AGREEMENT

This Agreement entered into on this 1st day of July, 2006, between the Britton Macon Area Schools (hereinafter referred to as the “EMPLOYER”) and the Britton Macon Area Schools Chapter of Local 2788, AFFILIATED WITH MICHIGAN COUNCIL #25, AFSCME, AFL-CIO (hereinafter referred to as the “UNION”).

(Note: The headings used in this Agreement neither add to nor subtract from the meaning but are for references only.).

PURPOSE AND INTENT

The general purpose of this Agreement is to set forth terms and conditions of employment and to promote orderly and peaceful labor relations for the mutual interest of the Employer, the employees, and the Union.

The parties recognize that the interest of the community and the job security of the employees depend upon the Employer’s success in establishing a proper service to the community.

To these ends the Employer and the Union encourage to the fullest degree friendly and cooperative relations between the respective representatives at all levels and among all employees.

ARTICLE 1 - RECOGNITION. Employees Covered.

Pursuant to and in accordance with all applicable provisions of Act 379 of the Public Acts of 1965, as amended, the Employer does hereby recognize the Union as the exclusive representatives for the purpose of collective bargaining in respect to rates of pay, wages, hours of employment, and other conditions of employment for the term of this Agreement of all employees of the Employer included in the bargaining unit described below.

All full-time bus drivers and custodians,
excluding supervisors, substitutes, and
all other employees as defined in the act.

ARTICLE 2 - AID TO OTHER UNIONS

The Employer will not aid, promote or finance any labor group or organization which purports to engage in collective bargaining or make any agreement with any such group or organization for the purpose of undermining the Union.

ARTICLE 3 - AGENCY SHOP

A Each bargaining unit member shall, as a condition of employment, on or before thirty (30) days from the date of commencement of duties or the effective date of this Agreement, whichever is later, join the Union or pay a service fee to the Union equivalent to the amount of dues uniformly required of the members of the Union, less any amounts not permitted by law. The bargaining unit member may authorize payroll deduction for such fee. In the event the bargaining unit member shall not pay such service fee directly to the Union or authorize payment through payroll deduction, the Employer shall, pursuant to MCLA 408.477, MSA

17.277(7), and at the request of the Union, deduct the service fee from the bargaining unit member's wages and remit same to the Union under the procedures provided below. Any authorization form for dues or service fee to be signed by an employee and revocation thereof shall be consistent with legal requirements.

1. The procedure in all cases of non-payment of the service fee shall be as follows:
 - a. The Union shall notify the bargaining unit member of non-compliance by certified mail, return receipt requested. Said notice shall detail the non-compliance and shall provide ten (10) days for compliance, and shall further advise the recipient that a request for wage deduction may be filed with the Board in the event compliance is not effected.
 - b. If the bargaining unit member fails to remit the service fee or authorize deduction for same, the Union may request the Board to make such deduction pursuant to paragraph A above.
 - c. The Board, upon receipt of request for involuntary deduction, shall provide the bargaining unit member with an opportunity for a due process hearing. This hearing shall address the question of whether or not the bargaining unit member has remitted the service fee to the Union or authorized payroll deduction of same. Additionally, the bargaining unit member may request that the Board of Education withhold or suspend involuntary wage deduction due to

any asserted legal infirmity with the Union's internal procedures by which bargaining unit members may protest the calculation of the agency shop/service fee which is alleged to be not properly chargeable to bargaining unit members who elect not to become members of the Union.

- d. Payroll deductions made pursuant to the procedure outlined above shall be made in equal amounts as nearly as may be from the paychecks of the bargaining unit member so affected.

B Pursuant to Chicago Teachers Union v Hudson, 106 S. Ct 1066 (1986), the Union has established a policy regarding "Objections to Political-Ideological Expenditures--Administrative Procedures." That policy, and the administrative procedures (including the timetable for payment) pursuant thereto, applies only to non-Union bargaining unit members. The remedies set forth in that policy shall be exclusive, and unless and until such procedures (including any administrative or judicial review thereof) shall have been availed of and exhausted, no dispute, claim, or complaint by such objecting bargaining unit member concerning the application and interpretation of this article shall be subject to the grievance procedure set forth in this Agreement.

