

News In Brief

McNamara Gets Extra Pay

WASHINGTON, (AP)—Secretary of Defense Robert S. McNamara receives about \$100,000 from Ford Motor Co. in supplemental salary for 1962 and will receive about \$70,000 on March 15, an aide said today.

The aide added that McNamara, former President of Ford, will receive an additional \$448,750 in supplemental salary from Ford between 1962 and 1966—with installments due on Jan. 10 each year.

Details of the payments were supplied in answer to questions asked in a letter from Henry Ford II. The letter was placed in the State Armed Services Committee records during the hearing on McNamara's nomination.

McNamara himself brought up the payments briefly in testifying about his sale of \$1.5 million in Ford stock to avoid a conflict of interest as Secretary of Defense.

It also was brought out that McNamara, now 44, is entitled to a pension from Ford at age 65. The aide said the pension would amount to \$16,050 a year.

Kennedy Meets Advisors

WASHINGTON, (AP)—President Kennedy met with top foreign policy advisors Sunday and received a secret report on Soviet Premier Nikita S. Khrushchev's talk with U.S. Ambassador in Moscow.

Several hours later Kennedy sent Khrushchev a message voicing willingness to cooperate with all who genuinely seek peace.

Kennedy also chose a number of new sub-cabinet officials, including an Under Secretary of the Navy who used to be in Kennedy's World War II PT Boat squadron.

The Under Secretary-to-be is Paul Fay Jr., a San Francisco businessman and a Republican.

Africans Support Lumumba

CAIRO, EGYPT, (AP)—The Asian-African Solidarity Council Sunday called on African and Asian governments with troops under United Nations command in the Congo to place these troops as soon as possible at the disposal of the pro-Lumumba government of Antoinette Gizenga in Stanleyville.

In addition, it urged Asians and Africans to send volunteers to support the Stanleyville regime.

The council is organized on a non-governmental level, but has powerful backing from the Soviet Union, Red China and the United Arab Republic.

It urged all countries having diplomatic relations with the Congo to transfer their missions to Stanleyville. "The provisional capital of the Congo," and to send volunteers to the Congo Government "to make up for the current lack of technicians in the Congo."

Ellender Berates Williams

WASHINGTON, (AP)—Sen. Allen Ellender, D-La., said today he doesn't think President Kennedy picked the best man for the job in naming G. Mennen Williams as Assistant Secretary of State for African Affairs.

In a taped TV-radio interview (CBS-Youth Wants to Know) Ellender did not say who he thinks might be better in that post than the former Michigan Governor.

Tab Schmidt Stands Trial

Tab B. Schmidt, Garrett, Ind., stood trial today for the theft of a sports car windshield from another student's automobile.

Schmidt pleaded guilty to a charge of breaking and entering in the theft from Geoffrey Hamilton, Three Rivers sophomore, but Ingham County Circuit Court Judge Marvin J. Sain refused the plea and returned Schmidt on bond to await trial.

Lim-Trim Topic Related Tuesday

A "keep trim and slim" session planned as a special feature of the "Y" Campus Wives Meeting Tuesday at 8 p.m. at Lansing YWCA, 217 Townsend.

Beth Mitchell, director of health and physical education at the YWCA, will talk about exercises and charm.

The meeting is open to all wives. It was reported that transportation call Sandy Smith, ED 2-4062.

Conservatives Sponsor Goldwater to Speak Here

Barry Goldwater, Democrat, will speak March 7 on "Conservatism in This Age" as part of the Michigan State Conservative club's winter lecture series.

Goldwater is well-known for his stand on American principles. He is the outstanding proponent of conservative thought in the U. S. Congress," said Roy Robertson, Detroit sophomore and conservative club president.

Goldwater, author of "Conquest of a Conservative," is one of three speakers who will speak at MSU this term.

The first lecturer will be A. Saunders who will speak on "Private Property and Civil Rights." Saunders is executive vice president of the Michigan Real Estate Assn.

Goldwater said that Saunders is an organization which is active in the debate on "Rule 9" handed down by Commissioner Lawrence Gubow of the Michigan Corporation and Securities Commission. "Rule 9" has with real estate broker licensing.

Clarence E. Manion, former dean of the Notre Dame Law School, will speak Feb. 16 on "Constitutional Law and Civil Liberties."

Goldwater said that Manion is a member of the Manion Forum, which is the only one devoted to antisocialism, and

Shindig Tickets Now on Sale

Tickets for the 1961 Forester's Shindig are now on sale at the Union ticket office and in 10 Forestry bldg. Tickets may also be obtained from any forester (recognizable by his #3227 beard).

The dance will be held February 4 in Demonstration Hall from 8:30 to 12 p.m. Tickets are \$2 per couple.

Attire for the evening is informal and foresters are warned not to wear ties. Music will be provided by Clarence Schmidt's Orchestra.

Institute Aids Cities In Mich. Planning

Aiding the people of Michigan in solving such urban problems as fire protection, land and water conservation, urban planning and local government, the MSU Institute for Community Development works diligently to serve the people of the state.

