This Section shall not preclude the processing of grievances with Employer representatives at mutually agreed upon times.

SECTION C - Information

The Employer agrees to furnish to the Association president in response to reasonable requests in writing a copy of all available public information concerning the financial resources of the district. Material will only be provided at cost. The Board shall also provide a copy of the proposed Board Agenda to the Association President prior to each Board meeting.

Among the reasons for disciplinary action of any employee at the option of the Board are the following, by way of illustration and not limitation:

unsatisfactory work performance; being in possession of or under the influence of drugs or alcoholic beverages during work hours; dishonesty; insubordination; breach of confidentiality; unauthorized absence; repeated tardiness or absenteeism; abuse of break time; theft or misappropriation; violence or willful destruction of property; possession of a weapon; inappropriate conduct which impairs the employee's performance of his/her duties; failure to pass exams required by law, loss of driver's license, accumulation of more than six (6) points, or loss of insurability under district policy for bus drivers; driving in an improper or unsafe manner while operating a school vehicle; abuse of sick leave, business leave, or other leave days; violation of currently established Board rules or policy; unacceptable behavior with students, parents, or other employees.

SECTION C - Discipline

All probationary employees are subject to discipline or termination with or without cause at the will of the Employer at any time. Seniority employees (i.e., those who have completed the probationary period) shall not be disciplined or discharged without reasonable cause or arbitrarily or capriciously. Any disciplinary action taken against a seniority employee shall be appropriate to the behavior that precipitated said action.

SECTION D - Representation

An employee may have present a representative of the Association during any meeting which the employee reasonably believes will result in disciplinary action by the Employer. This section shall not apply to evaluation conferences. If representation is desired, no action will be taken until an Association representative is present unless immediate action is necessary. The meeting shall not be delayed more than one (1) school day unless both parties cannot meet and/or agree to extend.

SECTION K - Student Discipline

The Employer, or its designated representative, will provide reasonable support and assistance to help bargaining unit members fulfill their responsibility with respect to the maintenance of control and discipline of students in the bargaining unit members' assigned work area. It is understood and agreed that the Employer's efforts to support and assist each bargaining unit member in this regard does not in any way relieve the bargaining unit member from fulfilling his/her responsibilities. The rules and regulations of student discipline will be followed.

SECTION L - Safety Equipment

The Employer shall provide without cost to each employee any Employer required safety equipment necessary to perform his/her duties.

ARTICLE V: Grievance Procedure

SECTION A - Definition

A grievance shall be an alleged violation of the express terms of this Agreement. An employee alleging a grievance must orally discuss the grievance with his supervisor within five (5) work days of the occurrence of the condition giving rise to the grievance. A work day shall be defined as any day that the Board Administrative offices are open for regular business.

SECTION B - Filing

If satisfactory resolution of the grievance is not obtained, the employee must submit a written grievance to his immediate supervisor within ten (10) work days from the occurrence of the condition giving rise to the grievance. Should an employee fail to institute a grievance within the time limits specified, the grievance shall be considered untimely and will not be processed. The written grievance shall be signed by the grievant and shall specifically state:

who is affected; *what* happened; *when* it happened; *what specific part(s)* of the contract is alleged to have been violated; and *what specific remedy* is requested.

The grievance form is attached as **Appendix B**.

SECTION C - Level One

The immediate supervisor shall meet with the grievant and the Association representative not later than ten (10) work days following receipt of the written grievance. The immediate supervisor shall issue his/her disposition of the grievance in writing within five (5) work days of the meeting.

SECTION D - Level Two

If the decision of the immediate supervisor is not considered acceptable, the grievant/Association must present the written grievance to the Superintendent of Schools or his/her designee within five (5) work days of receipt of the decision of the immediate supervisor. The grievant must state the reason(s) why the decision of the immediate supervisor was not considered acceptable. The Superintendent or his/her designee shall meet with the grievant and an Association representative within fifteen (15) work days from the date of his/her receipt of the grievance. The Superintendent or his/her designee shall issue a decision in writing relative to the grievance within ten (10) work days of the meeting.

