## After 5 Road Games Cagers Host Purdue, Seek 1st Big 10 Win

By LARRY WROBLEWSKI

Michigan State's cagers, after playing five games on the road, host Purdue at 8 Saturday night in Jenison Fieldhouse.

With appearing before a home crowd the Spartans face the assignment of evening their Big 10 record. Last Saturday Fordy Anderson's contingent suffered its initial conference defeat at the hands of Ohio State, 70-56.

"You don't know how it is to be home again. It seems we've been gone for ages," Anderson said.

Playing in front of hostile crowds and under different playing conditions for a long period is extremely strenuous on the team, both physically and psychologically. So the entire team and coaching staff welcomes a return home to play in front of our crowd. After being all over the nation it's my profound belief we have the best fans in the country.

"We can't guarantee a win, but I will promise everyone we will be ready," the Spartan coach declared.

During the past three days Anderson had his team concentrated exclusively on offense with a few drills involving the defensive phase.

Going into the Boilermaker engagement the cagers will be without the services of first-string guard Dave Scott and Horace Walker for the first time. Both were sidelined because of scholastic deficiencies.

Anderson disclosed, as yet he wasn't positive who would start in Scott's place. Either sophomore Lance Olson or junior Tom Rand will get the call, and Anderson's choice won't be definite until game time.

Other players assuming familiar starting roles will be Bob Anderegg, top conference team scorer with 16 points, and Larry Hedden at forwards. Jumping John Green at center and Capt. Jack Quiggle at guard.

Statistics for the first nine games reveal four Spartans have scoring averages in double figures, with Green pacing the quintet. The 6'5" center has bagged 143 points for a 15.8 per game average and easily tops all rebounders with 172 recoveries.

Next in scoring is Hedden, with 131 points for a 11.5 point per contest average. Others in double figures are Quiggle, 11.8, and Bob Anderegg, 11.6 points per game.

The Spartans will meet in Purdue, a solid, experienced ball club with juniors dotting the starting lineup.

In 14 meetings, Purdue holds a 9-5 advantage. A year ago the two teams broke even in a pair of thrillers on each other's home court. The Boilermakers nipped State at East Lansing, 72-71, and the Spartans took a 68-66 decision at Lafayette.

Purdue like the Spartans avoid relying on one particular player. Instead both feature balanced scoring.

Coach Ray Eddy will begin the game using a junior combination up front in Bob Fehrman and Bill Greve at forwards, Wilson Eison at center, and Willie Merriweather and Harvey Austin at guards. Each member of this quintet averaged better than 10 points per game in the first eight pre-season skirmishes.

"They key to the outcome will be just how hungry a team is for a game. All teams want to win; my experience has been that the team possessing more desire comes out on top. With Purdue beating Indiana they a team to be reckoned with," Anderson commented.

During the holidays over 9,000 spectators jammed the fieldhouse to watch the Colorado and Notre Dame games. The added bleachers at the end of the court will be pressed into use to accommodate the expected capacity throng.

Probable Lineups

Michigan State	Pos.	Purdue
Bob Anderegg (6-3)	F	Bob Fehrman (6-6)
Larry Hedden (6-5)	F	Bill Greve (6-5)
John Green (6-5)	C	Wilson Greve (6-5)
Jack Quiggle (6-3)	G	Willie Merriweather (6-5)
Lance Olson (6-4) or Tom Rand (6-2)	G	Harvey Austin (6-0)

# Ike Requests Eight-Point Plan For 'Safety Through Strength'

## Bulganin Asks Summit Talk

### Note Given to Ike After Annual Speech

WASHINGTON (AP)—Soviet Premier Nikolai Bulganin undertook to steal President Eisenhower's State of the Union thunder Thursday by sending the President a massive 33-page message calling for an East-West summit conference to discuss major world issues.

The note to the President was one of 19 delivered to Atlantic Treaty and Warsaw Pact countries by Soviet ambassadors immediately after the President completed his State of the Union message to congress.

This broadscale diplomatic offensive was announced by Moscow Radio and suggested that Bulganin was asking a top level conference of at least 20 nations.

The carefully timed maneuver demonstrated the kind of fast political-propaganda footwork by the Soviet government which many of America's allies, with the United States would show on occasion. European leaders have been critical of what they conceive to be a lack of boldness and imagination in U.S. tactics in dealing with Russia.

The latest Bulganin message to Eisenhower was parallel to one addressed to British Prime Minister Macmillan. A British foreign office spokesman said the note there "spoke no new ground" but ranged over European, Middle Eastern and Asian questions and talked about the summit meeting, disarmament, Middle East arms embargo, German unification, creation of a central European neutral zone and the danger of missile bases in Britain and Europe.

The Bulganin message to Eisenhower, in Russian, covered 19 pages plus a 19-page annex. It was delivered to Deputy Undersecretary of State Robert Murphy by Ambassador Georgi Zarubin less than three hours after the President had delivered his State of the Union message to Congress.

State Department Press Officer Lincoln White said that in essence the Bulganin message "proposed that certain steps be taken to bring about what the Soviets feel would be a relaxation of tensions.

## Student Services Space Available

Deadline for organizations applying for space in Student Services is Tuesday, according to Dick Holmes, student government organizations director.

There is a space in the basement of the new building for forty organizations, he says.

The application must contain the organization's name, number of members and the reason it wants the space.

## 'Weaker Sex' Equal in I. Q.

In the hue and cry for more scientists America should look to its gifted girl students, a university researcher claims.

Girls have shown the same ability as boys to do high level work of a scientific nature, according to Dr. Elizabeth Monroe Drews, who made a four-year study of gifted adolescents in Lansing.

She described her findings at a recent joint meeting of the American Association for the Advancement of Science and the International Council for Exceptional Children.

