**TWO WORLD CELEBRITIES**, Mme. Marie Curie and Charles G. Dawes, arrived in America on the same liner from Europe. The ambassador was on his way to Chicago; the woman scientist came to receive from her admirers a second gift of radium, the element she and her husband discovered.

(Photograph from Pacific and Atlantic.)

**"No butter in these delicious cakes?"**

**"No butter! I merely use  $\frac{1}{4}$  to  $\frac{3}{8}$  less Mazola than butter in the recipe. And Mazola is as rich as but-**

**ter—and costs about half as much."**

**TEA CAKES**

$\frac{1}{4}$  cup Mazola  
1 egg  
 $\frac{3}{4}$  cup sugar  
 $\frac{1}{2}$  teaspoon vanilla  
 $\frac{1}{4}$  teaspoon salt  
 $\frac{1}{2}$  cup milk  
 $1\frac{1}{2}$  cups bread flour  
 $2\frac{1}{2}$  tablespoons Argo or Kingsford's Cornstarch  
2 teaspoons baking powder

Put all the ingredients in a bowl and beat until bubbly. Transfer to cup cake pans lightly rubbed with Mazola, sprinkle with desiccated coconut and bake in a moderately hot oven, 350 to 375 degrees F. until done—about twenty-five minutes.
