## MILK OF MAGNESIA

U.S.P.

Selected by

Leading Hospitals

... A.D.S. Milk of Magnesia has the highest professional endorsement a Milk of Magnesia can receive. "Hospital-Tested" by the most rigid laboratory experiments and clinical experiences, A.D.S. Milk of Magnesia is preferred and used by many leading hospitals and other famous medical institutions.

In addition, A.D.S. Milk of Magnesia bears the U.S.P. symbol, Pharmacopoeia of the United States, on every bottle.

Each spoonful of A.D.S. Milk of Magnesia is of uniform strength and quality—termed perfect dosage in hospital circles.

With all this authoritative scientific proof, you must for safety's sake choose the Milk of Magnesia identified by the A.D.S. "pride-mark".

A.D.S. Milk of Magnesia is the ideal corrective for adults and children in cases of sour, upset stomach and digestive disturbances.

It spreads a smooth film over the stomach walls that counteracts excess acid and brings quick, sure relief. Being tasteless it is one of the best laxatives for children—restoring regular functions while correcting excess acid.

Insist on getting this superior A.D.S. Milk of Magnesia. There is no safer product for household use.