SECTION E - Level Three

If the decision of the Superintendent is not considered acceptable, the grievant/Association must submit the written grievance to the Secretary of the Board of Education or his/her designee within five (5) work days of receipt of the decision by the Superintendent. The grievant must state the reason(s) why the decision of the Superintendent was not considered acceptable. The Board of Education or a Board Committee, as determined by the Board, shall meet with the grievant, the appropriate administrators, and an Association representative within thirty (30) work days from the date of receipt of the grievance. The Board or its designee shall issue a decision in writing relative to the grievance within ten (10) work days of the meeting. The Board's disposition of all grievances, except grievances with respect to the discharge or suspension without pay of five (5) days or more of a seniority (non-probationary) employee, may be submitted to mediation through the Michigan Employment Relations Commission by either the Board or the Association but may not be submitted to binding arbitration. Grievances with respect to the discharge or suspension without pay of five (5) days or more of a seniority (non-probationary) employee may be submitted to binding arbitration by the Association.

SECTION F - Level Four

If the Association is not satisfied with the disposition of a grievance by the Board involving the discharge or suspension without pay of five (5) days or more of a seniority (non-probationary) employee, that grievance shall be submitted to arbitration provided the Association mails a Demand for Arbitration to the American Arbitration Association and notifies the Board in writing of its demand for arbitration within fifteen (15) work days after receipt of the Board's disposition. If the grievance is timely submitted to arbitration, the Arbitrator shall be selected by the American Arbitration Association in accordance with its rules, which shall likewise govern the arbitration proceedings. Neither party shall be permitted to assert in such proceedings any grounds or to rely on any evidence not previously disclosed to the other party. The filing party

shall pay any and all filing fees. The party against which a decision is rendered shall pay the entire cost of the Arbitrator. In the event there is no clear loser, the Arbitrator shall determine the portion of his fees payable by each party. Each party shall assume its own costs for representation and for expense of witnesses.

- (1) The Arbitrator shall have no power to alter, modify, add to, or subtract from the provisions of this agreement. The Arbitrator shall not usurp the functions of the Board or the proper exercise of its judgment and discretion under law and under this agreement. The decision of the Arbitrator, if within the scope of his authority as set forth herein, shall be final and binding on all parties.
- (2) The Arbitrator shall have no power to change any practice of the Board not in violation with this contract, or change any policy or rule of the Board not in violation of this contract, nor to substitute his judgment for that of the Board as to the reasonableness of any such practice, policy, rule, or any action taken by the Board not in violation of this contract.
- (3) The Arbitrator shall have no power to decide any question, which, under this agreement, is within the responsibility of the Board to decide. In rendering decisions, the Arbitrator shall give due regard to the responsibility of management and shall so construe the agreement that there will be no interference with such responsibilities, except as they may be specifically conditioned by this agreement.
- (4) The Arbitrator shall not hear any grievance previously barred from the scope of the grievance procedure.
- (5) In the event that a grievance is appealed to the Arbitrator upon which he has no power to rule, it shall be referred back to the parties without decision or recommendation on its merits.
- (6) More than one grievance may not be considered by the Arbitrator at the same time except upon expressed written mutual consent and then only if they are of a similar nature.
- (7) Where no monetary loss has been caused by the action of the Board complained of, the Board shall be under no obligation to make monetary adjustments, and the Arbitrator shall have no power to order any. The Arbitrator shall have no power to issue an award involving back pay resulting in financial liability to the Board for more than a total of nine (9) months on any grievance under any circumstances.
- (8) Any matter being processed in another forum shall not be submitted to arbitration.
- (9) Individual grievant may not arbitrate, but the Association can on his/her behalf.

SECTION G - Time Limits

Time limits shall be strictly observed and may be extended only by written mutual agreement. Should an employee fail to appeal a decision within any time limits specified, all further proceedings on that grievance shall be barred and shall be deemed an acceptance of the

decision last issued. Should the Employer fail to respond within the time limits specified, the Association may proceed to the next level of the grievance procedure. If the last work day of a timeline falls on a day when the Board offices are not open, the time is extended to the next day when the Board offices are open.

SECTION H - Employee Consent

A grievance involving more than five (5) employees shall be signed by the President of the Association and five (5) of the affected employees.

SECTION I - Processing

All preparation, filing, presentation, or consideration of grievances shall be held at times other than when the employee or participating Association representative are to be on the job.