Located in Kelllogg center, a large staff of experienced personnel headed by Director Charles B. Adrian has done much to help the urban areas of Michigan grow in an organized fashion.

An example of one of the projects underway at present is taking place in Michigan's upper peninsula.

"This area is losing population steadily as more people, after leaving high school, move south," said Adrian.

The basic reason for this migration appears to be that better job opportunities are available in the southern part of Michigan, he said.

He said that the upper peninsula, having been stripped of its timber, copper, and iron, has been forced to look to its resort

Companies Send Key Men To Distribution Program

Many companies are now sending their key young men to take part in MSU's Food Distribution program, which, although ten years old, is the first of its kind in the country, according to Dr. Edward M. Barnett, director of programs in mass marketing management.

The major objective of this program, Barnett said, is to provide an outstanding business administration curriculum with emphasis on mass marketing management for men in industries such as the \$75 billion food industry.

Three programs are offered affecting the graduate student, the undergraduate and the special student.

The graduate program is for graduates who are interested in obtaining their master's degree in the field of business administration.

The undergraduate program is for students majoring in food marketing management.

The special program is for men at least 21 years old who have completed high school and have at least two years of experience in a related field.

Most of the 99 men now enrolled in this program have attained the position of district sales manager within the four-year sponsoring time.

All of these men have at least a 2.5 grade point average or better. Fifty percent have at least a "B" average.

Four Dorms Report Fires

Smoking lounges serve a purpose, but East Lansing firemen would just as soon not have the term taken literally.

Firemen had to put out fires in two dormitory lounge coaches Saturday. Damage was estimated at \$112 in East Lansing at 11:12 a.m. A similar fire at 1:28 p.m. in the Armstrong lounge caused damage of \$125.

Firemen answered another call in Armstrong at 4:59 p.m. Saturday when several pieces of trash were found ablaze in the incinerator room of A wing.

Causes of these fires were undetermined, but Gary Randall, Ithaca freshman, knows too well the cause of a fire in his Emmons hall room Thursday night.

Randall reported he fell asleep with an electric lamp on and it fell against his mattress, setting it on fire. The lamp, sheets, a mattress and towel were destroyed. Damage was estimated at \$30.

Ex-MSU Employee Charged

A former university employee has been charged with aiding in the theft of money and merchandise from vending machines in the Farm Crops building May 7, 1959.

Kenneth Earl Brown, 4630 S. Logan, Lansing, asked for examination on a charge of breaking and entering of a vending machine when he appeared in Lansing Township Justice Court Wednesday. The examination is set for Feb. 2.

Tommy and Bill Bouck, 1243 W. Grand River ave., Okemos, had pleaded guilty to the same charge in the theft and were fined and placed on probation.

Then last Monday, State Trooper Max Little reported that he had obtained statements implicating Brown in the theft which occurred when Brown was employed at the Farm Crops building.

Brown turned himself in, he said, when he heard police were looking for him. Bond of \$500 has not yet been posted.

Congo Talk Stated

Dr. Alan Merriam, associate professor of Anthropology, Northwestern University, is to address an open meeting at Kelllogg Center Aud. Wednesday at 8 p.m.

Sponsored by the department of sociology and anthropology and the African language and area center, Merriam will discuss the present Congo situation and its background.

Woodwind Quintet To Play

The Faculty Woodwind Quintet will give a concert on Tuesday, at 8:15 p.m. in the music auditorium. The public is invited.

Members of the quintet are Russell Friedewald, flute; Paul Harter, oboe; Keith Stein, clarinet; Edgar Kirk, bassoon; and Doris Campbell, French horn.

The quintet is one of the finest small woodwind ensembles in university circles today, according to Marie Hill, executive secretary of music.

The members have won high praise for their numerous appearances at national music conferences.

The program, which will be broadcast on WKAR-FM, will include Adagio and Allegro by Sormis, Quintet in G minor by Dantzi, Six Caricatures by Douglas, and Quintet by Francaix.

Dinner Tickets Still Available

Reservations for the J-Hop dinner can still be made by calling ED 21511, extension 2642 between 1 and 4 p.m. Monday through Friday.

Cuba Retracts Invasion Alert

HAVANA, (AP)—Cuba resumes work at full speed today for the first time since Prime Minister Fidel Castro sounded an invasion alert three weeks ago.

Castro and two top aides have turned their attention, accordingly, from phantom invaders to what they call "the battle of production."

Their alarms about an invasion from the United States were switched off Friday, when President Eisenhower left office and President Kennedy's new administration moved in.

The Castro regime has given Cuba a new slogan—no longer "Death to the invaders" but "Work, Rifles, Study." All three leaders stressed productivity in weekend speeches.

Capt. Antonio Nunez Jimenez, chief of the Agrarian Reform Institute, explained the slogan before a meeting of students.

"Work to increase production, rifles to uphold the revolutionary fatherland and study to be more revolutionary are the watchwords that must be maintained."

