VITA-TONIC WAVES

"I recommend them,"
says LILYAN TASHMAN

"I advise women everywhere to secure soft, flowing permanent waves with Frederics Vita Tonic Process," says Lilyan Tashman... but to avoid harmful imitations and substitutes... ask to see the Frederics Vita Tonic Compound*... also ask your hairdresser about the new Vitron (Croquignole) Permanent Wave... it's cooler... more beautiful... more comfortable... a longer lasting permanent wave.

*Look for this Vita Tonic Wrapper when having your permanent wave. See that no harmful imitations are used.