SECTION J - Miscellaneous Conditions

1. Notwithstanding the expiration of this Agreement, any grievance arising hereunder may be processed through the grievance procedure.
2. Grievances filed as Association grievances may by mutual agreement with the Board be initiated at Level Two of the grievance procedure.

ARTICLE VI: Work Year, Work Week, Work Day

SECTION A - Work Year

As used in this contract, the term "full-year employee" shall mean an employee who is regularly scheduled to work at least forty (40) hours a week, and at least fifty-two (52) weeks per year, July 1 through June 30. The term "regular part-year employee" shall mean an employee who is regularly scheduled to work less than forty (40) hours a week, or less than fifty-two (52) weeks per year. The normal work year for part-year employees shall be as designated by the Employer. Either more or less days of work may be required.

SECTION B - Work Week

The normal week for all bargaining unit members is Monday through Friday. The work week shall begin at 12:01 a.m. on Monday.

SECTION C - Work Day

The normal number of hours of work and the schedule of hours for each employee shall be determined by the Employer. The normal work day for full-year employees shall be eight (8) consecutive hours. For part-year employees, the normal work day shall be as determined by the Employer. Either more or less hours of work may be required. Employees, except bus drivers who do not have lunch periods, working six (6) or more hours per day shall have an unpaid 30 minute lunch period.

For each four (4) hours worked in a day, each employee (except bus drivers) will be allowed one (1) fifteen (15) minute relief period as scheduled by the employee's immediate supervisor.

SECTION D - Act of God Days

1. When school is canceled due to inclement weather or other acts of God, full-year employees shall normally report, unless they are instructed not to report.
 2. When school is canceled due to inclement weather or other acts of God, part-year employees will not be required to report on such days and after the third day will not be paid, except as required by the Employer. Part-year employees will be required to work on any make-up days. In the event an employee receives unemployment compensation benefits (including under-employment benefits) during the school year due to days of work not being held when scheduled, which are later made up, the employee's pay will be adjusted by an amount equal to unemployment compensation received.
 3. The determination to cancel, delay, and/or reschedule any day of work shall be the prerogative of the Employer and shall not be grievable.
4. The district will use the district access communication to notify bus drivers first when school is delayed or canceled.

ARTICLE VII: Seniority

SECTION A - Seniority

The term seniority as used in this article shall be length of continuous service with the Hudson Area school district in the bargaining unit.

The accrual of seniority shall begin from the last date of hire which shall be the first day the employee reported for work from which there has been continuous employment.

Time on approved voluntary leaves or transfer to a non-bargaining unit position shall not count toward accrued seniority. Time on medical leave shall count towards the accrual of seniority.

All seniority is lost when employment is severed by resignation, retirement or discharge for cause or failure to be recalled within (2) two years of layoff.

In the event of two or more employees have the same date of hire; the employees shall participate in a mutual, agreed-upon tie-breaking drawing with the Association present. A drawing will be held among each classification of tied employees for purposes of establishing seniority ranking on the seniority list.

Any employee leaving employment as defined above will be dropped from the seniority list without affecting the relative order of the remaining employees. Notification of all drawings shall be made to participants and the Association at least five (5) days in advance.

"Unit seniority" shall be defined as the length of continuous service as a bargaining unit member from the first day of work.

Time worked as a substitute shall not count toward seniority or completion of the probationary period. A substitute is a person doing unit work in place of a person on sick or personal leave or other. Authorized or unauthorized absence.

SECTION B - Probationary Period

New employees shall be subject to a probationary period of ninety (90) actual working days of employment. Probationary employees shall be represented by the Association for all matters except that discipline or dismissal is not subject to the grievance procedure. Employees shall not have unit or classification seniority during their probationary period (nor classification seniority in a new classification during a trial period as defined in Article IX.G., if applicable). Upon successful completion of the probationary period (or trial period if applicable), their names shall be placed on the seniority list by classification and unit as of the first day of work in that classification and in the unit as an Employee.

SECTION C - Seniority List

An initial seniority list by unit and classification shall be jointly prepared within sixty (60) days of the effective date of this Agreement. The list shall be maintained and published annually thereafter. A copy of the seniority list and subsequent revisions shall be furnished to the Association. List will be distributed by October 1 of each year. The Association and members will have fifteen (15) school days to object and correct the list. The list is then final for that school year.