In the studies, records of some 3,000 Lansing public school eighth and ninth graders were carefully screened. Finally, 150 students with I.Q.'s of 130 and above were selected for further testing, Dr. Drews explained.

Rush for those interested in working on J-Day committees was held Thursday. Drinking coffee and laying plans for the all-university event were Sherry Felty, Cumberland, Md., rushee; Jerry English, Saginaw, and Avis Stutting, Mt. Pleasant, co-chairmen of the event; Jules Hanslovsky, East Lansing, class president, and Don McClish, Bronson, rushee.

## U. S. Appeals Court Rules Federal Boards Must Show FBI Reports in Proceedings

WASHINGTON (AP)—The U.S. Court of Appeals in a landmark decision ruled Thursday the government must produce material documents, including FBI reports, in proceedings before federal boards.

A three-judge panel agreed unanimously that the fundamentals of fair play which apply in federal courts also govern administrative proceedings.

The ruling specifically applied to the government's seven-year effort to require the Communist Party, USA, to register with the Justice Department as a tool of Moscow. The decision means the Subversive Activities Control Board (SACB) must conduct still further proceedings.

When the case gets back to the board it must decide whether to issue the Justice Department to bring in certain reports made to the FBI by Mrs. Mary Staincup, Michigan, to create her testimony.

"If this were a civil action in a court, or if it were a criminal case, the party would be entitled to the production of these reports," Justice E. Barrett Brennan said for the court.

The question here is whether production is one of the fundamentals of fair play required in an administrative proceeding. We think that it is.

## License Renewal To Start Monday

Starting Monday the East Lansing police will take applications for renewal of licenses Monday-Friday from 8 a.m. to 5 p.m., and Saturday 8 a.m. to 12 noon.

License Examiner Robert Fox said that the new hours are to try to cut down the number of people that wait until the end of the term to apply for their license renewal.

Renewals can be made up to 90 days before the expiration date of the license. Early renewal means the new license will arrive from the Secretary of State's office in time for use during the vacation.

## Olin Offers Polio Shots Next Week

Students wishing to get polio shots may get them at Olin from 10 a.m. to 2 p.m. January 14, 15 and 16. Persons in the student teaching program may get their shots from 10 a.m. to 12 noon, Jan. 17.

The polio shot program, sponsored by Student Government, makes these shots available to students who had a first shot in December. Students pay \$1 at Olin at the time they receive their shots.

Those who have questions concerning shot eligibility should call Polio Shot Committee chairman Mike Spillum at ED 2-8676.

## 'Paint the Town Pink' Themes Union Dance

"Paint the Town Pink," an informal dance sponsored by Union Board, will be held Saturday from 9-12 p.m. in the Union Ballroom. Tony Roman and his seven piece band will provide the music. Tickets are \$1.25 per couple.

## Americans Must Work For Peace

### Message Called Most Important

WASHINGTON (AP)—President Eisenhower proclaimed Thursday a program of "safety through strength" and issued to the American people and an applauding Congress a confident, ringing "call for action."

This was the essence of Eisenhower's answer, in his annual State of the Union message to Congress, to what he acknowledged are real, growing, space-age dangers from a Communist imperialism "waging total cold war."

The chief executive conceded that "most of us" failed to anticipate the "psychological impact upon the world of the launching of the first earth satellite" by Russia.

"But," he added, "it is my conviction, based on close study of all relevant intelligence, with the best information that the scientists can bring me, that if we make the necessary effort, we will have the missiles in the needed quantity and in time to sustain and strengthen the deterrent power of our increasingly efficient bombers."

His audience of senators and house members gave him a round of applause for that—and also when he told them that while the nation has made gratifying progress on missiles, "we must still do more."

This was considered one of the most important messages Eisenhower ever delivered to Congress.

The 1957 message held little that was new, and took a sort of mellow, complacent view of America's position at home and in the world. Members of Congress had trouble finding something to pound their hands about.

Voicing full confidence Thursday that Congress and the American people will "make this time of test a time of honor," Eisenhower included these eight points—some new, some previously proposed—in his call for action.

1. A reorganization of the defense establishment. Whatever harmful service rivalries exist, he said, "America wants them stopped." Congress gave him a heavy applause on that.

2. An accelerated defense report. Eisenhower urged a sure, improved warning in case of attack, more bases and stand-by crews for retaliatory air power, a speed-up on missiles, inducements to keep skilled men in uniform, a research and development program to "anticipate and achieve the unimagined weapons of the future."

3. Continued strengthening of mutual security. Eisenhower said, as he has many times, that military and economic help for friendly nations are an integral part of defense. Hitting back at critics who cry "give-away," the President said: "Let's stick to facts! We cannot afford to have one of our most essential security programs shot down with a slogan."

4. A five-year extension of the Reciprocal Trade Agreements Act, which permits tariff concessions to countries which grant them to the United States. This faces rough going.

See SPEECH, Page 5

## Dr. Drews Plans Talk on Women

Dr. Robin Drews, assoc. prof. in the department of social science, will address the Friday night forum of the YWCA-YMCA tonight at 8:30 p.m. in the "Y" House, 314 Evergreen.

Dr. Drews, who believes "women are one of America's greatest wasted resources," will have as the topic of his speech, "Women at Mid-Century."

# American Girls--Potential Scientists?

She said all in the top sample averaged about four years ahead of their class, and in all subject matter areas tested, including mathematics, language skills, reading and critical thinking, the girls did as well as the boys.

In the pre-Sputnik era tests, three-fourth of the gifted boys said they planned careers as scientists or engineers. All indicated they planned to graduate from college and two-thirds of them expected to do graduate work.

