AGREEMENT

THIS AGREEMENT made and concluded in July 2014 by and between the RUDYARD AREA SCHOOLS BOARD OF EDUCATION, RUDYARD, MICHIGAN, a public employer, and the UNITED STEEL WORKERS on behalf of Local 8140. The Board of Education hereinafter called the "EMPLOYER" and the United Steelworkers of America is hereinafter called the "UNION".

WITNESSETH, that in consideration of the mutual and reciprocal promises of the parties hereto, the parties covenant and agree as follows.

ARTICLE I- RECOGNITION

The EMPLOYER recognizes the UNION as the sole and exclusive bargaining agent for the purpose of collective bargaining with respect to rates of pay, wages, hour of employment and other conditions of employment.

The term "employee", as used in this Agreement, shall be understood to mean all bus drivers employed by the employer but excluding all full-time supervisors as defined by law and also excluding all other employees.

The EMPLOYER recognizes and will not directly or indirectly interfere with the right of the employees to belong to the UNION and will not discriminate against any employee in any manner because of Union membership or UNION activity.

ARTICLE II- MANAGEMENT RIGHTS

The management of the schools and of operations and the direction of the working forces including the hiring, suspending, discharging or otherwise disciplining of employees for just cause, the laying off and recalling of employees in any reduction or increase of the working forces, the control and regulation of the equipment and property of the employer, the right to change or introduce new or improved operations, methods, processes, means or facilities, and to determine qualifications, wherever referred to in this Agreement are exclusive functions of the management; provided, however, the management shall observe the provisions of the Agreement and shall not discriminate in any manner in the application of these rights.

ARTICLE III- DUES CHECKOFF, UNION MEMBERSHIP

Should the law from HB 4929 – PA 5 be struck down by the courts, the language in the contract for Article III shall revert back to the language that was in the 2009-12 contract

ARTICLE IV- SENIORITY

Section 1. The employees shall have seniority within their classification only. A seniority list will be maintained by the Board. The unit seniority list will be used when determining layoff from work or recall to work. It is understood that in any application of seniority, the employee must be able to perform the available work.

Section 2. New employees shall be on probation for a minimum of six (6) months. During this period, the employee may be released from employment for any reason and without recourse to any provision of this Agreement. Employees retained beyond the probationary period shall have seniority from date of hire. Insurance coverage shall begin within thirty (30) days of the date of hire.

Section 3. Employees shall lose seniority because of a voluntary quit, a discharge for good cause, a layoff from work extending beyond three (3) years or a failure to return to work within ten (10) workdays of receipt of a notice of recall as hereinafter outlined. Salary and benefits are frozen from the time the employee is laid off until their recall to the district.

Section 4. In the event of a permanent vacancy in a position covered by Agreement, a notice shall be posted for five (5) workdays in conspicuous places outlining the vacancy. If the vacancy is filled by internal transfer, it will be awarded to the employee with the most seniority within that unit classification. If the position is filled by transfer, the transfer will become effective within five (5) days after termination of posting. All internal transfers will have a sixty-(60) day probationary period. If minimal training is necessary to fully inform the employee as to the job, such training will be given the employee.

Section 5. When it is necessary to reduce the number of employees in any job classification because of lack of funds, lack of work, etc., seniority and ability to perform the work will determine layoff procedures.

Section 6. Any employee, who is in the bargaining unit and becomes a part- time supervisor, shall be permitted to retain their accumulated seniority and to accrue further seniority upon mutual agreement of the union and the superintendent. This written agreement will spell out the exact conditions of this arrangement and the condition for termination of this special arrangement.

Any employee promoted from the bargaining unit to a full-time supervisory position not covered by this Agreement shall be permitted to retain seniority accumulated while in the bargaining unit and shall accrue further seniority for a period up to ninety (90) days. At the end of the ninety-day period, if the employee remains as a supervisor, he forfeits all seniority rights.

The employee may return to his former job in the bargaining unit within a ninety-(90) day period without loss of seniority.

Section 7. When an employee is to be recalled from layoff, a certified letter will be sent by the EMPLOYER to the employee's last known address. The employee shall have eight days to report for work, or to make arrangements, which are satisfactory to the employer to report to work, within ten (10) days of receipt of the notice to report. Failure to report, or make suitable arrangements to report, within the ten (10) days will result in removal from the seniority list and loss of recall rights.

