Among the Social Lights — BEHIND THE FOOTLIGHTS

Star of Society Pages—Mrs. John Roosevelt is the former Anne Clark, charming young member of prominent Massachusetts family. Has been constantly in the public eye since her marriage.

Frequent Hyde Park Visitor—On broad lawns of traditional Roosevelt estate, she pats "Sandy," while "Schean" looks downcast.

Modern Mansion—Mrs. Roosevelt graciously poses in doorway of her mother's fashionable Nahant, Mass., home.

But they both praise the **NEW "SKIN-VITAMIN" care*** a famous cream maker gives today

QUESTION:
How important is a good complexion to a girl who wants to go on the stage?

ANSWER:
"I'd say it's one of the first requirements. Using Pond's 2 creams has done a lot for me, I know. The Cold Cream is marvelous for removing stale make-up—it gets my skin clean and fresh. A healthy skin is so important to me that I'm glad to be able to give it extra care—with 'skin-vitamin' in Pond's Cold Cream."

QUESTION:
Mrs. Roosevelt, do you give your complexion special care?

ANSWER:
"If 'special' means complicated and expensive—no! But I do use 2 creams. I've always liked Pond's Cold Cream for cleansing and softening my skin—and now it contains Vitamin A, I have a special reason for preferring it."

QUESTION:
What do you do to guard your skin against sun and wind?

ANSWER:
"That's where my 2nd cream comes in. When I've been outdoors, I always spread on a light film of Pond's Vanishing Cream. This single application smooths away roughness in no time!"

QUESTION:
Why are you interested in having Vitamin A in this cream?

ANSWER:
"Because if skin hasn't enough Vitamin A, it gets rough and dry. Vitamin A is the 'skin-vitamin.' And now I can give my skin an extra supply of this important vitamin just by using Pond's."

QUESTION:
Does your work make you conscious of make-up effects off stage as well as on?

ANSWER:
"It certainly does. Everyday make-up should be glamorous, too. That's why after cleansing and softening my skin with Pond's Cold Cream, I always smooth it for powder with Pond's Vanishing Cream. Then my make-up looks flattering all the time I'm out."

QUESTION:
Do you find that your powder goes on more becomingly when you use two creams?

ANSWER:
"Yes!—I believe in first cleansing and softening the skin with Pond's Cold Cream. Then my second step is a quick application of Pond's Vanishing Cream to smooth away little roughnesses. That gives powder a lovely soft look."

*Statements about the "skin-vitamin" are based upon medical literature and tests on the skin of animals following accepted laboratory methods.
