French Assembly Imperiled

Cabinet Favors Dissolution

PARIS (AP) — Premier Edgar Faure lost a confidence vote in the National Assembly Tuesday night. But instead of resigning, as is customary, his cabinet is considering dissolving the Assembly. This would make new elections necessary. A final decision on resignation was put over until Wednesday evening. Unofficial reports following a meeting of Faure's ministers Tuesday night indicated a majority favored dissolution.

EDGAR FAURE
lost confidence

Following Tuesday night's cabinet meeting, Faure told newspapermen that he was faced with a constitutional crisis which is causing considerable concern. He said he had brought up the question of dissolving the Assembly Tuesday night. He said he had received the advice of the president of the National Assembly, René Coty, and that he had decided to dissolve the Assembly.

The government was defeated 283-278 on a procedural question Tuesday night. Faure's demand that the Assembly end its life by six months and go to the country in an early general election.

Members of the cabinet who opposed the dissolution for several months thought they were putting Faure in a position to throw him out of office. For the big majority of the Assembly, the hitherto untested constitutional provision into play.

The vote against Faure at first appeared to be a victory for the Radical Socialist party. He is trying to reorganize the Radical Socialist party and wanted more time to get ready for the elections.

Cold Snap Blankets Midwest

Causes 8 Deaths In Lakes Region

Record cold pushed south and eastward Tuesday and triggered blinding snowstorms that caused at least eight deaths in the Great Lakes region.

High temperatures and scattered snow flurries will continue to frost East Lansing. With the mercury falling to 12 degrees Tuesday night, the high for today is predicted to reach 26 degrees.

Up to four feet of snow was reported to have fallen south of Buffalo. Drifts piled five to six feet high in northern Michigan.

Eight deaths were attributed to the Buffalo storm. Even main thoroughfares in the city were clogged, when up to 16 inches of snow fell.

All city schools and downtown department stores were closed. Workload of street cleaners and maintenance men.

A foot of snow fell in the Watertown, N.Y., area. Some roads were blocked and many rural schools remained closed.

The snow ground Ironwood, Mich., had 16 inches of new snow in 24 hours. All schools were closed in Chicago and Ontario counties in Michigan and adjoining Iron County in Wisconsin.

Michigan counted three deaths Tuesday in Buffalo. They were due chiefly to overexertion while shoveling snow and to car accidents.

Schools throughout much of the state closed quickly. An estimated 75,000 school children went home in southwestern Michigan alone as 16 inches of snow settled by midday.

1,953 Set Eyes West For Jan. 2

Top Ohio State By 819 Students

Nearly 1,000 Spartans jammed their way through reservation lines in the second floor Union concourse Tuesday to smash all previous records for movement of this type.

The day's total of 1,953 set a new record for Rose Bowl line-up for a number of reasons.

When MSU first went to the Rose Bowl, only about 500 students had gone in the morning. Last year, about 1,100 went. This year, about 1,953 went.

The reservation desk closes at 8 p.m. tonight and feverish preparations are being made to handle several hundred more Spartans.

A preliminary program will be held by the Spartans in the Union Ballroom Tuesday night. The program will be held at 8 p.m. and will feature a variety of entertainment.

The final payment determines hotel and train accommodations and groups wishing to be together must make their final payments at the same time.

A special group arrangement for Spartans who wish to stay together on the boat is in the works, according to Gillette.

Additional hotel and train accommodations for the Spartans will be made available if necessary.

Members of the Spartans will be given a receipt at the ticket office and must pick up their tickets in person.

MAKE EVERY DAY S-D DAY. Let's give it an overhaul - we want it in tiptop shape for S-D Day!

Trip Plans Bloom

The main scene on the second floor of the Union these days is one of the most expressive of Spartan spirit ever.

It has also brought the Spartan School Row Boat Committee a pile of problems big enough to fill the Row Boat Hall.

Where can you put 2,000 or more Spartans in accommodations that are reasonably equal? How do you accomplish this, the largest of all non-military mass movements, with a minimum of confusion?

Biggest of all, perhaps, is how do you keep everyone happy?

As far as training and accommodations go, the Spartans have been lucky. Arrangements have been made for fairly extensive hotel room in the Los Angeles area that meets the standard of the tour agency.