With the girls it was a different story, Dr. Drews commented. Although the gifted girls averaged about four years ahead of their class and could match the gifted boy in scientific ability, the gifted girls chose occupations which were only about those of the average girl.

"Often, girls do not take the courses to prepare them for scientific careers, and their seems to be very little encouragement in our society for them to go to work in that area," the researcher remarked.

She sees no immediate change in the way of American thinking on the subject unless some crisis or emergency develops.

Demands to get married and conforming to society were suggested as just two of the reasons why girls do not continue work in the scientific or advanced intellectual level.

Although the study done in Lansing was "small," Dr. Drews said it represented a school system of some 20,000 students and comparisons indicated that Lansing was representative of other medium-sized cities in the Midwest.

More gifted teenagers are coming from homes in the lower economic levels, Dr. Drews also reported. In the 1920's and 1930's more than half of the brightest children seemed to come from professional homes, a situation, she said, which is no longer true.

Some possible reasons for this, she illustrated, may be that students are staying in school longer and are getting a better education both in school and out of school. Mass communications media, such as television, radio and excellent children's books are "undoubtedly of great importance in the change," Dr. Drews believes.

She also reported that children of today have far better vocabularies and are better informed than those of a generation ago.

Editorials
Water Wonderland Finds New Suitors

It seemed that only yesterday our fair Water Wonderland was on the verge of dying of a broken heart. She just wasn't feeling her Cheerios...

But wait! Anyone who knows anything about soap operas knows that a show can't possibly stop like that. No, of course not!

Aha, another man, you say. Fool, have you never heard the "Romance of Water Wonderland"?

The first knight in shining armor is none other than muscular Big Mac of the Straits. In one gigantic stride, he has crossed her barriers...

At this point a second gallant comes into view. He introduces himself as A. Tom Energy, the miracle man from Monroe. There is no one like him the wide world over...

And last of all to appear, but certainly the most handsome, is that great flatterer, St. Laurence of the Seaway. You're stacked, he says, but there's something I can do for your development that none can match...

The voice of the Tycoon of Industry comes indignantly out of the shadows where he has lurked unseen. "Get that polyanthous look out of your eye..."

This fellow bends which ever way the wind blows—he is a gold digger and a cad, folks. Beware the subtleties of his love monopolist. Without natural rivals he can be deadly.

Will Water Wonderland live happily ever after with her loved ones, old and new? Or will this just be one more way for her to be dashed against the rocks of despair?

Onward and Upward

Getting things up into the sky hasn't been our major accomplishment this year, but let nobody say we failed altogether. Just a few weeks ago we managed to get a Nevro stewardess aloft!

The first one to be put on a regular flight orbit was a girl named Ruth Taylor, air-borne by the Mohawk Airlines in New York City.

Perhaps there is a connection between the belated launching of Miss Taylor and our inability to launch a satellite. We can't help believing that if this country had no color barriers it would be less likely to encounter so many space barriers.

Anyway, congratulations to the airline and the New York State Commission Against Discrimination for a real step upward.

Mum's the Word

It's a fact that everytime you speak a single word, 72 muscles are involved. ... as if any wonder wives get so tired!

Capped, But Still Messy

Letters to the Editor

Queen Liz Fan's Ire Raised

To the Editor
In reading the State News of January 6, I would like to pass a comment on the item concerning Queen Elizabeth's problem of her shoulder straps.

agree with him as to the disgusting "broom-closetness" of the auditorium. To listen to exceedingly fine entertainers in such an inadequately facilitated structure is indeed atrocious and certainly an insult to any per-

former. MSU's Aud. might make a decent gymnasium and is useful during registration week, but as a concert hall—it's a crime murdering good music. Carrie Lee Williams

First Challenge in Months
Mac's East-West Proposal Embarrasses Soviet Bosses

By WILLIAM L. RYAN
Britain's Prime Minister Macmillan appears to have contracted an important service to the Western cause in the cold war. His proposal for an East-West nonaggression pact provided the first real challenge to Moscow in many months, and apparently to the point to publicize such a picture.

governments to trash out international problems on a potent propaganda platform, but it is not seeking agreements as such. The prospect of a concrete proposal, instead, seems to frighten the Kremlin.

A nonaggression pact between East and West should imply a set of firm commitments on both sides against aggressive actions, political or otherwise, while the East and West undertake negotiations of the outstanding issues. That would take years, and in that time, such commitments might lead to hamstringing dynamic expansionism. Thus, the Kremlin does not seem to want any such agreement, and it probably will have to find excuses for rejecting such approaches.

Disappointed!

To the Editor:
I was extremely disappointed with the article on Izler Solomon and the Indianapolis Symphony Orchestra. It is evident that L. R. Taylor is definitely not a music critic, but his professing to be a writer is even more appalling.

the Soviet Union is seeking a summit meeting of heads of

Soviet Scheme Obvious
Moscow propaganda makes perfectly plain just what Communism wants in the immediate future. It wants a guarantee of the status quo in Europe, so that it can center its major attention on becoming the dominating influence in Africa and Asia with the Middle East the first target.

# Seven Year Indonesian Revolt Crushed

JAKARTA (AP) — A military spokesman said Thursday the central government has nearly crushed the 7-year-old rebel movement in Ceram, in the South Moluccas. But he disclosed a year-end outbreak on another island.

The spokesman, Maj. Harsono said 2,000 members of the self-

proclaimed Republic of South Moluccas movement on Ceram had surrendered recently in response to an appeal by President Sukarno.

He added, however, that remnants were still hiding in the jungles of that 6,000-square-mile island. Ceram lies only 100

miles from West New Guinea, which Indonesia wants to take over from the Dutch.