Castro told provincial delegates of the Agrarian Reform Institute that his government will give 20,000 small farmers in Oriente Province credits to buy cultivation of coffee and cacao. He did not say how much money would go into the farm credits.

Castro also announced creation of "children's farms" within the so-called people's farms, which are devoted mostly to truck farming and the raising of chickens and rabbits. Children over the age of 10 will be eligible to work on the farms. The farms will get cafeteria and school equipment.

Cuba and the Soviet Union will exchange a thousand youngsters who will work and learn on each other's youth farms, the Cuban prime minister said.

Johnson Continues Research

Dr. Donald M. Johnson in psychology will continue his research dealing with an analysis of thinking with the aid of a \$19,700 NSF grant.

The NSF also granted \$18,900 for research concerning certain trees at higher altitudes of Western United States and Mexico in forestry.

A \$15,000 grant from the Atomic Energy Commission of Lansing, Ill., will be used by Dr. Willis A. Wood, professor of agricultural chemistry, in his research concerning the use of radioactive tracers to study certain enzyme reactions.

THE U.S. Public Health Service granted \$75,000 to be used under the direction of Dr. Joseph Meles in physiology and pharmacology. His research deals with the nervous control of pituitary secretion.

Two researchers in food science, Dr. Bernard S. Schweigert and Dr. Albert M. Pearson, will direct a research project aided by a \$16,682 grant from the National Institutes of Health. Their studies concern the isolation and identification of meat flavor components.

AN \$8,650 research development grant to study creativity and giftedness was accepted from the U. S. Office of Education for a project being conducted by Dr. Elizabeth M. Downs at the College of Education.

Faculty Members Step Down

Dr. Laurence L. Quill, head of the department of chemistry, and Dr. David G. Moore, head of the personnel and production administration department, are resigning their positions effective February 1. The Board of Trustees announced Thursday.

Professors Quill and Moore requested replacement to devote more time to teaching and research. Quill will continue to serve as director of the division of physical sciences. Moore will remain in his department as a professor.

Dr. Max F. Rogers, professor of chemistry, is slated to become acting head of the department. February 1, Dr. Dalton McFarland is to become head of personnel and production administration the same date.

Quill has been a faculty member here since 1945, and has authored more than 30 scientific articles. He has co-authored textbooks on qualitative analysis and chemistry, and has edited two volumes of the National Nuclear Energy series.

Moore has been head of personnel since 1958. His successor, McFarland, has been a faculty member here since 1957. He had been a consultant to several labor relations concerns.

Rogers came to MSU in 1946. He was a Guggenheim Fellow at Oxford University in 1934-35. He is secretary-treasurer of the division of physical chemistry of the American Chemical Society.

Police Ticket Robert Killian

Robert A. Killian, Pennyan, N.Y., senior, was issued a summons for failure to stop in the assured clear distance ahead by campus safety officers after an accident at the Real exit at 1:11 a.m. Saturday.

Officers said a car driven by Steve Hagadus of Grand Ledge was struck in the rear by the Killian car.

Hagadus complained of arm and back pains, but refused assistance and said he would go to Sparrow hospital. Damage to both cars was approximately \$600.

TV Honorary Plans Detroit Trip

The local chapter of Alpha Epsilon Rho, national radio and television honorary, will take a field trip to Detroit Feb. 3 and 4 to visit radio and television stations.

The group will visit the combined radio-television stations of WWJ, WXYZ, WJBK and the radio station of WJR.

Other sites of interest the group will visit include the Jim Handy organization, which specializes in production of audio-visual presentations and motion pictures for businesses, and the McManus, John and Adams and Campbell - Ewald advertising agencies.

Dr. Colby Lewis, the sponsor of AEP, will chaperone.

The group will leave Friday afternoon and return early Saturday evening.

The trip is also open to juniors in communication arts with a 2.5 average.

Held Here Feb. 17-19 Registration Grows for UN Conference

Registration for the MSU United Nations conference to be held Feb. 17 to 19 has been steadily growing.

At last count Wednesday over 110 students from colleges throughout the Mid-West have signed up to represent countries, according to Mohammed Touss, secretary-general of the MSU United Nations who is directing arrangements for the conference.

Each full delegation will consist of five members, and any of the other participating universities may represent up to three countries. In addition, members of MSU's clubs, including the various foreign student clubs and the IFC will form delegations.

The conference has created "vigorous interest" on the campus, Touss said, and has the support of the administration, student government and the international students.

Visiting students will be housed in university residence halls and sorority and fraternity houses. Oldsmobile has offered to furnish three cars for use as transportation during the conference.

Embassy members and delegates to permanent missions to the UN in New York will also attend the conference. Touss said that Byelorussia has indicated that they would like to send a delegate if the state department, which has previously banned Russian travel to East Lansing, would allow it.

