AGREEMENT BETWEEN THE BOARD OF EDUCATION

IMLAY CITY COMMUNITY SCHOOLS

AND THE

IMLAY CITY FEDERATION OF TEACHERS

THIS AGREEMENT is hereby entered into this 25th day of August, 2012, by and between the Board of Education of the Imlay City Community Schools, hereinafter referred to as the "Board", and the Imlay City Federation of Teachers, AFT-AFL-CIO, hereinafter referred to as the "Union".

ARTICLE I

Recognition

- A. The Board hereby recognizes the Union as the sole and exclusive bargaining representative for all personnel in the appropriate bargaining unit, being all teachers under contract certified by the State Board of Education, including department chairs, special education teachers, librarians, and guidance counselors, but excluding administrative and supervisory personnel such as superintendents, assistant superintendents, principals, and deans of students.
- B. The terms "teacher" or "employee", singular or plural, when used hereinafter in this Agreement shall refer to personnel in the bargaining unit as defined above.

ARTICLE II

Rights Reserved by the Board

- A. Rights reserved exclusively herein by the Board, which shall be exercised by the Board shall include, by way of illustration and not by way of limitation, the right to:
 - 1. The supervision, direction and control of the management of the school system, its properties, and facilities.
 - 2. The authority to hire all employees and, subject to the provision of the law, to determine their qualifications, to discharge, demote or otherwise discipline employees for a reason that is not arbitrary and capricious.
 - 3. The right to establish grade levels and courses of instruction, including special programs, and to provide for athletic, recreational, and social events for students as deemed necessary or advisable by the Board.

4. The right to determine class schedules and the hours of instruction.
- B. The exercise of the foregoing powers, rights, duties, and responsibilities by the Board and the adoption of policies, rules, regulations, and practices in the furtherance thereof, shall be the exclusive prerogative of the Board except as otherwise limited by this Agreement.

ARTICLE III

Union Security

- A. The Employer and the Union agree that the Union's duties to persons employed in the bargaining unit require that each unit member share the costs associated with the negotiation of and administration of this collective bargaining agreement. Therefore, each person employed in the bargaining unit shall either become a member of the Union and pay dues required of members, or agree to pay a service fee in an amount determined by the Union. This section describes the process used to accomplish these goals.
 1. Promptly after approval of their hiring, the Union will be notified of the name(s) of each person newly employed by the Employer who will be assigned to a position in the bargaining unit. The Union will present a written notice to such person. The employee will have 14 calendar days to decide whether to become a Union member or pay a service fee.
 2. The Employer will deduct dues or service fees from the paychecks of persons who have agreed to such deductions or who have responded for election as described here. Dues or service fees will be withheld on a monthly schedule during the ten months of the school year (September-June).
 3. The Union will determine the amount of the service fee in accordance with prevailing law. Presently, the law permits the Union to allocate its expenses as chargeable or non-chargeable based on their relationship to negotiation and enforcement of the collective bargaining agreement. The Union, alone, will determine the amount of the service fee to be deducted. The Employer may request, and receive, information explaining which fees or expenses the Union has determined to be chargeable to service fee payers.
 4. The service fee will be deducted from the compensation of any person who fails or refuses to either become a Union member or approve deduction of a service fee.

- B. The Union agrees to indemnify and save the Board, including each individual Board member, harmless against any and all claims, demands, costs, suits and other forms of liability, including back pay and all court or administrative agency costs that may arise out of, or by reason of, action by the Board for the purpose of complying with this Article.
- C. See Letter of Understanding in Appendix.