C Due to certain requirements established in recent court decisions, the Union represents that the amount of the fee charged to non-members, along with other required information, may not be available and transmitted to non-members until mid-school year (December, January, or February). Consequently, the parties agree that the procedures in this article relating to the payment or nonpayment of

the representation fee by non-members shall be activated thirty (30) days following the Union's notification to non-members of the fee for that given school year.

- D The Union will certify at least annually to the district fifteen (15) days prior to the date of the first payroll deduction for membership and at least fifteen (15) days prior to the date of the first payroll deduction for service fees, the amount of said membership fees and the amount of service fee to be deducted by the district, and that said service fee includes only those amounts permitted by the Agreement and by law.

The parties agree to cooperatively discuss and exchange information regarding the Union's service fee collection and objection procedures. The Union agrees, upon request from the district, to provide the district for its review a copy of the Union's current "Policy and Administrative Procedures Regarding Objections to Political-Ideological Expenditures" together with a copy of all materials annually distributed by the Union and its affiliates to bargaining unit members who choose not to join the Union and/or to object to the service fee.

The Union further agrees to certify to the district that the Union and its affiliated have complied with the above policies and administrative procedures prior to requesting enforcement of the service fee obligation contained in this article.

- E Further, the Union agrees to promptly notify the district in the event a court order, an order of an administrative agency, or arbitration award is rendered restricting the Union from implementing its agency fee objection policy or from charging or allocating any of the Union's expenditures to bargaining unit members who

choose not to join the Union. In the event of the entry of such an order or arbitration award, the district shall have the right to immediately suspend involuntary wage deduction under this article and shall promptly give notice of any such decision to the Union.

F In the event that the Union fails to provide certification or information as called for in this article above, the Employer shall have the right, upon one week's notice to the Union local president, to discontinue all involuntary dues deductions for representation service benefit fees contained in this article until such time as the Union has fully complied with the provisions of this article.

G The Union shall indemnify and save the district harmless against any and all claims, demands, suits, or other forms of liability which may arise out of, or be reason of, action taken or not taken by the district in reliance upon information furnished to the district by the Union in the course of enforcing this section. Further, the Union agrees to indemnify and save the district, the Board of Education, the individual members of the Board of Education, and individual members of the Board of Education, and individual administrators harmless against any and all claims, demands, costs, suits, claims for attorney fees, or other forms of liability, as well as all court and/or administrative agency costs that may arise out of, or by reason of, sanction by the district or its agent for purposes of complying with the Union's security provisions of this Agreement. The Union also agrees that neither it nor its affiliates will in any proceeding assert that the defense of indemnity provisions of this article are either unenforceable or void.

If the hold harmless and indemnification provisions of this article are found to be unlawful, the district's duty to make involuntary deductions shall cease.

ARTICLE 4 - REMITTANCE OF DUES AND FEES

a) When Deductions Begin.

Checkoff deductions under all properly executed authorization for checkoff shall become effective at the time the application is signed by the employee and shall be deducted from the first pay period of the month and each month thereafter.

b) Remittance of Dues to Financial Officer.

Deductions for any calendar month shall be remitted to such address designated to the designated financial officer of Michigan Council #25, AFSCME, AFL-CIO, with an alphabetical list of names and addresses of all employees from whom deductions have been made no later than the thirtieth (30) day of each month following the date on which they were deducted.

c) The employer shall additionally indicate the amount deducted and notify the financial officer of the Council of the names and addresses of employees, who through a change in their employment status, are not longer subject to deductions and further advise said financial officer by submission of an alphabetical list of all new hires since the date of submission of the previous month's remittance of dues.

d) At the beginning of each school year, the employee will notify the District of the amount they would like to have deducted from the employee's wages for

PEOPLE. This is on a voluntary basis. The amount deducted will be the same during the school year.

