

AT HOME WITH MARLENE DIETRICH

UPON AN INTERESTING STAIRWAY—Marlene Dietrich descending to the entrance hall of her Beverly Hills home.

THE GARDEN—The chatelaine on the elaborately landscaped back lawn.

BESIDE THE POOL—Miss Dietrich spends long hours relaxing in this sun-swept spot.

THE PRIVATE SITTING ROOM—A striking composition dictated by a daring spirit.

THE DRESSING ROOM—Given the high cheekbones and arching eyebrows of this highly individual star, the exotic direction of her preferences in interior decoration would appear invariably predictable. Miss Dietrich did, in fact, design and furnish both private sitting room and dressing room.
