

ACTION: SPORTS AND SPECTACLES OF THE SPRINGTIME

STREAKS OF SPEED ON THE RIVER OF HENDRIK HUDSON—A spectacular panoramic view of the 132 mile Albany-to-New York City outboard motor boat race, won by Wade Woodworth, all-American football star from Northwestern university, in the record time of 3:10. Similar spectacle will appear on Lake Michigan next Sunday in the Milwaukee-to-Chicago outboard marathon, opening event in the motor boat regatta sponsored by The Tribune at Navy pier. WHAT THE WELL-DRESSED BATHING GIRL IS WEARING THIS YEAR—As seen on the beach at Venice, Cal., where these seven naiads race a rolling Pacific comber to shore. All censors may not be exactly pleased over the modes, but at least the discontented ones will have company; the woolen mills won't care for them, either. (Acme photo.)

STYLE—Eileen Bennett makes good a long reach for a fast tennis ball in a London tournament. (Associated Press photo.)

THE CAMERA LOOKS DOWN ON THE TIMBER TOPPERS—The hurdlers in action as seen from an unusual angle. It was the 220 yard event in a dual track meet between the University of Pennsylvania and Cornell. (Acme photo.)

A CASUALTY OF THE DIRT TRACK—A racing car's career is temporarily suspended when it bursts into flames at Langhorne, Pa. The driver was unhurt. (Acme photo.)

A FLYING WINDMILL VISITS THE MECCA OF THE HONEYMOONERS—Glimpsed from a machine flying at a higher level, an autogyro adds picturesqueness to the grandeur of the roaring outlet of the great lakes, Niagara falls. (Wide World photo.)