Section 8. Job Bidding – Selection of employees for the purpose of filling all job vacancies or newly created routes and jobs shall be made by the Administration on the basis of seniority unless significant savings to the district can be presented to seek consensus for assigning the route to a specific driver not related to hourly pay of the driver. In the selection of employees for such purposes the following provisions shall apply:

- a. The driver shall supply the Administration with all available information pertaining to their route (maps, bus mileage, distance driven, head count) fifteen (15) days prior to the closing of school in June.
- b. Route Determination: The Administration shall determine the routes to be assigned no later than four (4) business days prior to the opening of school in the fall, and immediately following such period, all available information pertaining to routes will be made available for inspection by the driver during regular business hours.
- c. Orientation/Bid Meeting Date: The Administration shall hold an annual orientation/bid meeting no later than two (2) business days prior to the opening of school, and at this meeting job bidding will take place and all routes will be awarded according to seniority unless significant savings to the district can be presented to seek consensus for assigning the route to a specific driver not related to hourly pay of the driver. Job bids shall be submitted in writing.
- d. Once such routes have been established and bid on, the time for such routes shall not arbitrarily nor discriminatorily be changed. This is not to infer that the Administration cannot change routes to effect efficiency and economy.
- e. If such route is increased or decreased by more than twenty (20) minutes before or after the beginning or end of a morning, noon, or afternoon run, or by addition or deletion of a noon run, any of the effected seniority drivers may then bump for a more desirable route based on his/her seniority unless significant savings to the district can be presented to seek consensus for assigning the route to a specific driver not related to hourly pay of the driver.
- f. After routes have been bid and awarded, drivers may not thereafter change routes except where a permanent vacancy occurs.

ARTICLE V- REPRESENTATION AND GRIEVANCE PROCEDURES

Section 1. The parties agree that in the interest of harmony on the job, any grievance which is an alleged violation of the Agreement arising from work or from interpretation or application of any portion of the Agreement, should be handled as quickly as possible and exclusively under the following procedures:

For the purpose of effectively representing the employees coming within the jurisdiction of the Union and this Agreement, the Union shall select a grievance committee of three employees in the unit. These committee members, insofar as possible, will be from different schools. The committee members shall be permitted a reasonable time away from their work for the purpose of investigation of or discussion of any grievance which may arise, after getting permission from their supervisor. The supervisor will not arbitrarily withhold such permission.

Step No. 1: When an employee has a complaint or grievance, it will first be discussed orally between the supervisor and employee(s) involved, with or without a committee member, within fifteen (15) work days after occurrence of incident or within fifteen (15) work days after the employee became, or should have become, aware of the incident giving rise to the grievance. The supervisor shall have five (5) work days in which to give an answer.

Step No. 2: In the event the complaint or grievance is not settled in Step No. 1, it shall be reduced to writing on the standard grievance form and presented to the employer's Step No. 2 representative(s). It shall be discussed at a meeting of the Step No. 2 representative(s) of the employer and the grievance committee to be held within seven (7) working days after the supervisor gives his answer in the first step. An answer will be given within five (5) work days after the meeting is held or such longer period as may be agreed upon by the Step No. 2 representative(s) and the committee.

Step No. 3: In the event no settlement is reached in Step No. 2, it shall be turned over to a representative of the International Union, who accompanied by the committee, shall meet with the employer's designated Step No. 3 representative(s), accompanied by such other management staff as he may elect to have present. This meeting shall be held as soon as a mutual agreeable date can be arranged.

Section 2. If the Union fails to advance a grievance to the next higher step within the time limits set forth above, the grievance will be considered to be void. If the employer fails to give answer within the time limits listed in Step No. 2, the grievance shall be considered settled on the basis of the remedy sought in the grievance.

Section 3. In the event that either party decides that further meetings in Step No. 3 will not lead to a settlement of the dispute, the dispute may be submitted to an impartial arbitrator chosen by the parties. The party desiring to arbitrate shall so notify the other in writing not later than thirty (30) days after the last meeting in Step No. 3. In order to be submitted to arbitration, the dispute may involve interpretation, application, or alleged violation of the contract or disputed disciplinary action. Within ten (10) days of application, or alleged violation of the contract or disputed disciplinary action. Within ten (10) days of receipt of such notice (or further period as may be agreed to), the parties shall meet for the purpose of choosing an arbitrator. In the event the parties are unable to agree on the choice of an arbitrator, the Michigan Employment Relations Commission will be asked to submit a panel and one will be chosen according to Commission rules. All expenses of an arbitrator shall be borne equally by both parties.

ARTICLE VI- DISCHARGE OR SUSPENSION

Section 1. An employee discharged or suspended who considers such discharge or suspension without good cause shall present a grievance within three (3) days of such action as provided in Article V, Step No. 2.

Any discharge or suspension not questioned in writing in three (3) days of such action shall be considered final.

Rudyard bus drivers have the right to re-claim their regular routes when special or extra trips are cancelled and a substitute bus driver has already been scheduled. In the instance of a cancelled event, the bus driver may use personal time instead of reclaiming their bus route. The school shall first contact regular drivers for all extra trips. The only exception to this will be in the event an emergency exists. A list shall be posted reminding the drivers of who is eligible for upcoming extra trips.

Section 3. All new bus drivers will serve a six-month probationary period during which time their work performance shall be evaluated. Insurance shall begin within thirty (30) days of hire.

In the event such illness or injury appears to require ninety (90) days or more of leave, the employee, or his/her designee, must so notify the Superintendent. If such request, or the substantial need for leave, exceeds ninety (90) days the employer, while keeping within the guidelines of the Family Medical Leave Act, reserves the right to determine if the employee should be separated from employment.
