

... TV Banquet Set With Irish Stew for Main Course ...

By JACK BERRY
State News Editor

A fullback named Dick Panin took on the Spartans first play from the line and rambled 88 yards for a touchdown against Notre Dame before a packed Macklin Field and a national television audience.

Spartans went on to roll up a 35-0 victory over the Irish, one of the most severe ever administered the South Bend

was the 13th game in succession with defeat for the Spartans but it was the 14th for the Irish. It established the name of Michigan as a true gridiron power.

Today the Spartans will meet the Irish again, and again it will be before a national television audience.

In a dismal season in which the Big Ten Rose Bowl champions plummeted to the bottom of the conference there has been a surprising recovery.

Since the season began State was hard-

ly rated a question mark—too many sophomores and not enough depth.

That has since been changed. Victories over Indiana and Stanford and a game lost to the Wolverines have altered many per-season predictions.

Notre Dame, after winning nine and losing but one in 1954, was hit hard by the coaches' nightmare—graduation.

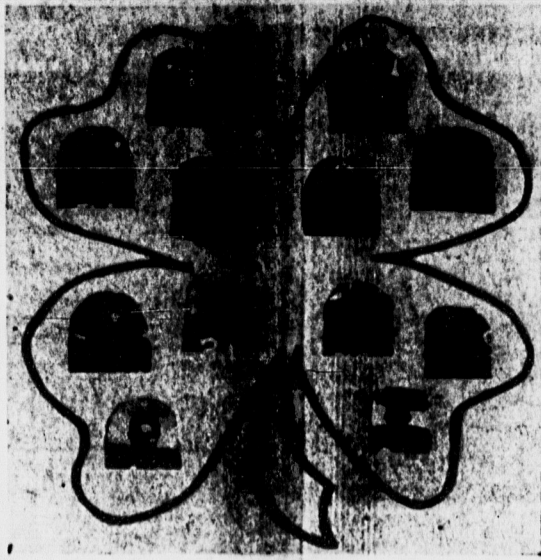

However the Irish have marked up three straight shut outs beating Southern Methodist 17-0, Indiana 19-0, and Miami of Florida 14-0.

There is no doubt in the minds of the State squad, though. They believe they are going to win.

Coach Duffy Daugherty was in the ND dressing room after last year's 20-19 loss to congratulate Coach Terry Brennan.

Daugherty said: "You won this one but next year we're going to knock your head off."

To go along with that Duffy has the squad in the finest shape they have been in all year. All injuries are healed.

Some "Luck of the Spartans"

Pat Burke will be back at his right tackle position and Dave Kaiser will start at right end due to his fine performance against Stanford last Saturday.

Notre Dame is expected to be in good shape missing only halfback Sherrill Sipes, who has an injured ankle.

The Spartans hold a slight weight advantage in the line and the backfields are even. Irish starters are quarterback Paul Hornung (pronounced Hor-neeg), Aubrey Lewis at left half, Jim Morse at right half and Don Schaefer at fullback.

Dick Prendergast and Gene Kapish are the flankers with Wayne Edmonds and Capt. Ray Lemek at the tackles. Guards are Pat Hiseaglia and Bob Gaydos and Jim Mense is the center.

Hornung leads in both scoring and passing. He has kicked one field goal and scored two touchdowns while passing for three more.

Notre Dame has been an alert team, as most Irish squads are. Nine times opponents have fumbled and the South Benders have recovered seven of them.

The Irish have held their opponents to 367 yards on the ground and 341 through the air.

Sophomores, the unknown quantity at the beginning of the season, have produced beyond fondest hopes. What better proof is there than the fact that three are starting the game—Kaiser, Kowalczyk and Burke.

End Bob Jewett and halfback Jim Wulff have turned in fine performances as has Joel Jones on defense and many more.

Added to the solid playing of veterans Peaks, Planutis, Morrall, Robinson, Masters, Nystrom, Lewis and Badaczewski as well as the second string the Spartans seem to have jelled into a powerful unit.

They had a big test at Ann Arbor and although they lost it was a sign of things to come. Once more the Spartans are a gridiron power.