ARTICLE IV

Rights of the Union

- A. The Union will continue to maintain its eligibility to represent all teachers by continuing to admit persons to membership without discrimination on the basis of race, creed, color, national origin, sex or marital status and to represent equally all employees without regard to membership or participation in, or association with, the activities of any employee organization. The Board will continue its policy of not discriminating against any employee on the basis of race, creed, color, national origin, sex, marital status, or membership or participation in, or association with, the activities of any employee organization.
- B. The President of the Union shall be given opportunity to review the contracts of all teachers.
- C. Teacher representatives on any committee, agency, commission or other such body established by the Board and/or the Administration shall be nominated jointly. If the parties are unable to agree on the nominee, the Board of Education shall make the nominations and appointments.
- D. The Board will make available to the Union, upon its request, such information, statistics and records which may be reasonably necessary to make intelligent decisions relevant to negotiations or to efficiently process any grievance in the grievance procedure. Personnel files of teachers shall be excluded unless the teacher gives permission in writing to the Board.
- E. The Board shall deduct from the pay of each employee in the bargaining unit from whom it receives written authority, monthly Union dues or fees.
- F. Separate bulletin board space will be provided for the Union in the teacher's lounge in each school.
- G. The Union shall have the right to use the high school building and equipment for meetings during reasonable hours, provided prior approval is obtained from the superintendent or principal and the purpose for such meeting is lawful. The Union agrees to pay for supplies used and for damage to equipment, if any.

- H. Evaluation -- Teacher evaluations will be conducted in accordance with State law.
- I. At the request of either party, the Superintendent and the principal of each school shall meet not less than once a month with the Union at a mutually agreeable time to discuss recommendations developed by any committee, the decisions made thereon by the Administration, and matters relating to the implementation and interpretation of this Contract.
- J. Time shall be provided for Union business on the Board agenda provided five (5) days notice is given in writing.
- K. Academic Freedom

Teachers shall be free to present instructional materials that they consider pertinent to the subject and level taught, and are consistent with the course objectives as long as controversial issues are presented in a scholarly manner. They shall also be entitled to freedom of discussion within the classroom on all matters which they consider relevant to the subject under study if it is within their area of professional competence, provided that such instruction is consistent with Board Policy and related to the Board approved curriculum.

ARTICLE V

Seniority

Seniority shall be defined as continuous service by bargaining unit members to the Imlay City Community Schools from the last date of hire in positions which require teacher certification, system wide. Only bargaining unit members can accumulate seniority.

For seniority purposes, teachers serving forty-five (45) or more working days or one (1) marking period during a semester will be given credit for one semester.

Bargaining unit personnel working less than full time will receive seniority credit as follows:

1. Teachers working half time or less will receive one semester credit for each year worked.
2. Teachers working more than half time will receive full credit for each semester worked.

In cases of equal calculations of continuous service, the date of hire by the Board of Education shall determine rankings according to the earliest date of hire. Should identical rankings still exist, alphabetical order, last name first, shall be used to determine ranking.

An updated seniority list shall be given to the Union no later than thirty (30) days after the start of the school year.

ARTICLE VI

General Working Conditions

The District calendar will consist of 181 student days and each student day will consist of 365 minutes. The District reserves the right to change the number of student days and minutes if the state changes the number of required student days or instructional hours.

Professional development days, if not needed for Act of God days or other District emergencies, will be given back as instructional time, provided the MDE authorizes as an approved practice.

A. Assignment Procedures

Definitions:

Vacancies are defined as teaching positions in the bargaining unit which the Board intends to fill and become open and available for assignment because of resignation, retirement, abandonment, discharge, or newly created teaching positions.

Equal treatment will be given to minority recommendations. The committee, after investigating, will submit a recommendation within thirty (30) school days, or a period of mutual consent by both parties. In the event the Board rejects the recommendations of the committee, a written reason stating why the Board did not approve the recommendations shall be given to both the teachers who served on the committee and the President of the Union. Nothing in this provision shall prohibit either party from establishing its own committee comprised of members from whatever source deemed necessary, provided that no teacher shall be required as a duty of employment to participate in such an independent committee.

The Board shall require the staff member to substitute any of his/her earned or accrued paid vacation leave, personal leave or family leave (per the applicable collective bargaining agreement) for unpaid FMLA leave provided for the birth, adoption or foster care placement of a child, or qualifying exigency for a Service Member Family Leave.

The Board shall require the staff member to substitute any of his/her earned or accrued paid vacation, personal leave or sick leave (per the applicable collective bargaining agreement) for unpaid FMLA leave provided for the staff member's own serious health condition or to care for a spouse, parent or dependent child with a serious health condition.

1. The employee must indicate with the leave request the termination date of the leave as based on the options following:

 - (3) Leave is effective at the end of the current school year and request is to return by the beginning of the second semester of the following school year;
 - (4) Leave commences at the beginning of the school year and return is at the beginning of the following school year.

