The day of the "ol' swimmin' hole" is past, at least for the village of Harvey. Youngsters no longer fling off their cloths and dive from the nearest rock. Instead they now put their, clothes in modern lockers and are instructed in the art of the jack-knife

from a standard spring board. After extensive remodeling, the Harvey swimming pool was opened a fortnight ago and passed a state inspection test. Last Monday private swimming instructions were begun for children from 6 to 12 years old. The classes will be held weekly from 9:30 to 10:30 o'clock on Monday morn-

Junior and senior life saving courses will begin Monday, Aug. 1, under the direction of Frank Froschauer, swimming coach of Thornton Township High scholo. Plans are being made for an adult class to begin the second week in August on Monday, Wednesday and Friday evenings. The pool is open

from 8 to 12 o'clock in the morning, t to 5 o'clock in the afternoon, and 6 to 9 o'clock in the evening.

Sunday hours are from 1 to 6 o'clock in the afternoon. Because of the many requests for Sunday evening swimming, the committee in charge is considering having the pool available at that time.

The staf at the pool includes five senior life guards who are on duty daily-Robert Kidder, Charles Scott, Robert Newton, Charles Palaces and James Spencer. A junior life guard, Renaud Bennett, is assistant. The village committee in charge of the operation of the pool is made up

of William Howarth, Russell Hughes, Mrs. W. C. Fowler and Mrs. E. F. Delano