SECTION D - Loss Of Seniority

All seniority will be lost by an employee upon termination, resignation, retirement, transfer to a non-bargaining unit position, or when recall rights terminate.

SECTION E - Assignment To A Different Bargaining Unit Classification

Seniority in a classification will be frozen (inactive) when an employee is assigned to a different bargaining unit classification. Frozen (inactive) seniority shall only be used for the purpose of layoff and recall. If an employee returns to a classification, seniority shall continue to accrue.

SECTION F - Layoff

Seniority will be frozen during periods of layoff and shall continue to accrue if an employee returns from layoff.

SECTION G - Leaves

Seniority will continue to accrue during paid leaves and leaves due to illness or disability. Seniority will be frozen during unpaid leaves of more than four (4) weeks in duration taken for reasons other than illness or disability.

ARTICLE VIII: Layoff And Recall
--

SECTION A - Definition

"Layoff" shall be defined as a reduction in work force as determined exclusively by the Employer.

SECTION B - Layoff Process

No employee shall be laid off pursuant to reduction in the work force unless said employee shall have been notified of said layoff at least fifteen (15) work days prior to the effective date of layoff. In the event of a reduction in work force, the Employer shall identify the specific position(s) to be eliminated and shall notify the employee in that position(s). Employees whose positions have been eliminated due to reduction in work force or who have been affected by a layoff/elimination of position shall have the right to be placed in a position in their classification(s) as defined in Appendix A for which they are qualified, which is held by a less senior employee in that classification. Whether an employee is qualified, as that term is used in this Article, shall be determined by the Employer. If no position(s) is available in the classification for the affected employee to assume, an employee laid off from one classification may use seniority which he/she has accrued in another classification to be placed by the Employer in a position held by an employee with less seniority in that classification provided he/she is qualified. A new employee shall not be employed by the Employer in a classification while there are laid off employees with seniority from that classification who are qualified for a vacant or newly created position in that classification.

SECTION C - Reduction In Hours

The Board may reduce work hours of some or all employees rather than reduce the number of employees. In the event of a reduction in the work hours in a department, qualified employees in the department with the greater seniority may use same to displace employees with less seniority in positions having a greater number of work hours on the work schedule. A reduction of any employee's work hours shall not take effect until five (5) calendar days after written notice to the affected employee is given by the Employer.

SECTION D - Recall

Laid off seniority employees shall be recalled in order of seniority within classification with the most senior being recalled first to any position in the classification for which they are qualified. If no employee within the classification is qualified, the most senior employee within the unit on layoff will be recalled to the position provided he/she is qualified as determined by the Employer. A qualified employee who refuses recall shall be considered a voluntary quit. An employee who accepts recall to a classification other than the classification held when laid off shall have the right to fill the first vacancy in his/her former classification provided the employee has more seniority than other employees from that classification and is qualified as determined by the Employer.

SECTION E - Recall Process

Notices of recall shall be sent by certified or registered mail to the last known address as shown on the Employer's records. It shall be the employee's responsibility to keep the Employer notified as to his/her current mailing address. The recall notice shall state the time and date on which the employee is to report back to work. A recalled employee shall be given five (5)

calendar days from receipt of notice, excluding Saturdays, Sundays, and holidays, to report to work. The Employer may fill the position on a temporary basis until the recalled employee can report for work providing the employee has indicated intent to return and reports within a ten-(10) day period. Employees recalled to full-time work for which they are qualified are obligated to take said work. An employee who declines recall to full-time work for which he/she is qualified shall forfeit his/her seniority rights. Recall rights for seniority employees shall terminate at the end of a time on layoff equal to their accrued unit seniority or two (2) years after the effective date of layoff, whichever is shorter. Probationary employees shall not have recall rights.

SECTION F - Unemployment Compensation

A part-year employee who in the summer receives unemployment compensation benefits, and who is recalled before October 1 of that year, shall have his/her compensation adjusted by an amount equal to the unemployment compensation received.

SECTION G - Substitute Work

Upon application, laid-off employees will be considered first for substitute work at the substitute rate of pay, provided the employee is qualified for the position.