Trainwise, the problem hasn't been completely solved yet, but indications are a fifth train may be needed. This means that every available piece of good rolling stock the several railroads have will be in use.

Some people may have to be routed in a manner that will mean an extra day or part of a day on the train. What do you do about the extra meals involved?

The decision has been made to give the same number of meals as originally planned for the package, so that there would be no increase in the price.

It was originally planned that everyone would be in L.A. on this particular day. Since students would have to buy their own meals in that case, they will be asked to buy their meals on the train for the one day.

Part of the room situation has been to-

ken care of by asking that groups of men who want to be together on the train also stay together on the road. This has eliminated some of the tremendous work involved in making up the train and train chart.

It will also provide a chance for fraternities to keep the charges together while on the road.

Everything possible has been done to assure Spartans of getting more than their money's worth on their "Trip of Trips," and reviewing the decisions of the student committee it looks like they deserve a rose apple.

The bulk of all planning and reservation has been done by the student committee, with prime consideration of all times the comfort of the student body.

Original planning was on the basis of 1,000 students on three trains. Now it is a certainty that there will be four trains.

Tour officials are wondering where it all will end. This is already the greatest Rose Bowl tour ever, and Spartans are rising up a record that will be hard to beat.

This, too, has become part of the Michigan State University Rose Bowl tradition. There is one more part of the tradition to reinforce this year. In 1954 Spartans left a trail of good will 1,500 miles long and several hundred miles wide.

With many more taking advantage of this year's trip, that trail should become a broad band of goodwill across the nation that MSE students are the greatest in every sense of students, adults and as true ladies and gentlemen.

Some, including state department experts, think the United States will have to shift its emphasis accordingly. Many believe the United States should be the initiator instead of waiting for Russia to make the gesture while the United States eventually foot the bill.

This would include a careful study of what can be afforded out of the rapidly increasing national income.

Spending Race Led By Reds

One of the questions foreign policy-makers will have to answer is how the United States can get the initiative in the new type of warfare to which Russia laid the groundwork with her late launched "operation" campaign.

Secretary Dulles hit close to the problem but not the answer Tuesday when he pointed out that the United States tried to maintain every offer of economic aid money by Russia to Asia the Soviets could, without exception, use themselves, jockey their country into economic-aid operation.

Not often have students of the East-West conflict been as united in their estimates as they are since the failure of the Geneva conference. They believe Russia is set for a long-term campaign of economic and political infiltration along the line of the Communist arms and an offer of economic aid to exploit.

Jet Fighter Crashes Into Alaska Base

10-13 Civilians Die As AF Homes Hit

FARMBANKS, Alaska, (AP) An Al-119 jet fighter plane which crashed into a village on a lake here Sunday, killed 10 civilians and injured 13 others, including the pilot.

The plane from Eastern Air Force Base training camp at Elmendorf Field, Alaska, crashed into the village of Khatanga, Alaska, about 100 miles from the crash site.

It was nearly four hours later before the wreckage was found and the bodies of the 10 dead were recovered. These included three children and an Al-119 pilot.

The dead were identified as: 10-year-old John, 8-year-old Mary, 7-year-old John, 6-year-old Mary, 5-year-old John, 4-year-old Mary, 3-year-old John, 2-year-old Mary, 1-year-old John, and the pilot.

The plane crashed into the village of Khatanga, Alaska, about 100 miles from the crash site.

Only 100 percent of Alaska had been previously searched, the report said.

No Accidents Reported on 2nd S-D Day

Thursday, the second day of Safe Driving Week, produced better results as the campus police reported there were no accidents during the day.

The accident rate, though higher this year than any previous year on campus, police said, was far less than the rate on the 1st accident-free day.

The major cause of accidents on campus is the failure of motorists to grant the right of way to fellow drivers.

Improper backing substitutes the second cause of accidents on campus.

Sgt. Victor Strohmer of the campus police gave two suggestions to decrease the accident rate on campus.

1. Always look before you back your car out of a parking space.

2. When you arrive at an intersection, treat the other driver courteously.

If drivers followed these two suggestions there would be a 35 per cent decrease in the accident rate on campus, Strohmer said.

Frosh Cagers Face Varsity On Thursday

Michigan State's basketball varsity will oppose the freshman squad Thursday night in the first varsity-freshman game at State.

The game will begin at 8 p.m. in Johnson Fieldhouse and students and faculty will be admitted free of charge.

