## TWO GREAT CHICAGO THOROUGHFARES—A STUDY IN CONTRASTS.

MRS. E. M. ROBINSON OF PHILADELPHIA.

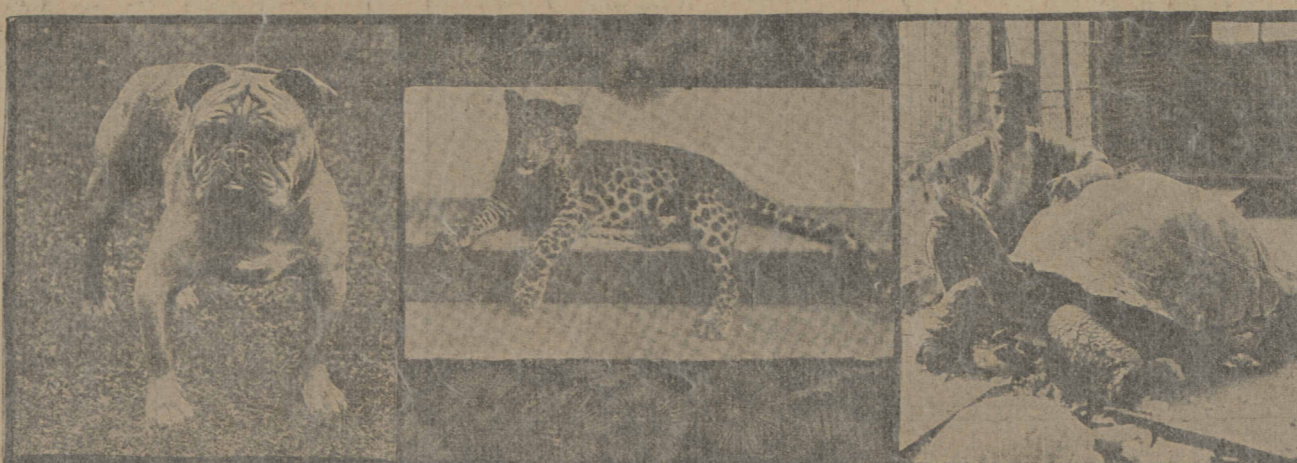

Was the Most Beautiful Woman at Bar Harbor This Summer.

**Regret.**  
 exclaimed one sugar trust  
 "matter?" asked his friend,  
 dollars are being brought  
 like region."  
 make any especial difference

It does. If we had known  
 money was coming into the  
 had have put some more tax  
 Washington Star.

**Flying Jib's Record.**  
 In 1894 Flying Jib, hitched to a running  
 horse, paced a mile in 1 minute 53 1/4 seconds,  
 but this performance is not to be compared  
 with that of Star Pointer, who only had the  
 runner as a contestant.

**Talked to Death.**  
 A patient and good-natured Indiana woman,  
 who became an invalid, was talked to  
 death by her friends, and her husband had  
 that fact duly inscribed on her monument.

AN ENGLISH WOMAN'S THREE STRANGE PETS.

MISS MAY GOELT.

She Is Probably America's Richest Heiress.

**Uses English Language.**  
 The King of Greece, when conversing with  
 the members of his family, never employs  
 any but the English language. He seldom  
 speaks French, and only uses Greek when  
 compelled to do so.

**Journalistic Course for Women.**  
 Mount Holyoke College has a new school  
 course to train young women who propose  
 to enter journalism or to teach English, and  
 is to be tried for the first time the next  
 year.