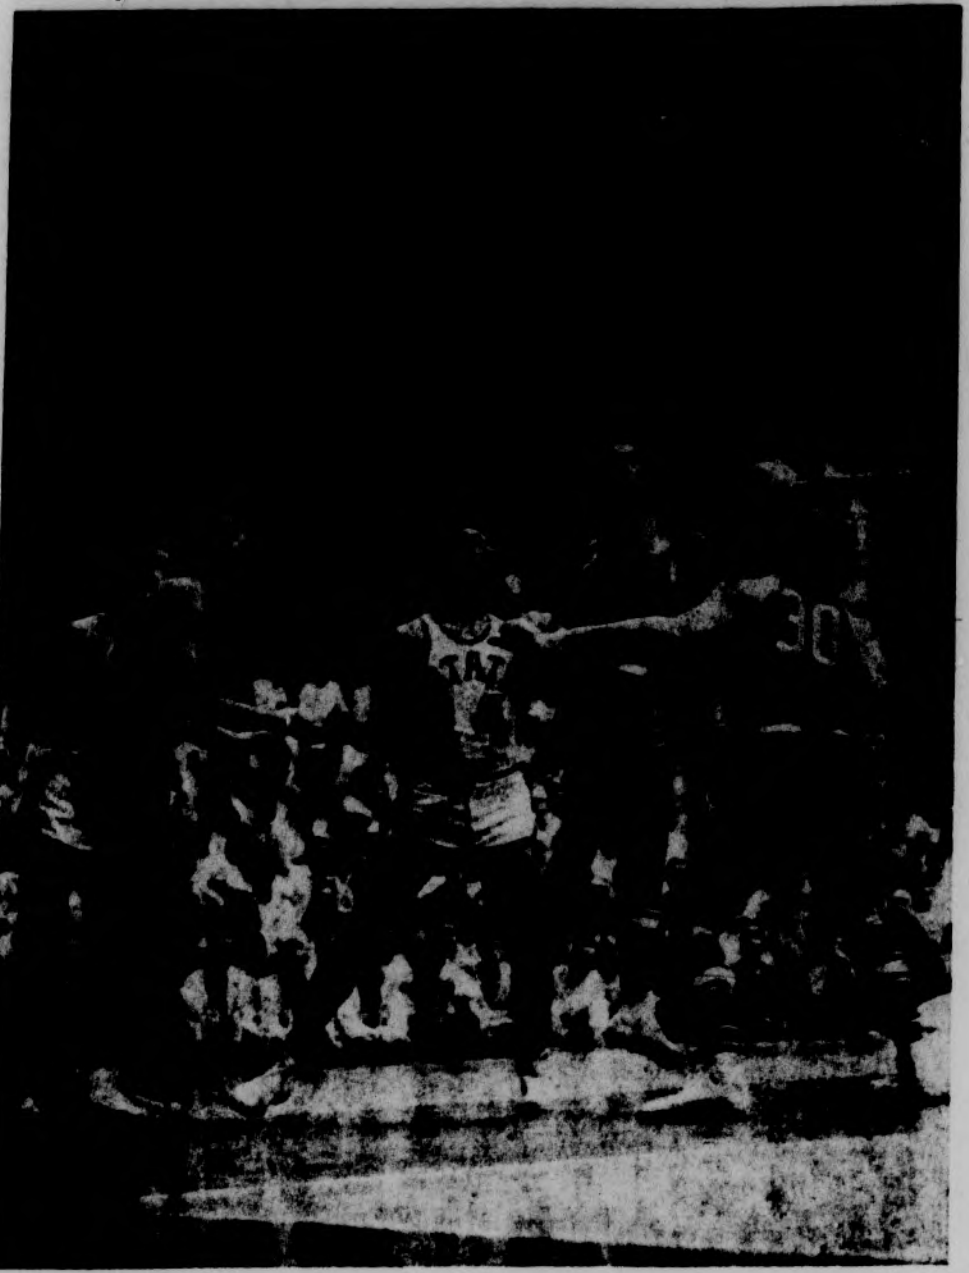

Ambassador R. S. S. Gunewardene, ambassador from Ceylon to the United States, will be keynote speaker at a banquet

in the Union Feb. 18. His subject will be "The Role of the Students."

Entertainment feature of the conference will be a cosmopolitan talent show and mixer at the Union after the banquet featuring songs and dances from all over the world.

Colleges which have made reservations to attend the conference include Northwestern, Oberlin, Wisconsin State college, Bradley University, Wisconsin, Notre Dame, Wheaton, Ohio State, New York university, Kent State and the U.S. Military Academy.

Michigan colleges participating are Hope, Rosary College, Alma, University of Michigan, Marquette, Eastern Michigan, University of Detroit, Northern Michigan and MSU.

Williams Scores 17

Wildcats Defeat State, 77-62

By JOHN SCHNEIDER
State News Associated Sports Editor

A cold-shooting Michigan State basketball team fell to its fourth Big Ten defeat of the season before Northwestern, 77-62, Saturday at Jenson.

Tonight, the Spartans journey to Minneapolis to battle Minnesota, seeking their second conference victory of the season.

In Saturday's contest, sophomore center Ted Williams was the only bright spot among the Spartans' shooters. Williams scored 17 points and picked off 16 rebounds.