The Ceram separatist movement developed immediately after Indonesia won independence from the Netherlands in 1949. Harsono said the revolt which erupted in 1950 was staged principally by former Dutch-

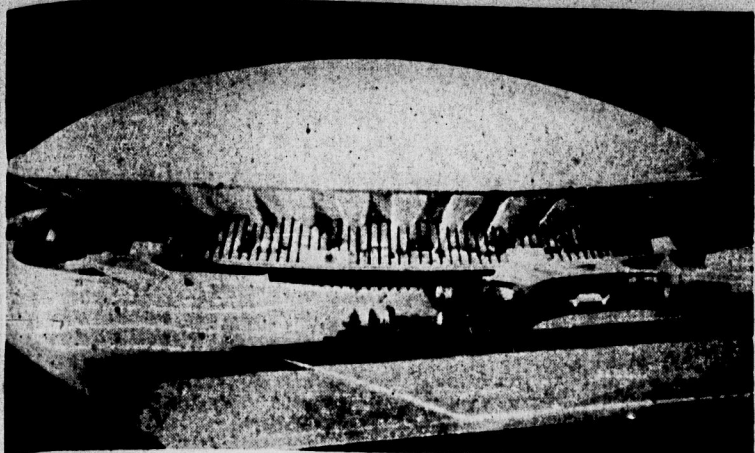

Indonesian army personnel.

The spokesman disclosed there was an uprising Dec. 31 on Ternate Island, a shipping center about 250 miles north of Ceram.

He said the rebel North Celebes command had sent reinforcements to Ternate Island in

two vessels. Ternate naval authorities have impounded the ships, he said.

The fighting came between North Celebes troops and Molucca police, he said. He said the conflict was settled. He declined to give details or to announce the number of casualties.

The University of Illinois will add this building to their campus by 1960. Costing \$7,500,000, the structure will house symphonies, theatrical presentations, basketball and other events.

## Student Committee Formed

### MSU Plans Participation In Foreign Policy Program

MSU students will join several million Americans throughout the nation when the local "Great Decisions... 1958" program, sponsored by the Foreign Policy Association, Inc., gets underway Sunday, January 12.

Dr. Ralph Smuckler of MSU's political science department will emcee the local "kickoff" meeting with an address entitled "Citizenship in World Affairs" at 7:30 p.m. in the Lincoln Room of the Kellogg Center.

"Great Decisions... 1958," a nationwide community education program offered by the Association, will enable citizens of some 500 communities to discuss international problems affecting the nation's security and welfare. These topics deal with Russia, pocket-war security, united Europe, the Middle East, Africa, US foreign economic policy, Red China and the United Nations.

Community-wide informal discussion will form the core of the program.

A Campus Great Decision Committee, consisting of representatives from Faculty, Inter-Fraternity Council, Women's Inter-

## Billiard Tourney Registration Due

Registrations for the billiard tournament will be accepted until Wednesday in the billiard room of the Union. Classes in the competition are: pocket, free cushion and straight.

Prizes for the winner of each of the billiards will be awarded in the term.

Residence Council and Men's Interterm Residence Hall Council, is sponsoring the campus program. They are working in collaboration with Benjamin Schwendener, Jr., Chairman of the Lansing Area Great Decision Program for 1958.

The Foreign Policy Association assists the community-wide program by distributing objective fact sheets and opinion ballots on the topics to be discussed, plus a variety of other material.

The campus committee, which has no faculty advisor at the present time, has sent a letter explaining the program and materials to all housing units, according to Jan Pickard, PanHiel representative on the committee. The committee hopes that a discussion group will be formed in each living unit, she said. The fact sheets are designed by the Association to present objectively to all events that have occurred

concerning the eight topics to be discussed. Each member of a group fills out an opinion sheet furnished by the Association, which is then returned to the Association's headquarters in New York, Miss Pickard said.

Considerable interest in the program is being expressed by members of Congress and the State Department, particularly in the opinion ballots which provide participants in the program with an opportunity to communicate their individual opinions on foreign affairs to policy makers in Washington.

An anticipated 300 newspapers will cooperate in this 1958 citizen education effort. Radio and television stations in most of these communities will broadcast special programs and discussions.

The Foreign Policy Association was founded in 1918 as a private non-partisan organization in the field of world affairs education.

## Informal Fraternity Rushing Keynotes Weekend Activities

Rush, rush . . . always the keyword of campus activities, but especially so this coming weekend as the formal rush program begins this Saturday for all campus sororities. Rush parties are also planned by various fraternal organizations.

Theta Chi will hold a mixer for rushees, actives and their dates Friday night from 9-12 at the chapter house.

An air-line travel theme is planned by the Delta Upsilon for their house rush party Friday from 9-12 p.m.

Delta Chi's rush dance will feature the Irv Roberts band. The informal house party will be held from 9-12 Friday night.

A rush party will also be held in the Alpha Tau Omega house from 9-12 p.m. Friday. The Kenny Davis combo will provide the music for actives, rushees and their dates. Something different is planned

by the Alpha Sigma Phi's Friday night. A "Bathskelley Party" to initiate their new recreation room will last from 9-12.

The weather has brought about a Sigma Alpha Epsilon skating party Friday night from 9-12. Actives and their dates will skate and toboggan at Bancroft Park and then return to the SAE house for dancing and refreshments.

Saturday, following the basketball game, the Phi Delta Theta and their dates will enjoy coffee and dancing at the house from 10-12:30 p.m.

Alpha Epsilon Pi will also stage a post-basketball warmup from 10-12 Saturday night.

## Jan Porath To Appear In Parade

Miss Jan Porath, South Lyon sophomore, and Miss Rodeo America, led the grand march at the Stockmen's Ball in Denver Thursday. The affair was televised from 9:05 to 9:30 p.m. (MST) by KOA-TV, the NBC affiliate in Denver.

