Funerals at "Hursen" Chapels

Hursen funeral-chapels are astounding Chicago! They are of a size and new magnificence seen nowhere else in any funeral establishment in America! Whether the funeral is large or small, there is *absolutely no charge* whatever for the use of any one of them.

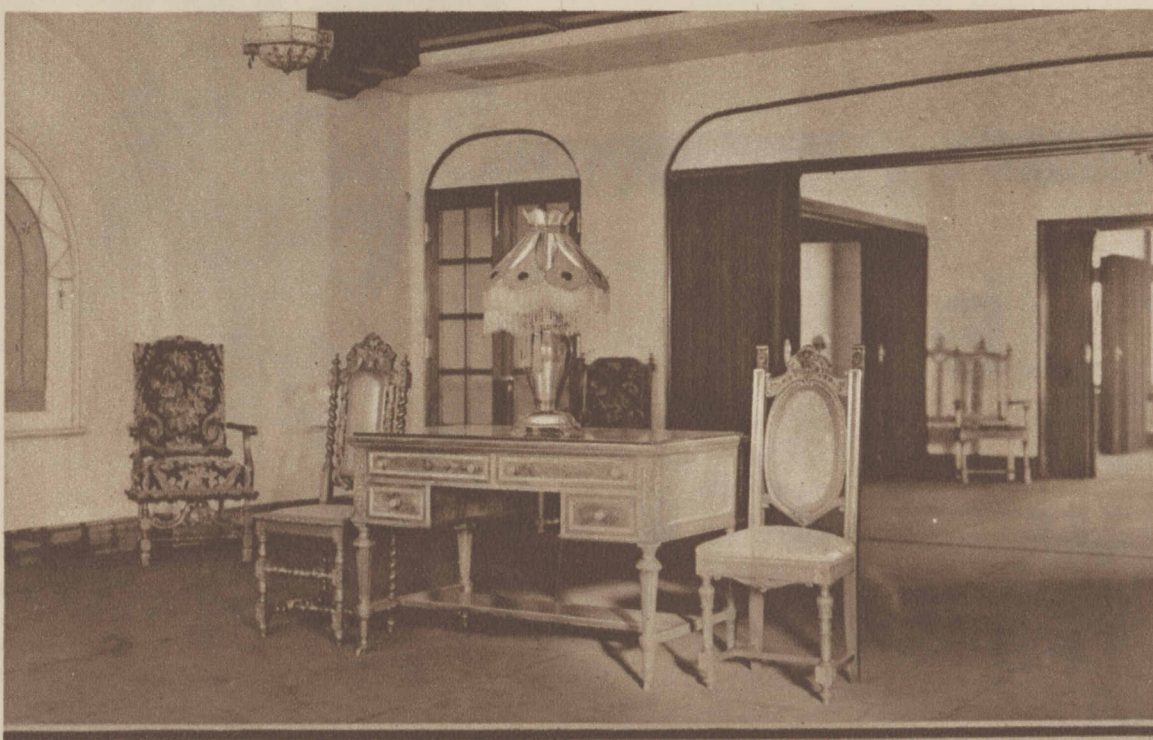

The custom of using these Hursen funeral-chapels is growing by leaps and bounds. Many homes have not the space nor the facilities, particularly when members of a lodge or society are to attend a funeral, or when a lodge or society service is to be conducted.

Here, in these Hursen chapels, is bestowed every facility desired or required by *any sect or creed*. At each of the 3 Hursen funeral-homes there is massive space, there are secluded meeting and ritual rooms, massive chapels, and unusual conveniences found nowhere else. There is no overcrowding, no confusion.

Besides this, the famed Hursen elegance lavished on all funerals, large or small, makes Hursen funerals the sweetest final tribute possible. The new fleet of Hursen limousines and limousine hearses is in itself an inspiration. Each car is a Lincoln, built *especially for Hursen* from Hursen designs. Each is a masterpiece, in beauty, riding comfort, and workmanship.
