The sign to look for
on each Sachet

There is no wave like the
Eugène wave

This year there's more to a wave than waves. You must also have curls... Permanent curls—framing the face, softening the neckline, peeping out beneath your hat. Not every waving method can give both permanent waves and indestructible curls!

Eugene, alone, by the invention of Reverse-spiral Winding and the new Reverse-spiral Sachet, gives hairdressers the means to assure a profusion of permanent curls in addition to natural, rolling permanent waves.

Smart hairdressers know all about these new and revolutionary improvements that insure perfect results. Any woman, with hair of any texture or color, may sit for a Eugene wave, serenely confident that it will be a beautiful permanent—and permanently beautiful.

There's no mistaking the genuine Eugene Wave. Each Eugene Sachet (or waving wrapper) is identified by the Eugene Trade Mark figure, "The Goddess of the Wave." Look for it on each Sachet. Permit no substitutes. Remember, it's your hair—you're the one to be pleased. Eugene, Ltd., New York and Paris.