Saturday they will have a chance to prove it to a national audience. There may not be a run such as Panin's but the Spartans may well prove they are back at the top.

When Irish Eyes Are Smilin'

Some Spartan Irishmen are smiling as they look over four-leaf clovers in preparation for Saturday's game with Notre Dame's Irish. The Spartan sons of Killarney are Tom Wilson, Pat Wilson, Dale Holleran, Dan Currie and Pat Burke. They're confident the South Bend Irish won't be smiling after the game.

Irish Stew for Gourmets

Rally, Review to Whet Late Appetites Tonight

By MIKE CARR
State News Night Editor

The main word for this night is the Spartan Spirit. The review, which is free to all, follows the pep rally and the pep features the Gaylords and a roster of supporting acts. The review will be held in the Auditorium.

Featured at the rally, according to Don Gillette, Spartan Spirit head, will be Head Coach Duffy Daugherty, with the team, former Spartan great George Guerre as Master of Ceremonies, the activities band and the cheerleaders.

Immediately after the rally the south doors of the fieldhouse will be opened and the crowd will move in for the big two hour show.

Student Government President Bill Mansfield has stressed that only the south doors will be open. The stage will be set up at the north end of the fieldhouse and will block off those doors.

About 3,000 seats will be set up on the floor of the fieldhouse to handle the crowd. With the balcony seats, about 8,000 students will be accommodated.

Some 1,000 Notre Dame students will be guests at the show. The Gaylords are nationally famous recording stars and follow the pattern of top-notch entertainment seen at previous

Spartan Reviews. Acts in the past years have included the "Four Lads and Johnny Stanley of 'It's in the Book' fame.

Backing the Gaylords on the program will be Eddie Collins. He is one of the stars in the nation's current trend to bang music and has recorded with Art Mooney and his orchestra.

Master of Ceremonies for the show will be Harry Jarky, a top-notch comedian from Detroit.

The MSU's Men's Glee Club will make an appearance on the program, as will Ron Darling, a 19-year-old marimba player who scored a big hit at the Water Carnival last spring.

The Homecoming Queen and her court will be introduced to the crowd for the first time. This show will be a complete variety show and will carry out the theme and spirit of the pep rally," according to Gillette.

Other aspects of the weekend's activities that will fit in with the bigness of the spirit committee's show will be the first coast-to-coast color television appearance of the Block S card section.

Block S officials expect a capacity attendance in the section as all seats were sold out Tuesday noon.

Final rehearsal for the block will be at 1 p.m. Saturday afternoon with a pre-game performance scheduled to begin at 1:45 p.m.

At this performance the block will salute the TV audience and the Notre Dame fans. During the half-time show they will salute the two coaches and initiate the tuberculosis fund-raising campaign with a formation.

Another first-time performer before the color television cameras will be "Big Bill." This is the bell, donated by a local fraternity to ring out the points at every Michigan State home game. "Big Bill" was inaugurated at the Marquette game last year and Spartan teams have averaged 40 points a game at home since then to give Bill lots of activity.

Applicants Lag in Office Petitioning

Congress Forced To Extend Time

A lack of applicants for several empty seats in Fresh-Soph council and Student Congress have forced the Student Government elections committee to extend the petitioning deadline until Monday at 5 p.m.

Petitions for Freshman class offices is closed and the campaigning will begin Sunday at 6 p.m.

If the petitions are not received to fill the remaining vacancies, a list will be published in Tuesday morning's State News of all the vacant seats and the first petitions received after that time will automatically get the position.

In order to hold an election for the following seats, at least two petitions are required from freshmen for Fresh-Soph council seats from:

Bryan, Phillips, East Shaw, West Shaw and East Landon.

At least one freshman petition for the council is needed from each of these districts to hold an election:

Gilchrist, Abbot, East Mayo, East Lansing, West Mayo, North Campbell, South Campbell and Mason.

At least two sophomore petitions are needed for these districts:

Rather, Phillips, East Shaw, West Shaw, North Williams, Gilchrist, West Mayo, West Yakeley, East Landon, Abbot and Snyder.

One sophomore petition is needed from:

Bryan, East Yakeley, Mason, South Williams, North Campbell, East Mayo, South Campbell, Lansing, East Lansing and the fraternities.