Miss Porath attained her title after winning a preliminary rodeo contest in Chicago. This enabled her to compete in the important California competition resulting in the Miss Rodeo America crown.

Miss Porath will be accompanied by champion cowboy Jim Shoulters of Henryetta, Oklahoma. Seven rodeo and other queens will be featured along with movie and rodeo star Monte Montana and a host of other celebrities and entertainers.

The ball, which was sponsored by the Denver Chamber of Commerce, was held at the Shirley-Savoy Hotel in the Lincoln Room.

The rodeo star and queen, including Miss Porath, will also appear in the National Western Parade, sponsored jointly by the Retail Merchants Association, the Denver Chamber of Commerce, and the Downtown Denver Improvement Association, Saturday morning.

The Stockmen's Ball and the National Western Parade are both held in tribute to the growing livestock industry which annually produces from eight to ten million dollar sales at the National Western Stock Show in Denver.

## Two Students Elected To UB of Directors

The Union Board of Directors' election has been held and the following are on the board: Jean McElroy, Hingham, Mass., junior, and Tom Gates, East Lansing senior.

## Engagements

**ABBOTT HALL**  
Lou Gable, Fort Wayne, Ind., freshman to Russel Hare, New Baltimore senior.

**ALPHA CHI OMEGA**  
Virginia Stalter, Anchorage, Ky., senior to Peter Taylor, Elmira, N.Y., junior, Dee Dee Marick, Grosse Pointe senior to Jim Broadman, Grosse Pointe senior and Phi Kappa Tau; Cathy Marick, Grosse Pointe junior to Mike Slagle, Glen Elyn, Ill., senior.

**ALPHA OMEGRON PI**  
Pat Nash, Pineville, La., senior to Paul Scheitman, Muskegon.

**ALPHA XI DELTA**  
Lynn Morningstar, Hillsdale senior to Mike Spillman, Racine, Wis., senior, Joanne Reinhardt, Benton Harbor, sophomore to Dick Nelson, Berrien Springs sophomore and Delta Chi; Judy Riba, Dearborn senior to Walt Gardner, Morristown, N.J., senior and Lambda Chi Alpha.

**CHI OMEGA**  
Sharon Lewis, Birmingham sophomore to Ross Coutts, Wing Lake senior and Delta Upsilon.

**DELTA DELTA DELTA**  
Jan Dutcher, Jackson senior to Bill Simpson, 1st Classman, U.S. Naval Academy from Mt. Lebanon, Pa.; Lois Finell, Mt. Lebanon, Pa., senior to Don Venderbush, University of Detroit; Beverly Holder, Fort Wayne, Ind., senior to Dave Krieson, Purdue University; Maureen Keillon, Grosse Pointe Shores senior to Jack Wilsoe, Alton, senior and Beta Theta Pi.

**DELTA SIGMA PHI**  
John Yule, Detroit sophomore to Richard Geerk, Coleman senior.

**DELTA ZETA**  
Jenny Voytech, Chicago, Ill., senior to Tom Hamon, MSU graduate and Sigma Nu; Carol Cantrell, Rochester senior to Bob Barnes, Rochester senior and Delta Upsilon; Camilla Malby, Sandusky sophomore to Donald Ritt, Michigan Technology and Mining College.

**GAMMA PHI BETA**  
Judy Vairo, Laurium junior to George Best, MSU graduate.

**KAPPA ALPHA THETA**  
Donna Reuling, East Lansing senior to Gerald Galtier, East Lansing; Judy Lerman, Manchester senior to Paul Harbeck, Bensbach, Germany University of Cologne; Judith Elliott, Oak Park, Ill., sophomore to Stewart Anderson, MSU graduate and Beta Theta Pi.

**PI BETA PHI**  
Penns Schneider, Grosse Pointe senior to Dan Wood, Northfield, Ill., senior and Sigma Chi; Carolyn Kowalik, Detroit senior to Dave Holland, Marine City senior and Sigma Chi; Judi Larwood, Snyder, N.Y., senior to Dave Heig, University of Rochester and Theta Chi; Sally Novak, Grosse Pointe senior to Chick Van Dusen, Mount Airy senior and Phi Delta Theta.

More are: Ann Mottinger, Westport, Conn. senior to Bob Cooper, Grand Rapids and Phi Delta Theta; Katie Doyle, Lansing senior to Dick Pratt, Phi Delta Theta; Carol Young, Pontiac junior to Wayne Pake, Pontiac junior; Jackie Tockkanen, Ashland, Ohio, sophomore to Bruce Gilmore, Grand Rapids and Phi Upsilon.

**SIGMA NU**  
Sandy Giltner, East Lansing junior and Kappa Kappa Gamma to Don Wright, Dearborn junior.

# Sorority Rush Begins

## Counselors Guide, Counsel Rushees Decorations, Entertainment Create Festive Atmosphere

By MARY HUFF

"It's All Greek to Me . . ." As the title of the 1958 rush booklet indicates, sororities may well be "all Greek" to the 900 rushees attending first stage parties this weekend.

During the next two weeks, however, MSU's 20 sororities will try to translate the "Greek" of sorority system, the ways and means of their members, to rushees through four stages of parties.

Par-Hellenic Council, sorority governing body, carries the chief responsibility for setting up and organizing the rush program, and PanHel president Marjorie Mustellar says, "Within the next two weeks all of the organization, time, and planning that the Council has spent on the rush system will go into operation."

"Much work has been done to make rushing easier for coeds taking part. We hope that rushees will find this an enriching and pleasant experience. Whether or not a coed pledges, she may gain through rush sincere friendship in return for the friendship she has to offer."

Rushees are to pick up bids for first stage parties today in the PanHel post office, located in the Tower Room, fourth floor Union, between 2 and 7 p.m. For this set of parties, rushees may accept six invitations, and must mark the cards of those houses with their acceptance. Bids are not to be taken out of the Union.

