THE GREATEST MUSICIANS IN THE WORLD PLAY FOR *Joan Crawford*

Just as they can for you—on
Victor Higher Fidelity Records!

JOAN CRAWFORD
Metro-Goldwyn-Mayer
Star of "Love on the Run"

Newest RCA Victor Phonograph-Radio, the 9-U-2; incorporates the new RCA Victor Higher Fidelity Phonograph with automatic record changer—and the latest RCA Victor Magic Brain Radio with Magic Eye, and Magic Voice, \$300. Other Phonograph-Radios from \$69.95 up. Record Players, \$16.50 up.

THE celebrated musicians who usually make but one brief tour of America every few years play for Joan Crawford whenever she wishes! So do the favorite dance bands . . . Not because she is a glamorous motion picture star . . . For a famous actress, a millionaire, or a dictator can now enjoy no more great music than you can. That's because you, like Joan Crawford, and thousands of the world's most knowing people and fervent music lovers, can discover and have the true realism of the new Victor Higher Fidelity Recording and Reproduction.

*Why many great musicians will allow only
Victor to record their work*

The new Victor Higher Fidelity process is the first to catch and reproduce every sound of music, exactly as heard by human ears. Artists know it to be the one eternally living representation of their work, perfectly duplicating their original performance. RCA Victor now offers you, through a single, moderately priced instrument, all this . . . world-wide radio, truly realistic playing of recorded music, and the company of the world's greatest musicians in every field. Isn't it worth stopping in at your dealer's to learn more about it?
