

THE NAVY'S NEWEST—This latest addition to the U. S. navy's air forces is a Vought Scout, powered by a fourteen cylinder, 625 horsepower motor. Though its performance records are withheld by the authorities, it is said that this plane flies at over 200 miles an hour and is the fastest of all U. S. fighting craft.

OFFICIALS OF AN AMERICAN COASTWISE STEAMER LINE have substituted waitresses for the dining room stewards whose skillful balancing of trayloads of food has always been the marvel of travelers. Here is a group of the fair stewardesses at a shipboard drill under the tutelage of a chief of their sex.

SET NO. 4

CLUE: The forehead opposite the figure 28 in this picture is that of a Chicago banker. The middle portion, No. 29, is that of the senior senator from California. The mouth and chin, No. 30, are those of the governor of Pennsylvania.

CLUE: No. 31 reveals the forehead of the man who ran for Vice President with Theodore Roosevelt on the Bull Moose ticket in 1912. No. 32 discloses the eyes and nose of a man who served as chief of the United States Forest service under President Roosevelt. No. 33 is a picture of the lower part of the face of a man who, like Abraham Lincoln, was born in a log cabin in Kentucky.

CLUE: The top of this picture, No. 34, shows the upper part of the head of a man whose clash with Secretary of the Interior Richard A. Ballinger over conservation policies led to the latter's resignation from the cabinet of President Taft. The central part, No. 35, is that of a dark horse candidate for the Democratic nomination for the Presidency. The lower part, No. 36, is that of a man who ran for the Republican nomination for President against Calvin Coolidge in 1924.

The 3 Presidential Candidates in Set No. 4 Are Among These

THE RULES:

1. Each Sunday for 10 consecutive Sundays a Set of 3 Composite Pictures of persons who have been mentioned for the Presidency of the United States will be printed in the Picture Section of the Chicago Sunday Tribune. Each set of pictures, when cut apart and assembled properly, will make complete portraits.

You are invited to put the pictures together and name them and tell in a letter of 50 words or less which of the 30 persons you would like to see President of the United States and why. Clues will be printed beneath each Composite Picture to help you.

The Chicago Tribune will pay \$5,000.00 in Cash Prizes to the persons who send in the best answers. See Prize List at right.

2. The Composite Pictures must be cut out, assembled and pasted together. Below each picture must be written the name of the person pictured. A total of 30 pictures will be printed—3 each Sunday for 10 Sundays. **NOTICE: Hold all pictures until you have the complete set of 30.** Then send them to "Presidents," Chicago Tribune, Post Office Box 1539, Chicago, Ill. No entries will be returned.

3. This game is open to every one—men, women, boys and girls—except employees of the Chicago Tribune and their families. It does not matter where you live. You pay nothing.

4. All pictures must be in by midnight 21 days after Set No. 10 is published. Each entry must be sent by First Class Mail, postage prepaid. Entries with insufficient postage will be returned by the Post Office Department.

5. Make your entry simple. Elaborate entries will receive no greater consideration than simple ones. The judging will be based upon the following:

First: Accuracy in putting the pictures together and naming them.

Second: Merit of the accompanying letter.

6. You need not purchase the Chicago Tribune to compete. You may copy or trace the pictures. The Tribune may be examined at any of its offices or at Public Libraries free of charge.

7. The judges will be a committee appointed by the Chicago Tribune. Entrants agree to accept their decision as final. In case of ties a duplicate award will be paid to each tying contestant.
