stabbed three times and died as he was taken to the hospital.

Michigan State sophomore Ken Dafeo placed fourth with a two mile time of 11:30.5. Fran Wasagshik of the Western Michigan freshman won the race in 10:59.9.
Freshman Jim Armit was eighth in 11:48 and Ron Lofton was 14th in 12:03. Mike McGervey was 15th in 12:07 while Bob Hughes was the last yearling to finish with a 23rd place 12:45.
All of the Spartan entries in the junior race were unattached. The harriers meet Notre Dame, the Central Collegiate champions, in a home duel meet next Saturday morning. The meet is expected to be one of the harriers' toughest this year.

Red Wings Lose
DETROIT (AP)—The Detroit Red Wings, defending National Hockey League and Stanley Cup champions, were stunned with their third straight defeat of the season Sunday night as the pepped up New York Rangers scored their second straight victory, 3-2.
In other NHL action the rejuvenated Chicago Blackhawks defeated the Toronto Maple Leafs, 3-1.

Duffy Lauds Masters; Tackle Gets Game Ball

The game ball went to tackle Norm Masters. Coach Duffy Daugerty was lavish in his praise of the veteran, saying: "I wouldn't trade him for any tackle anywhere in the country."
Stanford Coach Chuck Taylor couldn't single out any Spartan as being the one most harmful to his team.
"I was too busy finding out what was wrong with our own team," he said.
When a reporter commented that Taylor would have another chance at State in the Rose Bowl, the personable young coach said laughingly: "Boy, you are one heck of an optimist."

End Jim Hinesly was shaken up and cut over the left eye on the opening kick-off. The wound wasn't serious, but Hinesly saw only sporadic action the rest of the game.
MSU has an excellent chance of capturing its 300th football victory in its history this year. The record, including Saturday's game, stands at 297 victories, 157 losses and 31 ties.
The Indian coaching staff apparently saw the handwriting on the wall as the first half ended with State ahead by a 26-0 score. Taylor used all 37 men on his traveling squad in the second half.
Daugerty, not to be outdone, used 46 men in the onslaught.

Provide All But Trigger-Finger Spartan Pistol Club on Target

One of the more unusual clubs for sports-minded Spartans is the Spartan Pistol Club, an organization open to both men and women students.
The club meets Tuesday nights at the Dem Hall rifle range at 7 p.m.
New members need not be marksmen or sharpshooters. The club provides expert coaching and instructs new candidates for a week before they are allowed to fire.
Ammunition and targets are provided without cost by the ROTC and the university supplies the weapons, all of which are .22's. The weapons are also provided without charge.
The club is divided into three teams, varsity, ROTC and women's. They compete in two types of matches, postal and United States Revolver Assn matches.
The postal match is a unique one in which the competing teams fire on their own range and then mail their scores to the other competitors.
Last year the club won 21 out of 26 of these matches against such teams as the United States Military Academy, the Naval Academy, Texas A&M and Wisconsin.

Badgers Pass Past Purdue
Wisconsin "passed" one more hurdle Saturday toward their goal of winning the Big 10 title and representing the conference in the Rose Bowl.
The Badgers' Jim Miller passed to end Dave Howard for Wisconsin's only touchdown, as they downed Purdue, 9-0. It was the fourth touchdown pass Howard has caught this season, three of them coming in last week's rout of Iowa.
Wisconsin is in a similar position as Ohio State was last year. The Buckeyes caused no pre-season optimism but when fall rolled around OSU won them all.
The loss of Alan (the Horse) Ameche, has not appeared to bother the Badgers. Charley Thomas has filled the fullback position adequately and the passing of Miller and Jim Halaska has added diversity to an attack that was centered on the ground in 1954.
Ohio State won their conference opener against Illinois as Howard (Hopalong) Cassidy ran wild against the Illini.
Once again Illinois piled up tremendous ground yardage but they were unable to put up enough sustained drives.

Hitler's Suicide Affirmed by Aide

Released Russian POW Tells of Fuehrer's End

BERLIN (AP) — Two Germans just out of Soviet captivity related eyewitness stories Sunday of what happened to Adolf Hitler in the last suicidal hours in his Berlin air raid shelter 10 years ago. Their stories should erase any lingering doubt that Hitler is dead.

The Fuehrer's personal valet, Heinz Linge, said he watched a roaring gasoline fire consume Hitler's body and that of his bride of a day, Eva Braun, who had been his secret mistress for years.

"I carried his body out of the bunker, and then helped pour gasoline over it," Linge said. "We watched it burn for about five minutes."

Linge told an interviewer the ill-starred couple committed suicide in the privacy of their underground boudoir in the massive concrete bunker in the chancellery garden.

"They were alone," Linge said. "Hitler shot himself, Eva Braun took poison."

The other man, Hitler's personal pilot, SS Gen. Hans Baur, said at West Germany's Camp Friedland that he was in the bunker on the day Hitler removed himself from this earth—April 30, 1945. Said Baur:

"I went into Hitler's apartment in the bunker to get my last orders. Hitler said goodbye to me then, remarking that he would now take his own life since the military situation had become hopeless . . .

"I left the apartment and returned to it two hours later, but without entering it. I learned then that while I was gone, Hitler had killed himself. But I did not see his body or Eva Braun's body."

But Linge said he did. He said he carried Hitler's body into the shell-strafted garden which lay above the bunker. Hitler's chauffeur was to bring up Eva Braun's body, but it failed.

"It was too heavy for him," Linge smiled. He said Hitler's SS adjutant, Otto Gueneche, finally managed to get the body out of the bunker.

Linge thus became the first man to give the world an eyewitness account of the Fuehrer's fiery end.

The ex-valet said he personally procured about 50 gallons of the gasoline used to burn the bodies, but additional gasoline was required.

The Russians captured him with some other members of the Nazi Elite Guard May 2, 1945.

If the average reader took a step for each movement of the eyes made in an eight-hour day of reading, he'd walk 33 miles, according to the Better Vision Institute.