The contest will serve as a springboard for State's opening tilt against Southern Illinois Dec. 13, and will give Coach Fordy Anderson a chance to see his men in action in an actual game situation.

"I hope to be able to pick my starting lineup for the Southern Illinois game after Thursday's contest," Anderson said. The contest will be played under full game conditions, with the clock and scoreboard being used along with three officials.

All the other Big 10 schools have such a game, and it will give the students a chance to look at the squad after four weeks of practice.

The lowest score for a Michigan State basketball team was recorded in 1901 when the Spartans defeated Michigan Normal, 12-7.

In Vain

Coach Terry Brennan of Notre Dame clasps his hands in a prayerful attitude and yells at his team as it is crushed by Southern California's Trojans, 42-20.

If in Doubt, Punt

Johnny Pingel, Michigan State's All-American halfback in 1939, still holds two all-time collegiate punting marks. Most boots in 7 seasons, 993 and most yardage on kicks in a season, 4,139. Both were set in 1938.

'Mural Highlights

The semi-final bouts of the 1M boxing tournament were held Tuesday with the following results recorded:

Jack Kosch defeated Fred Vermersch in the 126-pound class. He will face Bill Ubasia in the finals today.

Lester Ostrander won out over Chue in the 132-pound class. He will face George Hawkins in the finals. Hawkins won out over Moore by default.

In the 140-pound class John Allen defeated Roger Orchard in the finals for the championship.

George Mering won over Riley Martin in the 147-pound class semi-final. He will face Leroy Jones, who won by virtue of a default.

In the 157-pound class Clark Phelps came out the winner over Ernest Renner and will face Jack Battaglia who won over John Art.

Cas Comoglio gained a hot shot at the 165-pound title by defeating Clayton Struve. Comoglio will face Dave Garrison who beat Dick Smith.

John Brown and Dick Widger will square off in the 171-pound title bout in the finals.

The finals of the heavy weight division will find Jerry McFarland facing John Hanzel. McFarland defeated Steve Miller in the semi-finals.

The final bouts are scheduled for 4:15 this afternoon in the Boxing Room of Johnson. The public is invited to attend.

AP Rates State 2nd In Final Grid Poll

Sooners Win National Title; Awarded O'Donnell Trophy

The mighty Sooners of Oklahoma, acclaimed as 1955 national college football champions Tuesday after finishing first in the final Associated Press ranking poll, moved into second place in the college rankings over a 20-year period as a result.

The Sooners will receive the Father J. High O'Donnell Trophy, the championship emblem given in memory of the former Notre Dame football player and president at an awards banquet shortly after their return from their Orange Bowl game with Maryland Jan. 7.

This marks the second time in the 20-year history of the AP poll of sports writers and broadcasters that Oklahoma has won the national title and the eighth straight year they have finished in the first 10 in the rankings.

The O'Donnell trophy, given by the Notre Dame Monogram Club after the Irish retired the Dr. Henry J. Williams Trophy in 1941, must be won three times in championship possession. The AP poll inaugurated in 1936, has been the basis of determining the championship trophy winners since 1941.

A tabulation of the first 10 of 20 years on the same basis as the vote are compiled in the weekly poll shows that Notre Dame is far ahead. Points are counted on the basis of 10 for each first place vote, 9 for second, down to 1 for tenth.

This year Oklahoma was listed first on 218 of the 391 ballots cast in the final poll and earned the huge total of 2,341 points. Michigan State took second with 88 firsts and 2,107 points and Maryland third with 55 firsts and 3,024 points.

Other teams in the top 10 in the AP poll last year's winner, Texas, Texas Christian, Georgia Tech, Auburn, Notre Dame and Mississippi.

Eight of the top 10 teams in the final 1955 ratings are scheduled to play in post-season games.

Oklahoma and Maryland will clash in an Orange Bowl in the state of their Jan. 1, 1954 clash. Oklahoma won that game 7-0 although it had been rated fourth and Maryland first for the 1953 season.

Other pairings are Michigan State vs. UCLA in the Rose Bowl, Texas Christian vs. Mississippi in the Cotton Bowl, Georgia Tech vs. Pittsburgh in the Sugar Bowl, and Auburn vs. Vanderbilt in the Orange Bowl. Only State is eligible for the Rose Bowl and the Notre Dame team is scheduled to bowl game in the state.

