## Beauty wilts in the summertime

SKIN-FATIGUE, the arch-enemy of youth and beauty, is most rampant in warm weather.

Your face "wilts" in the summertime—sun and heat overtax the pores, extracting their precious oils and moisture . . . the contour tends to droop, losing some of its youthful firmness . . . squint lines appear.

Helena Rubinstein, the world's leading authority on facial beauty, provides a number of stimulating, refreshing creams and lotions, that are excellent for summer use. They counteract skin-fatigue, keep the complexion fresh, animated, the contour youthfully firm!

Most important for summer care!

Sunproof—Protect

Valaze Sunproof Cream—prevents tan, freckles, sunburn and blisters by neutralizing the effects of the ultra-violet rays of the sun. A good make-up foundation. (1.00, 2.00)

Valaze Sunproof Liquid Powder—Besides imparting a delightful finish, also sunproofs your skin against tan, freckles and sunburn. (1.50)

Smooth out Wrinkles

Valaze Grecian Anti-Wrinkle Cream (Anthosorol)—richly nourishing and tissue-building—corrects crowsfeet, wrinkles, dry shriveled skin, rounds out hollows. (1.75)

Oiliness and Shine

Valaze Liquidine—instantly removes oiliness, corrects shiny nose—leaves smooth white finish. (1.50)