State hit on 30 per cent of its shots during the first half and found a hole in the basket during the second half. The Spartans scored on but 21 per cent of their shots in the second half, and in one hot minute stream of the second half were held to seven points in six free throws.

Nonetheless, which held only a 1 1/2 point lead at the

half, widened the margin during the second half by breaking through MSU's full court press repeatedly for easy scores. The slow-footed Spartans used the press effectively but once during the second half.

The Spartans were again hampered by injuries to key personnel. Jack Lamers, the sophomore forward from Kimberly Wis., who has steadied the ball club with his consistent all-around play, was kept out of the game because of a shoulder injury incurred in the Michigan game. Junior guard Art Schwarm, still wearing a brace on his back after suffering a pinched nerve earlier in the season, has suffered in his efficiency at a ball hawk and also in his shooting since the injury.

State out-rebounded and outshot the Wildcats, 52 to 50, and 74 to 64 respectively, but was unable to capitalize on its advantage.

The game was nationally televised on the Big Ten Game of the Week, with 6,125 MSU fans in attendance at the contest. It was the smallest crowd in the past five years to witness a basketball contest at MSU.

State will be attempting to

pick up its second Big Ten victory tonight against the Gophers. Minnesota topped State, 83-77, in a non-conference battle in the Los Angeles Classic tour, Saturday.

Minnesota, with a 1-3 record in the conference, lost to Ohio State Saturday, 75-56.

The box score:

	FG	FM	FT	REB	AST	TP
Brookens	3	1-4	2	7		
Hall	3	8-8	3	14		
Williams	7	7-8	3	17		
Fake	4	5-6	3	13		
Schwarm	2	0-0	2	4		
Kubride	1	1-2	1	3		
Sabo	1	2-2	0	4		
Ferguson	0	0-0	0	0		
Tipt	19	24-30	16	62		
Michigan State	32	30	62			
Northwestern	34	43	77

Gymnasts Defeat Ohio For 15th Straight Win

By BEN BURNS
State News Sports Editor

The gymnastic team under the direction of Coach George Szypula won their 15th straight meet Saturday afternoon at Columbus, Ohio, against a much weaker Ohio state squad, 73-33. Gani Brosh led the Spartan gymnasts with his 16 point total and John Brodeur was second with 13.

The Spartans placed first in five of the seven events and several of Szypula's gymnasts were withdrawn from the scoring in an attempt to make it a fairer match.

John Daniels, Jim Dendee, Jim Durkee and Larry Bassett placed either first or second in various events but had their scores withdrawn before competing, by Szypula.

Brosh won the free exercise and Bassett took second followed by John Brodeur.

OSU's Tom Grompf nosed out Steve Johnson and Chuck Thompson on the trampoline to take one of OSU's first places. Gary Moreland placed fifth in the event.

On the sidhorse MSU's Wayne Bergstrom took first Brosh placed second and Brodeur third.

Jim Durkee won the first horizontal bars event, Brosh placed second and Brodeur took fifth.

Bob Carman placed first in the parallel bars, Brodeur placed third and Brosh took fifth for MSU.

John Daniels placed first in tumbling, Moreland took third and Chuck Thompson fourth.

The Buckeyes won their second event when Ernie DeMarchi won the still rings. Brosh from MSU placed second and Carman took third.

The gymnasts meet Indiana next Saturday in the only home varsity athletic event of the week end.

Szypula said that Indiana had a real good sophomore performer in the person of Jim Woodward. He added, "I think we can win, but they have a much better team than OSU."

During Saturday's intermission groups of Junior high school boys and girls will put on a tumbling exhibition.

These students will come from all over the state.

Commenting on his team's performance, Szypula said, "I was quite pleased with the team, the performances were a little ragged, but improving. We'll have to keep improving if we hope to win when we run into some of the tougher teams."

Track Records Broken in LA

LOS ANGELES, (AP)—Sprinter Wilma Rudolph, shot-putter Parry O'Brien and broad jumper Ralph Boston smashed American Indoor Records last night.

Miss Rudolph, 20, who won three gold medals last summer at Rome, ran the women's indoor 60-yard dash in 6.9 seconds.

O'Brien, 28, broke his own indoor record with a mighty heave of 63 feet, 1 1/2 inches.

Boston, holder of the world and Olympic broad jump records, leaped 25 feet, 10 inches.

Hockey Team Splits With Tech

By SUE CAMPBELL
State News Staff Writer

Michigan State's hockey team split an exciting home series with Michigan Tech this past weekend by taking the opener 4-3 and dropping the Saturday night game 3-1.

"This definitely was the best series played on Spartan ice in a long time and our team played extremely well," commented Coach Bessone.

In Friday night's game, Bob Doyle, sophomore wing, scored two goals, both of which were assisted by linemate Real Turcotte. Frank Silka, and Art Thomas each picked up a goal in the third period to put the Spartans on top.

THE OPENING period found both teams skating fast and checking hard. Elov Seger scored the first goal for Tech at 13:32 on a power play. With less than a minute of playing time remaining in the period, Bob Doyle tied the score on a pass from Real Turcotte.

