FURNACE TENDERS CHANGE TO OIL-O-MATIC
the world's leading oil burner that cuts fuel costs to the bone

OF course furnace tenders are rebelling! They patiently got up bitter cold mornings and tended fires, shovelled coal and dragged out ashes. And why? Simply because they didn't realize for how little they could have comfortable clean carefree Williams Oil-O-Matic!

More than 200,000 Oil-O-Matics have been sold! This mass production has reduced Oil-O-Matic prices 50% in the last five years! And today's Oil-O-Matic is the finest ever built. Simplified! Engineered to burn the heavy, low-priced fuel oils that cut running costs to the bone. Remember too what Williams Oil-O-Matic saves in cleaning and decorating, ash hauling, furnace repairs, doctor bills due to uneven heat. Why keep on shoveling coal when, as many Williams Oil-O-Matic users testify, Oil-O-Matic costs no more?

NEW WAY DRAWS IT OUT—ROOT AND ALL

LIKE a tack wedged in your toe, a corn goes deep. It's foolish to cut or pare it. That way you just trim the "head" off—the root remains... the corn grows back again, bigger, uglier, more painful.

Blue-Jay gently draws out root and all! Nothing left to grow back! You say goodbye to that corn forever!

Blue-Jay has a wonderful *double-action*: it gives instant relief, and it quickly removes the entire corn. Safe, scientific, easy to use. *Try it*; you'll never cut or pare a corn again!

4¢ to end worst corn

Blue-Jay is a tiny medicated plaster, invisible under the shoe. Snugly held in place by Wet-Pruf adhesive that can not stick to stockings. For only 4¢ Blue-Jay ends the worst corn forever. Used and praised by millions. Get a package at any druggist—only 25¢ for the whole package.