If only one petition is received for any office then the petitioner will be seated automatically without an election.

For Student Congress elections, at least two petitions are needed from:

Bryan, Phillips, West Shaw, Abbot and Lansing.

At least one petition is needed from the married housing district.

Attention Block "S"

Block S members are requested to assemble at Macklin Stadium today at 2:30 p.m. for the televising of the "Howdy Doody" show. Formations and cheers of Block S will supply the background for the special show.

Pretty Judith Johnston, 20-year-old Tweed, Ontario senior was elected 1955 Homecoming Queen over four other contestants Thursday night. An elementary education major, she stands five feet five inches tall and has brown hair and blue eyes.

In Color Yet NBC Cameras Focus on MSU

By LOUIS GROFF
State News Campus Editor

Four color television shows will be broadcast nationally from MSU this week and next over the National Broadcasting Company network.

Three of the programs will be broadcast in compatible color—viewers can pick up the programs on either color or black and white sets. The fourth will be a closed circuit broadcast to 130 NBC stations over the nation and will not be viewed by the public.

The network's "Howdy Doody" show will originate at MSU between 4:30 and 5 p.m. today.

The Michigan State-Notre Dame football game will be broadcast in color Saturday.

A special feature on MSU's food distribution curriculum will be carried by the network's "Home Show" on Oct. 20. At noon, Oct. 14, members of the MSU's speech department will discuss various aspects of drama on the closed circuit telecast.

For the "Howdy Doody" show,

the television cameras will move to Macklin Stadium to feature Coach Duffy Daugherty and the freshman football team. They will demonstrate various points of football and equipment and discuss good sportsmanship.

The Marching Band, directed by Prof. Leonard Falcone, will also perform.

One hundred children will participate in the show through the arrangements made by the United Community Chest of Ingham county. Winner of the Community Chest's past-up poster contest will be presented on the show.

Clarabelle, one of the "Howdy Doody" star performers, will also make an appearance.

At noon, television cameras in the stadium will televise a five-minute closed circuit broadcast. It will be part of "Matinee," a new show planned by NBC.

Saturday's MSU-Notre Dame game is TV's "Game of the Week." The final program, Oct. 20, for Arlene Francis' morning "Home Show" will originate from Brody Hall. Dr. Edward A. Brand, director of the food distribution program, and a group of scholarship winners in the curriculum will participate. See IRISH STEW, Page 5.

Middle East Crisis Seen Hastened

U.S. Officials Fear New Israeli War

WASHINGTON (AP) — Russia is expected to move quickly in getting arms to Egypt, possibly at cut-rate prices, and thereby hastening Middle East tensions toward a crisis.

An explosion of the Palestine truce into Arab-Israeli war was seen as a definite possibility whenever Red Czechoslovakia starts delivery of its cannon-rocket deal with Egypt.

American officials made no bones Thursday about their fear of the results of the Soviet's military and economic trade incursions into the area. Nor did they play down apprehension over what Israel might do as a counter to Arab purchases of Red arms.

The National Security Council top policy-making body in the U.S. government, took up the question at its secret session Thursday.

The United States, Britain and France, it was learned, will press Russia informally at the Oct. 27 foreign ministers meeting in Geneva on the Middle East arms question. This would follow up an approach to Soviet Foreign Minister Molotov at New York two weeks ago.

Molotov is understood to have told his Western colleagues that he knew nothing about Egypt's deal to swap cotton for Czech artillery, tanks, naval vessels and jet planes. He promised to look into it.

Despite Molotov's professions of ignorance, however, U.S. officials look for swift Soviet action to get the war goods into Egyptian hands.

There was speculation, too, that Russia might abandon its old role of charging premium prices for war goods, letting Egypt and other Arab states—indeed, Israel, too, if interested—have the arms at a nominal price.

Israeli leaders have said their country will take all necessary steps to protect itself.

Its makeup includes men who are reported to believe in more action and less talk than heretofore. A foreign policy and security debate will get under way among these new leaders on Monday.

The Russians have lost no time in making arms overtures to other Arab states. Lebanon and Saudi Arabia have said they are not opposed to accepting Communist arms. Syria is reported already dickering with Czech gun merchants at Damascus.