ARTICLE IX: Vacancies, Promotions & Transfers

SECTION A - Definition

A "vacancy" shall be defined as a newly created position or a present position that has been permanently vacated and which will be filled except when there is a qualified employee from the classification on layoff. After an employee is on leave for over one (1) year, such position shall then be considered a vacancy and shall be posted and filled as in D below. The last sentence above does not include positions of those employees on sick leave or extended illness leave as provided for in Article XVI.

SECTION B - Posting

All bargaining unit vacancies shall be posted in a conspicuous place in each building of the District for a period of ten (10) work days. Copies of postings (including summer postings) will be sent to the local Association president at the time of posting. Said posting shall contain the following information:

type of work; location of work; starting date; rate of pay; hours to be worked; and minimum requirements.

SECTION C - Application For Vacancy

Interested employees may apply in writing to the Superintendent or designee within the five (5) day posting period. The Employer may temporarily fill any vacancy during the posting and selection process with another employee or with a substitute.

SECTION D - Filling Vacancies

In filling vacancies, the Employer shall consider the qualifications of all applicants and other relevant factors provided, however, where the qualifications of two or more applicants are essentially equal as determined by the Employer, preference shall be given to the senior applicant. The decision of the Board will be final and not subject to the grievance procedure.

SECTION E - Notice of Selection

Within ten (10) workdays after the expiration of the posting period, the Employer shall make known its decision as to which applicant has been selected to fill a posted position. Each applicant shall be so notified in writing.

SECTION F - Assignment

Involuntary transfers and assignments may occur at the discretion of the Board for the following reasons:

- (1) Less than satisfactory performance in the present position.
- (2) Continued presence in the present position would be injurious to the employee's health.
- (3) To meet work requirements with reasons given upon request.
- (4) Personal difficulties with fellow employees or students or parents.
- (5) To accommodate the transfer or reassignment of an employee due to one of the above.

Prior to the decision to involuntarily transfer or reassign an employee, the Employer will consult with and seek input from the affected employee.

In the event of an involuntary transfer or reassignment, an Employer representative shall meet with the affected employee prior to the involuntary transfer or reassignment in order to discuss the reasons for such action.

An employee involuntarily transferred or reassigned pursuant to number 5 above will not suffer a decrease in his/her hourly rate of pay.

The employer will meet with the affected employee prior to the decision to involuntarily transfer or reassign an employee.

The employer and the employee will sign a dated memo, stating that the discussion to involuntary transfer/reassign the affected employee has taken place.

A copy of the signed memo will be placed accordingly:

1. The original signed memo will be on file with the Superintendent.
2. A copy will be placed in the file of the affected employee.
3. One copy will be given to the affected employee.

SECTION G - Trial Period

When a unit employee applies and is selected for a vacancy in a different classification, the employee may choose to revert to his/her former classification within fifteen (15) working days and may be reassigned to his/her former classification if the employer is not satisfied with his/her performance within thirty (30) working days.

SECTION H - Temporary Transfers

Employees are subject to temporary assignment and temporary transfer at the discretion of the Board. An employee so transferred for more than a week will be paid at the regular rate for those duties. However, an employee's pay rate shall not be reduced as a result of such assignment.

ARTICLE X: Evaluation

SECTION A - Procedure

1. Employees shall be evaluated by their immediate supervisor or others as deemed appropriate by the Superintendent or his/her designee, except that an employee shall not be evaluated by someone who does not have any knowledge of the employee's job responsibilities.
2. Each employee, upon his/her employment or at the beginning of the school year, whichever is later, shall be apprised of the general criteria upon which he/she will be evaluated. Any formal evaluation of an employee's work performance shall be based, in part, on his/her job description as provided for in Article XXI, Section C. Employees can be expected to be evaluated on all relevant aspects of their employment. Work outside of the employee's normally assigned duties shall not be the sole basis of the evaluation.

SECTION B - Response

1. A formal evaluation conference shall be held with the evaluator. Within ten (10) working days following each formal evaluation conference, the evaluation will be reduced to writing, and the employee shall sign and be given a copy.
2. In no case shall the employee's signature be construed to mean that he/she necessarily agrees with the contents of the evaluation. An employee may submit a written response to the written evaluation within ten (10) days of receipt of the evaluation which shall be attached to the file copy of the evaluation in question. All written evaluations are to be placed in the employee's personnel file.