Matters taken up in Special Conference shall be confined to those included in the agenda. Conferences shall

- be scheduled at a time that does not interrupt the employees work responsibilities, sometime between the hours of 9:00 a.m. and 4:00 p.m. There shall be no more than four (4) Special Conferences in any one calendar year, except by mutual agreement. These Conferences shall be held for the purpose of considering matters of mutual interest. There will be a one (1) hour time limit for such conferences. In the event that time does not permit the scheduling of Special Conferences during normal school hours, the conference shall be rescheduled after school hours, by mutual consent. This meeting may be attended by representatives of the Council and/or representatives of the International Union.
- b) There shall be a Labor-Management Committee formulated which shall meet on a monthly basis. A written agenda shall be exchanged between the parties prior to the meeting. The purpose of these meetings is to proactively discuss concerns affected by either party, create a positive harmonious relationship and to strengthen the quality of work life.
- c) The Union representative may meet on the Employer's property for at least one-half (1/2) hour immediately preceding the conference.

ARTICLE 7 - GRIEVANCE PROCEDURE

It is the intent of the parties to this Agreement that the grievance procedure set forth herein shall serve as a means for peaceful settlement of disputes that may arise between them as to the application and interpretation of this Agreement or other conditions of employment. In order to be a proper matter for the grievance procedure, the grievance must be presented within ten (10) working days of employee's knowledge

of its occurrence. The Employer will answer, in writing, any grievance presented to it, in writing, by the Union

Step 1 Any employee having a grievance shall present it to the Employer as follows.

- a) If an employee feels he has a grievance, he shall discuss the grievance with the steward.
- b) The steward may discuss the grievance with the immediate supervisor.
- c) If the matter is thereby not disposed of, it will be submitted in written form by the steward to the immediate supervisor. Upon receipt of the grievance, the supervisor shall sign and date the steward's copy of the grievance.
- d) The immediate supervisor shall give his answer to the steward within five (5) working days of receipt of the grievance.

Step 2 If the answer is not satisfactory to the Union, it shall be presented in writing by the steward to the Superintendent within five (5) working days after the immediate supervisor's response is due. The Superintendent shall sign and date the steward's copy. The Superintendent shall respond to the steward in writing within five (5) working days of receipt of the grievance.

Step 3 If the grievance remains unsettled it shall be presented by the Chapter Chairperson and/or AFSCME Council #25 AFL-CIO Staff Representative in writing, to the Board of Education at the next regular scheduled Board

meeting. The President of the Board of Education shall sign and date the Chapter Chairperson's copy. The Board of Education shall respond in writing to the chapter Chairperson within five (5) working days after the regularly scheduled Board of Education meeting.

- Step 4** a) If the Union so requests, the Board or its representative will meet further with the Union to consider fairly and in good faith any other means of settlement.
- b) The procedure herein provided shall not prohibit the Union or the Employer from recourse to normal mediation provided by Michigan State Law.

Step 5 If the Union is not satisfied with Step 4 of the Grievance Procedure (Mediation), it may, within thirty (30) calendar days after an impasse (a predicament from which there is no obvious solution) has been declared, refer the matter for arbitration to the **American Arbitration Association**, in writing, and request the appointment of an arbitrator to hear the grievance. If the parties cannot agree upon an arbitrator, he shall be selected by the American Arbitration Association in accordance with its rules. Neither party may raise a new defense at this level not previously raised or disclosed at other written levels.

Arbitration is the exclusive remedy available to employees and the Union for an alleged breach of the terms of this contract. The decision of the arbitrator shall be final and conclusive and binding upon employees, the board, and the Union subject to the right of the Board or the Union to judicial review.

Time limits shall be strictly adhered to although each side shall give necessary time extensions in case obvious emergencies which prohibit adherence to the contractually stated time lines. If time lines are not met or an extension applied for, then the grievance shall be settled in favor of the other party. Should an employee no longer be employed by the Board, all further proceedings on a previously instituted grievance shall be barred.