NEWS IN BRIEF

Knight Says Nixon Can't Win

LOS ANGELES (AP) — Republican Gov. Goodwin Knight of California was quoted as saying Thursday he opposed Vice President Nixon as a possible presidential candidate because, "I just don't think Dick can win." He was also quoted as saying he doesn't believe that Sen. William F. Knowland (R-Calif.) can win either. Knowland has been mentioned along with Nixon as a GOP presidential prospect.

Townsend's Spirit High After Visit

LONDON — Peter Townsend visited Princess Margaret's home an hour and 20 minutes Thursday night and left in high good humor. His visit strengthened belief that an announcement about their reported romance is imminent.

The Gaylords ...

Glee Club Sing Saturday

"Singing Irish," Notre Glee club, will present a Saturday at 8 p.m. in the Center's Ballroom. The program of classical, semi-popular, and religious songs will be presented. Tickets are on sale at the "Un-der" office and from members of the MSU Men's Glee Club.

Less Commercialism

UMOC Change Rates A Trial

Spartans will seek out the Ugliest Man on Campus next spring, as in former years—but there'll be a difference in the way they go about it.

Instead of being a separate event, the UMOC contest will be a part of Spartacade.

Alphi Phi Omega, sponsors of the contest, decided to join forces with Spartacade after hearing the opinions of the heads of the various MSU living areas.

Under the old system, each coed living unit entered a male candidate in the UMOC contest. Students voted by dropping pennies in boxes marked with the pictures of their favorites. Campus Chest received the entire proceeds.

Last year's contest netted \$4,265.95 for charity, but gave rise to many complaints. Members of male living units said they were being pressured into contributing by every coed solicitor who came along.

Next year, the entire contest will be confined to Spartacade. Carnival visitors will use their admission tickets as votes at a UMOC booth set up in the Fieldhouse.

The new system, by eliminating the penny voting, will mean a big cut in Campus Chest funds, a drop which cannot possibly be offset by increased attendance at Spartacade.

Whether the merger will work out satisfactorily is something that only experience can prove. Considering the unpopularity of former contests, it's certainly worth a try.

Interpreting the News

Merger of Air Forces Is Right but Unrealistic

By J. M. ROBERTS Associated Press News Analyst Field Marshal Montgomery, suggesting merger of the Free World's air forces under one command, is in the position of being unrealistic while still being right.

Air forces are so pertinent to a nation's defense that surrender of direct control would seriously undercut national sovereignty and might endanger security.

This applies not only to tactical air power which may be strictly defensive, to which Montgomery was not referring, but to strategic forces, which were his principal consideration.

Even the commanding nation, which Montgomery recommended should be the United States because of her superior strategic air strength, would be handicapped on defense by its obligations to its Allies.

If attacked, alone, such a nation would have the need for immediate retaliation, whereas the United States is now prepared, on her own, with constantly alerted forces, to launch strategic—that means atomic—attacks without considering even momentarily anything except stopping the attacker.

Even the commanding nation, which Montgomery recommended should be the United States because of her superior strategic air strength, would be handicapped on defense by its obligations to its Allies.

Editor Answers Critic

Better 'Spartan' Promised

To the Editor: In rebuttal to M. H. Stein's letter criticizing Spartan Magazine, let me make a few pertinent points. We are a young green staff putting a tremendous amount of sweat into the publication. We are planning to establish close cooperation with the English and art departments and thereby raise our standards in all technical aspects. No one is perfect, and we are cognizant of our need for competent advice.

It is to be admitted that Spartan Magazine has dealt too heavily in a morbid type of humor. We plan more variety. As for the sex, we're going to clean house. As editor, I promise you a more cheerful and cleaner magazine every month; each issue more so than the last.

Arthur T. Farmer Editor-In-Chief

New System Needed?

Concert Ticket Situation Stirs More Discussion

To the Editor: It is obvious that our 16,000 enrollment outdates the system for lecture-concert ticket distribution. Here is a problem the student government can sink its teeth into. They "organized" the football ticket distribution. How about a similar procedure for the L-C tickets? Wednesday morning was a fine example of "the savage fight to acquire 'culture,'" and not to be blamed on police mishandling.

