for 9 x 12 ft. Size

Convenient Terms

Compare the prized Pershana with the costliest, silkiest Oriental you have ever seen. You will find the same glowing colors, the same glistening sheen, the same priceless, Oriental patterns. . . . Words cannot describe this glorious new rug! It is so luxurious, so like a genuine Oriental, even experts are amazed at the almost uncanny fidelity with which our artists have reproduced century-old, handwoven masterpieces. . . . No longer need you deny yourself that Oriental richness you have always wanted for your home. For, the Pershana Rug is offered at low factory prices within means of everyone.

The Pershana Rug is manufactured in our \$1,000,000 factories on the latest improved machinery. It is seamless. It is made as fine as human skill and modern equipment can make it. Long fibred selected wools, the same as in genuine Orientals, are especially imported from far-off India, Persia and China. . . . Never again choose a rug until you have seen the glorious Pershana. You must see it, feel it, examine it to be thrilled by its luxuriousness, its beauty. You must compare it with any \$200 Oriental reproduction you have ever seen to appreciate what finer floor coverings are within your means at our factory prices.
