HE'S ONLY A PUP, 11 months old, but he weighs 95 pounds and is 35 inches tall at the shoulders. A particularly fine specimen of St. Bernard is Marcus Aurelius of Riveredge, who filled a large space at the recent Chicago Kennel club show. With him here is his owner, Mrs. Thomas F. McDonald of Highland Park.

HARVARD'S HASTY PUDDING CLUB will appear at the Eighth Street theater here tomorrow night in its first visit to the middle west. John W. Valentine, picture at the left here with E. de S. Melcher in a scene from the show, "Not Now—Later," is a Chicagoan, the son of Mr. and Mrs. Joseph L. Valentine.

COLGATE'S
since 1908

"Colgate's certainly keeps your teeth in sound, healthy condition," says the dentist to Miss Fish

There is nothing mysterious about these enviable results. The men and women fortunate enough to secure them did nothing that you cannot easily do yourself.

They visited their dentists for periodic inspections. And they used Colgate's Ribbon Dental Cream.

Choose your dentifrice on the basis of results. Follow the lead of those who have kept their teeth sound for years.

Simply adopt for your own use the dentifrice most popular among people with well-preserved teeth. On one hand you have Colgate's, the chief feature of which is thorough cleansing.

On the other you have the fact

that countless people who have used Colgate's for years now have exceptionally fine teeth.

In such a vital matter as the care of the teeth, could there be any safer guide than the actual experiences of thousands of people like yourself?