H. A. Doehne

To the Editor: I would like to know what is going on. At the beginning of fall term I paid my tuition, which included a student activity book. Wednesday I tried to use this activity book for the first time, to obtain a ticket for the concert by Mantovani. I found that I couldn't get a ticket because they were all gone.

Are these activity books for the sole use of persons having no classes on certain mornings? Or are they just for people who want to stand in line in the morning until they get their tickets, at 9 or 10?

A person buying a season ticket to the Lecture-Concert Series is certainly allowed to see everything he is entitled to. Michigan State students supposedly have a ticket too, their activity book. The student pays for it as part of his tuition. The difference is that just a certain few of the students may go.

Why should the students of Michigan State have to pay for concerts they can't go to? Phillip Kirk

Friend Paces National League

Pierce's ERA Best in Majors

NEW YORK (AP) — Southpaw Billy Pierce of the Chicago White Sox won the American League earned run title in 1955 with a brilliant 1.97 average—the lowest since Detroit southpaw Hal New-

house posted a 1.94 in 1946. Figures compiled by the Associated Press also show that Bob Friend of the Pittsburgh Pirates topped the National League in the earned run ratings.

In carving out a 2.84 average, Friend became the first pitcher on a last-place club ever to capture ERA laurels. These statistics were tabulated first in 1912.

The 28-year-old Pierce, in his eighth big league season, allowed only 45 earned runs in 206 innings. He won 15 games and lost 16. Six shutouts were included among his 16 complete games.

Whitey Ford of the New York Yanks, trailed Pierce in the American League rankings with a 2.62 average, followed by Early Wynn of the Indians at 2.82.

Boston's Frank Sullivan was fourth at 2.91. Then came rookie Herb Score of Cleveland 2.93 and Detroit's Billy Hoelt, 2.99.

Score's 244 strikeouts were the most ever recorded by a major league freshman. Hoelt led the majors in shutouts with seven.

Friend, 24-year-old righthander, permitted 63 earned runs in 200 innings, while chalking up a 14-9 won-lost slate. He completed nine games, two of them shutouts.

Four players were in the scramble for runnerup honors with .09 point separating second place from fifth place. Bob Buhl of Milwaukee was second at 3.21, followed by Brooklyn's Don New-

Rose Bowl Preview?

Wisconsin-Southern Cal
Top Intersectional Card

BY THE ASSOCIATED PRESS

Friday night's the night when the Pacific Coast Conference hopes to get a little revenge on the Big 10 for previous indignities in their Rose Bowl series. All that the West Coast adherents are asking is that Southern California knock off the nation's No. 6 team, Wisconsin.

Ohio State's victory over virtually the same Southern California team last Jan. 1 was the eighth Big 10 victory in the nine games since the Rose Bowl tieup started back in 1947.

But the Trojans' route to revenge Friday night may be a rocky one, unless they can find more scoring punch than they showed last week in bowing to Washington.

Other games on tap Friday night include Utah at Denver in an important Skyline Conference game and Detroit attempting to spoil Boston College's perfect record.

Duke partisans are hoping the Blue Devils' visit to Ohio State is more productive than Duke's game with Purdue in 1954 but the results can hardly be more exciting than the 13-13 tie with Purdue. Duke is undefeated thus far.

Michigan, voted into the throne room this week as the top team in the Associated Press poll, Maryland, No. 2, and Oklahoma, No. 3, all have easy games which they hope will lead to conference championships.

The Wolverines, with one Big 10 victory already under its belt, should hand Northwestern its fourth straight loss. Maryland should have an easy time against North Carolina, an Atlantic Coast Conference foe, and Oklahoma will be seeking its 23rd in a row against Kansas.

Ready for Roses

By JACK BERRY
State News Sports Editor

After two weeks of predicting the outstanding games of the nation the Lushwell consensus shows mark. Last week the poll hit a high of .782 on 18 and five losses.

Outside of East Lansing the game of the week to be the battle between Southern Cal and Wisconsin Trojans were upset last week and would like nothing than a win over a Big 10 team.