A parental leave may be extended by written request thirty (30) calendar days prior to the termination of the current leave at the discretion of the Board, not to exceed one year.

2. During such parental leave the teacher shall not be entitled to any pay or other fringe benefits, except as may be required by law. Such leave shall not constitute a break in service and shall not be counted as employment time for the purpose of salary schedule placement or seniority except as otherwise provided in this Agreement.
3. The employee cannot otherwise be employed during the period of such leave. If the employee becomes otherwise employed he/she shall be subject to immediate return to work in an available position for which he/she is certified.

Payment shall be made no later than the 22nd paycheck of the year. Upon termination of employment teachers will receive \$50.00 per day including incentive if applicable for all unused sick and personal days.

M. Discipline

O. School Calendar

1. Teachers shall provide one hundred ninety (190) days of service of which one hundred eighty-one (181), with 365 instructional minutes per day, shall be student instruction days. Should scheduled student instruction days be cancelled due to inclement weather or other conditions which make it impracticable to hold classes, the scheduled student instruction days, including the timelines for marking periods, shall be advanced one week day date on the calendar around designated holidays, break periods and parent-teacher conferences to provide for makeup of the cancelled day. All makeup days shall be without additional compensation. Any non-instruction teacher workday cancelled will not result in reduction of pay. The 190 days of teacher service include: 181 student instructional days; 5 professional development days; ½ day for open house; 1 records day; 1½ days during parent-teacher conferences (November); and 1 day (½ day for students' last day and ½ day for teachers' last day).

In the event that during the life of this Agreement it becomes lawful, for the purpose of State membership aid, to count as days of pupil instruction days when pupil instruction is not provided due to conditions not within the control of school authorities, such as due to severe storms, fires, epidemics, or health conditions, it is agreed that the teachers shall be excused from reporting to duty without loss of pay. Days lost due to school closings under this eventuality shall not be rescheduled, unless otherwise required by State law to qualify for State aid.

2. The Union shall work with the Administration in setting up the school calendar for the following year for the entire school system.

3. The teacher shall have the right to add pertinent documents to his/her file.
4. No teacher evaluation prepared by the Administration shall be placed in his/her file, unless the teacher has had an opportunity to read the material. The teacher shall acknowledge that he has read such materials by affixing his/her signature on the actual copy to be filed, plus indicating approval or disapproval, with the understanding that such signature merely signifies that he/she has read the material to be filed and such signature does not

necessarily indicate agreement with the contents. A teacher will have the right to attach a written statement of his/her position.

5. Parental complaints will not be maintained in a teacher's personnel file unless the grounds underlying the complaint have been investigated and substantiated.

Conformity to Law

This Contract is subject in all respects to the laws of the State of Michigan with respect to the powers, rights, duties, and obligations of the Board, the Union, and employees in the bargaining unit, and in the event that any provision of this Contract shall at any time be held to be contrary to law by a court of competent jurisdiction, from whose final judgment or decree no appeal has been taken within the time provided for doing so, such provisions shall be void and inoperative; however, all other provisions of this Contract shall continue in effect.

ARTICLE IX

Publication Cost

The cost of printing the final Agreement shall be borne equally between the Board and the Union. A copy of the contract shall be furnished to each new teacher being hired for a job and each teacher presently employed. One hundred and fifty (150) copies will be made.

ARTICLE X

No-Strike Clause

The Union agrees that it or the employees shall not authorize, sanction, condone, or engage in any strike as defined in the Michigan Public Act 336, as amended by Public Act 379.

ARTICLE XI

Grievance Procedure

Section 1. Definitions

- A. A grievance is a written complaint submitted as a grievance involving (1) the work situation; (2) a deviation from or misinterpretation or misapplication of a practice or policy; or (3) a violation, misinterpretation, or misapplication of any provision of this Agreement; provided, however, that the following matters shall not be subject to grievance:
 - 1. Any matter subject to the procedures specified in the Teacher's Tenure Act (Act 4 of Public Acts, Extra Session, of 1937 of Michigan, as amended); provided, however, that any such matter may be subject to grievance at Step 2 of the grievance procedure only.