The marked cards are then separated according to houses by the IRM machine and sent to each house, where the rushing chairman must complete preparations for the next day's teas.

Saturday at 1 p.m. is the scheduled time for the first party of Winter Rush and two more will follow on the same day, at 2 and 3 p.m. The three remaining parties of this set are slated for Sunday at 2, 3 and 4 p.m. Each house will be visited for 45 minutes.

Rushees are to attend in wool dresses with fitting accessories, and sorority members also wear wool dresses at this weekend's activities.

Stage 2 parties are scheduled for Wednesday and Thursday nights of next week, and coeds are to receive their bids from counselors in the post office Tuesday from 2-7 p.m. Two parties will be held each night, at 7 and 8, making a total of four houses a rushee may visit at this time.

While rushees will dress casually for these parties, wearing simple skirts and sweaters and baby socks, for the actives these will be a costume affair. The houses also are decorated to add to the theme of activity. Songs, name tags, and type of refreshments also revolve around this central theme.

Entertainment is another feature adding attraction to Stage 3 parties. For these coeds pick up invitations and mark their acceptance from 2-7 p.m. on Friday a week from today. Slated for the following Sunday, these parties, which are one hour and fifteen minutes long, are to be held at 2:30 and 4 p.m. Rushees wear skirts and sweaters, as in the previous groups of parties, and again will be greeted by costumed actives.

Rushees pick up invitations to the final stage of formal rush on the Tuesday following Stage 3 activities. At this time they may accept only one sorority's

bid for this "preference" party. This party is not limited in length, but will begin at 7 p.m. on Wednesday night. Bids are in order of preference at this stage.

After preference dessert coeds are asked to come to the PanHel post office Friday to make out preference lists, numbering the sororities in the order that they would be willing to pledge.

PanHel representatives suggest that rushees think over the houses they have visited and make some tentative choices before they come to the post office to make their preference lists and likewise before passing out invitations for each stage. If followed, might help to eliminate some of the confusion which is usually characteristic of the post office.

The post office, nearly always crowded, becomes even more so when rushees spend tedious hours making their decisions of course those involved in making and stress that choices should not be too hurried because of the extreme significance of the choice.

In order to pledge a house a coed must have attended at least three rush parties there. This may include Fall Teas. However, she need not have accepted their invitation for preference dessert in order to mark the house as her first choice.

PanHel Counselors will be present in the post office while rushees are making out preference lists, to assist them with information and answer questions they may have.

Coeds are reminded that they may call their counselors for answers and advice at any time during rush.

The sororities likewise make out preference lists of coeds they would like to pledge, and these are compared to those of rushees by pan-Hellenic Council of houses and rushees are matched, and then lists are sent to each sorority.

PanHel annually spend a great deal of time and effort preparing for formal rush, setting up rules, quotas, and organizing the mechanics of the system.

Carol Kashner, PanHel chairman for the group this year, and assisting her are Karen Fox, rules; Connie Riebel, pictures and supplies; Mary MacKenzie, counseling; Alice Groat, rush booklet; Lorna Murphy, files; Karen Nason and Grace Taylor, post office publicity; Dee Van Lente, questionnaire; Nancy Campbell.

Phi Delta Theta fraternity will sponsor the appearance of novelty singer Tom Lewis at the Lansing Civic Center, Friday at 8:30 p.m.

Tickets for the event will be Phi Delta's portion of the proceeds will be donated to the Phi Delta Community Chest.

Lehrer is both a song writer and singer, who plays guitar and accompaniment.

Formerly both a student and later a teacher at Harvard, Lehr has made his name in college circles.

Rushees pick up their bids for the first stage of winter rush today in the PanHel post office, located in the Tower Room, fourth floor Union, between 2 and 7 p.m.

## Religious Units Slate Winter Term Plans

By KAY WOODCOX

Various campus religious units have scheduled a full weekend of activities as the new term gets under way.

Dr. David Dickson, MSU English professor, will speak on the Bible at Sunday night's Christian Student Foundation Campus Vespers. The Campus Vespers theme this term will be "The Word of God," a study of the Bible. A buffet supper will be held in College House at 6 p.m., followed by Dr. Dickson's speech at 7 p.m.

Breakfast forum will be held at 9 a.m. Sunday in College House, featuring an informal discussion, coffee and doughnuts.

The weekly folk dances will continue this term, beginning at 8:30 p.m. Friday in Social Hall of Peoples Church. Adrian Crossley of Kalamazoo will lead the dances.

Dr. Lewis Zerby will speak to the Fellowship of Religious Liberals on "Empirical Ethics" at 6:30 p.m. Sunday in 35 Union.

Dr. Warner Bohstedt of the Humanities Department will speak to the members of Canterbury Club on "Augustine, Sinner and Saint" at 8 p.m. Friday at the All Saints Church. At 5:30 p.m. Sunday Canterbury Club is having a supper followed by evening prayer in the undercroft of All Saints Church.

All Saints Church will continue the bus service which was discontinued for the holidays.

Trinity Colleague Fellowship is having a Progressive Dinner at 6 p.m. Saturday at Bethel Manor. The cost will be \$1.50 per couple.

The Lutheran Student Association will have a cost supper at 6 p.m. Sunday, followed by student-led worship and a program at 7 p.m. A student panel will discuss "Why LSA?"

The University YM-YWCA will have a forum at 8:30 p.m. Friday at "Y" House. This will be a part of the series "Religion and the 20th Century." Dr. Robin Drews, of the Social Science Department, will speak on "Women in Mid-Century." At 9:30 a.m. at "Y" House there will be a CCW poster committee meeting.