Tech went out in front in the second period when Mike Draper scored on another power play.

The Spartan defense played well as they broke up two goal drives for the Huskies spearheaded by John Ivanitz and Lou Angotti.

The action-packed third period began with the Spartans

trailing 2-1. At 9:57 Bob Doyle scored again to tie the game while Tech was one man short.

Art Thomas broke the tie and put the Spartans ahead at 15:30, after a goal mouth scramble.

Seconds later, on a break-away, Frank Silka deked the Huskie defenseman and beat Rowe, Tech's goalie. Michigan Tech made the score 4-3 when Al Raymond slid the puck past Chandik, at 18:47.

In desperation Tech pulled their goalie but the Spartans were able to control the Huskies, making the final score 4-3, for MSU.

IN SATURDAY night's clash Tech went out in front 1-0 on a goal by Gary Beg in the closing minutes of the first period. Lou Angotti displayed his outstanding skating and stick-handling ability but was unable to score.

Art Thomas and Dick Johnstone had a break-away but Tech's goalie Bill Rowe came up with a great save. As the period progressed

the pace picked up and both teams skating faster, neither team scored.

In the final stanza, Real Turcotte, assisted by Jim Angotti, tied the score at 5:37 with a putting on the pressure. John Sullivan was able to make two goals, to make the final tally 3-1 in favor of the Huskies.

"John Chandik certainly played an outstanding game on Saturday night," remarked Head Coach Amo Bessone. Chandik came with 67 saves in the series, compared to 37 for Tech's goalie.

"It was a great team effort and a good sign," noted Bessone.

Matmen Defeat Iowa Teachers

By RICHARD ZEMMIN
State News Staff Writer

Michigan State's wrestlers, during their first possible defeat of the season, rallied to win the last four matches, and keep past small-college power Iowa Teachers, 20-12, Saturday afternoon in the men's I. M. mat meet.

The meet, which was by far the most exciting one this year, was decided until the final match, the heavyweight class, was finished. That's just how it was.

The real change hands three times during the course of the afternoon. MSU won the first two matches, Iowa Teachers took the next four, and the Spartans came back to grab the last four of the meet.

State's Okla Johnson, George Hobbs, and Duane Walcott again led the team to victory as all three defeated their opponents to remain unbeaten this season.

The nucleus of the Iowa Teachers attack came from Dave Jensen, Bill Dotson, and Chuck Patten. These three wrestlers have also yet to lose this year. MSU started the meet off in the style Okla Johnson, the 135-pound sophomore sensation, pinned the only fall of the afternoon when he pinned Iowa's...

Palmer Challenges

PEBBLE BEACH, Calif. (AP)—Fast finishing Arnold Palmer challenged for the top spot in yesterday's final of the \$30,000 Bing Crosby golf tournament. Palmer fired a two-under-par 34 for his first nine holes while Ted Kroll, the leader, went into the final, went two-under-par through his first six holes. A 41-year-old veteran from Ft. Lauderdale, Fla., led through three rounds with a 203 for 34 holes. Palmer was six strokes back during yesterday's final, but cut the margin to two in the early going.

IM Basketball Roundup Swimmers Top Gophers, 72-33; Lose Thriller to Indiana, 58-47

By IVANHOE DONALDSON & ED KOTLAR
State News Staff Writers

Last week the Intramural basketball program got into full tilt as Dorms, Independent and Fraternity teams battled for the All-University Basketball title.

Some of the bright points of the weeks action saw the following teams compete.

Elsewith defending Co-Op champions defeated Beal house 47-35. George Eckwert was high man for Elsewith with 20 points. Ellis Meister poured in 14 points for Beal.

Motts defeated Howland 44-31 in another Co-op game. Bidwell who twisted his ankle in the third quarter was high man for Motts. Harnisch scored 21 of Howland's 31 points.

In Independent action the Business walked the Wheelers 100-27. Yalom was high of the game with 28 points. Teammates Garvin and Badley supported the winning cause with 26 and 20 points respectively.

In other action the Roxes defeated the Ashers 91 to 15. Howland Clark and Sam Kettle were high for the Roxes with 25 and 24 points respectively.

The 69ers after getting off to a slow start rallied to beat the Vikings 54-31. Dick Smith and Ken Nizler were the high men for the 69ers.

Last Thursday the IM Dorm league went into full swing with a number of exciting games. Butterfield 7 and 8 played a very close game which saw 7 take a 14 to 12 half time lead. But in the second half Bu. 8 started hitting their free throws and led at end of a rugged third quarter 23 to 18. They hung on to win 37 to 33. B...

Motts collected 13 pts for Bu. 8 and J. Harrington got 12 for the losers.

Emmons 1 displayed a balance attack in defeating Emmons 2, 34 to 42. Emmons 2 got a fine individual performance from Cliff Roof. Cliff poured in 17 points and was a real tiger on the back boards. Pat McDevitt led Emmons 1 with 16 pts. (14 in the second half).

