NOW for the First Time, the benefits of "Filtered Sunshine" in Soap

and Woodbury's Facial Soap
brings them to you, to enhance
the loveliness of your skin!

Now, for the first time, you can hold in your hand a soap that is ready to give your skin, every time you wash and bathe, the glorious benefits of "Filtered Sunshine"

For half a century Woodbury's Facial Soap has demonstrated its worth as an aid to clear, fine, healthy skin. Today this well-loved soap brings you the benefits of the sun's gentlest rays, which are known to enhance skin loveliness.

By an amazing new process, protected by exclusive patent rights, the kindly rays of "Filtered Sunshine" are irradiated into an ingredient of Woodbury's Facial Soap. And tests prove that this "Filtered Sunshine" element is readily taken up by the pores of the skin, from Woodbury's lather.

Let all your family... certainly yourself... enjoy the beauty benefits of this scientific soap! Leading authorities recommend the new Woodbury's for Baby's bath, too.

Now Only 10c a Cake

Not one penny has been added to the price. Ten cents is all you pay for the same large-size, long-lasting cake that formerly sold for 25c. At all toilet goods counters and at your grocer's.

EXCITING MONEY-BACK OFFER!

Buy 3 cakes of the new Woodbury's. Use 2 full cakes. If you're not convinced that it is the finest soap you've ever tried, mail to us before June 30, 1936, the unused cake in wrapper (seals unbroken) and wrappers from the 2 used cakes. Tell why Woodbury's did not suit you; also amount paid for 3 cakes. We will then refund to you the purchase price, plus postage.