The Badgers reportedly have one of their finest in years, the loss of Alan Ameche hardly bothering William's eleven. The scent of roses is heavy in Michigan.

In Intramural Finals

Swim Titles to Hickman, Miller

Roger Hickman and Bo Miller swam to All-University championships Thursday night in the Jenison pool. Hickman took the 50-yard breast stroke title in the first night of the intramural finals while Miller won the 200-yard free style race.

The two events were held in connection with Porpoise fraternity's annual Aqua-Maniacs show.

Hickman swam his two lengths of the pool in :31.5. Dave McCaffrey, Bob Krogman, Ken Payne, Bruce Joerin and Dee Edgington finished behind Hickman.

Miller's time for the 200-yard free style was 2:11.5. Dean Taylor came in five-tenths of a second behind Miller.

Jerry Garbus' time was 2:16 and

from there the field split with Edgington, Marv Froy and Roger Harmon.

Finalists for the 100-yard free style tonight are Dennis Baker, Pete Van Taylor, Jerome Donau and Bau Beattie.

Contestants for the back stroke are Don Nichols, Phil Gunde, Garry Cochran and Dennis.

In the 100-yard medley Saturday night Garbus, Harmon, Taylor, Harris, Russ Seaman and Don Nichols, Van Har-

mon, Kent Jordan, Donson and C. Jerome Dun-

State Harriers Host ND in 1st Home Meet

Irish Squad One of Best in Midwest

By HAL BATEMAN
The Michigan State cross country team starts Saturday activities with the Irish of Notre Dame who will have a tough battle.

The meet to be held on the campus of Notre Dame is the first of the season. The Irish are regarded as one of the strongest teams in the Midwest and the meet will be a test of strength for Michigan State.

Head Coach Karl Swanson will enter 12 men in the race. They are Capt. Selwyn Kennedy, Henry Kennedy, Gay Denslow, Bill Miller, Bob Ed Townsend, Fred Kuester, Dave Hoke, Les Goretzka, and Tom Goretzka.

The harriers looked impressive in the Michigan AAU title meet Saturday, winning both the 4 and 8 mile individual championships almost compiling a team score.

Kennedy will again be Michigan's number one man. He won the AAU title and is the favorite to win the Michigan State title this Saturday for the 4 mile race.

Swanson's runner-up in the AAU was clocked in 20:20 during Saturday's time trials two days ago and could go under 20 minutes against the Irish.

Denslow and Terry broke 21 minutes last year but could possibly do it this Saturday.

The all-important fifth, sixth, seventh and eighth positions will be won by Miller, Bob Black, Ed Kuester and Townsend.

Notre Dame coach Alex Wilson entered 11 men in the race. Well-balanced ND entries are Ed Daly, Bill Squires, Dick Miller, Ed Motzley, John Dale Vandenberg, Neil Huetz, Al Schoenig, and Pete Matczak.

Notre Dame team defeated Chicago Track Club and the University of Chicago in a tri-meet last week. Squires finished in a dead heat with a 20:59 time, fast for so early in the season.

Daly, a 4:10 miler, led the last year when they captured the Central Collegiate title. The Notre Dame senior had a 20:59 time, fast for so early in the season.

Swanson's runner-up in the AAU was clocked in 20:20 during Saturday's time trials two days ago and could go under 20 minutes against the Irish.

Spartan Chefs

Saturday this Spartan kitchen crew will go to work to turn out an upset flavored pot of Irish Stew. Capt. Buck Nystrom will lead the cooking crew with Coach Duffy Daugherty concealing the ingredients. Quarterback Earl Morrill will blend those ingredients and fullback Jerry Pianulis and end John (Thunder) Lewis will lead the stirring.

Orioles Junk 'Junkman'

BALTIMORE (AP)—Eddie Lopat's major league pitching career which covered 12 years including five as a mainstay of pennant winning New York Yankee teams, appeared over Thursday with his unconditional release by the Baltimore Orioles.

The Orioles indicated no other major league was interested in him since he now can be bought from them for \$1. They gave about \$10,000 to the Yankees for him last July 30.

It was reported earlier this week that Lopat already had decided to go in the insurance business.

The chunky left-hander, known as the "Junk man" because of his floating pitches, had only two losing seasons and one of them was the last in the American League.