SECTION C - Reasons

1. If a supervisor believes an employee is doing unacceptable work, the reason(s) shall be stated in the evaluation as well as suggestions for improvement.
2. In the event an employee is not continued in employment, the Employer will advise the employee of the specific reasons therefore in writing.

3. The contents of the evaluation shall not be subject to the grievance process, but all other issues are.

ARTICLE XI: Compensation

SECTION A - Compensation

The basic compensation of each employee shall be as set forth in **Appendix A**.

SECTION B - Overtime

Overtime work, which will be voluntary to the extent feasible but which may be required, will be assigned as determined appropriate by the Employer. Overtime which in the determination of the Employer could be assigned to any of the classification employees within a building will be divided as equally as possible over a fiscal year among those employees. When employees are absent, using substitutes, assigning overtime, or not replacing absent employees will be discretionary with the Employer. The following conditions shall apply to all overtime work:

1. Time and one-half will be paid for all hours worked over forty (40) hours in one (1) week or on Sundays (except graduation day).
2. Double-time in addition to the regular hourly rate will be paid for all hours worked on holidays designated in Article XIV.
3. Compensatory time off may be given if mutually agreeable to the Employer and the bargaining unit member.

SECTION C - Mileage

An employee required to use his/her own personal vehicle in the course of his/her job will be reimbursed at the current district approved rate for mileage.

SECTION D - Meetings

Employees may be required to attend meetings outside regular work hours. Employees required to attend such meetings will be compensated at their regular wage rate on Appendix A. Required meetings will be so specified at least one (1) week in advance (except emergency meetings for which the employee would receive the regular pay rate); otherwise, they will be considered voluntary.

SECTION E - Pays

Hourly employees will be compensated bi-weekly for any and all pay periods for which they worked. Fulltime employees will be paid in installments of 26 pays.

SECTION F - Assignment To More Than One Classification

Any employee regularly working in more than one classification shall be paid the rate for each classification for the appropriate hours.

SECTION G - Uniform For Mechanic

The Board will provide five (5) uniforms/coveralls per year for the mechanic.

SECTION H – Probationary Rate

The probationary rate shall be 90% of the rate for the classification the employee is hired into.

SECTION I – Part-time Workers

Part-time workers will be given first chance after laid off employees to substitute in other positions if they are qualified and their work schedule permits and does not result in overtime.

SECTION J - Miscellaneous

1. The Employer shall provide reimbursement for the cost of licenses or the renewal of licenses required for the employee to perform his/her job subject to Article XX, Section A. I. and 2.
2. Any bargaining unit work (i.e., summer work, banquets, parties, etc.) available outside the normal school day will be made available to bargaining unit members before non-bargaining unit members at the employee's regular pay rate. This work will be offered on the basis of seniority within the classification, shall be voluntary, and shall not cause the Employer to pay overtime. All vacancies will be posted for a period of seven (7) work days in a conspicuous place in the transportation office and in each school building in the district. Employees interested in the vacant or newly created routes must apply in writing to the transportation supervisor within five (5) work days of the last official posting date.

The bus driver with the most classification seniority applying for the open position who meets the requirements and qualifications shall be awarded the vacant position.

2. **Assignment**

All bus drivers who drove for Hudson Area Schools at the conclusion of the previous school year shall return to their assigned bus run or runs in the fall of the ensuing school year, except those assigned on a temporary basis, and except in those cases where the driver bids on and is assigned any vacant or new bus run or runs. Exceptions to this assignment procedure may be made by the district in those situations where such exception is warranted pursuant to Article IX, Section F.

Regular runs will be based on 1.5 hours in a.m. and 1.5 hours in p.m. and will consist of a daily pre-trip inspection completed by the driver assigned to the bus. Special education runs will be based on 2.25 hours in a.m. and 2.25 hours in p.m. Vo-Tech run will be based on 3.5 hours. No driver shall be allowed to drive or be assigned the drive Vo-Tech and Special Ed concurrently in the same school year. Only bus drivers by classification will drive runs and trips.