The top teams with their first votes and won lost records in parentheses:

1 Oklahoma (218)	(10-0-0)
2 MICH STATE (88)	(8-1-0)
3 Maryland (55)	(8-1-0)

'Golden Era'

By HAL BATEMAN
State News Sports Editor

The football team goes to the Rose Bowl and the cross country team wins the national title. All in all it's been a golden era.

During the Big 10 indoor track championships at Jenison last winter this writer told another reporter that he thought that Michigan State had reached a "Golden Era" in track.

During that afternoon MSTU track squad staged a wonderful exhibition by completely upsetting the dope sheets and finishing second. That same afternoon, down at Ann Arbor, the eagles trounced the Wolverines, 81-68, to insure a fourth place finish in the Big 10 standings. That afternoon was a good start toward the era.

During the spring term the era became a little far-flung. The baseball squad finished in a tie for second place winning the conference title in 1954. But the team did sweep a three-game series from Michigan and thus, with the title hopes of the Wolves.

The track squad, a runner on risk in pre-meet charts, did no better than fifth. But the team did have Kevan Kavanagh, a smooth-striding Australian who ranks with the best.

In other sports the picture looked a little brighter. The swim team placed seventh in the conference, their highest since State joined the Big 10.

During the summer the football magazines came out and generally rated State as an eighth place team. The most liberal person would only say that MSTU might win more than they would lose.

In the cross country some things were a little different. The track experts picked the barriers as one of the best.

But within two short months the name Michigan State in two sports has been regarded as one of the best. Football started it by beating Indiana, 20-13. The grid-iron stumbled slightly in a game at Ann Arbor but after that they swept to seven straight victories, swamping some of the best in the nation.

The barriers kept the "Golden Era" alive, also, by winning the Michigan AAF. In their first dual meet they defeated one to Notre Dame, but after that Michigan couldn't be stopped.

Then came the big meets. They lost the ICA title to a Pitt team that wasn't supposed to finish in the first five but Henry Kennedy kept the era alive with a brilliant individual victory. The barriers and Kennedy swept the Big 10 title, but both were the heavy favorites.

Then came the NCAA meet last Monday. Michigan State was favorite for team honors while Kennedy was the individual.

Kennedy didn't win the race but the team did rise to the occasion and sweep the meet for Michigan State's fifth title.

Above the teams stood the names of three men: All-Americans Earl Morrall and Norm Masters and Kennedy, a tough man to beat in any race.

The two teams gave Michigan State the best fall sport performance since 1952 when both teams won national titles. The era has arrived.

Now the responsibility of keeping alive the era rests on basketball, track, boxing, wrestling, swimming and hockey. And we can't forget the tennis and gymnasts. Possibly the hockey team gave us an indication of what is to come by winning two of three in the East. At any rate it's been a good season and one that can't be topped by any school.

Cassady Wins Heisman Cup

NEW YORK (AP) — Howard Hupler, University of Michigan sports editor, said today that Earl Morrall, who won the Heisman trophy last year, is the favorite to win it again this year. Morrall, who was named MVP of the Big Ten last year, is expected to lead the Wolverines to the Heisman Memorial trophy.

The Heisman trophy is awarded annually by the Downtown Athletic Club of New York to the outstanding college football player in the United States. Cassady was chosen by a landslide vote of 1,274 sports writers and broadcast commentators.

The trophy is named in honor of John W. Heisman, one of football's great coaches, who was athletic director at the Downtown A. C. at the time of his death in 1903.

Babe Zaharias Hospitalized Again

MISSOURI (AP) — Babe Zaharias, the world's top female athlete, was hospitalized today in her hospital room Tuesday after suffering a heart attack during a tennis match.

TWU Balks AFL-CIO Merger

NEW YORK (AP)—The 90,000 members of Transport Workers Union balked Tuesday while at other locations voted in favor of merger with AFL-CIO.

The vote was held at the union's headquarters in New York City. At other locations, including Chicago, St. Louis, and Los Angeles, the vote was in favor of the merger.

The AFL-CIO merger would combine the American Federation of Labor and the Congress of Industrial Organizations into a single union.

Help Youth Apply 'Ethical Values' Education Convo Asks Help

WASHINGTON (AP)—The National Education Association today called for help in a drive to help youth apply ethical values.