7 Men Score Touchdowns

Psi U's Smother ACS, 46-0

By MEL REITER

Psi Upsilon whitewashed Alpha Chi Sigma by the score of 46-0 by way of seven touchdowns and four extra points. Oddly enough, all the winners' tallies were scored by seven different backs and ends.

Lan Smith and Don Harden played top roles in their quarterback positions. Both picked out six-pointers and shared the aerial attack which sent Bob Mason, Jill Jonson, John Hurlburt, Dor Snell, and Don Harden over the end zone.

AGR 12, ZBT 6

In the initial contest of the night played on the Touch Field, Alpha Gamma Rho, led by the

two Crenger brothers, downed Zeta Beta Tau in the closing minutes of the game, 12-6.

Frank Crenger sent his team in to a fast 6-0 lead in the first quarter by tossing a long touchdown pass to end Robert Rhen.

ZBT tied the score before halftime on an Irwin Dubinsky-Mickey Simon pass combination. The deadlock prevailed until the last few minutes of the fray when the other half of the brother act, John, threw to Forrest Kelsey in the end zone, to break the tie.

DU 15, Delta Sigma 6

Bill Bobf caught Dick Dorgan in the end zone to give Delta Upsilon an early 2-0 lead over Delta

ta Sigma. In the third period, Jim Dykstra hit Joe Lips for a six-pointed to bolster the lead. Delta Upsilon made the final score 15-0 when hustling Joe Lips snared a Delta Sigma pass and ran the interception to paydirt.

Phi Delta Theta 27, DDF 7
Phi Delta Theta scored in every quarter while their opponents, Delta Sigma Pi, reached the goal line but once, to give the former a 27-7 victory.

Quarterback John Davis was the standout in this encounter as he threw for all four touchdowns. Teammate Carl Shook was at the long end three times and Dick Lewis once.

Now Lucon's

LOCKHEED

Aircraft Corporation
California Division | Missile Systems Division

Staff Representatives will be on campus to discuss your future Monday, October 17, 1955 in Lockheed's expanding research and development program

Both divisions of Lockheed are engaged in a long range expansion program in their fields of endeavor.

California Division activities in Burbank cover virtually every phase of aircraft, both commercial and military. 46 major projects are in motion, including 13 models of aircraft in production — extremely high-speed fighters, jet trainers, commercial and military transports, radar search planes, patrol bombers. The development program is the largest and most diversified in the division's history. New positions have been created for graduates in: Aeronautical, Civil, Electrical and Mechanical Engineering and Mathematics and Physics.

Missile Systems Division, Van Nuys, California specializes in the technology of guided missiles. Its research and development cover virtually every field of scientific endeavor, and offer Engineers and Scientists problems of increasing complexity. Positions are open for B.S., M.S. and Ph.D. candidates in: Aeronautical, Electrical and Mechanical Engineering and Mathematics and Physics. In addition, a scholarship program leading to M.S. Degrees has been established for those able to qualify for graduate standing.

This broad expansion program is creating new positions in each division. Graduates in fields of Aeronautical Engineering, Electrical Engineering, Mechanical Engineering, Mathematics and Physics are invited to investigate their role in Lockheed's expansion.

Separate interviews will be given for each division.

Starts Three Day Show

Annual Water Show Opens in Jenison

By ANN TUKEY

The twelfth annual water show, "Aqua Manica Go Vaudeville," opened at Jenison Gymnasium Pool Thursday night.

Sponsored by the 50 active members and 63 pledges of Porpoise fraternity, the show began a three-day run before a medium-sized but enthusiastic crowd.

The show began with the crowning of Queen Kathy Arnold by Frank Paganini, president of Porpoise fraternity, and the presentation of her court.

Many acts and demonstrations of form and speed aquatic were all a part of the routine: such feats as a tub race and a trampoline act combined with a series of superbly executed high dives to make the show move easily and smoothly.

One of the highlights was the "Rapture of the Deep" act, featuring Meredith Smith, Birmingham junior, a distance underwater swimmer.

Smith swam approximately 100 yards underwater in 140.5.

