

## STAGE AND SCREEN

THESE THREE ACTRESSES have the leading roles in "The Greeks Had a Word for It," which came to the Harris theater last week. The impersonators of the characters for whom the Greeks had the word are Dorothy Hall, Leona Maricle, and Muriel Kirkland. (White photo.)

A YOUNG RECRUIT for the American stage from Poland, Lyda Roberti. She has a New York hit to her credit in a musical show called "You Said It." (Mitchell photo.)

THE BOS'N AND THE BOS'N'S MATE aboard this swanky California boat are Frances Dee and Mitzi Green; but the titles are purely honorary, for they don't have to blow whistles and order old salts about.

## A minute alone... and MUM

THAT'S ALL YOU NEED FOR COMPLETE PROTECTION

THE old days when women thought that frequent bathing and a dash of perfume or talcum was protection against underarm perspiration odor, are gone forever.

And how glad women are! What a comfort it is to know that you can carry real insurance against this meanest of Nature's tricks.

Mum! A minute alone, any time, anywhere, and you're safe from that odor which always marks one as—well, at least insensitive to the nicer refinements.

That's why Mum is such a joy! You can use it while you're dressing. No fussing, no waiting for it to dry.

There's nothing in Mum that can possibly injure fabrics. And there's nothing in it that irritates the skin—even a sensitive skin. You can shave, put on Mum at once—and never a smart or burn!

Another thing—you know how odors cling to your hands when you prepare onions or fish for dinner, or when you have to sponge a spot with gasoline. Mum rubbed on the hands kills every lingering trace of odor instantly!

Carry Mum in your purse with your compact. Have underarm niceness always at hand. You can get Mum at all toilet goods counters, 35c and 60c. Mum Mfg. Co., Inc., 80 Varick St., New York, N. Y. Canadian address, Windsor, Ont.

**SANITARY NAPKIN USE.** You will be grateful to know that Mum on the sanitary napkin gives complete protection.

LIGHT ON THE SCRIPT—Walter Huston, returning to the screen, is found by the photographer studying the lines of his new talkie beside a studio light.

HOW TO DRESS FOR THE BRIDLE PATH—A smart photographic tip from Sidney Fox of the film colony. She wears a brown felt hat, tan whipcord breeches, yellow turtle neck jersey sweater, and tan riding boots.
