

Blondes why be blind?

DON'T shut your eyes to the fact that blonde hair requires special care. Its texture is so delicate that ordinary shampoo methods may cause it to fade, streak or darken. Yet now it's easy to keep blonde hair always lovely. For there is a wonderful shampoo, called Blondex, especially made for blonde hair only, that will bring out all its rich, golden beauty. Helps keep light hair from darkening. Brings back the true golden sparkle to dull, dark, faded and streaked blonde hair. Not a dye. Safe. Leaves hair soft, fluffy, silky. Used by millions of blondes.

FREE—TRIAL PACKAGE

To get a generous trial package of Blondex entirely free, just send your name and address to Swedish Shampoo Laboratories, Dept. G-1, 27 West 20th St., New York City. Buy Blondex at any good drug or department store—either the economical \$1.00 bottle or inexpensive 25c size.

I breathe in deeply. The powerful vapor goes right to the root of the cold.

Like a flash, my head is clear and I feel better.
