CORNS KEEP COMING BACK BIGGER, UGLIER unless removed root* and all

Wonderful New ROOT-AND-ALL METHOD ends corn forever

A CORN goes deep. When you cut or pare it at home, you merely trim the surface. The root remains imbedded in the toe. Soon the corn comes back—bigger than ever. Feet become ugly, disfigured. But when you Blue-Jay a corn, it's gone for good, because Blue-Jay removes root and all!

RELIEVES PAIN INSTANTLY, SAFELY

● Blue-Jay corn plasters have a remarkable double action. The moment you apply one to an aching corn, the pain stops. Then in 3 short days the corn loosens, lifts out, is gone.

And when we say gone, we mean the entire corn—root and all! For this safe, easy Blue-Jay method ends the worst corn forever.

Don't take chances with old-fashioned methods of cutting or paring your corns. This may cause dangerous infection and you still have part of the corn left in your toe to come

back again bigger, uglier than ever. Use Blue-Jay, the modern, scientifically medicated tiny plaster that instantly stops the burning torture—then in no time softens and loosens the hard core. Presto! The entire corn is gone—root and all. Easy to use, invisible. Held snugly in place by Wet-Pruf adhesive which cannot stick to stockings and does not make shoes tight.

Get Blue-Jay today and completely banish corns, root and all. 25¢ package of 6 at all druggists.