Master of Ceremonies Charles McCaffree commented that this feat was "not generally recommended for amateurs."

The intramural swimming finals in the 50-yard breast stroke and the 200-yard free-style were also included. Varsity and freshmen swimmers were introduced individually, each performing his specialty for the crowd.

The first of three heats in the Queen's Relay was completed last night. Each member of the Queen's court, as well as the Queen herself, was represented by a relay team.

Valecie Vaughan's team placed first in competition last night, but the teams will swim in two more races today and Saturday.

Winter Comin' Scattered Frost Forecast Today

Scattered frost and cool weather is today's prediction from the U.S. Weather Bureau. High will be between 56 and 62. Winds will be from west-northwest at speeds of 8 to 15 mph.

'Happy' on Birthday Eve

Ike Improved, Will Confer With Top Aides Monday

DENVER (AP) — President Eisenhower recovered sufficiently for the Denver White House to announce he will confer here Monday with Secretary of Defense Wilson and Adm. Arthur W. Radford, chairman of the Joint Chiefs of Staff.

In a "happy mood" on the eve of his 65th birthday, he was well enough, too, to sip a cup of coffee and to wave to fellow patients from an 8th floor hospital sun-deck.

Mrs. Eisenhower left the hospital for the first time since the President's heart attack, Sept. 24, spending an hour and a half visiting her mother, Mrs. John S. Doud, and taking a drive in the sunshine.

The decision to see Wilson and Radford, for a talk on defense and security, was announced by White House news secretary James C. Hagerty after a long distance telephone talk with Sherman Adams, the President's chief deputy, who was in Washington for Friday's Cabinet meeting.

Potter To Play Cello Concert

Louis Potter, associate professor of music, will give a cello concert in the Music Auditorium at 4 p.m. Nov. 6. Among his selections will be Bach's "Prelude No. 8" and Fredrickson's "Allegro for Cello and Piano." Associate Professor Joseph Evans will accompany him.

Blood Drive Turnout Fails To Reach Mark

Registration for next week's all-University blood drive is far below the expected mark, Jim Grau, chairman of the drive, said Thursday.

A few more than 400 persons have registered for the drive which is being sponsored by Alpha Phi Omega, national service honorary.

Today is the last day for receiving pre-drive registrations from off-campus students, he said. A table has been set up in the west end of the Union concourse for receiving donors names.

Students under 21 must have written permission from their parents, and donors should not eat heavy, fatty foods prior to donation, Dr. Joseph Vernier of the Lansing Regional Blood Center said. About one hour is the maximum time for donation, he added.

NBC's mobile color unit, only one of its kind, moved in 60 tons of equipment early this week. The equipment, including five color cameras, is valued at \$2 million.

The entire operation is under the supervision of Barry Wood, director of special events for NEC.

Also here are Ed Pierce, producer; Max Miller, director; Ed Watson, business manager; Don Pike, chief engineer, and Marion Pober, writer.

WKAR to Present Music Workshop

WKAR-TV will present a workshop of early and contemporary music under the direction of Dr. Hans Nathan, Department of Literature and Fine Arts.

The first of four programs will be telecast Oct. 20 at 9:30 p.m.

Performers will be James Niblock and Helen Niblock, violins; Lyman Bodman, viola; and Dr. Nathan, harpsichord; all faculty members, and Joane Randall, cello, East Lansing coed.

Campus Chest Petitions Available

Petitions for Campus Chest solicitors are now available at the Union Concourse desk.

One thousand students are needed Nov. 7 and 8 to solicit with Campus Chest canisters. Solicitations week will continue through the eleventh.

Students are urged to work at least one hour each day between 8 a.m. and 5 p.m. Petitions should be left in the green box at the Union concourse desk.

Campus Chest will notify applicants by postcard two days before solicitations begin.

calls for greenbacks!

GET 'EM BY TELEGRAM!

Having a big time at the big game costs money. If you need financial reinforcements, flash home your fund appeal by telegram. Instead of a lecture on Economics, you'll get back coin of the realm as requested.

It's just Basic Psychology. A telegram is always something "special" — always gets attention — gets results. So use 'em for any purpose — invitations, greetings, reservations. Just call your Western Union office.
