**It's SO EASY**  
to have bright polished floors  
--- only 10 minutes work!

"Since I discovered Johnson's Glo-Coat my floors are shining all the time and it's no work at all to keep them clean. This marvelous new floor polish shines as it dries without rubbing or polishing. Just spread it across the floor and you are through. Glo-Coat does the rest. Dries in 20 minutes with a gleaming polish. Try it on your linoleum, rubber tile, varnished or painted wood floors."

Send 10c for a trial can—enough for a small kitchen or bathroom.