At 6 p.m. Saturday, there will be a meeting of Wes-Weds at Wesley House. At 7:15 p.m. Sun-

day in 31 Union, a report will be read from the Lawrence Conference of the Methodist Student Movement. The topic will be "Our Lord, Our Church, Our Life." This will be followed by Cookie Jar at 8:30 p.m. at Wesley House.

The new St. John Church and Catholic Student Center will be dedicated at a PanHel High Mass, celebrated by the Most Rev. Joseph H. Albers, Bishop of Lansing, on Sunday at 11:30 a.m. A public reception will follow at 2 p.m. and open house will be held at the center from 3-8 p.m.

Noted speakers will highlight the Dedication Week program.

On Monday the Very Rev. Fr. Celestin J. Steiner, S.J., president of the University of Detroit, will speak on "The Concept of a Catholic University Education" at 8 p.m.

Rev. Fr. Bede Reynolds, O.S.B., will talk on Tuesday at 8 p.m. His subject will be "From MSU and Back Again."

Wednesday night's topic will be "Science in the Modern Setting" by Vincent Edward South, Ph.D. professor of philosophy at Notre Dame.

On Thursday night, Sister Mary Madeleva, President of St. Mary's College, Notre Dame, will speak on "A Woman's Point of View."

Friday night will feature a talent show and a Dedication Ball will be held on Saturday at 9 p.m.

## Ballot Box

Recently elected officers of Pi Kappa Phi are: president, Richard Goetz, Detroit senior; treasurer, Richard Beyle, Muskegon senior; secretary, Richard Ramesdorff, Pontiac sophomore; warden, Robert Tafts, Grand Rapids junior; historian, Fredrick Grant, Highland Park, Ill., senior; chaplain, Joseph Ammon, Dearborn senior.

## Pinnings

**ALPHA XI DELTA**  
Norma Carlton, MSU graduate, to Dick Gardner, Lansing.

**ALPHA CHI OMEGA**  
Sharon Olson, Waukegan, Wis., senior to Phil McKinstry, Detroit sophomore and Lambda Chi Alpha.

**DELTA DELTA DELTA**  
Celee Balfour, Plymouth sophomore to Bob Grim, Wilmette, Ill., senior and Phi Kappa Tau.

**GAMMA PHI BETA**  
Brenda Jackson, Rochester, N.Y., sophomore to Ron Dunbar, Detroit junior and Delta Tau Delta.

More are: Nannie Gross, Monrovia junior to Michael Williams, Dartmouth University and Beta Theta Pi; Ruth Ann Fox, Mt. Pleasant sophomore to Marvin Brokaw, Birmingham sophomore and Delta Chi; Helen Dodge, Syracuse, N.Y., senior to John Knox, Oxford, Ohio, senior and Beta Theta Pi.

**THETA XI**  
Alice Brockelshy, Pleasant Ridge senior to William Morris, Detroit senior.

**TRIANGLE**  
Marcia Lee Perse, Pontiac to Ed Janoschka, Rochester senior.

Dawn Greenhalgh, feminine attraction who stumps the man in "Man and Superman," the Shaw comedy coming to Fairchild Monday and Tuesday.

L.C. Series Special

Canadian Players to Give Comedy, Drama at Aud

The famed Canadian Players of Stratford, Ontario, will present two special programs here Monday and Tuesday under the auspices of the Lecture Concert Series.

The opening play is George Bernard Shaw's comedy, "Man and Superman." It will begin Monday at 8:15 p.m. in Fairchild Theatre.

Playing the lead roles of Jack Tamm and Ann Whitefield are two of Canada's best known actors. Ted Follows and Dawn Greenhalgh. Both Mr. Follows and Miss Greenhalgh have school experience, work with variety companies and radio and TV films to their credit.

"Man and Superman" depicts an up-to-date philanderer who believes he knows all there is to know about the modern woman and whose philosophy makes no allowance for the arrival of Ann Whitefield the local woman.

"Othello" will be presented Tuesday at 8:15 p.m. in the Aud. The title role will be played by Ted van Bridge. Mr. van Bridge has been on tour with the Canadian Players twice and has also managed to do a great amount of stage, radio and TV work in Toronto. Miss Greenhalgh will portray Desdemona. Reserved seats will run \$2.50, \$2 and \$1.50 with a 50c reduction.

Speech

(Continued from Page 1)

Scientific cooperation with the country's allies. Eisenhower said it is extremely wasteful of time and money to work on problems allies already have solved.

A balanced program, already outlined, aimed, Eisenhower said, at "improved teaching quality and student opportunities in the interests of national security."

Stern priority tests for 1958 military and civilian spending. Eisenhower said that the outlook is for government income and expenses to be roughly in balance for the 1959 fiscal year starting July 1, "our purpose will be to achieve adequate security."

Works of peace. In what he called a message from all Americans to all other peoples, he especially the Russians, Eisenhower said: "The world must stop the present plunge toward more and more destructive weapons of war and turn the corner that will start our steps firmly on the road toward lasting peace."

Eisenhower Supports Plea Senator Johnson Requests Faster Missile Production

WASHINGTON (AP)—Sen. Johnson of Texas, Democratic leader of the Senate and chairman of its preparedness subcommittee, called Thursday for an increase in the production of ballistic missiles.

He said the testimony of three military experts who have appeared before his subcommittee at closed door sessions indicated production rates for these space age weapons should and could be stepped up.

Johnson referred to Lt. Gen. James A. Gavin, retiring chief of Army research and development, Gen. Thomas D. White, Air Force chief of staff, and Maj. Gen. Bernard A. Schriever, director of the ballistic missiles program for the Air Force.

Schriever, Thursday's witness, was quoted by Johnson as saying that both the Thor and Atlas missiles are being supported at an adequate rate in the development stage "but that production schedules could and should be accelerated."