Powers of the arbitrator are subject to the following limitations:

- a) He shall have no power to add to, subtract from, disregard, alter, or modify any of the terms of this Agreement.
- b) He shall have no power to establish salary scales or to change any salary.
- c) He shall have no power to change any practice, policy, or rule of the Board nor substitute his judgment for that of the board as to the reasonableness of any such practice, policy, rule or any action taken by the Board.
- d) He shall have no power to decide any question which under this Agreement is within the responsibility of the management to decide. In rendering decisions, an arbitrator shall give due regard to the responsibility of management and shall so construe the Agreement that there will be no interference with such responsibilities, except as they may be specifically conditioned by this Agreement.
- e) He shall have no power to interpret state or federal law.
- f) He shall not hear any grievance previously barred from the scope of the grievance procedure.

- g) The arbitrator shall not have any power to rule on a decision to place an employee on a leave of absence.
- h) The arbitrator shall not have any power to extend any time lines provided in this contract.

After a case on which the arbitrator is power to rule hereunder has been referred to him, it may not be withdrawn by either party except by mutual consent.

If either party disputes the arbitrability of any grievance under the terms of this Agreement, an arbitrator shall be selected (under the terms of this Agreement) to decide whether or not said grievance is actually an arbitrable issue. Should the arbitrator decide it is an arbitrable issue, the grievance shall then be decided by a new arbitrator (who shall be selected under the terms set forth in this Agreement).

In the event that a case is appealed to an arbitrator on which he has no power to rule, it shall be referred back to the parties without decision or recommendation on its merits.

More than one grievance may not be considered by the arbitrator at the same time except upon expressed written mutual consent and then only if they are of similar nature.

The cost of arbitrator shall be borne equally by the parties except each party shall assume its own costs for representations.

All preparation, filing, presentation or consideration of grievances shall be held at times other than when an employee or participating Union representative is to be at his/her assigned job responsibilities.

Where no wage loss has been caused by the action of the Board complained of, the Board shall be under no obligation to make monetary adjustments and the arbitrator shall have no power to order one.

Arbitration awards or grievance settlements will not be made retroactive beyond that day of the occurrence or non-occurrence of the event upon which the grievance is based. In no event, however, shall the award be made retroactive earlier than thirty (30) days prior to the date on which the grievance is filed.

Any employee summoned to testify before the arbitrator during his/her regular work hours, shall do so without loss of pay. However, should an employee be summoned to testify during non-working hours, said employee shall receive no compensation for such time spent in testimony.

ARTICLE 8 - DISCHARGE, DISCIPLINE, AND SUSPENSION

The Employer agrees that all disciplines shall be for just cause. In general, the progressive discipline steps are as follows:

- f) Appeal of Discharge or Suspension: Should the discharged or suspended employee and /or the steward consider the discharge or suspension to be improper, it shall be submitted to the Board of Education.
- g) Use of Past Record: In imposing any discipline or discharge on a current charge, the Employer will not take into account any prior infractions which occurred more than two (2) years previously with the exception of bus drivers whose driving records could be taken into account for three (3) year period.

There shall be no seniority among probationary employees.

In the event of a vacant or open position, all vacancies shall be posted and employees shall be posted and employees shall be allowed to bid and move on the basis of seniority for jobs within their classification. Employees will be assigned to jobs according to their seniority and qualifications. In the event an employee is not selected based on seniority, the Union shall appeal to the third step of the grievance procedure with the Board of Education.

ARTICLE 13 - LAYOFF DEFINED

- a) The word “layoff” means a reduction in the work force due to a decrease of work.
- b) In the event it becomes necessary for a layoff, the Employer shall meet with the Chapter Chairperson at least two (2) weeks prior to the effective date of layoff. At such meeting the Employer shall submit a list of the number of employees scheduled for layoff, their names, seniority, job titles, and work locations. If the results of such meeting are not conclusive, the matter shall become a proper subject for the third (3rd) step of the grievance procedure, Board of Education.
