A SWING TO THE NORTHWEST is charted in today's Chicagoland cruise, with Lake Zurich as a suggested goal. All the roads designated appear in ampler and more graphic detail on the Tribune's 1929 map of Chicagoland, which may be procured at the Tribune public service office, 1 South Dearborn street. The price is 25 cents at the office, 30 cents by mail.

IT'S FUN to drive a good gravel road, and here's one properly qualified—Ela road, looking north from Bridwell road. (Tribune photograph.)

## Oily Skin Physic

New skin physic quickly corrects oily skin, refines coarse pores, makes old-looking, poor-color skin youthfully clear, heals eruptions and dissolves blackheads

Physicing the skin corrects oily skin almost instantly

Oily skin, poor-color skin and blemishes are due to acid-skin impurities. And, everybody knows there is nothing like magnesia to neutralize acid. So, when the face is massaged with creamed magnesia the skin throws off even the most deep-set pore impurities. It physices the skin in the same easy way that milk of magnesia purifies the stomach. That's why magnesia is called the beauty miracle of modern science.

Physicing the skin rejuvenates the complexion so quickly that any face looks years younger in five minutes. It changes old-looking, poor-color skin to youthful clearness and fades out freckles better than a bushel of lemons. It's astringent; it reduces enlarged pores to the finest texture and smoothes out the tell-tale lines of age almost as if by magic.

It removes make-up better than soap or cleansing cream. And, because it's so mild, it's a blessing for fine, sensitive skin that soap so easily irritates and coarsens. That's why mothers use it to bathe infants. No wonder thousands of doctors urge their wives, patients

and nurses to use nothing but magnesia to cleanse their faces.

Thousands of delighted women send letters of praise and say they did not at first believe anything so simple could be so wonderful. But, they were convinced when they saw so many friends suddenly get lovely complexions.

To get genuine creamed magnesia, ask for Denton's Facial Magnesia. When you use it you will at once see why druggists find it hard to get enough to supply the tremendous demand.

**No More Ugly Nose Pores**

**CAUTION:** Modern skin specialists say never use soap on your face if your skin is oily. All soap contains caustic, which paralyzes the little oil glands of the skin, keeping them constantly opened. That's why oily skin always gets more greasy-looking after soap. Oily skins should be cleansed only with Facial Magnesia, which corrects oily skin in the same easy way that milk of magnesia purifies the stomach.

Genuine Crystal EUGENE or Realistic Wave **\$7**

WE give the Genuine Eugene Wave, using the Eugene Preparations once only—not countless times as in some cheap "bargain" waves.

Also the beautiful "Realistic" Wave, plus Crystal perfection, at the same low price. Come in or phone for appointment.

We divide the hair into 26 to 36 small sections for curling. More labor—more skill—but you get what you pay for at the Crystal Shop.

The inferior "BARGAIN" wave, with hair divided into only a few sections for curling. Such a wave lasts only a short time, and is worse than useless.