The Russians may have ideas of their own on space travel but when it comes to getting around on the ground, they copy the U. S. as this new model Zil III shows. The car will seat seven and is said to have a 220 horsepower engine and top speed of 195 m.p.h.

Reunion in Red China Mothers See Prisoner Sons

HONG KONG (AP) — Three American mothers had a joyous reunion in Red China prisons Thursday with their sons, long jailed on espionage charges.

The mothers had journeyed half way around the world, for this moment. All were quoted as saying they found their sons fit.

The mothers were promised further visits before their visas expire Jan. 14.

The mothers are Mrs. Mary Doxney of New Britain, Conn., and Mrs. Joseph Fecteau of Lynn, Mass., who were escorted to the Peking prison by Chinese Red Cross officials, and Mrs. Ruth Redmond of Yonkers, N.Y., who was taken to the Shanghai prison to see her son for the first time in 11 years.

The Chinese permitted Mrs. Redmond to telephone a report

of her interview from Shanghai. There is no phone service between Hong Kong and Peking, but the British news agency Reuters gave an account of Mrs. Doxney's visit, and the Peking radio broadcast a few words from Mrs. Fecteau.

The prisoners are with Downey, and sentenced to Huan, Redmond, 21, former 21 years.

businessman in Shanghai, held since 1951 and sentenced to life imprisonment.

John Downey, captured in Doxney's visit, and the Peking radio broadcast a few words from Mrs. Fecteau.

Robert Fecteau, captured in 1951, was taken to the Shanghai prison to see her son for the first time in 11 years.

The Chinese permitted Mrs. Redmond to telephone a report

Fans tried, but Giants, Dodgers moved to West Coast.

Carmen Basilio won disputed decision from Sugar Ray Robinson, took middleweight title.

## Sparring

# 1957

By LARRY GUSTIN  
State News Sports Editor

Everyone has his own opinions on what the "greatest" sports events of 1957 were. Here are my choices:

**Best Individual Performance:** Lew Burdette, who won three World Series games to lead the Milwaukee Braves to the world baseball championship over the high-riding New York Yankees.

**Best Team Performance:** The Milwaukee Braves.  
**Worst Individual Performance:** Tommy "Hurricane" Jackson in losing to heavyweight boxing champion Floyd Patterson.

**Worst Team Performance:** Indiana's football team.  
**Biggest Controversy:** Iron Leige's Kentucky Derby victory after Willie Shoemaker pulled Gallant Man back after misjudging the finish line; Sugar Ray Robinson's battle with theater-TV and Jim Norris on the gate split for his fight with Carmen Basilio; Basilio's disputed victory over Sugar Ray.

**Best Woman Performer:** Althea Gibson.  
**Upset of the Year:** Notre Dame's 7-0 victory over Oklahoma.

**Individual Comeback of the Year:** Sugar Ray Robinson's

HURRICANE JACKSON

LEW BURDETTE

... worst and best performers of year ...

stunning five-round kayo over Gene Fullmer which regained for Ray the middleweight title.

**Team Comeback:** The Detroit Lions great stretch drive which took them to the NFL title after quarterback Bobby Layne's injury.

**Most Unusual Event:** Olympic boxing champion Pete Rademacher fighting heavyweight king Floyd Patterson in first pro fight, and flooring champ in second round.

**Biggest Disappointment:** Detroit Red Wings collapse in the current season after winning the NHL title in March, and the trade of Ted Lindsay to Chicago.

Michigan State teams had one of their most successful years in history.

**Best Team Performance:** Spartan cagers deserve this honor, after sharing the Big 10 title and finishing fourth in the NCAA tournament.

**Best Single-Game Performances:** Michigan State over Indiana in basketball, and the Spartans' 34-6 romp over Michigan in football.

**Best Performers:** Dan Currie, John Green, Forddy Kennedy.

**Best Woman Athlete:** Ernestine Russell, pretty little gymnast and Canada's top woman athlete of the year.

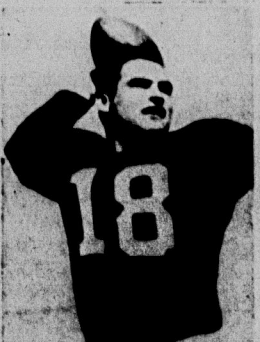

**Best Team Record:** Soccer. The booters finished their second unbeaten season with a 6-0-2 mark. The soccer team has never been defeated since joining the varsity program.

**Biggest Disappointments:** Griders' loss to Purdue. The decision to drop boxing from the varsity program; Cagers' triple-overtime loss to eventual NCAA champion North Carolina.

**Other Bright Spots:** Swimmers were Big 10 title winners. Likewise the cross country squad which also won the ICA title.

Looking ahead to 1958, it's going to take some outstanding performances to beat out the Spartan hockey team's first win over Michigan since 1928 for the top sports events of this year ...

# In the State

Bobby Layne (right) was injured, but Tobin Rote took over quarterback role, led Detroit Lions to NFL title.

Gordie Howe (left) and Ted Lindsay led Red Wings to NHL regular season title, but Lindsay was traded, Wings floundered.

Willie Atherton set world record for 600-yd. dash.

Red Wings put on exhibition with MSU hockey team.

# At Michigan State

Blocked punt helped Spartans humble Michigan, 34-6.

Enthusiastic crowd lauds great Spartan cage team.

Ernestine Russell was Canada's top woman athlete for gymnastics ability.

Johnny Butler led boxers. The sport is being dropped from the varsity program.

Soccer team again went undefeated. Record: 6-0-2.

Swimmers also splashed to Big 10 crown.

Forddy Kennedy led barriers to Big 10 title.