The following bus runs are classified as extra runs for bidding purposes: Vo-Tech,. All remaining runs are to be assigned to available drivers on the basis of seniority by the transportation supervisor.

Each bus driver will be provided the opportunity to have one (1) extra run based on classification seniority. When each driver has accepted or declined his/her opportunity to be assigned an extra run, all remaining extra run positions will be posted for bidding. All bidding for extra runs will take place prior to the start of each school year.

Posting and bidding for extra runs will follow the procedure for vacancies, set forth in Section A. 1. above.

4. **Transfer**

In addition to Article IX, Section F, the transportation supervisor has the final authority to transfer any driver at any time to a route, run, extra trip, or vehicle other than the one selected by the driver or originally assigned by the supervisor, when the supervisor

deems it is in the best interest of the school district to make such a change pursuant to the procedures of Article IX, Section F. Examples of such required changes may be due to the physical nature or length of the route or extra trip, characteristics or problems of the vehicle, or composition of the student load including special education runs.

2. At the beginning of each school year, all bus drivers shall indicate in writing to the transportation supervisor on forms provided by the Employer if they desire to be placed on the extra trip list so that the transportation supervisor will have an available listing of all the bus drivers who desire to make the extra bus trips. 3. When extra bus trips are to be scheduled, the Transportation Supervisor shall contact the bus driver with the highest classification seniority except drivers assigned to Vo-tech on the extra trip list first. Then, as additional extra bus trips become available, the transportation supervisor shall continue to go down the entire extra trip list until each bus driver has either run an extra bus trip or has had the opportunity to take an extra bus trip. When all of the bus drivers on the extra trip list have either driven an extra bus trip, or have been asked and refused to take an extra bus trip, the transportation supervisor shall then once again go to the most senior bus driver including Vo-tech drivers on the extra trip list and again continue to rotate all the extra bus trips according to classification seniority among all the bus drivers on the extra trip list. When extra trips are scheduled for and accepted by a bus driver, the transportation supervisor may obtain a substitute driver for any regularly scheduled runs which the driver may miss because of time conflicts.
4. Notwithstanding the foregoing, the Employer reserves the right not to assign an extra bus trip to a driver becoming eligible for overtime pay. If a driver is denied an extra trip for this reason, the driver will still be eligible for the next trip, which would not require overtime.
5. In the event that all of the bus drivers on the extra trip list refuse the extra bus trip(s), the Employer may require bus driver(s) on the extra trip list with the least classification seniority to take the extra bus trip(s).
6. When there are not enough bus drivers on the extra trip list to meet the needs of the Employer, the Employer may then require the driver(s) with the least classification seniority, whether on the extra trip list or not, to take the extra bus trip(s) or may use substitute drivers in the Employer's discretion.
7. If an extra trip is canceled and rescheduled, the driver will be given the rescheduled trip if available to drive.

8. Extra trips may be traded among drivers with transportation supervisor approval in advance. Trips that cannot be taken will be turned back in to the Transportation Supervisor.
9. A driver scheduled to drive an extra trip that conflicts with a regular bus run will be paid only the extra trip pay.
10. Trip rotation shall run from July 1st to June 30th. During summer break when school is not in session, the supervisor will make an effort to contract the next driver on the trip rotation list. If the supervisor is unable to reach that driver, the supervisor will try to contact the next driver on the list, etc., until the trip has been accepted. The supervisor will keep a log of all contacts made during summer break. Decisions made concerning distribution of extra trips shall not be the subject of a grievance.

SECTION C - Breakdown Time

When a bus driver must wait on his/her run because of a bus breakdown, being stuck, or a similar reason, he/she will be paid at the minimum wage rate per hour in addition to his/her amount for the regular run for the time required beyond that for which he/she is already compensated. The driver must turn in information to the Transportation Supervisor within the first week of each trimester. It is the responsibility of the driver to maintain records on a regular basis throughout the school year for safety reasons and route issues of students. Each driver will be compensated at the rate of ten (10) dollars upon completion of mapping at the end of each trimester.

1. On all extra trips, the driver will be paid the extra trip hourly rate from the time they leave school to the time they return to school. Each driver is required to complete one pre-trip inspection per day, per bus assigned. If a driver is required to switch a bus, they are required to complete a pre-trip inspection for that bus in addition to the run time.