The finest individual performance of the evening was turned in by Jerry DeJean as he scored 49 pts in leading Butterfield 1 to an 86 to 39 victory over Butterfield 2. This is quite a feat 49 pts. in a 32 minute game, and he had a 20 pt. third quarter. Anybody knew of a nearby Big Ten team that could use a little help?

Dale Harnisch sunk a free throw with just 3 seconds left to tie the game for Emmons 4 at 37 all. But Emmons 4 went on to win 45 to 39 in overtime.

Sandy Koufax of Los Angeles Dodgers pitched a one-hitter and a two-hitter last season yet won only a out of 21 decisions.

Michigan State's swimming squad extended its winning streak to eight in a row against Minnesota Friday, before dropping a decision to a powerful Indiana Saturday.

State topped Minnesota 72-33 for the 11th straight year, while losing to Indiana 58-47. In the Indiana meet, 16 records were shattered, including four American records. The Spartans came close to upsetting the nation's top swimming team, but lost in the final two events.

SOME 1050 spectators at the Men's IM Pool saw Hooper Coet Jastroniski show great versatility in bettering two existing American records. His time of 2:06 in the 200 yard individual medley lowered the present record set by Tony Tanchak of Michigan by one-half second. Later, the 200 yard backstroke mark fell from the books, as Jastroniski won in 2:13.

Michigan State jumped to an early lead by winning both the 220 yard and 50 yard freestyle

events, respectively. They added further victories in springboard diving competition and the 200 yard butterfly race to go ahead of Indiana, 33-24, at the halfway point of the meet.

RARELY BEATEN. Troy finally met defeat in his specialty, the 200 yard butterfly event. Although his time of 1:58.2 topped all other competitors, Troy was disqualified because of an illegal turn. Carl Shoop, on the heels of last week's fine performance, bettered his own record with a 2:01.4 to take the event.

The State squad again reigned supreme in diving competition by taking a first and third place. Bill Williams of Saginaw captured the diving title. Williams and John Walker of Indiana waged a terrific battle for first place honors. Williams was given the decision with 246.85 points to Walker's 229.55. Ron Syria followed a close third with 218.45 points.

DICK BEAVER repeated his 1960 dual meet victory over Frank McKinney, the 1960

Olympic silver medal winner, in the 200 yard backstroke. On top all the way, Beaver won by two strokes in 2:03.7. Jeff Mattson finished third for Michigan State.

As was expected, the grueling 100 meter freestyle event was decided in the final lap. Al Somers, another member of Coach Jim Cundliffe's star-laden team, and Bill Steuart traded strokes for stroke for 17 laps. When it was all over Somers was declared the winner in 4:28.3, one-tenth of a second faster than Steuart.

The State squad again reigned supreme in diving competition by taking a first and third place. Bill Williams of Saginaw captured the diving title. Williams and John Walker of Indiana waged a terrific battle for first place honors. Williams was given the decision with 246.85 points to Walker's 229.55. Ron Syria followed a close third with 218.45 points.

LUCKY STRIKE PRESENTS: DEAR DR. FROOD!
DR. FROOD'S THOUGHT FOR THE DAY: A penny saved is a penny earned. And if you could put away a penny a week for one year... why, you will have fifty-two cents!

Dear Dr. Frood: Our college mascot is a great big lovable Saint Bernard. He loves everyone—except me. In fact, he has bitten me viciously eight times. What can I do to get him to like me?
Frustrated Dog Lover

DEAR FRUSTRATED: Mother him. To carry this off, I suggest you wear a raccoon coat, let your hair and eyebrows grow shaggy and learn to whimper affectionately.

Dear Dr. Frood: Most of my life here is extracurricular. I carry the drum for the band, pull the curtain for the drama society, wax the court for the basketball team, scrape the ice for the hockey team, clap erasers for the faculty club and shovel snow for the fraternity houses. Do you think these activities will really help me when I get out of college?
Eager

DEAR EAGER: I don't think the colleges will let you out.

Dear Dr. Frood: On New Year's Eve I foolishly resolved to be more generous with my Luckies. My friends have held me to this, and I've been forced to give away several packs a day. What do you think would happen if I broke this resolution?
Resolute

DEAR RESOLUTE: It's hard to tell, really. Lightning, a runaway horse, a tornado—who knows?

Dear Dr. Frood: Before vacation, my girl and I agreed to exchange Christmas presents. I sent her a nice hanky. You can imagine how I felt when I awoke Christmas morning to find a sports car from her. What can I do now?
Distraught

DEAR DISTRAUGHT: Remind her that Easter giving time is just around the corner.

Dear Dr. Frood: Can you help me convince my girl that I'm not as stupid as she thinks I am?
Anxious

DEAR ANXIOUS: Perhaps, but you'll have to convince me first.

TO GET A QUICK LIFT, suggests Frood, step into an elevator and light up a Lucky. Instantly, your spirits will rise. When you savor your Lucky, you're IN—for college students smoke more Luckies than any other regular. They're a wisepunch bunch who've known all along that Luckies taste great. Get the cigarettes with the toasted taste—get Luckies.