- B. Wherever the term "superintendent of schools" is used, it is to include the Superintendent or any designee of the Superintendent upon whom the Superintendent has conferred authority to act in his/her place. Wherever the term "teacher" is used, it is to include any member or members of the bargaining unit. Wherever the singular is used, it is to include the plural. Wherever "notice" is used, it is contemplated that such written notice be delivered personally or by registered mail.

Section 2. Informal Conferences

The teacher shall first discuss the problem with the principal, either directly or accompanied by a Union representative, in an attempt to resolve the problem informally. The teacher or the Union representative shall identify the discussion as an informal conference under the grievance procedure.

Section 3. Procedure for Adjustment of Grievances

Grievances shall be presented and adjusted in accordance with the following procedures:

Step 1

In the event the problem is not resolved informally, a written grievance may be submitted to the principal of the school in which the grievance arises within ten (10) school days following the act or condition which is the basis of the grievance.

- a. A grievance may be lodged and thereafter discussed with the principal:
 - (1) By a teacher accompanied by a Union representative;
 - (2) Through a Union representative, if the teacher so requests;
 - (3) By a Union representative in the name of the Union;
 - (4) By a teacher in person on his/her own behalf.
- b. Within ten (10) school days after receiving the complaint, the principal shall communicate his/her decision in writing together with the supporting reasons, and shall furnish one copy to the teacher, if any, who lodged the grievance, and two copies to the Union representative in person or by registered mail.

Step 2

Within ten (10) school days after receiving the decision of the principal, the aggrieved teacher may, on his/her own, or through the Union office, or the Union in its own name may, appeal the decision at Step 1 to the Superintendent of schools. The appeal shall be in writing and shall be accompanied by a copy of the decision in Step 1.

- a. Within five (5) school days after receipt of the appeal, the Superintendent shall hold a hearing on the grievance. The aggrieved teacher and the Union shall be given at least two (2) school days written notice of the hearing. At such hearing the principal, the aggrieved teacher and/or the Union shall be given a reasonable opportunity to be heard.
- b. Within five (5) school days after the hearing on the appeal, the Superintendent shall communicate his/her decision, in writing, together with the supporting reasons to the aggrieved teacher, to the Union and to the principal in person or by registered mail.

Step 3

If the grievance is not resolved in Step 2, the Union may submit it to binding arbitration before an impartial arbitrator by filing a Demand for Arbitration with the American Arbitration Association within thirty (30) days of the date the Union receives the decision of the Superintendent.

The decision shall be in writing and shall set forth the arbitrator's opinions and conclusions on the issues submitted (either at the hearing or in writing). The arbitrator shall limit his/her decision strictly to the application and interpretation of the provisions of this Agreement. The decision of the arbitrator, made in accordance with his/her jurisdiction and authority under this Agreement, will be accepted as final by the parties to the dispute, and both will abide by it.

The arbitration fees, if any, shall be borne by the losing party as determined by the arbitrator.

Section 4. Miscellaneous Provisions

- A. Hearings held under this procedure shall be conducted at a time and place which will afford a fair and reasonable opportunity for all persons, including the witnesses, entitled to be present to attend. When such hearings are during school hours, all employees who are present at the hearing pursuant to this Article shall be excused with pay for that purpose.

- B. If a grievance arises from the action of authority higher than the principal of a school, the Union may present such grievance at Step 2 of this procedure, without Step 1 thereof.
- C. No decision on, or adjustment of, a grievance shall be contrary to any provision of this Agreement existing between the parties.
- D. Failure at any step of this procedure to communicate the decision on a grievance within the specified time limit shall permit the teacher and/or the Union to lodge an appeal at the next step of this procedure. Failure to appeal a decision within the specified time limits shall be deemed a withdrawal of the grievance.
- E. The time limits specified in this procedure may be extended in any specific instance, by mutual agreement in writing.
- F. At the request of the Union, principals shall make arrangements to allow reasonable time without the loss of salary for Union representatives to investigate grievances, provided classes are not disrupted. The Superintendent, after consultation with the Union, shall make the final determination as to what constitutes reasonable time.
- G. Nothing contained in this Article or elsewhere in this Agreement shall be construed to allow anyone to present or process a grievance at any level on behalf of any employee without his/her consent.
- H. Nothing contained in this Article or elsewhere in this Agreement shall be construed to prevent the Union from presenting, processing a grievance or appealing at any level on its own behalf.
- I. Nothing contained in this Article or elsewhere in this Agreement shall be construed to prevent an individual employee from presenting and processing a grievance through the procedures provided in this Article, except that the Union shall be entitled to have a representative present at Step 2 and 3 or in arbitration of any grievance to state the position of the Union.