CHANGE TO LUCKIES and get some taste for a change!

Austin Visits Brazil for EAESP

Dr. Ruben V. Austin, assistant dean of the College of Business and Public Service, is to leave Tuesday for South America to review contracts that the university and the International Cooperation Administration (ICA) have with the Brazilian Government.

These contracts concern the development of the first Brazilian school of business administration, the Escola de Administracao de Empresas de Sao Paulo.

The Getulio Vargas Foundation, in Brazil, in collaboration with the ICA, secured the services of MSU's College of Business and Public Service to assist in establishing the school, Dr. Austin said.

The EAESP was established as an experimental and pioneering school primarily patterned after the typical American College of Business Administration, he added.

"The College of Business and Public Service at MSU provided a staff of American professors to assist and advise in establishing the EAESP," said Dr. Austin.

This involved the development of a curriculum, organization and administration, training Brazilian professors, teaching certain classes until Brazilian

professors were trained, and encouraging research.

Today, as a result of this assistance, the EAESP offers a four year undergraduate program in business administration.

In addition it offers an intensive thirteen week course in executive management for people who are already in business.

"The executive management program is one of the best of its kind anywhere," said Dr. Austin, "even in comparison with similar programs in our own country."

In view of its merits it has been recommended by the Organization of American States as a training program for the executives from all Latin American countries, he added.

When completed, the new school will be the first school of business administration of college caliber in South America.

Be perspicacious!

Not like a student who studies drowsily no matter how much sleep he gets.

This! Perspicacious... sharp! NoDoz keeps you awake and alert—safely!

If you find studying sometimes soporific (and who doesn't?) the word to remember is NoDoz. NoDoz alerts you with a safe and accurate amount of caffeine—the same refreshing stimulant in coffee and tea. Yet non-habit-forming NoDoz is faster, handier, more reliable. So to keep perspicacious during study and exams—and while driving, too—always keep NoDoz in proximity.

The only safe awake tablet—available everywhere. Another top product of Gwaltney Laboratories.

ROTC Grad Ends Course

Second Lieutenant James H. Wingenter, 1959 graduate of Michigan State, recently completed the primary basic navigator training course at James Connally AFB, Texas, according to Capt. Robert Sweet, AFOTC information services officer.

Wingenter, son of Mr. and Mrs. Ralph J. Wingenter of 919 Seymour avenue, Lansing, graduated from Sexton high school in 1955.

He received his commission through AFOTC, had a BA degree in English here in 1959.

Wingenter, who married Sandra J. Kirby of 807 Dunlap street, has been assigned to Mather AFB, Calif. for advanced navigator training. The couple has a daughter, Beth, 16 months old.

Grant To Aid Civil Defense

MSU's Board of Trustees accepted \$500 of a \$1,000 grant Thursday from the Wolverine Insurance Company of Battle Creek.

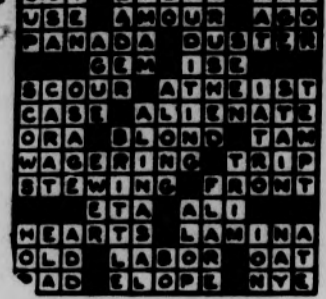

The grant will be used to aid the disaster control and civil defense program recently initiated by the School of Police Administration and Public Safety.

Dr. Leon Weaver, professor of police administration, will direct the use of the grant to further the program of research, training and service.

Two Music Majors Take First Places at Battle Creek

Two MSU music majors took first place in the Battle Creek symphony contest, said Keith Stein, professor of music and conductor of the Battle Creek symphony.

Karen Murphy, Davison senior, won the instrumental division with her harp solo, Introduction and Allegro by Ravel.

The piano division was won by Stanley Potter, Tyler, Tex., graduate assistant, with his performance of Schumann Piano Concerto. Potter also has been announced as a winner of the MSU Honors concert auditions.

THIRTY-THREE musicians, most of them from Michigan colleges and universities, competed in Battle Creek for the honor of soloing at the April concert of the Battle Creek Symphony.

The three Detroit judges also chose two MSU sisters as runners-up. They are to perform at the pop-concert of the Battle Creek Symphony on March 12.

Doris Mohile, Augusta graduate student, will play a violin solo. Her sister, Mary Beth Lake, is a graduate student voice major.

Dorms Plan Snow Contest

Men's Hall Association is planning to sponsor a snow sculpture contest in February with the theme "Greek Mythology."

Ed Mulick, chairman of the event, announced the tentative dates as Feb. 18 or Feb. 25 depending on snow conditions.

MHA hopes to make it an annual event and a plaque will be presented to the winner. Anyone having questions should contact Ed Mulick, Bailey Hall, as the participation of all the men's dorms is not definite.

AWS Boards Hold Two Open Meetings

AWS activity board and judiciary boards will hold open meetings tomorrow at 7 p.m.

Any coed interested in running for the office of representative from her living unit or organization may attend.

The activity board will meet in 338 Student Services and the judiciary board in 336 Student Services.