ARTICLE XII

Duration

- A. This Agreement shall be effective as of August 25, 2012, and shall continue in full force and effect until August 24, 2014. At any time subsequent to February 1, 2013, either party may give written notice to the other of its desire to negotiate a new wage agreement for the following year, and meetings between the parties for that purpose shall not begin later than twenty (20) days after delivery of such written notification.

- B. The Union and Board representatives shall meet at least once each ninety (90) school day period during the school year for purposes of discussing matters of mutual concern related to administration of the provisions of this Contract. Each party shall have the right to designate one item of concern to be discussed at each meeting, regardless of mutual concern.
- C. An Emergency Manager appointed under the local government and school district fiscal accountability act, 2011 PA 4, MCL 141.1531, may reject, modify, or terminate this collective bargaining agreement as provided by that law. The Union reserves the right to assert that this provision is not enforceable or binding on either party to this Agreement.

- Eligibility: Teachers shall be eligible for sabbatical leave following every seventh year of service within this system.
- Quota: No more than three teachers shall be granted leave in any one academic year. Superintendent has the right to grant or refuse any/all applicants at any given time.
- Duration: A sabbatical leave may be granted for a period of one full academic year.
- Application: Application for the sabbatical leave shall be given to the Superintendent no later than March 1 of the school year prior to the leave and must set forth the purposes for which the leave is requested and procedures for accomplishing the same. The applicant will be notified on or by July 1 regarding the acceptance or rejection of his/her application.

At the conclusion of the leave he/she shall submit to the Superintendent evidence of successful completion of the study program in the form of a certified transcript of credits.

Interruption of the sabbatical leave program by serious accident or illness shall not affect the sabbatical leave contract, providing satisfactory evidence is presented to the Superintendent within 20 days of such accident or illness. At the expiration of the leave, the employee shall be reinstated to a bargaining unit position for which the employee is qualified.
<u>Obligations:</u>	A teacher granted a sabbatical leave must return to the system and serve for a period of not less than one year following the completion of the leave except for good cause. Good cause means college or university teaching or an administrative position. If unwilling to meet the obligation of returning to the system for a one-year period, the teacher shall immediately refund to the Board of Education the full amount of the sabbatical allowance. This provision shall not apply when, for physical reasons or other circumstances beyond his/her control, the teacher is incapable of further service. In such a case, the teacher shall submit to the Superintendent written statements from two licensed physicians. This provision does not apply in case of death of the teacher.
<u>Priority:</u>	Early application for leave would be given consideration. Seniority would be considered if all other factors are equal. Education would be given preference over travel.
<u>Fringes:</u>	Retirement would be in accord with the State Retirement Board authorization. Insurance would be one-half of contract agreement.

The undersigned hereby enter into this Letter of Understanding for the purpose of clarifying Public Act 53 of 2012 (Enrolled House Bill 4929). It is agreed as follows:

1. On March 16, 2012, Public Act 53 of 2012 (hereinafter "Act") was enacted into law and provides in part that '[a] public school employer's use of public school resources to assist a labor organization in collecting dues or service fees from wages of public school employees is a prohibited contribution to the administration of a labor organization.'
2. During these collective bargaining negotiations and on June 11, 2012, the United States District Court for the Eastern District of Michigan issued an order in the matter of *Bailey et al v Callaghan et al*, case no 12-cv-11504, enjoining defendant Michigan Employment Relations Commission from enforcing the Act's prohibition on payroll deduction of school employees' union dues and service fees pending resolution of that matter on the merits.
3. The parties hereto have agreed that the Imlay City Community Schools Board of Education will continue to make payroll deduction of union dues and service fees unless and until such action becomes illegal by operation of law or court order. It is the intent of both parties hereto to comply with Michigan law.
